Artistic Intarsia Projects Garnet Hall 2006 Garnet Hall, author of *Art of Intarsia* and *Creative Intarsia Projects*, is back with more fabulous techniques and breathtaking projects that take the art to new and exciting levels. Intarsia involves cutting different types and shades of wood into shapes and then assembling them to create an intricate design: the resulting piece is rich in color and appealingly dimensional. With this guide in hand, beginners will have all the advice they need on cutting and fitting accurately, raising and lowering the pieces to get the look of relief carving, and shaping, sanding, and texturing the wood. The great patterns and projects feature a bright toucan on a branch, chicken kitchen clock, an astral mirror, and an Arctic scene.

Whittling Little Folk Harley Refsal 2011 Provides patterns and instructions for carving over 20 characters in wood. This title helps readers find step-by-step carving and painting instructions for a Scandinavian inspired man and woman.

Spirits of Ephesus Garnet Hall 2021-02-01 Ephesus, in the middle first century, was a burgeoning Roman capitol, full of promise for the future. Its native son, Spyros, would be part of that future, having been born into a wealthy family of merchants and given the finest education possible. His would be a life of accomplishment and eventual fame. Then one day, by happenstance, he came to the aid of a beautiful girl, Zara, whose family and background was decidedly non-Roman. Some in the city called them barbarians, but after meeting her, he was not so sure anymore. Come! Join our privileged youth as he travels the seas, visiting some of the most famous cities in the Roman world, pursuing his love to the ancient and storied place of her birth. Along the way, he will befriend an unforgettable cast of characters. Adventure, friendship, joy, and life-changing truth await him as do the dark undertones of treachery and betrayal. Troubles are on the horizon for her and her family. They make a plan to get away. Will it succeed? Fast forward twenty centuries to the present, where an archaeological dig is taking place in the long-deserted city. We join a team of volunteers as they excavate Spyros's former abode. Joel, their leader, dreams, as every archaeologist does, of making a significant discovery. While in negotiations with a local contractor, he is distracted by a tug on his sleeve. He turns. His youngest worker utters three words that change everything. "I've found something."

Stitch 'n Bitch Debbie Stoller 2012-11-01 Knitting is hot, with 4 million newcomers in the last few years joining a core group of 38,000,000 knitters nationwide. And these are primarily young, creative, connected chicks with sticks who are coming together in living rooms, knitting cafes, and chic yarn stores, and making everything from funky hats to bikinis. In *Stitch 'n Bitch*, Debbie Stoller-founder of the first *Stitch 'n Bitch* knitting group in New York City-covers every aspect of knitting and the knitting-together lifestyle: the how-to, the when-to, the what-to, the why-to. Writing with wit and attitude (*The Knitty-Gritty*, *Blocking for Blockheads*), she explains the different types of needles and yarns (and sheep, too) and all the techniques from basic to fancy, knit to purl to cast-off. She also shares her special brand of corrective surgery for when things go wrong, and offers fun and informative sidebars on such topics as how to find the best yarn for less, how to make a buttonhole, knitting etiquette, and what tools to keep in your knitting bag. At the heart of the book are forty stylish patterns: Alien Scarf, Big Bad Baby Blankie, Mohair Hoodie, Kitty and Devil Hat, Cell Phone Cozy, and Wonder Woman Bikini. And for anyone interested: how to start a *Stitch 'n Bitch* group.

Act of God Garnet Hall 2016-09-02 Alan Livingston thought he had everything figured out. Graduate from college, got into law and eventually into politics. Until financial reality set in and he had to drop out after only two years. His goals were out of reach and options were few and far between. He hopped from job to job for a while, and tried everything from tree cutting to being a bouncer. Nothing stuck. Finally, he lands something both interesting and challenging. Alan has skills which help him as a private investigator. Respect for people, an unassuming manner, resourcefulness and a knack for finding the truth. Things might work out after all. Then he got a call in the middle of the night. At the airport in Lexington, Kentucky, Alan grabs his suitcase and rushes to get a car to investigate - a plane crash? What he finds will stay

with him a long time.

Knitting for Radical Self-Care Brandi Cheyenne Harper 2022-01-04 From knitting expert Brandi Harper, a must-have pattern book for modern knitters, with essays on self-care and sourcing creativity There is no such thing as being kind-of a knitter—the wobbly scarves and that oversized sweater you tried to shrink all count too. Each contribution that you make to the world through knitting is meaningful, but maybe you’ve slowed your commitment to this craft, or you can’t seem to find the time to be creative. There’s a lot to be distracted by, and the path forward isn’t always clear. Brandi Harper aims to bring those challenges to the forefront and help you unearth the immense benefits that knitting has to offer. In her debut book, *Knitting for Radical Self-Care*, Harper offers tips and suggestions for carving out time for creativity, alongside beautiful patterns to try yourself. The book includes ten original patterns inspired by revolutionary women of color, and Harper will speak to these women and their immense impact on her life and our world. The patterns include detailed instructions, alongside her original prose, all designed to inspire.

The Art of Intarsia Garnet Hall 2006 "If you can use a band or scroll saw, you can create professional-looking, three-dimensional pictures in wood. Intarsia--the art of cutting out, then fitting together thin, differently colored and textured wooden pieces--is a craft of precision and artistry that can be enjoyed on many levels. By offering lessons in the use of power saws and other tools, safety tips, finishing techniques, and wood selection, this comprehensive guide adapts the ancient art of intarsia to today's woodworker. For three beginning pieces--a simple flower, a rose, and a happy face clown--explicit instructions, along with tips for avoiding or dealing with common pitfalls, start you on your way. Once you've honed your skills you can apply them--and your enhanced understanding of woods--to create one-of-a-kind artworks based on any of the other 17 projects. Discover the creative possibilities of intarsia ... and add a new dimension to your woodworking."-- Publisher description.
