Angel Plum Pascal 2019-08-26 New York Times Bestselling Author, HP Mallory, brings you The Sacred Oath Series which will appeal to Reverse Harem, Why Choose readers I don't know who I am or where I came from. The only thing I do know is that I'm running from something. And there's a voice inside my head that guides my every move... When I'm taken prisoner to be thrust into a lifetime of prostitution, I learn I'm an angel. Yes, I bear the markings on my back: markings that reveal my wings have been removed. But when my only ally, a foul-mouthed sprite, insists my wings are intact, I realize the danger I'm facing. I need protection. And that protection can only come from three magically powerful men who were destined to protect the balance between shadow and light: Dragan, a gargoyle and the King of Shadow; Cambion, an elf and the King of Nature; and Baron, a vampire and the King of Death. At one time there were four but Variant, the King of Light, grew greedy and usurped control for himself. He banished Cambion to the Fae Realm and Dragan to the Shadow Realm. And he murdered Baron. And now Variant is after me... --Reverse Harem --Why Choose? --Language warning --Sexual content --Humor Check out the video trailer below! Excerpt from Dragan, the King of Shadow: "If the angel has no wings,

there's no amount of my shadow magic that could make them appear," I say. It takes the sprite a moment or two to understand what I'm getting at. Once he does, his eyes go wide and he begins shaking his head, holding up his hands in obvious supplication. "Look, Shadow Prince, I dunno why yer magic ain't workin' but I'm tellin' you what I saw. This angel got her wings," the sprite says, but he appears nervous. "You'll see. Besides, it ain't like yer jist gonna leave her here, are ya?" He glances around and seems to become frightened by his surroundings. The Shadow Realm is hardly safe, littered as it is by bloodthirsty creatures and the undead. Were I to leave the sprite and the girl here alone, they would undoubtedly be killed within a half hour, at most. And even I'm not that horrible...

Succubus Sins J. R. Thorn 2019-01-22 I'm about to make the seven deadly sins my bitch. See this tattoo across my stomach? Yeah, the one with seven crazy runes. Ignore the pink one on the far right, that's Sarah. I love her, but she's not one of my four. That was a hard lesson to learn. I tried being loyal to her. Even went to a stinky Succubi Den to get a snack or two just to stay alive. Well, that didn't work out, and now I'm stuck trying to charge some dusty old relic my mother left behind. Turns out there's some crazy destiny tied to my tattoo, which is actually a birthmark and all about the end of the world. Sounds fun, sort of, not really. I've met rune #1, and he wasn't at all what I'd expected. It wasn't love at first sight. Maybe hate at first sight. Pretty sure he hates my guts. But that's okay, maybe rune #2 will bring him around. This end of the world stuff is just getting started, and I have a feeling one of my very own sins is the one stirring the pot. The Incubus King, what sin might he be? Lust... my favorite one. Bring it on. Author's Note: This is a fast-burn reverse harem story. It includes explicit language and sexual situations. Intended for audiences 18 years and older. As this is a series, there will be a cliffhanger.

Enter, Jared. The hottest-and most unavailable-guy at school. Except he wasn't Jared when he pulled me out of the mud. He wasn't even human. As if that wasn't unsettling enough, when he brought me back to his cabin, I found he wasn't alone. Another guy, one I'd only ever heard about in whispers beneath the bleachers, was there too. Clayton Armstrong: bad boy extraordinaire. And it turned out, he wasn't human either. Mindf*ck, right? At first, all I want to do is run away. But I have nowhere to go, and for whatever messed up reason, Jared is insistent that I stay. Despite Clay's loud protests. So, now I'm stuck in a cabin in the woods with two hot as hell wolf shifters. One who wants to protect me. And another who wants to eat me for lunch... What could go wrong?
