*We Shall See the Sky Sparkling* Susana Aikin 2019-01-29 Winner of the 2019 American Fiction Award for Best Historical Fiction Set in London and Russia at the turn of the century, Susana Aikin's debut introduces a vibrant young woman determined to defy convention and shape an extraordinary future. Like other well-bred young women in Edwardian England, Lily Throop is expected to think of little beyond marriage and motherhood. Passionate about the stage, Lily has very different ambitions. To her father's dismay, she secures an apprenticeship at London's famous Imperial Theatre. Soon, her talent and beauty bring coveted roles and devoted admirers. Yet to most of society, the line between actress and harlot is whisper-thin. With her reputation threatened by her mentor's vicious betrayal, Lily flees to St. Petersburg with an acting troupe—leaving her first love behind. Life in Russia is as exhilarating as it is difficult. The streets rumble with talk of revolution, and Lily is drawn into an affair with Sergei, a Count with fervent revolutionary ideals. Following Sergei when he is banished to Vladivostok, Lily struggles to find her role in an increasingly dangerous world. And as Russian tensions with Japan erupt into war, only fortitude and single-mindedness can steer her to freedom and safety at last. With its sweeping backdrop and evocative details, *We Shall See the Sky Sparkling* explores a fascinating period in history through the eyes of a

strong-willed, singular heroine, in a moving story of love and resilience.

The Thiri Rama Dawn F. Rooney 2017-03-27 The Thiri Rama – or the Great Rama – was written for court performance and is the only known illustrated version of the Ramayana story in Myanmar. Based on palm-leaf manuscripts and scenes carved on over 300 sandstone plaques at a mid-nineteenth-century Buddhist pagoda west of Mandalay in Myanmar, this book presents an original translation of the Thiri Rama rendered in prose. The volume also includes essays on the history and tradition of the Ramayana in Myanmar as well as the cultural context in which the play was performed. It contains many helpful resources, incorporating a glossary and a list of characters and their corresponding personae in Valmiki's Ramayana. With over 250 fascinating visuals and core text contributions by distinguished Burmese scholars, U Thaw Kaung, Tin Maung Kyi, and U Aung Thwin, this book will greatly interest scholars and researchers of South and Southeast Asian culture, literary forms, epics, art and art history, theatre and performance studies, religion, especially those concerned with Hinduism, as well as folklorists.

The British Cyclopedia of Natural History Charles Frederick Partington 1835

*A Grammar of Dolakha Newar* Carol Genetti 2007-01-01 A Grammar of Dolakha Newar is the first fully comprehensive reference grammar of a Newar variety. Dolakha Newar is of particular interest as it is member of the mutually unintelligible eastern branch of the family, so allows for an important comparative perspective on this significant Tibeto-Burman language. In addition to a chapter on phonetics and phonology, the book contains a separate chapter on prosody. There are also distinct chapters on each word class, with full discussion of the morphological and syntactic properties of each class. The book provides an extensive study of syntax, including complete chapters on constructions, clause structure, constituent order, grammatical relations, nominalization, complementation, the participial construction, and the complex sentence, as well as a detailed chapter on tense and aspect. Brimming with examples from natural discourse, the book couples rigorous description of the language's structures with full discussion of how the structures are used in connected speech. Each analysis is presented with full argumentation and competing analyses are contrasted and discussed. The result is a rich, readable, and beautifully argued portrait of a language and how it works.
