Paramilitary Forces of India M. D. Sharma 2008 In today's situation the security and safety of our countrymen is not only into the hands of Indian army and state police but also forces known as Paramilitary Forces. The security of Indian borders and internal matters are being looked after by these brave men working in these Paramilitary Forces including their history, origin, organization, duties and functions, role and future. It also examines the role of these forces in counter-insurgency and also international peacekeeping under UN. Covering all paramilitary organizations of India, this volume provides valuable information to students, researchers and laymen. An excellent book, which will serve as a sound and lively introduction for all, and also will, makes an impressive and substantial contribution to study of Paramilitary Forces of India.

Teacher Education: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources 2016-05-19 Educators play a significant role in the intellectual and social development of children and young adults. Next-generation teachers can only be as strong as their own educational foundation which serves to cultivate their knowledge of the learning process, uncover best practices in the field of education, and employ leadership abilities that will inspire students of all ages. Teacher Education: Concepts, Methodologies, Tools, and Applications explores the current state of pre-service teacher programs as well as continuing education initiatives for in-service educators. Emphasizing the growing role of technology in teacher skill development and training as well as key teaching methods and pedagogical developments, this multi-volume work compiles research essential to higher education professionals and administrators, educational software developers, and researchers studying pre-service and in-service teacher training.

The Girl In Room 105 Chetan Bhagat 2022-07-01 Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did ... and my life changed forever. This is not a love story. It is an un-love story. From the author of *Five Point Someone* and *2 States*, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

Call Sign Chaos Jim Mattis 2021-03-02 #1 NEW YORK TIMES BESTSELLER • A clear-eyed account of learning how to lead in a chaotic world, by General Jim Mattis—the former Secretary of Defense and one of the most formidable strategic thinkers of our time—and Bing West, a former assistant secretary of defense and combat Marine. “A four-star general’s five-star memoir.”—The Wall Street Journal *Call Sign Chaos* is the account of Jim Mattis’s storied career, from wide-ranging leadership roles in three wars to ultimately commanding a quarter of a million troops across the Middle East. Along the way, Mattis recounts his foundational experiences as a leader, extracting the lessons he has learned about the nature of warfighting and peacemaking, the importance of allies, and the strategic dilemmas—and short-sighted thinking—now facing our nation. He makes it clear why America must return to a strategic footing so as not to continue winning battles but fighting inconclusive wars. Mattis divides his book into three parts: Direct Leadership, Executive Leadership, and Strategic Leadership. In the first part, Mattis recalls his early experiences leading Marines into battle, when he knew his troops as well as his own brothers. In the second part, he explores what it means to command thousands of troops and how to adapt your leadership style to ensure your intent is understood by your most junior troops so that they can own their mission. In the third part, Mattis describes the challenges and techniques of leadership at the strategic level, where military leaders reconcile war’s grim realities with political leaders’ human aspirations, where complexity reigns and the consequences of imprudence are severe, even catastrophic. *Call Sign Chaos* is a memoir of a life of warfighting and lifelong learning, following along as Mattis rises from Marine recruit to four-star general. It is a journey about learning to lead and a story about how he, through constant study and action, developed a unique leadership philosophy, one relevant to us all.

Beyond The Lines: An Autobiography Kuldip Nayar 2012-08-10 A veteran journalist and former member of Parliament, Kuldip Nayar is India’s most well known and widely syndicated journalist. He was born in Sialkot in 1923 and educated at

Lahore University before migrating to Delhi with his family at the time of Partition. He began his career in the Urdu newspaper Anjam and after a spell in the USA worked as information officer of Lal Bahadur Shastri and Govind Ballabh Pant. He eventually became Resident Editor of the Statesman and managing editor of the Indian news agency UNI. He corresponded for the Times for twenty-five years and later served as Indian high commissioner to the UK during the V.P. Singh government. His stand for press freedom during the Emergency, when he was detained; his commitment to better relations between India and Pakistan, and his role as a human rights activist have won him respect and affection in both countries. Author of more than a dozen books, his weekly columns are read across South Asia.

These Fevered Days: Ten Pivotal Moments in the Making of Emily Dickinson Martha Ackmann 2020-02-25 An engaging, intimate portrait of Emily Dickinson, one of America's greatest and most-mythologized poets, that sheds new light on her groundbreaking poetry. On August 3, 1845, young Emily Dickinson declared, "All things are ready" and with this resolute statement, her life as a poet began. Despite spending her days almost entirely "at home" (the occupation listed on her death certificate), Dickinson's interior world was extraordinary. She loved passionately, was hesitant about publication, embraced seclusion, and created 1,789 poems that she tucked into a dresser drawer. In *These Fevered Days*,

Martha Ackmann unravels the mysteries of Dickinson's life through ten decisive episodes that distill her evolution as a poet. Ackmann follows Dickinson through her religious crisis while a student at Mount Holyoke, which prefigured her lifelong ambivalence toward organized religion and her deep, private spirituality. We see the poet through her exhilarating frenzy of composition, through which we come to understand her fiercely self-critical eye and her relationship with sister-in-law and first reader, Susan Dickinson. Contrary to her reputation as a recluse, Dickinson makes the startling decision to ask a famous editor for advice, writes anguished letters to an unidentified "Master," and keeps up a lifelong friendship with writer Helen Hunt Jackson. At the peak of her literary productivity, she is seized with despair in confronting possible blindness. Utilizing thousands of archival letters and poems as well as never-before-seen photos, *These Fevered Days* constructs a remarkable map of Emily Dickinson's inner life. Together, these ten days provide new insights into her wildly original poetry and render a concise and vivid portrait of American literature's most enigmatic figure.

Stress Among Police Officers Joseph J. Hurrell 1984

The Philosophy of Psychology George Botterill 1999-08-19 What is the relationship between common-sense, or 'folk', psychology and contemporary scientific psychology? Are they in conflict with one another? Or do they perform quite different, though perhaps complementary, roles? George Botterill and Peter Carruthers discuss these questions, defending a robust form of realism about the commitments of folk psychology and about the prospects for integrating those commitments into natural science. Their focus throughout the book is on the ways in which cognitive science presents a challenge to our common-sense self-image - arguing that our native conception of the mind will be enriched, but not overturned, by science. *The Philosophy of Psychology* is designed as a textbook for upper-level undergraduate and beginning graduate students in philosophy and cognitive science, but as a text that not only surveys but advances the debates on the topics discussed, it will also be of interest to researchers working in these areas.

The Adventure of the Blue Carbuncle Sir Arthur Conan Doyle 2016-08-31 Sherlock Holmes, the world's "only unofficial consulting detective", was first introduced to readers in A Study in Scarlet published by Sir Arthur Conan Doyle in 1887. It was with the publication of The Adventures of Sherlock Holmes, however, that the master sleuth grew tremendously in popularity, later to become one of the most beloved literary characters of all time. In this book series, the short stories comprising The Adventures of Sherlock Holmes have been amusingly illustrated using only Lego® brand minifigures and bricks. The illustrations recreate, through custom designed Lego models, the composition of the black and white drawings by Sidney Paget that accompanied the original publication of these adventures appearing in The Strand Magazine from July 1891 to June 1892. Paget's iconic illustrations are largely responsible for the popular image of Sherlock Holmes, including his deerstalker cap and Inverness cape, details never mentioned in the writings of Conan Doyle. This uniquely illustrated collection, which features some of the most famous and enjoyable cases investigated by Sherlock Holmes and his devoted friend and biographer Dr. John H. Watson, including A Sandal in Bohemia and The Red-Headed League, is sure to delight Lego enthusiasts, as well as fans of the Great Detective, both old and new. In this story Sherlock Holmes and Dr. Watson investigate the curious discovery of a blue carbuncle in the crop of a Christmas goose abandoned by a man during a scuffle with some street ruffians. Holmes makes a series of deductions concerning the owner of a tattered old hat recovered along with the goose and thus sets out on the trail of the audacious thief who stole the precious stone five days previously.

Descriptive English SP Bakshi 2019-06-04 A number of national level examinations like IAS Mains, State PCS, IES, IFS, etc. check the English language aptitude of candidates with a compulsory English language paper. This book has been designed for such examinations which assess the English language abilities in detail. The present book covering English Language in descriptive nature has been divided into four parts namely Writing Skills, Comprehension Skills, Grammar Skills & Verbal Skills. Part A has been further divided into Essay Writing, Expansion Writing, Report Writing, Precis Writing and Letter Writing. The Verbal Skills section covers Paronyms & Homonyms, One Word Substitutions, Synonyms & Antonyms, Phrasal Verbs, etc. whereas the Grammar Skills section covers The Function of Tenses, Voice, Narration, Synthesis, Prepositions, etc. Each chapter in the book contains detailed theory including a number of sample examples in a simple & easier way to understand the topics well. Workbook Exercises have been provided in between the chapters for Part B, C & D to help aspirants practice the concepts discussed in each chapter. Answers for all the questions have been given at the end of the section. As the book covers varied aspects of English language, it for sure will help aspirants score high in the upcoming national and state level competitive and recruitment examinations.

Stolen Years Pavit Kaur 2014-09-11 In 1984, Simranjit Singh Mann resigned from the Indian Police Service in protest of Operation Blue Star, the Indian Army operation ordered by Indira Gandhi, then prime minister, that cleared the Golden Temple complex of Sikh militants. Mann was subsequently charged, among other things, with conspiracy to assassinate Prime Minister Indira Gandhi. A passionate Sikh whose radical beliefs were honed by his family, Mann went underground and was apprehended while trying to flee the country. He spent five years in prison, after which all charges were dropped. Three decades after Blue Star, his daughter Pavit Kaur looks back on the years her father spent in prison. In this disarmingly honest and emotionally charged account, Pavit Kaur documents her father's hellish journey through the Indian prison system. This is also a personal story and the story of a family during one of the most fraught times in India's history.
