The Truth Behind the Bible Code Jeffrey Satinover 1998-03

**The Bible Code** Michael Drosnin 1997 The original THE BIBLE CODE - a phenomenal bestseller across the world For 3000 years a code in the Bible has remained hidden. Now it has been unlocked by computer - and it may reveal our future. The code, broken by an Israeli mathematician, foretells events that happened thousands of years after the Bible was written. It foresaw both Kennedy assassinations, the Oklahoma bombing - everything from World War II to Watergate, from the Holocaust to the Moon landing. Published to a frenzy of media attention, THE BIBLE CODE became a Number One bestseller.

**Cracking the Communication Code** Dr. Emerson Eggerichs 2006-12-31 An in-depth study of the vital principles from the best-selling Cracking the Communication Code now in workbook form. Communication between couples has been dissected in thousands of books and articles, so why does it remain the number one marriage problem? "Because," says Dr. Emerson Eggerichs, "most spouses don't know that they speak two different languages. They are sending each other messages in 'code,' but they won't crack that code until they see that she listens to hear the language of love and he listens to hear the language of respect." Dr. Eggerichs' best-selling book, Love and Respect, launched a revolution in how couples relate to each other. Now with the Cracking the Communication Code companion workbook, the message of this hardcover trade book can be studied and applied whether for a group or for individual couples. The result will be better communication, mutual understanding, and a successful godly marriage.

**Bible Code Bombshell** R. Edwin Sherman 2005 Explosive evidence that Bible codes point to the life of Christ! When Ed Sherman, a mathematician with 30 years of experience, and Nathan Jacobi, an Israeli physicist, set out to debunk claims that there were mysterious codes in the Hebrew Old Testament, they could not have envisioned the startling conclusions they would reach. As Dr. Jacobi, an agnostic Jew, looked for lengthy Hebrew codes about Christ, repeatedly he discovered compelling excerpts from the life of the man from Nazareth. Time and again Dr. Jacobi found that one-or two-word codes were actually part of much longer encoded sentences that echoed the Gospel accounts. Moreover, these encoded sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ (Isaiah 53 and Psalms 22). Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand. In this highly readable book, Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible. Unlike other Bible code books, this unique book features codes that are phrases and sentences, and not just one-or two-word codes. The only code book by researchers that are internationally recognized mathematicians and statistical experts Responds directly and accurately to Bible code critics

**God Code** Timothy P. Smith 2017-04-04 The book that inspired the major History Channel special God Code shows there is more to the Bible than meets the eye—messages from God hidden for ages, now revealed by modern computer technology. In God Code, antiquities expert Timothy P. Smith reveals his decades-long quest to understand the complex messages he discovered in an ancient Hebrew manuscript of the Bible. This painstaking search involves adventure and mystery, but instead of consulting ancient maps to find buried treasure, Smith relied on the data calculation power of modern technology. His quest shows how Scripture is more amazing than we ever dreamed—and that it may even reveal the future of generations living today. God Code reveals:

- An encrypted code in Genesis, in the oldest known Hebrew text of the Old Testament, that predicted the birth and resurrection of Jesus.
- Scientific evidence that this encrypted code was authored by the divine hand of God.
- Signs that there are more encrypted codes in this same Hebrew text that will lead to additional messages from God to humanity.
- Hidden clues that may lead to the location of long-missing sacred artifacts, such as the Ark of the Covenant.
- Insights on why Smith was chosen to uncover this encrypted code.

A dire warning that God wants us to hear—and heed. In the companion History Channel series, the author travels across continents in search of artifacts missing since Bible times—clues to their location revealed in God Code. Previously published as The Chamberlain Key

**The Skeptic's Dictionary** Robert Carroll 2004-04-28 A wealth of evidence for doubters and disbelievers "Whether it's the latest shark cartilage scam, or some new 'repressed memory' idiocy that besets you, I suggest you carry a copy of this dictionary at all times, or at least have it within reach as first aid for psychic attacks. We need all the help we can get." -James Randi, President, James Randi Educational Foundation, randi.org "From alternative medicine,

Refreshing and witty, both believers and unbelievers will find this compendium complete and captivating. Buy this book and feed your head!" - Clifford Pickover, author of *The Stars of Heaven and Dreaming the Future* "A refreshing compendium of clear thinking, a welcome and potent antidote to the reams of books on the supernatural and pseudoscientific." -John Allen Paulos, author of *Innumeracy* and *A Mathematician Reads the Newspaper* "This book covers an amazing range of topics and can protect many people from being scammed." - Stephen Barrett, M.D., quackwatch.org Featuring close to 400 definitions, arguments, and essays on topics ranging from acupuncture to zombies, *The Skeptic's Dictionary* is a lively, commonsense trove of detailed information on all things supernatural, occult, paranormal, and pseudoscientific. It covers such categories as alternative medicine; cryptozoology; extraterrestrials and UFOs; frauds and hoaxes; junk science; logic and perception; New Age energy; and the psychic. For the open-minded seeker, the soft or hardened skeptic, and the believing doubter, this book offers a remarkable range of information that puts to the test the best arguments of true believers.

**The Hidden Book in the Bible** Richard Elliott Friedman 2009-06-30 Renowned biblical sleuth and scholar Richard Elliot Friedman reveals the first work of prose literature in the world—a 3000-year-old epic hidden within the books of the Hebrew Bible. Written by a single, masterful author but obscured by ancient editors and lost for millennia, this brilliant epic of love, deception, war, and redemption is a compelling account of humankind's complex relationship with God. Friedman boldly restores this prose masterpiece—the very heart of the Bible—to the extraordinary form in which it was originally written.

**Celebrities and Movie Stars Death Bible Code, Vol. 1 – Their Deadly Diseases** Steve Canada 2014-05-01 Celebrities and movie stars around the world die from different types of causes, among them diseases (the subject of Volume 1 of this 3 Volume series), cancers (Vol. 2, due out in March 2014), and other causes (Vol. 3: accidents [skiing, car crashes, plane crashes, fire, and drowning], murders, overdoses, and suicides – all found Bible-encoded with their names; due in April 2014). These are searched for, with the victims' names, using a Bible Code program, and surprisingly all are found encoded, in the Torah, the Hebrew Bible. In this Vol. 1, deadly diseases of various specific kinds are found, along with the names of the celebrities and moviestars who died from them, all in the same Matrix (search result for the Key word, "malignancy"). An attempt is made to put the Bible Code mystery in the context of meaning, in the book's Conclusion. Bible Code applications and method are explained in the Preface, Introduction, and Addendum 1. In memoriam for the departed, two original poems by the author are shown in the Epilogue; his poems have appeared in literary journals in 5 countries over 40 years and with at least one Nobel Prize winner for literature (Pablo Neruda, in *The Paris Review*).

**The 8th Seal-Its Time is Now!** Don Cerow 2017-06-01 The book of Revelation encoded information and astrological data into a text whose mysterious symbols and dramatic storyline have fascinated and confused scholars and religious people for 2,000 years. This groundbreaking study demonstrates that the book of Revelation's ancient author(s) possessed extensive and sophisticated knowledge of the sky and the patterns therein that influenced the text's most dramatic prophesies, which were all based on observation of past events and calculations of future patterns. Don Cerow scientifically explains the astronomical facts of the vernal equinox and its changing relation to various stars and constellations. These various alignments and intersections herald great changes in the development of our planet. We learn how various historical events reflected certain astronomical alignments in the past and how we may anticipate the effects of such events in the future. The book includes numerous tables and black-and-white illustrations.

**Cracking the Bible Code** Jeffrey Satinover 1997-10-08 Cracking the Bible Code is the true account of the most amazing scientific research ever undertaken. References to important names, dates, and historical events have been found encoded in the book of Genesis. No individual could have known this information from what grew in the garden of Eden to details of the Gulf War. Mystics and sages have long held that these codes existed, proving God's direct hand in all that was and is to be. Incredible? Yes. But some of today's greatest scientific minds have been unable as yet to disprove the codes. If the codes are genuine, they will forever change our view of God, faith, and our fate. Cracking the Bible Code explores the extraordinary possibilities and the furor surrounding the codes in a riveting story that is equal parts holy quest, Byzantine intrigue, and cutting-edge science.

**Who Wrote the Bible Code?** Randall Scott Ingermanson 1999 What is the truth about the Bible code? How can you decide what to believe? Why does it matter? Around the world, men and women are captivated by a theory so incredible that, if proven true, it would forever revolutionize mankind's view of Scripture. Some experts have claimed the Bible contains a code that accurately predicts today's events. Others renounce the Bible code theory as unfounded. Using a new statistical test that promises to provide an authoritative, credible answer to the Bible code debate, computational physicist Dr. Randall Ingermanson leads you on an easily understandable, meticulously planned investigation of the evidence at hand--addressing the most urgent questions surrounding the Bible code controversy and carefully examining how recent findings could affect your faith.

The Bible Code Michael Drosnin 2010 9/11, the rise of Hitler, the Kennedy Assassination, man landing on the moon, the Gulf War - all these events were foretold by a code hidden in the Bible 3,000 years ago. And it keeps coming true. The code predicted that Barack Obama would be president a year before his election. It predicted the Great Recession, even when the stock market was at an all time high. Even more startling than the events the code has already predicted are its warnings for the future. Is the current world economic crisis over? Or is worse to come? Do international terrorists have nuclear weapons, and will they use them? Which cities will be in the first wave of nuclear attacks? And which will be next? And why is the American president the one man who might be able to prevent nuclear Armageddon? The third in a series of international bestsellers that have gripped millions across the globe, THE BIBLE CODE: SAVING THE WORLD takes us into the secret corridors of our hidden government, where a shadow war against terrorism is already being fought, though it might be missing its true target. The code tells us a probable future, but it is a future we can change. This, however, may be our final warning.

**Cracking Heaven's Code** Daniel Foley 2018-06-09 After years of struggling to lose weight and improve his own health personal trainer Daniel Foley began a journey to find the truth about how our bodies really work. Despite traveling all over the country and studying with some of the best experts in the world, he hadn't found what he was looking for. But then he came across a man who was 113 years old, and had never been sick a day in his life. The centenarian said that all of his secrets were in the Bible. Digging through the scriptures Daniel discovered that there is a digital code that operates your body, similar to the way that software operates a computer. Why did God create your body this way? What if God created every aspect of your body to point to Jesus? For

example, Jesus came back to life on the third day. So, anything that has to do with the regeneration or renewal of your cells codes into your body as a number three. Every food you eat, exercise you do, and even your emotions send codes, which are really just commands to your body. By knowing these codes you can effectively reprogram your body and take back control of your health. Cracking Heaven's Code will teach you how this code operates your body and the different ways that nutrition, exercise, emotions, and more send signals to your body. Once you know how these codes work you will never look at health the same way again. These codes will make health and fitness simple and easy. And you will know the truth about how your body really works, which will set you free to look, feel, and perform your best.

**Cracking the Bible's Numeric Code** R. J. Gannaway 2007-02 Numbers and their associated symbolism interconnect the Bible in such a way as to prove that God is the sole author. They provide continuity from book to book and from the Old to New Testaments. In *Cracking the Bible's Numeric Code*, Dr. R. J. Gannaway presents the symbolism attached to the numerals of the Bible and demonstrates how that symbolism evolves from number to number. Dr. Gannaway describes this imagery and provides examples of its use in scripture, revealing techniques for reducing numbers to their simplest forms and for converting the original Hebrew and Greek letters of the Bible into numbers. Gannaway proves that the symbolism associated with the explicit form of numbers and their equivalent numerical value when converted from words is the same. He also explains why certain numbers appear where they do and describes the added dimension of meaning they bring to the scripture. With an appendix that contains a section on the names of God and their numerical values, examples of symbolism in the Apocrypha, alternative numerical analysis techniques, and a concordance of number usage in the Bible, *Cracking the Bible's Numeric Code* is the perfect tool for understanding this often confusing phenomena.

**The Code of the Righteous Warrior** Alyn E. Waller 2019-05-07 T.D. Jakes' *He-Motions* meets *The Art of War* in this accessible guidebook to help today's man navigate and thrive in these unpredictable times. Rev. Dr. Alyn E. Waller, pastor of the mega-church Enon Tabernacle, shares wisdom from his ministry and longtime martial arts experience to inspire and offer moral guidance to navigate the complex challenges today's men face in daily life. Where do I fit in the job market and will I ever feel financially secure? How can I lead my family without being a chauvinist or blocking my partner from living fully and expressing her gifts? How do I deal with the fact that my partner makes more money—or has a better job, or owns the home we live in, or is more educated—than I am? These are but a few of the questions that Waller has heard over and over again as he's counseled thousands of men, many of whom seek a new

set of skills to thrive in modern society. Dramatic shifts in our nation's cultural, economic, social, and political landscape have upended their lives, leaving them feeling betrayed and lost. In this eye-opening and inspirational book, Waller draws from his Christian teachings and the lessons he's learned from martial arts and extreme adventures to offer men innovative strategies to help them fight today's challenges in ways that affirm their manhood. He offers ten crucial and accessible life tenets such as: prioritize the immediate threat then handle first things first; conserve your resources; and you can survive fear and pain. Code of the Righteous Warrior empowers us to live our best life and rise above any difficulties we may face.

### **The Flat Earth as Key to Decrypt the Book of Enoch** Zen Garcia 2016-09-20

Shortly after accepting the flat earth as a model for the world, I decided to revisit the Book of the Courses of the Heavenly Luminaries to see if my new understanding would somehow mirror what Enoch was sharing as a motion for the sun and moon. As I began to read chapters 71-82, I found to my utter amazement that I was able to grasp those passages. I knew then that the vision that the angel Uriel had shown to Enoch could only be deciphered if one were to imagine Enoch's description of the revolution of the sun and the moon. As seen from above the flat circular plane of the earth as described by Isaiah; and that Enoch must have been taken up to perhaps where Polaris is, centered directly above the North Pole, and while looking down at the backdrop of the earth, was instructed on the motions of both the sun and moon. Without such conception, it is in my opinion impossible to apply these descriptions to the model of the earth as a spherical planet.

**Cracking the Symbol Code** Tim Wallace-Murphy 2012-01-01 Expanding on issues touched on in *The Da Vinci Code*, this thought-provoking study explores the real story of Christianity—a story told by men and women condemned by the traditional, orthodox church, and one long hidden in mysterious codes and symbols. In medieval times, dissenters believed the established church ruthlessly suppressed the truth about Jesus and his ministry. Branded as heretics and subject to torture and execution for their beliefs, the dissenters—including the Knights Templar, Freemasons, Cathars, and groups of scientists—devised an ingenious code to communicate with fellow sympathizers and preserve the truth. They concealed these complex symbols in art, artifacts, and architecture of the medieval world. Finally, this fascinating underground language is deciphered...revealing powerful messages meant as much for today's truth seekers as for medieval minds.
