Returning Gods Toby Keen 2015-03-19 The first clash between the Q'ran and Huk'na'tans may have passed, but the war is far over. Both systems scurry to rebuild their fleets, terrified that their new foes may seize upon any advantage. All the while, there are those that would work tirelessly to undermine those in control. Ranak's strength waxes as he sets his sights upon the emperor's throne, while the king of Huk'na'ta willingly remains ignorant of the trials his people are suffering-content in his immutable role. Fae'gre, the child of a noble family, gets conscripted to find the world isn't as comfortable as he once believed, as he finds himself immersed in the darker side of human nature. As he finds his new place in the desolate worlds, innocents are starving and the solutions to food shortages are becoming bleak. All the while, the greatest threat that either system has ever faced inexorably marches toward a culmination that will pass beyond the borders of reality.

Black Death at the Golden Gate: The Race to Save America from the Bubonic Plague David K. Randall 2019-05-07 A spine-chilling saga of virulent racism, human folly, and the ultimate triumph of scientific progress. For Chinese immigrant Wong Chut King, surviving in San Francisco meant a life in the shadows. His passing on March 6, 1900, would have been unremarkable if a city health officer hadn't noticed a swollen black lymph node on his groin—a sign of bubonic plague. Empowered by racist pseudoscience, officials rushed to quarantine Chinatown while doctors examined Wong's tissue for telltale bacteria. If the devastating disease was not contained, San Francisco would become the American epicenter of an outbreak that had already claimed ten million lives worldwide. To local press, railroad barons, and elected officials, such a possibility was inconceivable—or inconvenient. As they mounted a cover-up to obscure the threat, ending the career of one of the most brilliant scientists in the nation in the process, it fell to federal health officer Rupert Blue to save a city that refused to be rescued. Spearheading a relentless crusade for sanitation, Blue and his men patrolled the squalid streets of fast-growing San Francisco, examined gory black buboes, and dissected diseased rats that put the fate of the entire country at risk. In the tradition of Erik Larson and Steven Johnson, Randall spins a spellbinding account of Blue's race to understand the disease and contain its spread—the only hope of saving San Francisco, and the nation, from a gruesome fate.

Le club, c'est toute sa vie ! Sauf que Dee a grandi, ce n'est plus une adolescente et, aujourd'hui, elle rêve de rencontrer un homme qui fera battre son cœur et vibrer de désir son corps. De passion en désillusion, de plaisir du sexe à celui du cœur, la quête de Dee s'annonce mouvementée ! *** - Je rêve de te sentir en moi depuis si longtemps... Je l'embrasse en m'étirant pour attraper un préservatif, avant de me redresser à genoux au-dessus d'elle. - Si tu me veux, mets-le-moi, lui proposé-je, joueur. Elle semble perdue, tournant et retournant le bout de plastique. J'ai un moment de panique alors que je me dis qu'elle a peut-être changé d'avis. Sans me regarder, elle me fait un aveu : - Je... euh... Je n'ai jamais fait ça. - Tu n'as jamais enfilé une capote à un mec ? Elle secoue la tête. - Mais tu t'es protégée avec ton ex, n'est-ce pas ? Elle ne me regarde pas ni ne me répond. Je sens mon souffle se bloquer. - Je... Elle toussote pour s'éclaircir la gorge. - Je suis vierge... Je me fige. Elle est vierge. Je n'ai jamais dépuclé une femme. Puis-je me contrôler suffisamment avec Dee pour ne pas la brusquer, la blesser ? *** Hot Rider, de Sara June, histoire intégrale.

We Shall See the Sky Sparkling Susana Aikin 2019-01-29 Winner of the 2019 American Fiction Award for Best Historical Fiction Set in London and Russia at the turn of the century, Susana Aikin's debut introduces a vibrant young woman determined to defy convention and shape an extraordinary future. Like other well-bred young women in Edwardian England, Lily Throop is expected to think of little beyond marriage and motherhood. Passionate about the stage, Lily has very different ambitions. To her father's dismay, she secures an apprenticeship at London's famous Imperial Theatre. Soon, her talent and beauty bring coveted roles and devoted admirers. Yet to most of society, the line between actress and harlot is whisper-thin. With her reputation threatened by her mentor's vicious betrayal, Lily flees to St. Petersburg with an acting troupe—leaving her first love behind. Life in Russia is as exhilarating as it is difficult. The streets rumble with talk of revolution, and Lily is drawn into an affair with Sergei, a Count with fervent revolutionary ideals. Following Sergei when he is banished to Vladivostok, Lily struggles to find her role in an increasingly dangerous world. And as Russian tensions with Japan erupt into war, only fortitude and single-mindedness can steer her to freedom and safety at last. With its sweeping backdrop and evocative details, *We Shall See the Sky Sparkling* explores a fascinating period in history through the eyes of a strong-willed, singular heroine, in a moving story of love and resilience.

Kissing in Cars Sara Ney 2017-03-28 WILL SHE, OR WON'T SHE... Studious and (mostly) sensible, the only thing Molly Wakefield wants to do is get through Senior Year and graduate. Well, that and hit the beach in her spare time. Okay, fine - and go shopping every once in a while for a new dress... (and who could blame her?) And things are going according to plan - until the day she spies Weston McGrath, handsome star athlete and scholar, spying on her in study hall. A tad creepy? Maybe. Thrilling? Absolutely. You see, Weston McGrath happens to be one guy no one can get close to. Despite her best efforts to avoid it (because let's face it - the guy isn't exactly "boyfriend material") Molly and Weston form a friendship. And more.... Sort of. But it's a friendship that comes with a price - because Weston just cannot seem to stop screwing things up. Or saying all the wrong things. Possibly in that order... And who has time for an 18 year old "fixer-upper" that should know better? Not Molly. Or does she?
