Improper Cross-Stitch Haley Pierson-Cox 2018-08-07 A fun, witty, nerdy, and irreverent craft book for the modern cross-stitcher. Sometimes it's good to be a little...improper. Profane, funny, and smart, Haley Pierson-Cox's IMPROPER CROSS-STITCH invites the modern crafter to bring personality and humor to their cross stitch projects. From a fully designed "Damn it feels good to be a crafter" to the beautiful Art Deco inspired "fuck," Haley's patterns are fresh, lively and just what the crafter ordered. In this book, she'll introduce readers to the joys of stitching the naughty, the profane, the irreverent, and the just plain awesome. First, she starts with a basic lesson in cross-stitch technique, no previous experience required. Then, once readers know your way around an embroidery hoop and a skein of floss, the books moves on to the designs—35 in total, ranging from hip, to nerdy, to ironically domestic—where Haley encourages crafters to embrace their inner snark with gleeful abandon. Her easy to follow instructions and colorful designs can make a cross stitcher out of anyone. In all her years of crafting, Haley's learned many things, but this simple fact remains one of the most important: There is absolutely nothing in this world quite so satisfying as enshrining something deeply inappropriate within the delicate stitches of a cross-stitch sampler. It's truly one of life's great delights!

Quilter's Cottage Book Lori Holt 2020-05-15

Hooked Sutton Foster 2021-10-12 From the 2-time Tony Award-winner and the star of TV's *Younger*, funny and intimate stories and reflections about how crafting has kept her sane while navigating the highs and lows of family, love, and show business (and how it can help you, too). Whether she's playing an "age-defying" book editor on television or dazzling audiences on the Broadway stage, Sutton Foster manages to make it all look easy. How? Crafting. From the moment she picked up a cross stitch needle to escape the bullying chorus girls in her early performing days, she was hooked. Cross stitching led to crocheting, crocheting led to collages, which led to drawing, and so much more. Channeling her emotions into her creations centered Sutton as she navigated the significant moments in her life and gave her tangible reminders of her experiences. Now, in this charming and poignant collection, Sutton shares those moments, including her fraught relationship with her agoraphobic mother; a painful divorce splashed on the pages of the tabloids; her struggles with fertility; the thrills she found on the stage during hit plays like *Thoroughly Modern Millie*, *Anything Goes*, and *Violet*; her breakout TV role in *Younger*; and the joy of adopting her daughter, Emily. Accompanying the stories, Sutton has included crochet patterns, recipes, and so much more! Witty and poignant, *Hooked* will leave

readers entertained as well as inspire them to pick up their own cross stitch needles and paintbrushes.
