Dictionary of World Biography Barry Jones 2017-05-05 Jones, Barry Owen (1932–). Australian politician, writer and lawyer, born in Geelong. Educated at Melbourne University, he was a public servant, high school teacher, television and radio performer, university lecturer and lawyer before serving as a Labor MP in the Victorian Parliament 1972–77 and the Australian House of Representatives 1977–98. He took a leading role in reviving the Australian film industry, abolishing the death penalty in Australia, and was the first politician to raise public awareness of global warming, the 'post-industrial' society, the IT revolution, biotechnology, the rise of 'the Third Age' and the

need to preserve Antarctica as a wilderness. In the Hawke Government, he was Minister for Science 1983–90, Prices and Consumer Affairs 1987, Small Business 1987–90 and Customs 1988–90. He became a member of the Executive Board of UNESCO, Paris 1991–95 and National President of the Australian Labor Party 1992–2000, 2005–06. He was Deputy Chairman of the Constitutional Convention 1998. His books include *Decades of Decision 1860–* (1965), *Joseph II* (1968), *Age of Apocalypse* (1975), and he edited *The Penalty is Death* (1968). *Sleepers, Wake!: Technology and the Future of Work* was published by Oxford University Press in 1982, became a bestseller and has been translated into Chinese, Japanese, Korean, Swedish and braille. The fourth edition was published in 1995. *Knowledge Courage Leadership*, a collection of speeches and essays, appeared in 2016.

She Reads Truth Raechel Myers 2016-10-04 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

What Did Jesus Look Like? Joan E. Taylor 2018-02-08 Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

Inspire: Proverbs Tyndale 2017-09-05 Inspire: Proverbs includes all of the cherished features from the Inspire Bible displayed beautifully in a coloring book-style square-trimmed edition. Readers will enjoy coloring and creative art-journaling through the full book of Proverbs, with the wisdom from all 31 chapters displayed beautifully in a single-column, wide-margin, spacious layout. Inspire: Proverbs features over 70 full- and partial-page Scripture line-art illustrations, plus words to color right within the Bible text to inspire Scripture meditation and response. The larger 9 x 9 trim, wide margins, spacious layout, and thicker, uncoated, white art paper make this a Bible-journaler's dream. Art paper limits bleed-through and allows for use of even more markers, supplies, and techniques for coloring and creative art-journaling. Inspire: Proverbs is great for people wanting to connect to the Proverbs through art and extends a beautiful invitation to slow down and soak in God's Word while coloring or journaling on the pages.

British Books 1898

Between Constantinople and Rome Kathleen Maxwell 2016-12-05 This is a study of the artistic and political context that led to the production of a truly exceptional Byzantine illustrated manuscript. Paris, Bibliothèque Nationale de France, codex grec 54 is one of the most ambitious and complex manuscripts produced during the Byzantine era. This thirteenth-century Greek and Latin Gospel book features full-page evangelist portraits, an extensive narrative cycle, and unique polychromatic texts. However, it has never been the subject of a comprehensive study and the circumstances of its commission are unknown. In this book Kathleen Maxwell addresses the following questions: what circumstances led to the creation of Paris 54? Who commissioned it and for what purpose? How was a deluxe manuscript such as this produced? Why was it left unfinished? How does it relate to other Byzantine illustrated Gospel books? Paris 54's innovations are a testament to the extraordinary circumstances of

its commission. Maxwell's multi-disciplinary approach includes codicological and paleographical evidence together with New Testament textual criticism, artistic and historical analysis. She concludes that Paris 54 was never intended to copy any other manuscript. Rather, it was designed to eclipse its contemporaries and to physically embody a new relationship between Constantinople and the Latin West, as envisioned by its patron. Analysis of Paris 54's texts and miniature cycle indicates that it was created at the behest of a Byzantine emperor as a gift to a pope, in conjunction with imperial efforts to unify the Latin and Orthodox churches. As such, Paris 54 is a unique witness to early Palaeologan attempts to achieve church union with Rome.

The Pictorial Arts of the West, 800-1200 Charles Reginald Dodwell 1993-01-01
Between the ninth and thirteenth centuries the Western world witnessed a glorious flowering of the pictorial arts. In this lavishly illustrated book, C.R. Dodwell provides a comprehensive guide to all forms of this art--from wall and panel paintings to stained glass windows, mosaics, and embroidery--and sets them against the historical and theological influences of the age. Dodwell describes the rise and development of some of the great styles of the Middle Ages: Carolingian art, which ranged from the splendid illuminations appropriate to an emperor's court to drawings of great delicacy; Anglo-Saxon art, which had a rare vitality and finesse; Ottonian art with its political and spiritual messages; the colorful Mozarabic art of Spain, which had added vigor through its interaction with the barbaric Visigoths; and the art of Italy, influenced by the styles of Byzantium and the West. Dodwell concludes with an examination of the universal Romanesque style of the twelfth century that extended from the Scandinavian countries in the north to Jerusalem in the south. His book--which includes the first exhaustive discussion of the painters and craftsmen of the time, incorporates the latest research, and is filled with new ideas about the relations among the arts, history, and theology of the period--will be an invaluable resource for both art historians and students of the Middle Ages.

The Publishers' Circular and Booksellers' Record 1911

Colour in Sculpture Hannelore Hägele 2013-09-11 This book introduces the reader to the art of sculpture across five millennia up to the present, and from the Near East to the west. In each of the eleven chapters, a number of selected works are discussed to exemplify the circumstances and conditions for making pieces of sculpture – objects peculiar to place, time and context. Within each cultural framework, characteristics are observable that suggest various reasons for the use of colour in sculpture. These encompass local preferences, customs or cultural requirements; and others point to an impulse to enhance the expression of the phenomenal. Whether colour is really necessary or even essential to sculpted works of art is a question especially pertinent since the Renaissance. Surface finishes of sculptural representations may allude to the

sensory world of colour without even having pigment applied to them. What makes polychromy so special is that it functions as an overlay of another dimension that sometimes carries further encoded meaning. In nature, the colour is integral to the given object. What the present survey suggests is that the relationship between colour and sculpture is a matter of intentional expression, even where the colour is intrinsic – as in the sculptor's materials.

A New History of Painting in Italy: Early Christian art; Giotto and his followers Joseph Archer Crowe 1908

A Class-book of Color Mark M. Maycock 1896

The Routledge Handbook of Early Christian Art Robin M. Jensen 2018-05-20 The Routledge Handbook of Early Christian Art surveys a broad spectrum of Christian art produced from the late second to the sixth centuries. The first part of the book opens with a general survey of the subject and then presents fifteen essays that discuss specific media of visual art—catacomb paintings, sculpture, mosaics, gold glass, gems, reliquaries, ceramics, icons, ivories, textiles, silver, and illuminated manuscripts. Each is written by a noted expert in the field. The second part of the book takes up themes relevant to the study of early Christian art. These seven chapters consider the ritual practices in decorated spaces, the emergence of images of Christ's Passion and miracles, the functions of Christian secular portraits, the exemplary mosaics of Ravenna, the early modern history of Christian art and archaeology studies, and further reflection on this field called "early Christian art." Each of the volume's chapters includes photographs of many of the objects discussed, plus bibliographic notes and recommendations for further reading. The result is an invaluable introduction to and appraisal of the art that developed out of the spread of Christianity through the late antique world. Undergraduate and graduate students of late classical, early Christian, and Byzantine culture, religion, or art will find it an accessible and insightful orientation to the field. Additionally, professional academics, archivists, and curators working in these areas will also find it valuable as a resource for their own research, as well as a textbook or reference work for their students.

Learning to Look Lesley Diana Clement 2000 In *Learning to Look* Lesley Clement traces the evolution of Mavis Gallant's visually evocative style through five decades of her short fictional works. Gallant explores the boundaries between visible and invisible worlds as the lines, shapes, and colours suggested by her allusions, analogies, and structures challenge us as readers.

This book discusses the decoration types of Sephardic illuminated Bibles in their broader historical, and social context in an era of cultural transition in Iberia and culture struggle within Spanish Jewry.

Ophelia Pang's Interactive Art Book Ophelia Pang 2017-05-11 An ingenious interactive art book that uses simple shapes to create stunning creative designs. Ophelia Pang is a Hong Kong-based illustrator who loves to talk with colour and shape. These two key elements are central to all her own work and she has produced this interactive art book to encourage readers to start designing, drawing and colouring using colour and shape as starting points. Ophelia Pang's Interactive Art Book is an art exercise book aimed at creating simple yet striking design work using accessible exercises such as colouring, collage and simple shape drawings. From finding sophisticated colour combinations to mark-making, and paper cut-outs to simple drawings, this book will inspire anyone with a creative mind. Focusing on colour and shape throughout, the book includes exercises on designing with variations in one colour, starting with a square and a Matisse-style exercise of paper cut-outs. Also included is a section of colour strips that can be used as a reference for colour combinations, or pulled out and cut up.

this book addresses the question of whether or not God exists. The author draws upon life-long personal experiences and her graduate school days as a middle-aged, Protestant wildcard at Weston Jesuit School of Theology. After considering a theological problem, turnings of her heart, divine guidance, and earthly unbinding, she discusses images of God, God's actions, and dwelling in God not as dogma but as reflections in prose, poetry, and prayer.

Beauty in the Bible 2015-05-19

Revelation 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Bible in Pastoral Practice Paul H. Ballard 2006 A New York Review Books Original Whether you call her a coldhearted grifter or the soul of modern capitalism, there's no question that Aimée is a killer and a more than professional one. Now she's set her eyes on a backwater burg-where, while posing as an innocent (albeit drop-dead gorgeous) newcomer to town, she means to sniff out old grudges and engineer new opportunities, deftly playing different people and different interests against each other the better, as always, to make a killing. But then something snaps: the master manipulator falls prey to a pure and wayward passion. Aimée has become the avenging angel of her own nihilism, exacting the destruction of a whole society of destroyers. An unholy original, Jean-Patrick Manchette transformed the modern detective novel into a weapon of gleeful satire and anarchic fun. In *Fatale* he mixes equal measures of farce, mayhem, and madness to prepare a rare literary cocktail that packs a devastating punch.
