

Covenant Christ And Contraception

When people should go to the ebook stores, search establishment by shop, shelf by shelf, it is in point of fact problematic. This is why we present the books compilations in this website. It will extremely ease you to see guide **covenant christ and contraception** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections. If you intention to download and install the covenant christ and contraception, it is extremely simple then, previously currently we extend the colleague to buy and create bargains to download and install covenant christ and contraception in view of that simple!

The Contraception Guidebook William R. Cutrer 2005 A Comprehensive Christian Guide to Contraception The Contraception Guidebook equips you to make fully informed decisions about the complex and deeply personal issue of contraception. Written in a personal, engaging style by a male obstetrician/gynecologist and a female educator and journalist, both theologians, this easy-to-read book is packed with the most current medical information on every option, old and new. You'll also learn the success rates, ethical considerations, and risk factors involved, gain insights from real-life couples facing different concerns, and obtain medically reliable and biblically sound wisdom for your questions. Each chapter ends with questions to help you and your mate communicate on key issues.

Sex and the Marriage Covenant John F. Kippley 2005 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant. From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act. Thus the title, *Sex and the Marriage Covenant*, is an appropriate description of the book's contents. Marriage comes into being by a couple unreservedly entering God's covenant of marriage; contraceptive intercourse contradicts the very essence of the marriage covenant. From these considerations, Kippley developed the covenant theology of sexuality described in this book.

Where is THAT in the Bible? Patrick Madrid 2001-03-09 Know Exactly What Scripture Means In his first book for Our Sunday Visitor, noted Catholic apologist Patrick Madrid helps you: Be absolutely certain your interpretation of Scripture is accurate Discover how the simple sentence "I never said you stole money" can be the key to understanding the entire Bible Answer any questions a non-Catholic might throw at you Learn exactly what the Bible teaches about the Pope, priestly celibacy, homosexuality, abortion, salvation, and other hot topics Obtain a working knowledge of Scripture so you can feel comfortable talking with Fundamentalists and Evangelicals Allow the life-giving truth and power of Scripture to transform your life Become an effective spokesman for the truth of Catholic teaching. With comprehensive Scripture references, quotes from the great teachers of the Faith, tips on how to deflate even the most vehement arguments, as well as a list of verses typically used against Catholics with effective counterarguments, *Where Is That in the Bible?* is a great book of Scripture-based apologetics.

Bowker's Medical Books in Print 1972

Abortion Policy and Christian Social Ethics in the United States Mako A. Nagasawa 2021-01-06 Today's Christian pro-life movement has misplaced its priorities. The issue of abortion is more complex than the movement often appreciates. For a start, Scripture is less clear about the moral weight of the fetus than we often think. In fact, early Christians took different positions on abortion because they also relied on different scientific sources about the unborn. Furthermore, Christian conservatives today do not acknowledge that in American history, as today, Christian stances on abortion were motivated by other political fears: White Protestant Americans developed different state laws on abortion to accomplish anti-immigrant goals in the North, but anti-black racism in the South. That messiness impacts U.S. constitutional law, including *Roe v. Wade*. Meanwhile, Scripture commissions God's people to confront socio-economic factors that push abortion rates higher: male privilege and the disempowerment of women; the high cost of child raising; the causes of birth defects; the desire to care narrowly for just "my children"; mistaken views about contraception and "the culture wars"; and most of all, poverty. This book incorporates biblical studies, church history, science, social science, history, and public policy to argue that we must not approach abortion policy primarily from a criminal justice standpoint, as modern conservatives do, but from a broad social and economic standpoint meant to benefit and bless all children.

Battle-scarred: Justice Can Be Elusive John F. Kippley 2011-03-23 These memoirs concern justice within the Church and the culture. They seek to shed light on the teaching of *Humanae Vitae* and the dissent from it. They may provide insights into the natural family planning movement, and they will clarify the role the Kippleys played in that movement.

Documents of the Christian Church Henry Bettenson 2011-09-29 This selection of writings from the most important moments in the history of Christianity has become established as a classic reference work. This new edition brings the anthology up-to-date with a new section looking at issues facing the twenty-first century churches.

Contemporary Authors Ann Evory 1978-04 Entries contain personal and career information on contemporary authors as well as their published writings and work in progress

The Christian Case against Contraception Bryan C. Hodge 2010-01-01 Evangelicals often give little thought to the morality of contraception, but when they do, serious studies of the subject are scarce if not non-existent. *The Christian Case against Contraception* seeks to fill this gap by evaluating the practice, not from personal preferences or more experience, but from the four major theological disciplines of Christianity: Historical, Biblical, Systematic, and Practical Theology and Ethics. The book begins with a contrastive analysis between secular and ecclesiastical culture and thought concerning the subject of contraception and the purpose of the sexual act. The claims of the Church, that contraception is morally unacceptable, is examined further as the book takes the reader on a journey through biblical, systematic, and practical arguments which establish the foundations of the Historic Church's claim. Opposing arguments are evaluated as to their strength and validity. In fact, Hodge stirs the debate with a challenge that he has yet to see Christians set forth a valid biblical argument in support of contraceptive practices. For the reader seeking to place procreative ethics under the lordship of Christ, *The Christian Case against Contraception* offers a bold and clear way forward. "Bryan Hodge approaches a subject that seems too often to be subject

to our passions, with sobriety and fidelity. He canvasses the wisdom of the church, stands firm on the authority of the Bible, and in so doing directs us all to greater obedience, greater faith, and in the end, greater joy."---R. C. Sproul Jr. author of Bound for Glory

The Teaching of Christ Ronald Lawler 1991 Uncompromising clarity is what makes this catechism a long-time favorite. It explains the teachings of the Church in exceptionally easy-to-understand language, but it never waters down the truth or glides over the hard parts. Copyright © Libri GmbH. All rights reserved.

The Gospel & Marriage Russell D. Moore 2017-01-01 If marriage is a picture of Christ and the Church, our homes should look like the gospel. While the culture has never been more confused about the definition of what marriage is, those who are married have never been more hopeless about how marriage should be lived. The times have never been more crucial for digging deeper, past the definition of marriage to the structure of marriage, the blessings of marriage, and the opportunity for living out the image of the gospel that's embodied within marriage. So, what now? Editors Russell Moore and Andrew T. Walker of the Ethics and Religious Liberty Commission (ERLC) assemble leading voices to frame the issues with a gospel-centered perspective. The Gospel for Life series gives every believer a biblically-saturated understanding of the most urgent issues facing our culture today, because the gospel is for all of life.

God's Babies John McKeown 2014-12-17 The human population's annual total consumption is not sustainable by one planet. This unprecedented situation calls for a reform of religious cultures that promote a large ideal family size. Many observers assume that Christianity is inevitably part of this problem because it promotes "family values" and statistically, in America and elsewhere, has a higher birthrate than nonreligious people. This book explores diverse ideas about human reproduction in the church past and present. It investigates an extreme fringe of U.S. Protestantism, including the Quiverfull movement, that use Old Testament "fruitful" verses to support natalist ideas explicitly promoting higher fecundity. It also challenges the claim by some natalists that Martin Luther in the 16th century advocated similar ideas. This book argues that natalism is inappropriate as a Christian application of Scripture, especially since rich populations' total footprints are detrimental to biodiversity and to human welfare. It explores the ancient cultural context of the Bible verses quoted by natalists. Challenging the assumption that religion normally promotes fecundity, the book finds surprising exceptions among early Christians (with a special focus on Saint Augustine) since they advocated spiritual fecundity in preference to biological fecundity. Finally the book uses a hermeneutic lens derived from Genesis 1, and prioritising the modern problem of biodiversity, to provide ecological interpretations of the Bible's "fruitful" verses.

The Moral Problem of Contraception James D. O'Reilly 1975

Covenant and Calling Robert Song 2014-09-24 No other issue in recent times has proved as potentially divisive for the churches as that of same-sex relationships. At the same time as many countries have been moving towards legal recognition of civil partnerships or same-sex marriage, Christian responses have tended towards either finding alliances with proponents of conservative social mores, or providing what amounts to theological endorsement of secular liberal values.

Religion As a Social Determinant of Public Health Ellen L. Idler 2014 Leading scholars in the social sciences, public health and religion examine the embodied sacred practices of the world's religions, the history of alignment and tension between religious and public health institutions and the role of religious institutions in health and development efforts around the globe.

Covenant Of Love John Cardinal O'connor

Open Wide the Doors to Christ: Discovering Catholicism Lucas Pollice 2013-10-01 Open Wide the Doors to Christ, is a powerful tool for both teachers and students of the Catholic faith. As an excellent resource for RCIA and Adult Faith Formation, this insightful book discusses the basics of the Catholic faith -- and how we can live it fully. As the "meat and potatoes" of Catholicism, it is an introduction to the Church's teachings on the Creed, the sacraments, the moral life, prayer and much more -- with particular focus upon those who are seeking to become Catholic. Presented in a way that adults from all walks of life can understand, the book challenges readers to dig deeper and to continue to grow in their understanding of Christ and the Catholic Church.

Quivering Families Emily Hunter McGowin 2018-05-01 American evangelicals are known for focusing on the family, but the Quiverfull movement intensifies that focus in a significant way. Often called "Quiverfull" due to an emphasis on filling their "quivers" with as many children as possible (Psalm 127:5), such families are distinguishable by their practices of male-only leadership, homeschooling, and prolific childbirth. Their primary aim is "multigenerational faithfulness" - ensuring their descendants maintain Christian faith for many generations. Many believe this focus will lead to the Christianization of America in the centuries to come. Quivering Families is a first of its kind project that employs history, ethnography, and theology to explore the Quiverfull movement in America. The book considers a study of the movement's origins, its major leaders and institutions, and the daily lives of its families. Quivering Families argues that despite the apparent strangeness of their practice, Quiverfull is a thoroughly evangelical and American phenomenon. Far from offering a countercultural vision of the family, Quiverfull represents an intensification of longstanding tendencies. The movement reveals the weakness of evangelical theology of the family and underlines the need for more critical and creative approaches.

Catholic Book Summaries Matthew Plese 2013-05 Catholic Book Summaries presents 54 summaries of Catholic books in a concise, clear, and complete manner. With so many books for Catholics to read and understand, Catholic Book Summaries is an attempt to synthesize some of the most well known traditional and contemporary classics for today's Catholics. Meant for Catholics of all ages, this book is your guide to understanding dozens of books in a fraction of the time required to read them all. This is an entire library of ""must read"" Catholic books condensed into one volume. These summaries of the most important Catholic thinkers of all time are not just quick facts. They distill the wisdom of our great Catholic thinkers such as Blessed Cardinal Newman, Archbishop Fulton Sheen, Scott Hahn, GK Chesterton and so many more.

The Gospel of Life Pope John Paul II 1995-04 Reaffirming the "greatness and inestimable value of human life," Pope John Paul II discusses in this encyclical letter the present-day legal, ethical, and moral threats to life.

Super-Natural Family Planning: Catholic for a Reason IV Curtis Martin 2007-06-01 In this brief yet challenging essay, FOCUS (Fellowship of Catholic University Students) president Curtis Martin and his wife Michaelann cut to the heart of a controversial topic in the Church: contraception vs. Natural Family Planning. They explain the difference between the "sterilization of the marriage act" inherent in contraception and the use of cooperating with the woman's natural cycle to avoid pregnancy. They further challenge Catholics and non-Catholics alike as they highlight the "super-natural" element necessary in this matter, and question the "use of NFP as a norm." In a time when the use of NFP is widespread, so that many have likened it to "Catholic birth-control," the Martins encourage - without being rash or imprudent - couples to trust God for tomorrow's needs and embrace His call to "be fruitful and multiply"!

Why Humanae Vitae Was Right Janet E. Smith 2014-08-05 For the 25th anniversary year of the historic document *Humanae Vitae*(1968), Janet Smith has gathered together twenty-one outstanding essays and articles by well-respected thinkers to provide the demonstration that Pope Paul VI was not simply correct, but prophetic. While this document is still widely neglected and misunderstood, the Church continues to proclaim that contraception is a moral evil and that the view of man, sexuality, and marriage that leads to the use of the Pill is not one that is compatible with human dignity, sexual responsibility and spousal love. Many are unaware that there have been energetic and persuasive worth defenses of this teaching. The general reader, as well as the ethicist and moral theologian, will find much here to stimulate his thinking on this issue. Contributors include William May, Paul Quay, Elizabeth Anscombe, Dietrich von Hildebrand, Carlo Caffara, Cormac Burke, Ralph McInerny, John Kippley, John Finnis and Janet Smith.

Christian Fatherhood Stephen Wood 1996-11-01 Christian Fatherhood is the best-selling book covering the eight commitments of St. Joseph's Covenant Keepers and gives dads the tools they need to succeed as husbands and fathers. Endorsed by Mother Teresa, Raymond Leo Cardinal Burke, Prefect of the Apostolic Signatura, Cardinal Stafford, Cardinal O'Connor, and many others, this book presents a genuine Christian perspective for renewing the world by restoring the vocation of fatherhood. In a world where the high calling of covenantal fatherhood is undervalued at best and more often ignored, Christian Fatherhood is an invaluable resource to help men understand and live out their vocation. Men who read this book will learn: Why covenant keeping is so important How to follow St. Joseph as a role model for fathers What it means to be a "servant leader" of a family How the sacraments are necessary for effective fatherhood How to improve communication in your marriage How busy dads can preserve their priorities and manage their time Ingredients necessary for building a successful men's ministry What your children want most from you - and how to give it How to protect, provide for, and educate your children Christian Fatherhood includes a chapter on the effects of birth control on a marriage and family and challenges Christian men to follow the Church's teaching in this area of their marriage. This chapter is not only effective, it is life-transforming. It has literally saved marriages on the brink of divorce and brought many Christian men back into the fullness of the Catholic faith. This small chapter is worth its weight in gold for its unique effectiveness in communicating to men in a simple, challenging and straightforward way how birth control affects their marriage and their relationship with God. There are very few contemporary Catholic books written to dads about their vocation. Christian Fatherhood is a unique resource and the perfect tool to help any father become the very best Dad he can be.

Covenant, Christ, and Contraception John F. Kippley 1970

God, Sex, and Gender Adrian Thatcher 2011-05-02 The last 50 years have seen unprecedented changes in sexual and gender relationships. These include the easy availability of contraception, the separation of sexual experience from marriage and marriage from parenthood, more broken marriages, and legal provision for same-sex unions. Relationships between men and women have changed from a model of male dominance, towards a new model of male/female equality, and on to a new recognition of sexual and gender difference. These transformations have resulted in great benefits but they have also generated great uncertainties and unfulfilled expectations. They have sparked painful and on-going controversies in all the churches. "God, Sex, and Gender" is a clear and engaging introduction to these issues. It offers a consistent theological understanding which is contemporary, undogmatic, questioning, and relevant to readers' experience, interests and needs. Throughout the book, Thatcher connects theological ideas, with broader, secular thought. It fills a gap in the literature by linking together the diverse themes of sexuality, gender and Christian thought in one coherent volume. Its comprehensive and even-handed discussion of these issues will ensure it becomes a vital text in the field.

Igbo Mediators Of Yahweh Culture Of Life Philip Chidi Njemanze MD 2017-11-30 This is a book about the Culture of Life of Igbo People the Chosen People of God. The Igbo people were Pharaohs of Ancient Egypt, Kings of Ancient Israel, Phoenicians, Greeks, Etruscans, Iberians, Carthaginians, Ugaritians, Lemnians, Mayans, Olmecs, Ancient Chinese, Extraterrestrials in UFOs, Babylonians, and Jewish authors of the Holy Bible. The Igbo people built the pyramids and invented electricity, computer, automobile, airplane, helicopter, and submarine. Igbo Orië-Mediators of Almighty God. The Chosen People of God! YaHWeH, Ya IHo Wu IHe, meaning, 'God, the Divine Light that enlightens'.

Marriage After Modernity Adrian Thatcher 1999-01-01 This book offers nothing less than a new vision for Christian marriage at a time of unprecedented social and theological change. It breaks new ground in drawing on earlier traditions of betrothal and informal marriage in welcoming some forms of pre-marital cohabitation, and provides a new defence of the link between marriage and procreation by sketching a theology of liberation for children. Christian principles for the use of contraception by married and not-yet-married couples are restated, and a comprehensive theology of marriage is worked out, based on re-worked biblical models. Marriage as a Christian sacrament, mutually administered in a lifelong partnership of equals is affirmed. A chapter on divorce brings new light to bear on legitimate theological grounds for 'the parting of the ways'. The question of whether marriage is a heterosexual institution is addressed, and particular attention is paid throughout the book to overcoming the distorting effect of the overwhelming androcentric bias of much Christian thought on marriage, to the experience of wives, and to all those women and men for whom marriage is not their vocation.

Leaving and Coming Home David M. Cloutier 2010-06-04 SINCE 2002, THE SYMPOSIUM NEW WINE, NEW WINESKINS HAS OFFERED AN OPPORTUNITY for young Catholic moral theologians to engage in shared work and conversation. Here, the fruits of these labors are gathered into one collection, which represents the wide scope of the future of Catholic sexual ethics. This volume offers the first collection of a new generation's approaches to Catholic sexual ethics. The collection displays young scholars with diverse views, yet whose work

Downloaded from avenza-dev.avenza.com

moves beyond the impasses that have beset the field. The volume offers original and engaging essays on a variety of topics, from the hook-up culture and dating violence, to cohabitation and homosexuality, to contraception and natural family planning, to the promises and pitfalls of "the theology of the body." The authors display a fresh engagement with these issues in conversation with the Christian tradition and with contemporary culture. David Cloutier provides an introduction that locates this work within the past decades of Catholic scholarship, and articulates new categories for future work. The essays also offer practical insights and models that will interest pastors and lay ministers, as well as scholars. Contributors include: Fr. Nicanor Pier Giorgio Austriaco, O.P., Ph.D., S.T.L., is an assistant professor of biology and an instructor of theology at Providence College in Providence, Rhode Island. In theology, Fr. Austriaco teaches courses and has research interests in bioethics, sexual ethics, and fundamental moral theology. Jana Marguerite Bennett is assistant professor of religious studies at the University of Dayton, where she teaches courses in sexual ethics and Catholic moral theology. She has written more about singleness and the relationship between singleness and marriage in her book *Water is Thicker than Blood: An Augustinian Theology of Marriage and Singleness* (Oxford UP, 2008). Florence Caffrey Bourg is the author of *Where Two or Three Are Gathered: Christian Families as Domestic Churches* (University of Notre Dame Press), as well as many articles and reviews on theology of marriage and family. Dr. Bourg taught at the College of Mount St. Joseph in Cincinnati before returning home to New Orleans. She now teaches at the Academy of the Sacred Heart, and has been a visiting professor at Loyola University and Springhill College. David Cloutier is assistant professor of theology at Mount St. Mary's University in Emmitsburg, MD. He is the author of *Love, Reason, and God's Story: An Introduction to Catholic Sexual Ethics* (Anselm Academic/Saint Mary's Press, 2008), as well as a number of essays on Catholic sexual ethics and fundamental moral theology. Jason King is currently chair of the theology department at St. Vincent College in Latrobe, PA. His works include *Save the Date: A Spirituality of Dating, Love, Dinner and the Divine* (Crossroad, 2003), *Dating: A Practical Catholic Guide* (Knights of Columbus Supreme Council Veritas Series, 2007), and "Ecumenical Marriage as Leaven for Christian Unity" in the *Journal of Ecumenical Studies*. He has recently done work for the United States Conference of Catholic Bishops website *For Your Marriage*. He is married and has three children. William C. Mattison III is assistant professor of theology at the Catholic University of America in Washington, DC. His primary area of research is Thomistic moral theology and virtue ethics. He recently completed an introductory book entitled *Introducing Moral Theology: True Happiness and the Virtues* (Brazos, 2008). David Matzko McCarthy is the Father Forker Professor of Catholic Social Teaching at Mount St. Mary's University in Emmitsburg, MD. He is the author of *Sex and Love in the Home: A Theology of the Household* (SCM Press, 2001, 2004 revised ed.), and *The Good Life: Genuine Christianity for the Middle Class* (Wipf & Stock, 2009). Maria C. Morrow is a doctoral candidate at the University of Dayton whose interests in Catholic moral theology include the interconnection of virtue and sacrament, with particular interest in penance. Christopher C. Roberts is the author of *Creation & Covenant: the significance of sexual difference in the moral theology of marriage* (Continuum, 2008). He is a research fellow in the ethics program at Villanova University. He graduated from Yale, Oxford and King's College London and is a former PBS television reporter. Julie Hanlon Rubio is associate professor of Christian ethics at St. Louis University. She is the author of *A Christian Theology of Marriage and Family* (Paulist Press, 2003) and *Family Ethics: Practices for Christians* (Georgetown University Press, 2010), and co-editor of *Readings in Moral Theology No. 15: Marriage* (Paulist Press, 2009). She lives in St. Louis with her husband and three sons. Michel Therrien is a professor of Fundamental Moral

Theology and the Academic Dean at St. Vincent Seminary. He holds a Licentiate in Sacred Theology from the International Theological Institute for Studies on Marriage and the Family in Traralgon, Australia, and a Doctorate in Fundamental Moral Theology from the University of Fribourg in Switzerland. Kari-Shane Davis Zimmerman teaches at the College of Saint Benedict/Saint John's University in Minnesota. She specializes in courses that deal with the intersection of family and church life, as well as issues pertaining to sex and work. She received her Ph.D. in theological ethics from Marquette University in 2007.

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office 1973

The Oxford Dictionary of the Christian Church Andrew Louth 2022-02-17 Uniquely authoritative and wide-ranging in its scope, The Oxford Dictionary of the Christian Church is the indispensable reference work on all aspects of the Christian Church. It contains over 6,500 cross-referenced A-Z entries, and offers unrivalled coverage of all aspects of this vast and often complex subject, from theology; churches and denominations; patristic scholarship; and the bible; to the church calendar and its organization; popes; archbishops; other church leaders; saints; and mystics. In this new edition, great efforts have been made to increase and strengthen coverage of non-Anglican denominations (for example non-Western European Christianity), as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe. In particular, there have been extensive additions with regards to the Christian Church in Asia, Africa, Latin America, North America, and Australasia. Significant updates have also been included on topics such as liturgy, Canon Law, recent international developments, non-Anglican missionary activity, and the increasingly important area of moral and pastoral theology, among many others. Since its first appearance in 1957, the ODCC has established itself as an essential resource for ordinands, clergy, and members of religious orders, and an invaluable tool for academics, teachers, and students of church history and theology, as well as for the general reader.

What Is the Meaning of Sex? Denny Burk 2013 Sex was created by God for his glory. With clarity and compassion, this book sets forth the Bible's teaching on sexuality from a complementarian perspective, dealing with controversial issues such as homosexuality, queer theory, and polygamy.

The Complete Book of Everyday Christianity R. Paul Stevens 2018-12-01 "I am thrilled to know that The Complete Book of Everyday Christianity is being relaunched. A well-worn first edition of this book sits next to my office desk and I consult it often. There is no better collection of everyday issues examined from a Christian perspective. A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives, informed by thoughtful biblical and theological reflection. This is a wonderfully useful tool. I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life." — Alistair Mackenzie, Senior Lecturer: School of Theology, Mission and Ministry, Laidlaw College, Christchurch, New Zealand. Also Director of Faith at Work (NZ)

The Contraception Deception: Catholic Teaching on Birth Control Patrick Coffin 2018-05-01 The Contraception Deception: Catholic Teaching on Birth Control by author Patrick Coffin is a comprehensive assessment of the Church's sexual ethic. In this expanded revised edition of Sex Au Naturel: What It is and Why It's Good for Your Marriage, Coffin

Downloaded from avenza-dev.avenza.com
on October 6, 2022 by guest

demonstrates how the rejection of *Humanae Vitae* impacts more than just our national birthrates. With relevant insight into the development and reception of Paul VI's landmark 1968 encyclical, Coffin explains why *Humanae Vitae* is more timely than ever. In *The Contraception Deception*, you'll learn where exactly the Bible teaches against birth control, the differences between contraception and natural family planning (hint: they're more profound than you think), why other reproductive technologies fall short of God's vision for marriage and family, and—most importantly—how to rely on the ever-present grace of God rather than your own strength in faithfully following this challenging, life-giving aspect of Christian discipleship.

Liguorian 1971

Christian Ethics, Issues and Insights Em Sttīphan 2007 This book makes a comprehensive study of the foundational aspects of Christian ethics.

Covenant of Love Richard Hogan 1992-01-01 Pope John Paul II has had a profound theological and personal impact on Catholics and non-Catholics alike. In the scholarly tradition of Saint Augustine and Saint Thomas, he has found a new unity between faith and reason. The study of God, says John Paul, is also the study of humanity. He has come to vigorously insist on the rights and dignity of each human person, and on the divine importance of the family. John Paul teaches that the keystone of Christian living today is the communion of persons which is the family. *Covenant of Love* conveys this central message of his pontificate. It explores the influence of Christ on the modern family, human intimacy, and sexuality and illustrates the Pope's response to the violations of that familial communion: materialism, sterilization, pre-marital sex, abortion, polygamy, adultery and lust, contraception and artificial conception, and homosexuality. Written for the layman as well as for clerics, students, and educators, this volume will enhance the understanding and appreciation of Pope John Paul II's teachings. *Covenant of Love* presents the extraordinary new way that John Paul II is using to present a new synthesis of the faith that can be the means of renewing the faith of all Christians and of bringing more people to Christ. It sets out his philosophical and theological design for every Christian who seeks a closer relationship with God—in the person of Christ, in the Church, and in the human heart.

Religious Books, 1876-1982 1983

[A Moral Evaluation of Contraception and Sterilization](#) Gary Atkinson 1979 Pamphlets are located in the pamphlet section, in the box labeled with the first heading listed below under Subjects. Pamphlets are for in library use only. Special permission to borrow the pamphlets may be granted by the librarians.

[The Christian Case against Contraception](#) Bryan C. Hodge 2010-01-01 Evangelicals often give little thought to the morality of contraception, but when they do, serious studies of the subject are scarce if not non-existent. *The Christian Case against Contraception* seeks to fill this gap by evaluating the practice, not from personal preference or mere experience, but from the four major theological disciplines of Christianity: Historical, Biblical, Systematic, and Practical Theology and Ethics. The book begins with a contrastive analysis between secular and ecclesiastical culture and thought concerning the subject of contraception and the purpose of the sexual act. The claims of the Church, that contraception is morally

unacceptable, is examined further as the book takes the reader on a journey through biblical, systematic, and practical arguments which establish the foundations of the Historic Church's claim. Opposing arguments are evaluated as to their strength and validity. In fact, Hodge stirs the debate with a challenge that he has yet to see Christians set forth a valid biblical argument in support of contraceptive practices. For the reader seeking to place procreative ethics under the lordship of Christ, *The Christian Case against Contraception* offers a bold and clear way forward.
