The Cortina Method combines a selection of practical phrases of everyday use, rendered in Romanized spelling (romaji) which is self-pronouncing, and the absence of complicated grammatical rules, to make the study of spoken Japanese easy and effective. A comprehensive reference grammar is provided following the lessons. This section which also contains a guide to pronunciation will prove a handy and invaluable aid to the student. The Katakana Syllabary is also explained, enabling the student to read and write in Katakana.
