

# Civil War Sub The Mystery Of The Hunley Penguin Y

This is likewise one of the factors by obtaining the soft documents of this **civil war sub the mystery of the hunley penguin y** by online. You might not require more become old to spend to go to the books commencement as without difficulty as search for them. In some cases, you likewise accomplish not discover the message civil war sub the mystery of the hunley penguin y that you are looking for. It will utterly squander the time.

However below, in the manner of you visit this web page, it will be thus extremely simple to get as with ease as download guide civil war sub the mystery of the hunley penguin y

It will not understand many time as we accustom before. You can attain it even though statute something else at home and even in your workplace. correspondingly easy! So, are you question? Just exercise just what we have enough money below as with ease as review **civil war sub the mystery of the hunley penguin y** what you once to read!

*The H. L. Hunley* Tom Chaffin 2010-02-16 On the evening of February 17, 1864, the Confederacy's H. L. Hunley sank the USS Housatonic and became the first submarine in world history to sink an enemy ship. Not until World War I—half a century later—would a submarine again accomplish such a feat. But also perishing that moonlit night, vanishing beneath the cold Atlantic waters off Charleston, South Carolina, was the Hunley and her entire crew of eight. For generations, searchers prowled Charleston's harbor, looking for the Hunley. And as they hunted, the legends surrounding the boat and its demise continued to grow. Even after the submarine was definitively located in 1995 and recovered five years later, those legends—those barnacles of misinformation—have only multiplied. Now, in a tour de force of document-sleuthing and insights gleaned from the excavation of this remarkable vessel, distinguished Civil War-era historian Tom Chaffin presents the most thorough telling of the Hunley's story possible. Of panoramic breadth, this Civil War saga begins long before the submarine was even assembled and follows the tale into the boat's final hours and through its recovery in 2000. Beyond his thorough survey of period documents relating to the submarine, Chaffin also conducted extensive interviews with Maria Jacobsen, senior archaeologist at Clemson University's Warren Lasch Conservation Center, where the Hunley is now being excavated, to complete his portrait of this technological wonder. What emerges is a narrative that casts compelling doubts on many long-held assumptions, particularly those concerning the boat's final hours. Thoroughly engaging and utterly new, *The H. L. Hunley* provides the definitive account of a storied craft.

**The Story Of The H.L. Hunley And Queenie's Coin** Fran Hawk 2013-08-15 During the Civil War, Union forces blockade the port of Charleston so the Confederate army seeks a way to attack the Yankee ships. George Dixon is part of the group of men given the task of creating and building the "fish boat," a submarine. The H.L. Hunley ultimately sets out on its mission to sink Yankee ships, but fails to return, its whereabouts unknown. For more than 100 years, the mystery of the Hunley and the fate of its crew stayed buried. *The Story of the H.L. Hunley and Queenie's Coin* recounts the story of the "fish boat," through its creation and mission, to its ultimate recovery and final voyage home. Fran Hawk and her husband live in Mt. Pleasant, South Carolina, near several Hunley landmarks. For the past ten years, she

has enjoyed her job as a children's librarian in her local school district. Currently she works in a small alternative high school for at-risk students. She writes a weekly children's book review column for the Charleston Post and Courier and writes freelance articles for magazines. Dan Nance has published dozens of extraordinary and provocative images of the Civil War. A graduate of the Pratt Institute in Brooklyn, New York, Dan's work has graced numerous book and magazine covers and is widely respected by both scholars and historical interpreters alike. Dan has works in the permanent collection of the South Carolina State Museum. He lives with his family in Charlotte, North Carolina.

**Last of the Blue and Gray** Richard A. Serrano 2013-10-08 Richard Serrano, Pulitzer Prize-winning journalist for the Los Angeles Times, pens a story of two veterans. In the late 1950s, as America prepared for the Civil War centennial, two very old men lay dying. Albert Woolson, 109 years old, slipped in and out of a coma at a Duluth, Minnesota, hospital, his memories as a Yankee drummer boy slowly dimming. Walter Williams, at 117 blind and deaf and bedridden in his daughter's home in Houston, Texas, no longer could tell of his time as a Confederate forage master. The last of the Blue and the Gray were drifting away; an era was ending. Unknown to the public, centennial officials, and the White House too, one of these men was indeed a veteran of that horrible conflict and one according to the best evidence nothing but a fraud. One was a soldier. The other had been living a great, big lie.

*Iowa Confederates in the Civil War* David Connon 2019-09-30 Confederates from Iowa were as unusual as slaves in Dubuque. David Connon shares the intensely human stories of Iowa Confederates in the Civil War. Seventy-six of these men entered the Confederate service. Readers will follow their pre-war, war-time, and post-war experiences, ranging from difficult relationships to disease, imprisonment, desertion, and adventure. More stories illuminate the turbulent Iowa home front, where life was hard for parents of Confederates and for Peace Democrats.

**Raising the Hunley** Brian Hicks 2007-12-18 The history of the Confederate submarine H. L. Hunley is as astonishing as its disappearance. On February 17, 1864, after a legendary encounter with a Union battleship, the iron "fish boat" vanished without a trace somewhere off the coast of South Carolina. For more than a century the fate of the Hunley remained one of the great unsolved mysteries of the Civil War. Then, on August 8, 2000, with thousands of spectators crowding Charleston Harbor, the Hunley was raised from the bottom of the sea and towed ashore. Now, award-winning journalists Brian Hicks and Schuyler Kropf offer new insights into the Hunley's final hours and recount the amazing true story of its rescue. The brainchild of wealthy New Orleans planter and lawyer Horace Lawson Hunley, the Hunley inspired tremendous hopes of breaking the Union's naval blockade of Charleston, only to drown two crews on disastrous test runs. But on the night of February 17, 1864, the Hunley finally made good on its promise. Under the command of the heroic Lieutenant George E. Dixon, the sub rammed a spar torpedo into the Union sloop Housatonic and sank the ship within minutes, accomplishing a feat of stealth technology that would not be repeated for half a century. And then, shortly after its stunning success, the Hunley vanished. This book is an extraordinary true story peopled with a fascinating cast of characters, including Horace Hunley himself, the Union officers and crew who went down with the Housatonic, P. T. Barnum, who offered \$100,000 for its recovery, and novelist Clive Cussler, who spearheaded the mission that finally succeeded in finding the Hunley. The drama of salvaging the sub is only the prelude to a page-turning account of how scientists unsealed this archaeological treasure chest and discovered the inner-workings of a submarine more technologically advanced than anyone expected, as well as numerous, priceless artifacts. Hicks and Kropf have crafted a spellbinding adventure story that spans over a century of American history. Dramatically told, filled with historical details and contemporary color, illustrated with breathtaking original photographs, *Raising the Hunley* is one of the most fascinating Civil War books to appear in years.

**The Next Civil War** Stephen Marche 2022-01-04 The United States is coming to an end. The only question is how. "Should be required reading for anyone interested in preserving our 246-year experiment in self-government." —The New York Times Book Review \* "Well researched and eloquently presented." —The Atlantic \* "It's not a matter of if but when: A civil war is on the way...In a time of torment, this is a book well worth reading." —Kirkus Reviews In this deeply researched work of speculative nonfiction that reads like Ezra Klein's *Why We're Polarized* crossed with David Wallace-Wells's *The Uninhabitable Earth*, a celebrated journalist takes a fiercely divided America and imagines five chilling scenarios that lead to its collapse, based on in-depth interviews with experts of all kinds. On a small two-lane bridge in a rural county that loathes the federal government, the US Army uses lethal force to end a standoff with hard-right anti-government patriots. Inside an ordinary diner, a disaffected young man with a handgun takes aim at the American president stepping in for an impromptu photo-op, and a bullet splits the hyper-partisan country into violently opposed mourners and revelers. In New York City, a Category 2 hurricane plunges entire neighborhoods underwater and creates millions of refugees overnight—a blow that comes on the heels of a financial crash and years of catastrophic droughts— and tips America over the edge into ruin. These nightmarish scenarios are just three of the five possibilities most likely to spark devastating chaos in the United States that are brought to life in *The Next Civil War*, a chilling and deeply researched work of speculative nonfiction. Drawing upon sophisticated predictive models and nearly two hundred interviews with experts—civil war scholars, military leaders, law enforcement officials, secret service agents, agricultural specialists, environmentalists, war historians, and political scientists—journalist Stephen Marche predicts the terrifying future collapse that so many of us do not want to see unfolding in front of our eyes. Marche has spoken with soldiers and counterinsurgency experts about what it would take to control the population of the United States, and the battle plans for the next civil war have already been drawn up. Not by novelists, but by colonels. No matter your political leaning, most of us can sense that America is barreling toward catastrophe—of one kind or another. Relevant and revelatory, *The Next Civil War* plainly breaks down the looming threats to America and is a must-read for anyone concerned about the future of its people, its land, and its government.

*The Civil War as a Theological Crisis* Mark A. Noll 2006-12-08 Viewing the Civil War as a major turning point in American religious thought, Mark A. Noll examines writings about slavery and race from Americans both white and black, northern and southern, and includes commentary from Protestants and Catholics in Europe and Canada. Though the Christians on all sides agreed that the Bible was authoritative, their interpretations of slavery in Scripture led to a full-blown theological crisis.

**Graball Road: The Story of the Great Lincoln County Gold Train Robbery of 1865** Bob Young 2019-02-11 The events of May 24, 1865 in Lincoln County, Ga., spawned a legend that has taken on a life of its own. A wagon train loaded with nearly a half million dollars in gold coins is robbed in the middle of the night, apparently by Confederate veterans, who believe the stash to be the remnants of their failed government's treasury. The hunt for the thieves and their loot is an adventure of its own, but a Union general's use of torture on a prominent family only serves to inflame the local population and to heat up already volatile tempers. GRABALL ROAD is the true story behind the "Legend of the Confederate Gold." Decide for yourself whether a pot of Confederate gold lies buried somewhere deep in this river valley.

**Faded Coat of Blue** Ralph Peters 2012-08-01 Abel Jones, a Welsh immigrant and Union army enlistee, investigates the death of Anthony Fowler, a young volunteer captain whose murder is blamed on the Confederates. Jones purpues the blood of the battlefield through the intrigues of Washington, D.C., where evil and good intertwine.

*Steal Away Home* Lois Ruby 2014-03-11 When twelve-year-old Dana Shannon starts to strip away wallpaper in her family's old house, she's unprepared for the surprise that awaits her. A hidden room—containing a human skeleton! How did such a thing get there? And why was the tiny room sealed up? With the help of a diary found in the room, Dana learns her house was once a station on the Underground Railroad. The young woman whose remains Dana discovered was Lizbet Charles, a conductor and former slave. As the scene shifts between Dana's world and 1856, the story of the families that lived in the house unfolds. But as pieces of the puzzle begin to fall into place, one haunting question remains—why did Lizbet Charles die?

History's Mysteries Kitson Jazycka 2017 "Why were the Easter Island heads erected? What really happened to the Maya? Who stole the Irish Crown Jewels? The first book in this exciting new series will cover history's heavy-hitting, head-scratching mysteries, including the Lost Colony of Roanoke, the Bermuda Triangle, the Oak Island Money Pit, Stonehenge, the Sphinx, the disappearance of entire civilizations, the dancing plague, the Voynich manuscript, and so many more. Chock-full of cool photos, fun facts, and spine-tingling mysteries"--Provided by publisher.

**How Civil Wars Start** Barbara F. Walter 2022-01-06 'When one of the world's leading scholars of civil war tells us that a country is on the brink of violent conflict, we should pay attention. This is an important book' Steven Levitsky and Daniel Ziblatt, authors of *How Democracies Die* Civil wars are the biggest danger to world peace today - this book shows us why they happen, and how to avoid them. Most of us don't know it, but we are living in the world's greatest era of civil wars. While violence has declined worldwide, civil wars have increased. This is a new phenomenon. With the exception of a handful of cases - the American and English civil wars, the French Revolution - historically it has been rare for people to organise and fight their governments. This has changed. Since 1946, over 250 armed conflicts have broken out around the world, a number that continues to rise. Major civil wars are now being fought in countries including Iraq, Syria and Libya. Smaller civil wars are being fought in Ukraine, India, and Malaysia. Even countries we thought could never experience another civil war - such as the USA, Sweden and Ireland - are showing signs of unrest. In *How Civil Wars Start*, acclaimed expert Barbara F. Walter, who has advised on political violence everywhere from the CIA to the U.S. Senate to the United Nations, explains the rise of civil war and the conditions that create it. As democracies across the world backslide and citizens become more polarised, civil wars will become even more widespread and last longer than they have in the past. This urgent and important book shows us a path back toward peace.

Civil War Sub: The Mystery of the Hunley Kate Boehm Jerome 2002-09-16 In 1864, during the Civil War, the C.S.S. Hunley became the first submarine in the world to sink an enemy ship. The Hunley and its crew mysteriously vanished. What happened on that cold winter night? After over a century, scientists finally have some of the answers.

Eye of the Storm Charles F. Bryan, Jr. 2002-05-07 In this historical treasure, now restored to posterity, text and drawings by a Union cartographer record the daily life of Civil war soldiers, the firsthand observation of officers, and the battles he witnessed from Yorkville to Bull Run. 85 full-color illustrations.

**Turning Point Battles of the Civil War** Sandra J. Hiller 2011 Discusses the strategy, major players, and aftermath of important Civil War battles, including Antietam and Vicksburg.

**Summoned to Glory** Richard Striner 2020-06-01 A radical reinterpretation of America's greatest president. Where previous Lincoln biographers describe his temperament as "moderate," "passive," or even "conservative," historian Richard Striner offers a stunningly original perspective that will shed

significant new light on one of the most studied figures in American history. Striner shows Lincoln's audacity as no other book has ever done. By emphasizing the workings of Lincoln's mind—stressing his cunning, his overall honesty, strategic thinking—even his ability to change his mind—Striner looks anew at many topics and themes important to Lincoln's story that either revise or add new meaning to the work of previous biographers. His insights into Lincoln's life, but also into antebellum America, and the military and political history of the Civil War, make this book indispensable for well-read armchair historians, seasoned students of Lincoln, the Civil War, or the American presidency and newcomers alike.

*The Mystery at Fort Sumter* Carole Marsh 2010-01-27 "America's national mystery book series"--cover.

**In the Waves** Rachel Lance 2021-04-06 One of "The Most Fascinating Books WIRED Read in 2020" "One part science book, one part historical narrative, one part memoir . . . harrowing and inspiring."—The Wall Street Journal How a determined scientist cracked the case of the first successful—and disastrous—submarine attack On the night of February 17, 1864, the tiny Confederate submarine HL Hunley made its way toward the USS Housatonic just outside Charleston harbor. Within a matter of hours, the Union ship's stern was blown open in a spray of wood planks. The explosion sank the ship, killing many of its crew. And the submarine, the first ever to be successful in combat, disappeared without a trace. For 131 years the eight-man crew of the HL Hunley lay in their watery graves, undiscovered. When finally raised, the narrow metal vessel revealed a puzzling sight. There was no indication the blast had breached the hull, and all eight men were still seated at their stations—frozen in time after more than a century. Why did it sink? Why did the men die? Archaeologists and conservationists have been studying the boat and the remains for years, and now one woman has the answers. *In the Waves* is much more than just a military perspective or a technical account. It's also the story of Rachel Lance's single-minded obsession spanning three years, the story of the extreme highs and lows in her quest to find all the puzzle pieces of the Hunley. Balancing a gripping historical tale and original research with a personal story of professional and private obstacles, *In the Waves* is an enthralling look at a unique part of the Civil War and the lengths one scientist will go to uncover its secrets.

**Tillie Pierce** Tanya Anderson 2017-01-01 Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! Imagine being fifteen years old, facing the bloodiest battle ever to take place on U.S. soil: the Battle of Gettysburg. In July 1863, this is exactly what happened to Tillie Pierce, a normal teenager who became an unlikely heroine of the Civil War (1861-1865). Tillie and other women and girls like her found themselves trapped during this critical three-day battle in southern Pennsylvania. Without training, but with enormous courage and compassion, Tillie and other Gettysburg citizens helped save the lives of countless wounded Union and Confederate soldiers. In gripping prose, *Tillie Pierce: Teen Eyewitness to the of Battle Gettysburg* takes readers behind the scenes. And through Tillie's own words, the story of one of the Civil War's most famous battles comes alive.

[Sea of Darkness](#) Brian Hicks 2015-03-03 On a dark night in February of 1864, the H.L. Hunley, the first submarine to sink an enemy ship in combat, torpedoed the Union blockade ship USS Housatonic, a feat that would not be repeated for another 50 years. But fate was not kind to the Hunley that night as it sank with all of its crew on board before it could return to shore. Considered by many to be the Civil War's greatest mystery, the Hunley's demise and its resting place have been a topic of discussion for historians and Civil War buffs alike for more than a hundred years. Adding still more to the intrigue, the vessel was discovered in 1995 by a dive team led by famed novelist and shipwreck hunter Clive Cussler, sparking an underwater investigation that resulted in the raising of the Hunley on August 8, 2000. Since that time, the extensive research and restorative efforts underway have unraveled the incredible secrets that were

locked within the submarine at the bottom of the Atlantic Ocean. Join Civil War expert Brian Hicks as *Sea of Darkness* recounts the most historically accurate narrative of the sinking and eventual recovery ever written. Hicks has been given unprecedented access to all the main characters involved in the discovery, raising, and restoration of the *Hunley*. Complete with a foreword and additional commentary by Clive Cussler, *Sea of Darkness* offers new, never-before-published evidence on the cause of the *Hunley*'s sinking, providing readers a tantalizing behind-the-scenes look inside the historic submarine.

**The Hour of Peril** Daniel Stashower 2013-01-29 "It's history that reads like a race-against-the-clock thriller." —Harlan Coben Daniel Stashower, the two-time Edgar award-winning author of *The Beautiful Cigar Girl*, uncovers the riveting true story of the "Baltimore Plot," an audacious conspiracy to assassinate Abraham Lincoln on the eve of the Civil War in *THE HOUR OF PERIL*. In February of 1861, just days before he assumed the presidency, Abraham Lincoln faced a "clear and fully-matured" threat of assassination as he traveled by train from Springfield to Washington for his inauguration. Over a period of thirteen days the legendary detective Allan Pinkerton worked feverishly to detect and thwart the plot, assisted by a captivating young widow named Kate Warne, America's first female private eye. As Lincoln's train rolled inexorably toward "the seat of danger," Pinkerton struggled to unravel the ever-changing details of the murder plot, even as he contended with the intractability of Lincoln and his advisors, who refused to believe that the danger was real. With time running out Pinkerton took a desperate gamble, staking Lincoln's life—and the future of the nation—on a "perilous feint" that seemed to offer the only chance that Lincoln would survive to become president. Shrouded in secrecy—and, later, mired in controversy—the story of the "Baltimore Plot" is one of the great untold tales of the Civil War era, and Stashower has crafted this spellbinding historical narrative with the pace and urgency of a race-against-the-clock thriller. A Washington Post Notable Nonfiction Book of 2013 Winner of the 2014 Edgar Award for Best Fact Crime Winner of the 2013 Agatha Award for Best Nonfiction Winner of the 2014 Anthony Award for Best Critical or Non-fiction Work Winner of the 2014 Macavity Award for Best Nonfiction

*Mary Bowser and the Civil War Spy Ring Enigma* Alberti 2019-04-02 *Mary Bowser and the Civil War Spy Ring* introduces an exciting interactive series for middle grade readers—*Spy on History*, where the reader gets to experience history in a whole new way, now in paperback. Meet Mary Bowser, an African American spy who was able to infiltrate the Confederate leadership at the highest level. *Enigma* Alberti dramatizes Mary Bowser's suspenseful story—how she pretended to be illiterate, how she masterfully evaded detection, how she used her photographic memory to "copy" critical documents. Using spycraft materials included in a sealed envelope inside the book, a canny reader will be able to discover and unravel clues embedded in the text and illustrations, and solve the book's ultimate mystery: Where did Mary hide her secret diary?

**The River Between Us** Richard Peck 2005-04-21 The year is 1861. Civil war is imminent and Tilly Pruitt's brother, Noah, is eager to go and fight on the side of the North. With her father long gone, Tilly, her sister, and their mother struggle to make ends meet and hold the dwindling Pruitt family together. Then one night a mysterious girl arrives on a steamboat bound for St. Louis. Delphine is unlike anyone the small river town has even seen. Mrs. Pruitt agrees to take Delphine and her dark, silent traveling companion in as boarders. No one in town knows what to make of the two strangers, and so the rumors fly. Is Delphine's companion a slave? Could they be spies for the South? Are the Pruitts traitors? A masterful tale of mystery and war, and a breathtaking portrait of the lifelong impact one person can have on another.

**Rebel Spirits** Lois Ruby 2013-05-28 Haunted by history. Bound by mystery. Lori Chase doesn't know what to think about ghosts. She may have seen a few in the past, but those were just childish imaginings

. . . right? Only now that she is living in Gettysburg, Pennsylvania, spirits seem to be on everyone's mind. The town is obsessed with its bloody Civil War history, and the old inn that Lori's parent run is supposedly haunted by the souls of dead soldiers. Then Lori meets one such soldier -- the devastatingly handsome Nathaniel Pierce. Nathaniel's soul cannot rest, and he desperately needs Lori's help. Because Nathaniel was not killed in the famous battle. He was murdered. Lori begins to investigate the age-old mystery, stumbling upon shocking clues and secrets. At the same time, she can't help falling for Nathaniel, just as he is falling for her . . . .

**Murder Bay** David R. Horwitz 2010-08 No one noticed anything suspicious about the death of a wounded soldier at the height of the Civil War—not, that is, until almost a hundred years later. In 1957, young Washington, D.C., police sergeant Ben Carey heads up a team of officers in a dilapidated house three blocks from the Capitol. Though Carey's career is on the rise, his marriage is circling the drain, and as he spends more time at the office, he discovers there is something not quite right about this decaying old home. It harbors some dark secrets—connecting him to the long-dead soldier and others in ways he can't understand. With his personal life in shambles, and forces from within the house vying for his attention, Carey casts reason aside and begins an investigation to uncover the truth about what happened in this haunted place. As he peels back the layers of history, he finds courage and love, but also deception, greed, jealousy, and murder. Twisting through time—between an America torn by Civil War and the prosperous 1950s—Murder Bay is a mystery that spans eras and the gulf dividing what can and cannot be explained. “The impressive first in a historical series, which effortlessly alternates between Washington, D.C., in 1862 and the same city 95 years later...this debut shows definite promise.” —Publishers Weekly “Very nicely done....Recommended.” —Library Journal “An involving, period-perfect story. The action is fast-paced and convincing...the characters are expertly drawn.” —ForeWord

**Civil Blood** Ann McMillan 2003-02 In 1862, as smallpox sweeps through Richmond, devastating the local inhabitants, Narcissa Powers, a young widow-turned-nurse, Judah Daniel, a freed slave and herbalist, and British journalist Brit Wallace begin to suspect that the plague may not be accidental and set out to stop a killer intentionally infecting people with tainted money. Reprint.

**A Memory of Muskets** Kathleen Ernst 2016-10-08 Curator Chloe Ellefson is happily planning to spotlight home-front challenges and German immigrants at Old World Wisconsin's first Civil War reenactment, but her overbearing boss scorns her ideas and proposes staging a mock battle instead. And when a reenactor is found dead at one of the historic site's German farms, Chloe's boyfriend, cop Roelke McKenna, suspects murder. The more Roelke learns about reenacting, the more he fears that a killer will join the ranks. Then Chloe discovers a disturbing secret about Roelke's Civil War-era ancestors. Together they struggle to solve crimes past and present...before Chloe loses her job and another reenactor loses his life. Praise: "Veteran Ernst provides a new perspective on the Civil War woven together with a compelling mystery." —Kirkus Reviews "Extremely well-written."—Suspense Magazine "Kathleen Ernst knows how to spin a tale, weave an intricate plot, and hide clues in the embroidery. A Memory of Muskets takes two stories separated by more than a century and knits them together into one thoroughly satisfying read."—Kathy Lynn Emerson, Agatha Award-winning author of *How to Write Killer Historical Mysteries*, *Murder in the Merchant's Hall*, and other historical mysteries

Great Civil War Projects Maxine Anderson 2012-06-01 From periscopes to homemade paper, uniforms to telegraphs, *Great Civil War Projects You Can Build Yourself* explores the Civil War era through hands-on building projects and activities using common household and craft store items. Detailed step-by-step instructions, diagrams, and templates for creating 25 Civil War projects, combined with historical background, facts and anecdotes, and biographies and trivia, give kids a hands-on way to experience the

fascinating history of one of the most important eras in American history.

**The Conductors** Nicole Glover 2021-03-02 A compelling debut by a new voice in fantasy fiction, *The Conductors* features the magic and mystery of Jim Butcher's Dresden Files written with the sensibility and historical setting of Octavia Butler's *Kindred* introducing Hetty Rhodes, a magic-user and former conductor on the Underground Railroad who now solves crimes in post-Civil War Philadelphia. As a conductor on the Underground Railroad, Hetty Rhodes helped usher dozens of people North with her wits and magic. Now that the Civil War is over, Hetty and her husband Benjy have settled in Philadelphia, solving murders and mysteries that the white authorities won't touch. When they find one of their friends slain in an alley, Hetty and Benjy bury the body and set off to find answers. But the secrets and intricate lies of the elites of Black Philadelphia only serve to dredge up more questions. To solve this mystery, they will have to face ugly truths all around them, including the ones about each other. In this vibrant and original novel, Nicole Glover joins a roster of contemporary writers within fantasy, such as Victor LaValle and Zen Cho, who use speculative fiction to delve into important historical and cultural threads.

**What Was the Turning Point of the Civil War?: Alfred Waud Goes to Gettysburg** Ellen T. Crenshaw 2022-05-31 "A nuanced piece of history told simply and well." — Kirkus Reviews Discover the story behind the Battle of Gettysburg through the eyes of war reporter Alfred Waud in this compelling graphic novel -- written and illustrated by National Book Award-longlisted creator Ellen T. Crenshaw. Presenting Who HQ Graphic Novels: an exciting new addition to the #1 New York Times Best-Selling Who Was? series! See the Battle of Gettysburg through the eyes Alfred Waud, a special artist and war correspondent whose depiction of Pickett's Charge is thought to be the only visual account by an eyewitness. A story of extreme risk, strife, and the search for truth, this graphic novel invites readers to immerse themselves into the crucial Civil War battle -- brought to life by gripping narrative and vivid full-color illustrations that jump off the page.

**In the Electric Mist with Confederate Dead** James Lee Burke 2011-10-25 Haunted by the past as he confronts a gruesome present-day rape and murder of young prostitutes in Louisiana, Detective Dave Robicheaux must also contend with a new partner from the FBI, as well as the local criminal gentry.

**Bonnie Blue Murder** Harold Covington 2001-01-24 APRIL, 1861. As the Confederate cannon opens fire on Fort Sumter and the Civil War begins. A rebel officer on a courier run to the telegraph office, is murdered in a historic Charleston graveyard and his pouch of secret despatches stolen. How did he come to be there? Is it the work of a Union spy? Former Charleston Police Inspector and now Confederate Officer, Major Hugo Legare is assigned to the case. Meanwhile the civilian police arrest a young Jewish soldier, Simon Mendoza, and charge him with murder and espionage. The evidence against Mendoza is dangerously strong and anti-Semitic incitement fills the newspapers, feeding the fires of suspicion and bigotry. But Major Legare is not convinced. There are holes in the police case against Mendoza. Legare and his associate, scapegrace Irish nobleman Captain James Redmond, quickly turn up more than a few skeletons in the dead man's closet as well as a plethora of new suspects including a Boston abolitionist, the beautiful daughter of the city's most wealthy citizen, and one of their own brother officers. But while Legare hunts the killer through the gaslit streets of old Charleston, more bodies start piling up. Legare and Redmond must race against time to stop more murders and recover the vital documents which could change the course of the whole war.

*American Turtle Submarine, The* Arthur Lefkowitz 2011-02-16 An effort of genius. -George Washington to Thomas Jefferson, 1785 The world's first submarine was used during the American Revolution. While other men his age supported the country with muskets, Yale graduate David Bushnell sought the answer

to one important question: how to defend America against the British Royal Navy. His answer was the American Turtle. Focusing on the vessel's most important mission, sinking Britain's flagship in New York harbor, this concise history follows the development of the invention from drawing table to open water and onwards.

**The H. L. Hunley Submarine** Fran Hawk 2017-10-15 The story of the H. L. Hunley submarine is about American ingenuity and real people who were inventive, loyal, brave, resilient, persistent, and adventurous. The Hunley, built by the Confederate Army during the Civil War, was the first submarine to sink an enemy ship during wartime. After that historic feat, the Hunley disappeared. For more than a century, the fate and location of the Confederate submarine remained unknown. In *The H. L. Hunley Submarine*, Fran Hawk tells the exciting and compelling tale of how the "fish boat" was invented, how it underwent trials and tribulations in war, and how it got from the bottom of the ocean to its current resting place in the Warren Lasch Conservation Center in North Charleston, South Carolina. Who invented the H. L. Hunley? How did it operate without an engine? How and why did it sink? What did researchers find when they investigated the submarine? Archaeologists and conservationists from all over the world have studied the historic vessel in search of answers. Which mysteries have they solved, and which mysteries remain for future generations to answer?

**Submarine Warfare In The Civil War** Mark Ragan 2009-04-30 Many people have heard of the Hunley, the experimental Confederate submarine that sank the USS Housatonic in a daring nighttime operation. Less well known, however, is that the Hunley was not alone under the waters of America during the Civil War. Both the Union and Confederacy built a wide and incredible array of vessels that could maneuver underwater, and many were put to use patrolling enemy waters. In *Submarine Warfare in the Civil War*, Mark Ragan, who spent years mining factory records and log books, brings this little-known history to the surface. The hardcover edition, *Union and Confederate Submarine Warfare in the Civil War*, was published to wide acclaim in 1999. For this new paperback edition, Ragan has revised and updated the text to include the full story of the Hunley's recovery and restoration.

*Women in the Civil War* Kari A. Cornell 2016-08-15 This title explores the many roles women played during the Civil War as nurses, community organizers, and even soldiers on the front lines. Gripping narrative text, historic photographs, and primary sources make the book perfect for report writing. Features include a glossary, additional resources, source notes, and an index, plus a timeline and essential facts. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

**The St. Albans Raid: Confederate Attack on Vermont** Michelle Arnosky Sherburne 2014-09-16 In October 1864, approximately twenty-one Rebel soldiers took over St. Albans, Vermont, proclaiming that it was now under Confederate government control. This northernmost land action of the Civil War ignited wartime fear and anger in every Northern state. The raiders fired on townspeople as they stole horses and robbed the local banks. St. Albans men organized under recently discharged Union captain George Conger, F. Stewart Stranahan and John W. Newton to chase the Rebels out of town. The complex network of the Confederate Secret Service was entangled with the raid and conspired to unravel the North throughout the war. The perpetrators later stood trial in Canada, causing international ramifications for years to come. Michelle Arnosky Sherburne leads readers through the drama, triumph and legacy of the Confederate raid on St. Albans.

**Ironclad Alibi** Michael Kilian 2016-06-01 Harrison Raines goes behind enemy lines to investigate a Confederate ship that could change the war. It's been years since Harrison Raines set foot in Richmond.

Although a proud Virginian, he fled the South before the Civil War, unable to bear the evil of slavery. In 1862, battles rage on all sides of the Confederate capital, but Raines is not here as a soldier – he comes as a spy. Union intelligence, led by the formidable Allen Pinkerton, has sent him to steal the plans for a rumored Confederate superweapon: a seagoing ship clad entirely in iron that could break the Union blockade and turn the war around. Raines may be in home territory, but he is not at ease. In Richmond, they hang spies. While investigating the ship known as "the Monster," Raines's closest friend – a freed slave named Caesar Augustus – is arrested for murder. Saving Augustus from the gallows will take quick wit, daring, and influence at the highest levels of the Confederacy. The Ironclad Alibi is the 3rd book in the Harrison Raines Civil War Mysteries, but you may enjoy reading the series in any order.

*A Nation Divided* Jeff Putnam 2011-10 Looks at the major causes of the Civil War, including cultural divisions, slavery, and the Presidential election of 1860.

**Civil War on Sunday** Mary Pope Osborne 2010-06-15 The #1 bestselling chapter book series of all time celebrates 25 years with new covers and a new, easy-to-use numbering system! Cannon fire!
