The Crash Crystal John D. Wagner 2011-12-12 Title: The Crash Crystal: a LEGO® Mystery. A middle-grade novel for 9-12 year-olds... Using LEGOS that he assembles in eerily accurate crash-site scenes, Mack McCarthy (12) can predict why planes crash with dead-on accuracy, amazing his initially doubtful mother and father, a top crash-site investigator. But Mack is sure his power is real, passed on to him through a crystal by his mystical grandfather, who dies just as the book opens. Defying skeptics, Mack uses Legos to solve crash after crash, proving he's got a very rare gift indeed. When Mack's aunt – his only faithful believer all along – ends up on a criminally doomed flight from Thailand, a daring, international, kids-on-the-run, romping story ensues. Mack teams up with school buddies to evade police, as they use any means necessary to save lives. Then, in the ultimate test of Mack's rare gift, he gets to prove his doubters wrong once and for all when he and his father team up with a larger cadre of oddly gifted kids (who mysteriously appear with their LEGOS), to rescue themselves when the flight they are all on encounters fatal trouble.

The Seven Secrets of Crystal Talismans Henry M. Mason 2015-03-08 The mysterious powers of gems, crystals, and minerals are finally explained in this practical guide to creating talismans. Casting a modern light on the age-old practice of talismans, gemologist Henry M. Mason correlates the mystical properties of these wondrous objects with the science of gemology. Connecting with the universal life force, the proper talisman can focus and magnify your own qualities—helping you fulfill dreams and desires. Mason's seven secrets explore how crystal structure, color, and chemistry contribute to a talisman's natural energies for aiding in attraction, protection, self-improvement, creativity, tranquility, spiritual awakening, and more. From selecting and preparing the proper mineral to empowering your talisman, this guide takes you through every step of creating and using talismans and amulets for optimum effect.

The Healing Power of Gemstones Harish Johari 1996-09-01 Drawing on the ancient Hindu disciplines of Tantra and Ayurveda, as well as astrology and his own family tradition of gemology, Harish Johari offers practical methods to utilize the power stored in gems to maximize physical and psychological balance and well-being. The origins of gem healing can be traced to the earliest Sanskrit scriptures, in which gems are valued for their ability to absorb and transmit vital life forces. Ayurvedic healers, Indian astrologers, and Tantric alchemists all made use of gem formulas in their various practices. The author describes these in vivid detail as well as the attributes and powers of the sun and planets according to Hindu astrology and legend as they relate specifically to the use of gems. Here they play a critical role in enhancing the positive power of the planets and reducing their negative influence. Charts are included

The Seven Archetypal Stones Nicholas Pearson 2016-11-15 A guide to the mystery teachings of the mineral kingdom for catalyzing spiritual growth and healing • Focuses on 7 essential crystal and gemstone mentors: obsidian, jade, lapis lazuli, emerald, quartz, amethyst, and diamond • Integrates crystal lore from around the world with mineral science to reveal the archetypal wisdom embodied within each stone • Provides crystal healing exercises and meditations on the specific spiritual work each stone archetype supports Stones and crystals are our most ancient teachers. The relationships between the mineral kingdom and the human kingdom are as old as life itself, for the mineral kingdom--comprised of beautiful crystals, dense rocks, sands, clays, and everything in-between--is the very foundation upon which life developed on Earth. Supporting humanity through the eons, these teachers offer curative and restorative properties for healing as well as powerful guidance to catalyze spiritual growth. Integrating gemstone lore from around the world with modern mineral science, Nicholas Pearson guides readers on a journey into the inner realm of the mystery teachings of the mineral kingdom, a journey that mirrors the soul's path to perfection. He reveals the archetypal wisdom embodied within 7 essential crystal and gemstone mentors--obsidian, jade, lapis lazuli, emerald, quartz, amethyst, and diamond--examining each stone's mythological, historical, and cultural associations in tandem with their crystalline structure and chemical composition. He explores each stone's healing and spiritual properties, providing practical exercises, esoteric revelations, and meditations on the specific spiritual work each stone archetype supports. Obsidian, for example, is the stone of initiation, revealing our shadow side and guiding us to places in need of light. Diamond, the final perfected stone of the seven, illuminates Divine Love, purifying us and leading our consciousness to enlightenment, cutting through any vestiges of fear or illusion because it is the hardest, sharpest, most luminous teacher the mineral kingdom has to offer. Enabling each of us to harness the power of stones for spiritual evolution and healing, this guide to the mystery teachings of the mineral kingdom shows how the ancient call to evolve with the crystals and stones that surround us lives on in an unbroken legacy.

Crystals, Jewels, Stones Isidore Kozminsky 2012-05-01 This book provides an exhaustive and comprehensive study of the lore and science of precious and semi-precious stones and crystals. Crystals have commanded the attention of thinkers, artists, mystics, magicians, astrologers, alchemists, and all who appreciate beauty. Intimately and mysteriously formed in the fires of Earth's inner essence, what is the meaning of these exquisitely shaped and colored gifts of the sacred bounty of Nature. Occultist Isidore Kozminsky explores the use of precious and semi-precious stones in fields as far flung as healing and design, practical esoteric energy channeling and decoration, as well as in powerful magical talismans by which specific energies may be invoked, and as artistic objects of great beauty. Inspiring mythic tales are balanced with practical instructions and knowledge about the astrological sympathies of crystals and the energy work and healing properties associated with all the major categories of precious stones. From Plato to Leonardo da Vinci, Kozminsky traces crystal lore through the researches of astrologers, magi, alchemists and Hermetic philosophers--all of whom explored the use of stones in the Universal Order and Harmony of the natural world.

Crystal Skulls Jaap van Etten 2013-01-01 Crystal skulls invoke a sense of mystery. What was their role in ancient times? Are they important for us in current times? Can they assist us on our spiritual journey? How? Although much has been written about them, many questions still linger. This book addresses many of these lingering questions on practical, subtle-energy, and spiritual levels. This long-awaited sequel to *Crystal Skulls: Interacting with a Phenomenon* weaves practical information on crystal skulls with meditations to provide a deeper understanding of the role of crystal skulls in expanding the consciousness of individuals and humankind as a whole. Filled with useful guidance for both beginners and those who have worked with crystal skulls for long periods of time, *Crystal Skulls: Expand Your Consciousness* addresses essential issues: what material crystal skulls should be made from, what size to choose, how to clean them, and what to do with them. The most important part of the book addresses awakening the potential of a crystal skull. Learn about the energies of these awakened crystal skulls and the effects they have on the spiritual development of individuals and the collective consciousness of humanity. This book invites you on a journey of awakening the potential of your crystal skulls -- and consequently awakening yourself. Several meditations are given to support this journey along with descriptions of the known ancient and old crystal skulls, making this book a "must have" for anyone interested in crystal skulls and in the journey of spiritual development.

The Spiritual History of Ice E. Wilson 2003-05-15 At the end of the eighteenth century, scientists for the first time demonstrated what medieval and renaissance alchemists had long suspected; ice is not lifeless but vital, a crystalline revelation of vigorous powers. Studied in esoteric and exoteric representations of frozen phenomena, several Romantic figures - including Coleridge and Poe, Percy and Mary Shelley, Emerson and Thoreau - challenged traditional notions of ice as waste and instead celebrated crystals, glaciers, and the poles as special disclosures of a holistic principle of being. *The Spiritual History of Ice* explores this ecology of frozen shapes in fascinating detail, revealing not only a neglected current of the Romantic age but also a secret history and psychology of ice.

Adventures in Paranormal Investigation Joe Nickell 2014-04-23 Tales of alien abductions, miraculous relics, and haunted castles have attracted believers and skeptics across the globe for centuries. Paranormal investigator Joe Nickell tackles the world's most seemingly inexplicable myths in *Adventures in Paranormal Investigation*. With four decades of experience in the field, Nickell employs skepticism and scientific analysis to pull truth from the mires of false evidence and trickery that surround both old and new legends and mysteries. Unlike authors who engage in hype and sensationalism in order to foster or debunk myths, Nickell approaches each case with a rational and scientific approach intended to find the truth. Occam's Razor--all things being equal, the simplest solution is the best one--is a principal instrument in his investigative toolbox, as well as the belief that it is the claimant's responsibility to provide the extraordinary proof required in such extraordinary cases. *Adventures in Paranormal Investigation* features Nickell's on-site explorations in unusual phenomena. Among the forty unique cases, Nickell examines mysteries ranging from snake charmers who purport to hold influence over the reptiles, to the Holocaust victims who reportedly haunt a gas chamber in Dachau, to Lake Simcoe's resident lake monster Igo-pogo in Canada. In addition to the case studies, Nickell analyzes how the propensity to fantasize can affect human perceptions of and belief in paranormal activity and how his personal experience with the paranormal was altered when intuition led to the discovery of a daughter he didn't know existed. More than just another myth-busting text, *Adventures in Paranormal Investigation* brings together reason and scientific analyses to explain both the phenomena and the role of human perception therein, establishing Nickell as the foremost paranormal investigator of our time.

crystal grids, crystal elixirs, and charm bags Part of Mother Earth, crystals and gemstones are intimate pieces of the body of the Goddess, sacred tools that can help us tap into Her energy for healing, magick, and spiritual growth. In this practical guide to working with the stones of the Goddess, Nicholas Pearson explores more than 100 gemstones and crystals strongly connected with the energies of the Divine Feminine, including old favorites like amazonite, amethyst, geodes, and carnelian (also known as the blood of Isis), alongside newer and more unusual stones such as sakura ishi, yeh ming zhu, and Lemurian seed crystals. He details each stone's spiritual and healing properties, astrological and elemental correspondences, Goddess archetypes and lore, magickal uses, and the aspects of the Divine Feminine it embodies. Providing an overview of major Goddesses from around the world, he reveals how Goddess traditions and myths have incorporated stones throughout history. Guiding you through the basics of crystal work, including cleansing and programming, the author offers step-by-step instructions for Goddess-centered magickal rituals, guided meditations to connect with the Divine Feminine, and the use of crystals for spellcasting. He explains how to create crystal grids, including the Triple Goddess Grid and the Venus Grid; crystal elixirs, such as Aphrodite Elixir and Yemayá Essence; and crystal charm bags for purification, wealth, and a happy home. With the rebirth of the Goddess now happening after millennia of suppression, Pearson shows how, by working with gemstones and crystals, you can help restore the radiant light and limitless magick of the Divine Feminine and move humanity toward collective growth and healing. The stones of the Goddess are here to support us through practical means as well as serve as anchors for the return of the Goddess's presence.

Crystal Blueprint Beatriz Singer 2019-02-05 A guide to quartz crystals from both an ancestral and scientific point of view, with the mission of helping readers identify their mind patterns and wounds to reconnect with the authentic self. It's estimated that 10 billion quartz crystals are used every year in electronic devices--from smartphones to computers, credit cards, watches, digital cameras, TVs, cars, and much more. When you think about it, it's almost impossible to imagine life without crystals. These same crystals we see in so much of our technology have been used over the course of many centuries, and by many different cultures around the world, for healing. In fact, crystal healing is alive and well today, with modern-day healers harnessing the energy of quartz crystals to help alleviate suffering. What is it that has drawn scientists and healers around the world to crystal technology, and what are the similarities between the ways these two groups have used the stones? In this book, crystal healer and holistic therapist Beatriz Singer answers these questions--and more. She takes readers on a journey to understand the many wonders of quartz crystals, so that we can use their powers to bring peace and healing to ourselves and the world.
