Sleeping Beauties Stephen King 2017-09-26 In this spectacular New York Times bestselling father/son collaboration that “barrels along like a freight train” (Publishers Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious “Eve Black,” is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman’s prison, *Sleeping Beauties* is a wildly provocative, gloriously dramatic father-son collaboration that feels particularly urgent and relevant today.

The Life of James McNeill Whistler (Illustrations) Elizabeth Robins Pennell 2014-12-18 Mr. and Mrs. Pennell's authorised Life of James McNeill Whistler appeared in two volumes in October 1908, and has had to be reprinted in that form three times since then. Its sale even in that comparatively expensive form has been an unexpectedly large one, proving without doubt that interest in Whistler's life is alive and growing. During the three years since its first publication much new material has come into the hands of the authors, and a complete revision of the book has therefore become necessary. The present volume is, to all intents and purposes, a new one. Many of the older illustrations in the earlier editions have been superseded by new ones, a number of which are reproduced for the first time. For the new material included in this edition the authors and the publisher are indebted to friends and numerous sympathetic correspondents, and they wish to express their indebtedness especially to Mr. John W. Beatty, Director of the Carnegie Institute in Pittsburgh; Mr. E. D. Brooks; Mr. Clifford Gore Chambers; Mr. E. T. Cook; Mr. Leon Dabo; Mr. Frederick Dielmann; Messrs. Dowdeswell; M. Théodore Duret; Mr. A. J. Eddy; Mrs. Wickham Flower; Right Hon. Jonathan Hogg; Mr. H. S. Hubbell; Mr. Will H. Low; Mr. Burton Mansfield; Judge Parry; Mr. H. Reinhardt; Mr. H. S. Ridings; Mr. Albert Rouiller; Miss Alice Rouiller; Mr. William Scott; M. Ströhlen; Mr. Ross Turner; Mr. C. F. G. Turner; Mr. C. Howard Walker; Mr. J. H. Wrenn.
