Real Estate Titans contains the 7 key lessons distilled from interviews with several of the world's greatest real estate investors. These critical lessons offer insight into the mindset, tactics, and habits that each of the interviewed titans possess. **Secrets of the Millionaire Mind** T. Harv Eker 2009-10-13 Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world

in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

All too often, salespeople meet qualified clients and charm them with an eloquent presentation, only to see the sale mysteriously slip from between their fingers in the end. **The Millionaire Fastlane** MJ DeMarco 2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the

stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

**Redes sin causa** Lovink, Geert 2016-12-20 Con la gran mayoría de los usuarios de Facebook atrapados en un frenesí de friending, liking y commenting, ¿en qué momento podemos desconectar para comprender las consecuencias de nuestras infosaturadas vidas? ¿Qué nos obliga a participar tan diligentemente con los sistemas de redes sociales? Redes sin causa examina nuestra obsesión colectiva con la identidad y la autogestión, junto con la fragmentación y la información de sobrecarga endémica de la cultura contemporánea en línea. Con escasez de teoría sobre las consecuencias sociales y culturales de los servicios en línea más populares, Lovink ofrece un análisis crítico pionero de nuestro sobrevalorado mundo en red a partir de estudios de casos en los motores de búsqueda, video online, blogging, radio digital, activismo en los media y la saga de Wikileaks. Este libro ofrece un poderoso mensaje a profesionales de los medios y a los teóricos: colectivamente vamos a dar rienda suelta a

nuestra capacidad crítica para influir en el diseño de la tecnología y en los espacios de trabajo, si no queremos desaparecer en la nube. Incisivo pero nunca pesimista, Lovink, partiendo de su larga experiencia en la investigación de medios de comunicación, nos ofrece una crítica de las estructuras políticas y poderes conceptuales incluidos en las tecnologías que dan forma a nuestra vida cotidiana.

*Sitting Together* Susan M. Pollak 2016-07-29 This practical guide helps therapists from virtually any specialty or theoretical orientation choose and adapt mindfulness practices most likely to be effective with particular patients, while avoiding those that are contraindicated. The authors provide a wide range of meditations that build the core skills of focused attention, mindfulness, and compassionate acceptance. Vivid clinical examples show how to weave the practices into therapy, tailor them to each patient's needs, and overcome obstacles. Therapists also learn how developing their own mindfulness practice can enhance therapeutic relationships and personal well-being. The Appendix offers recommendations for working with specific clinical problems. Free audio downloads (narrated by the authors) and accompanying patient handouts for selected meditations from the book are available at [www.sittingtogether.com](http://www.sittingtogether.com). See also *Mindfulness and Psychotherapy, Second Edition*, edited by Christopher K. Germer, Ronald D. Siegel, and Paul R. Fulton, which reviews the research on therapeutic applications of mindfulness and delves into treatment of specific clinical problems.

Fix Her Up Tessa Bailey 2019-06-11 “Fix Her Up ticks all my romance boxes. Not only is it hilarious, it’s sweet, endearing, heartwarming and downright sexy. It’s a recipe for the perfect love story.” – Helena Hunting, New York Times bestselling author of Meet Cute A steamy, hilarious new romantic comedy from New York Times bestselling author Tessa Bailey, perfect for fans of Christina Lauren and Sally Thorne! Georgette Castle’s family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven’t taken her seriously since. Frankly, she’s over it. Georgie loves planning children’s birthday parties and making people laugh, just not at her own expense. She’s determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn’t been on a date since, well, ever. Nobody’s asking the town clown out for a night of hot sex, that’s for sure. Maybe if people think she’s having a steamy love affair, they’ll acknowledge she’s not just the “little sister” who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite. Travis Ford was major league baseball’s hottest rookie when an injury ended his career. Now he’s flipping houses to keep busy and trying to forget his glory days. But he can’t even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend’s sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What’s the harm? It’s not like it’s real. But the girl Travis used to tease is now a funny, full-of-life woman and there’s nothing fake about how much he wants her...
