**1 Corinthians** Jay S. Thomas 2015-07-15 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout each book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. Paul's first letter to the Corinthian church contains one of the most quoted chapters in all of the Bible: 1 Corinthians 13. In this accessible study, pastor and author Jay Thomas helps readers see that this epistle is about more than love and marriage. At the heart of 1 Corinthians is the reality that the good news of Jesus Christ saves, changes, and unites God's people.

*Glories Seen & Unseen* Warren Henderson 2007-11-01 This book deals with a much neglected portion of God's Word which looks at the vitally important themes of headship and the glory of God. The author includes thorough research dealing with the objections to head coverings. (Christian)

**Unveiling Paul's Women** Lucy Peppiatt 2018-01-30 Whether people realize it or not, the ideas in 1 Corinthians 11:2-16 have had a huge impact on the role of Christian women in the church through the centuries. These fifteen verses have shaped worship practices, church structures, church leadership, marriages, and even relationships between men and women in general. They have contributed to practices that have consistently placed women in a subordinate role to men, and have been used to justify the idea that a woman should not occupy a leadership or teaching position without being under the authority or "covering" of a man. It is strange, therefore, that academics and pastors alike continue to note how confusing and difficult it continues to be to make sense of these very verses. In this little book, Lucy Peppiatt not only highlights the problems associated with using this text to justify the subordination of women, but offers a clear and plausible re-reading of the text that paints the apostle Paul as a radical, visionary, church planter who championed women in all forms of leadership.

Women in Ministry Bonnidell Clouse 2010-05-28 Should women teach men? Should they exercise authority over men? What about ordaining women? Even those who agree that Scripture must determine our answers do not agree on what it teaches. And too often differing sides have not been willing to listen to one another. Here in one volume are the views of four deeply committed evangelicals that focus the discussion on the issues. Robert Culver argues for what might be called the traditional view that women should not exercise authority over or teach men. Susan Foh suggests a modified view which would allow for women to teach but not to hold positions of authority. Walter Liefeld presents a case for plural ministry that questions ordination as a means of conferring authority. Alvera Mickelsen defends the full equality of men and women in the church. What makes this book especially helpful is that the writers all respond to the other essays, pointing out weaknesses and hidden assumptions.

Repentance J. C. Ryle 2021-05-03 Except you repent, you will all likewise perish. - Luke 13:5 It is indifference that leaves people alone and allows them to go their own way. It is love, tender love, that warns them and raises the cry of alarm. The cry of "Fire! Fire!" at midnight might sometimes rudely, harshly, and unpleasantly startle a person out of his sleep, but who would complain if that cry was the means of saving his life? The words Except you repent, you will all likewise perish might at first seem stern and severe, but they are words of love, and they could be the means of delivering precious souls from hell. 1. The nature of repentance: What is it? 2. The necessity of repentance: Why is repentance needful? 3. The encouragements to repentance: What is there to lead people to repent?

**How to Read the Bible** Bible Guides 2017-02-24 How To Read The Bible: A Guide to Scripture The Bible is an incredible book. capture what we want to say. Yet sometimes it can also be confusing. If we're honest, we don't always know how to read certain passages. For example, when Jesus says: "If I, therefore, the master and teacher, have washed your feet, you ought to wash one another's feet. I have given you a model to follow, so that as I have done for you, you should also do" (John 13:14-15), does this mean that we should actually wash one another's feet or that we should behave humbly with each other? Maybe at church we should have foot-washings, alongside of Bible study and evangelism classes? What about other passages like those that command not tattooing our skin (Leviticus 19:28), or Paul's statement about hair styles: "does not nature itself teach you that if a man wears his hair long it is a disgrace to him, whereas if a woman has long hair it is her glory, because long hair has been given [her] for a covering" (1 Corinthians 11:14-15)? Are Christians with tattoos in sin? Are women with short hair disgraced? Are men with long hair behaving disgracefully in God's eyes? Before we say that was just the custom at the time, note that Paul grounds his argument in nature, not custom ("does not nature itself teach you ..."). These are just some of the types of questions that can come up when we are trying to understand God's word. This would all be fine if we were just studying it for curiosity's sake, but chances are you also want to live it out. Whether you're a believer whose either grown up in a Christian home and come to realize how true it is, or you've recently put your faith in Jesus, and want to follow him, this is important to you. The reason is because when we love someone we want to do right by them. It is no different with our Lord. This is why the better we can understand the Scriptures, the better we will understand him, and the better we will be able to align our lives with what makes him happy. Bible Guides is a series intended to help us learn how to better read and understand the Bible. This book gives a broad overview to the entire Bible: explaining its different genres so that we can read it, interpret it, and study it. Other books in the Bible Guides Series will go deeper, focusing on specific books in the Bible, and giving us more information about their unique way of talking and thinking about God. We suggest beginning with this book. If you are serious student of God's Word, this is the series for you! I promise you if you commit yourself to learning the Bible, you'll be blessed. This isn't just my word though, it's also God's: Blessed is the man who does not walk in the counsel of the wicked, Nor stand in the way of sinners, nor sit in company with scoffers. 2 Rather, the law of the Lord is his joy; and on his law he meditates day and night. 3 He is like a tree planted near streams of water, that yields its fruit in season; its leaves never wither; whatever he does prospers. *Women and Worship at Corinth* Lucy Peppiatt 2017-04-27 Paul's arguments in 1 Corinthians 11-14 - from the role of women in public worship, to the value of speaking in tongues and prophecy for the unbeliever - have long posed challenges to the lay reader and scholar. Despite numerous explanations

offered over the years, these passages remain marked by inconsistencies, contradictions, and puzzles. Lucy Peppiatt offers an interpretation in which she proposes that Paul was in conversation with the Corinthian male leadership concerning their domineering, superior and selfish practices, which included coercing women to wear head coverings, lording it over the 'have-nots' at the Lord's Supper, and ordering married women to keep quiet in church. Peppiatt's bold arguments not only bring internal coherence to the text, but also paint a picture of the apostle gripped by a vision for a new humanity 'in the Lord', resulting in his refusal to compromise with the traditional views of his own society. Instead, Paul tells the Corinthians to become more like Christ, to make 'love' their aim, and to restore dignity and honour to women, outsiders, and the poor.

**Paul and Gender** Cynthia Long Westfall 2016-11-15 A Coherent Pauline Theology of Gender Respected New Testament scholar Cynthia Long Westfall offers a coherent Pauline theology of gender, which includes fresh perspectives on the most controverted texts. Westfall interprets passages on women and men together and places those passages in the context of the Pauline corpus as a whole. She offers viable alternatives for some notorious interpretive problems in certain Pauline passages, reframing gender issues in a way that stimulates thinking, promotes discussion, and moves the conversation forward. As Westfall explores the significance of Paul's teaching on both genders, she seeks to support and equip males and females to serve in their area of gifting.

*1 Corinthians* Mark Taylor 2014-04-01 "For no one can lay any foundation other than the one already laid, which is Jesus Christ." -1 Corinthians 3:11 The New American Commentary series is an exceptionally acclaimed resource for ministers and Bible students who want to understand and expound the Scriptures. Each volume includes: • Commentary based on the New International Version. • NIV text printed in the body of the commentary. • Sound scholarly methodology reflecting capable research in the original languages. • Interpretation emphasizing the theological unity of each book and Scripture as a whole. • Readable and applicable exposition. Mark Taylor's commentary on 1 Corinthians looks at Paul's missionary journey to Corinth where he planted a church and nurtured the new believers for approximately eighteen months. Taylor pays careful attention to the nuances of the English translation (NIV), the Greek text, and the units of meaning that are vital to interpreting this letter. He presents with clarity the range of scholarly opinion regarding the issues in 1 Corinthians and then makes a case for his own views.

**On the Whole Bible** Matthew Henry 1995-07 Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

**The Rhetorical Role of Scripture in 1 Corinthians** John Paul Heil 2005-01 "The Rhetorical Role of Scripture in 1 Corinthians," an exegetical analysis of all the explicit quotations and references to the Old Testament in Paul's First Letter to the Corinthians, examines the various authoritative roles that not only scriptural quotations but also other explicit references and allusions to scripture play in Paul's rhetorical strategy in the letter. Through this careful examination Heil shows how each scriptural quote or reference speaks with the divine authority of the scriptures in general and affects the audience with its authority and rhetorical power. The end result is an enlightening portrait of the powerful impact that the Jewish scriptures exerted on Paul's implied audience at Corinth. *Covered Glory (Condensed Edition)* David Phillips 2015-03-11 In 1 Corinthians 11, the Apostle Paul provides important instructions about two symbolic practices within Christianity. The most well-known of these practices is the Lord's Supper, found in the second half of 1 Corinthians 11. However, in the first half of the same chapter, Paul teaches about the relationships between God and His people. He explains that these relationships -- and the glory of the Lord -- are symbolically represented when men and women cover (or uncover) their heads during times of prayer. God uses Scripture to provide His good direction in the lives of His people - but how should believers today respond to this passage? What does it take to gain a well-grounded understanding of the practice that Paul is discussing? And why did it matter to God whether or not Christian women covered their heads when they prayed? This book carefully navigates these questions by considering the relevant details of both the New Testament passage and First Century Corinthian culture. ===== This book is a companion volume to the book, "Headcovering Throughout Christian History."

**The 1 Corinthians 11 Head Covering** Wayne O'Donnell 2020-05-16 All my books are available to read free online at [WayneODonnell.com](http://WayneODonnell.com). "Freely you've received, freely give," Mt. 10:8. This booklet is included in and comprises a section of my book "The Special Ministries of Women: Pro-Headcovering, Pro-Remarriage in 1 Corinthians 11, Song of Solomon, and Jesus' Teaching on Divorce." The context indicates the 1 Corinthians 11a Headcovering is a church meeting observance, like the Lord's Supper church meeting observance in the same chapter. The Headcovering observance symbolizes the church's submission to God-ordained authority and gender roles, which have a huge impact on families, churches, and society. This booklet is intended to be both practical and polemical; for women, laymen, and theologians; and as a contribution to the battle of loving patriarchy against the increasing egalitarianism in modern societies which does so much harm to women. God uniquely created women for special ministries. These ministries include submission, modesty, quietness, affection, and chastity. Such service is like the precious ointment Mary of Bethany poured on the head and feet of Jesus. Women have performed some of the greatest spiritual works of all time. Only a woman believed Jesus when he said he was going to die, and she anointed him for his burial (Mt. 26:12-13). And only a woman was given the privilege, not merely of being the first to see Jesus after his resurrection, but of seeing him before he even ascended to the Father (Jn. 20:16-18). I think you'll see from these chapters, that I strongly believe in "giving HONOR unto [woman], as unto the weaker vessel," 1 Pet. 3:7. I also try to interpret the Bible according to "the law of kindness," Prov. 31:26.

**Covered Glory** Audrey Frank 2019-08-20 Hiding behind the Muslim woman's veil is a heart longing for honor but often covered in shame. Meeting her will transform us all. Muslim women are coming out of hiding and telling their stories. With courageous voices, they disclose tales of shame and a fierce desire to be valued. We hold our breath as they whisper accounts of Jesus dressed in light, coming to them in dreams, offering honor in the place of shame, freedom instead of oppression. Their tales narrate a secret reality for all of us. We all long to be known, to be valued, to be rescued. We all are in desperate need of a Savior. In *Covered Glory*, you will meet Muslim women living in a culture with an honor-shame worldview that perpetuates their shame. As you discover how these women find freedom when they uncover their true identity, you will find that shame affects each one of us. Learn that while... shame tells us we are unworthy, truth tells us we were made to be loved shame tells us we are nobody, Jesus tells us, "You are somebody to me" shame tells us we are broken, God's Word tells us healing comes from him It is only when we begin to understand the honor-shame gospel that we are set free. And so is our Muslim neighbor when we learn to tell her of the love of Jesus in a language she understands: the language of honor and shame.

*Paul Distilled* Gary W. Burnett 2021-02-02 What the apostle Paul has to say is transformative and utterly inspiring. But too often he is clouded in complicated explanations and murky misunderstandings. *Paul Distilled* gets to the essence of Paul, and uncovers what is at the heart of his thinking and why he's had such an impact on the world since the first century until today. Drawing on many years of teaching and study of Paul's writings, Gary Burnett explains the driving forces behind the apostle's thinking from the letters he wrote to groups of Jesus-followers dotted around the Roman empire, addressing the real issues they faced, and shows why this matters today. A study guide with each chapter will enable church groups to get to grips with the life-changing potential of understanding Paul better.

Paul was first and foremost the Apostle to the Gentiles and his Letter to the Romans is the closest he ever came to providing a systematic explanation of his gospel. **For a Glory and a Covering** Douglas Wilson 2006 "Lord, here am I. Change him." "God, I'm trying. She started it." Common claims but they're so far from Trinitarian life. We invoke Christ at the wedding then seem to default to an alien theology afterward. In this simple and practical book, Doug Wilson offers a richer and more comprehensive theology of marriage than in his prior works. Here he grounds marriage in the life of the Trinity and in the life of the church. Marriage is intended to be a glorious picture of the gospel, and marriages grounded elsewhere regularly create a small hell on earth. Don't miss the riches of marriage.

*Woman - The Glory of Man* Kristen Dugas 2021-04 This book is about the controversial passages in the Bible that are often used to limit, silence, and degrade women. Many people think these passages are misinterpreted because they contradict Scripture. However, the main problem is not with misinterpretations but mistranslations. In *Woman the Glory of Man*, you will see how these once-confusing passages harmonize perfectly with God's Word when they are correctly translated. The following Scriptures, and more, are covered in this book: 1 Corinthians 11:3-16 1 Corinthians 14:34-35 Ephesians 5:22-24 Colossians 3:18 1 Timothy 2:11-15 Titus 2:3-5 1 Peter 3:1-6

Because of the Angels : Head Coverings and Women in 1 Corinthians 11:2-16 And 14:34,35 Mark Mattison 2012-08-06 Did Paul really write that "women ... aren't allowed to speak" in church? Did he really think that women should cover their heads in church because "the head of the woman is man," and "because of the angels" -- whatever that's supposed to mean? Or is it possible that these verses were only later added to Paul's letter to the Corinthians to make it look like he thought that? What if these weren't Paul's own beliefs, but those of some rivals among the Corinthians who thought that men are superior to women? Could Paul actually have been arguing against those beliefs? That puzzling little

phrase "because of the angels" may provide an important key to unlocking these questions.

Headcovering Throughout Christian History David Phillips 2014-08-13 Have you ever wondered why Christian women, just two or three generations ago, often wore some type of covering on their heads while in church? -- And why men always took off their hats when it was time to pray? It is well-documented throughout Church history that the use of headcoverings was the norm for Christian women during times of prayer. Additionally, the widespread practice for Christian men -- since the beginning of the Church -- has been to remove their hats whenever they gathered for prayer. Among the churches in Western society, these practices have greatly declined (and often ceased) only within the last century. The Bible itself provided for the longevity of these symbolic actions. In the book of First Corinthians, the Apostle Paul explained the meaning of the unique practice of Christian headcovering. Countless pastors, theologians, and other Christians throughout history have studied (and written about) Paul's instructions about headcovering. "Headcovering Throughout Church History" provides an overview of the Church's response to 1 Corinthians 11:2-16 across the last 2000 years of Christianity. It features the writings of the Early Church, Augustine, Martin Luther, John Bunyan, Charles Spurgeon, and many others. It also documents contemporary theologians & denominations that endorse the Church's historical stand on this passage of Scripture. Now in Kindle format, this book contains the most comprehensive research currently available on the topic. Carefully referenced quotations allow you to hear from well over 50 theologians, pastors, and other Christian writers throughout Church history. \_\_\_\_\_ = = Book Excerpts = = "A man ought not to have his head covered, since he is the image and glory of God.
