The Pillars of the Earth Ken Follett 2010-06-29 #1 New York Times Bestseller Oprah's Book Club Selection The "extraordinary . . . monumental masterpiece" (Booklist) that changed the course of Ken Follett's already phenomenal career—and begins where its prequel, *The Evening and the Morning*, ended. "Follett risks all and comes out a clear winner," extolled Publishers Weekly on the release of *The Pillars of the Earth*. A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity. Today, it stands as a testament to Follett's unassailable command of the written word and to his universal appeal. *The Pillars of the Earth* tells the story of Philip, prior of Kingsbridge, a devout and resourceful monk driven to build the greatest Gothic cathedral the world has known . . . of Tom, the mason who becomes his architect—a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas

of twelfth-century England, this is Ken Follett's historical masterpiece.

Secrets and Shadows Mary Nickson 2010-07-31 Determined to start a new life, Louisa Forrester has come to Scotland in search of adventure, new relationships and a second chance. She has enrolled on a creative writing course at the renowned Glendrochatt Arts Centre. It is here that she meets Marnie Donovan, a young American woman who has travelled to Scotland in search of the childhood home of her eccentric benefactress, hoping for answers to questions that have haunted her all her life. Isobel Grant, who runs the centre with her husband Giles, is facing the greatest challenge of her life but must put on a brave face for everyone's sake. Initially Louisa and Marnie dislike each other, especially when both women are drawn to the same man. And Isobel must keep the peace. But enigmatic Christopher Piper carries his own secrets from the past and in their brief encounter all are forced to confront the truth about themselves and the choices they have made. Told with warmth and insight, *Secrets and Shadows* is a beautifully written story of three women and how they learn to embrace the future, however uncertain ...

The Martian Andy Weir 2014-02-11 Nominated as one of America's best-loved novels by PBS's The Great American Read Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive—and even if he could get word out, his supplies would be gone long before a rescue could arrive. Chances are, though, he won't have time to starve to death. The damaged machinery, unforgiving environment, or plain-old "human error" are much more likely to kill him first. But Mark isn't ready to give up yet. Drawing on his ingenuity, his engineering skills—and a relentless, dogged refusal to quit—he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?

Kill the Angel Sandrone Dazieri 2018-02-20 From internationally bestselling author Sandrone Dazieri and featuring "two of the most intriguing detectives to have emerged in recent years" (Daily Mail, London) comes the "explosive" (Booklist, starred review) second thriller in the Caselli and Torre series. In Rome, a passenger train speeds into the city's main station, its first-class car full of dead bodies, the macabre discovery of which falls to Deputy Police Commissioner Colomba Caselli. The police then receive a claim of responsibility and the threat of more murders to come. But neither Caselli nor her eccentrically brilliant ally, Dante Torre, are ready to buy the terrorist link.

As the two unconventional investigators chip away at what the perpetrator wants everyone to believe, they put their own lives in jeopardy. But Dante's bizarre and traumatic past enables him to see what others miss, and in this case, to connect with a kindred spirit of sorts, a woman named Giltine who also experienced an intense trauma—one from which she emerged damaged and full of murderous intent. Making her especially lethal is that the rare mental illness she suffers from has her believing she's already dead. When Colomba and Dante find themselves on the outs with law enforcement they're entirely on their own, faced with the responsibility of making sure the waters of Venice don't turn red with blood.

Future Shock Alvin Toffler 2022-01-11 NEW YORK TIMES BESTSELLER • The classic work that predicted the anxieties of a world upended by rapidly emerging technologies—and now provides a road map to solving many of our most pressing crises. "Explosive . . . brilliantly formulated." —The Wall Street Journal *Future Shock* is the classic that changed our view of tomorrow. Its startling insights into accelerating change led a president to ask his advisers for a special report, inspired composers to write symphonies and rock music, gave a powerful new concept to social science, and added a phrase to our language. Published in over fifty countries, *Future Shock* is the most important study of change and adaptation in our time. In many ways, *Future Shock* is about the present. It is about what is happening today to people and groups who are overwhelmed by change. Change affects our products, communities, organizations—even our patterns of friendship and love. But *Future Shock* also illuminates the world of tomorrow by exploding countless clichés about today. It vividly describes the emerging global civilization: the rise of new businesses, subcultures, lifestyles, and human relationships—all of them temporary. *Future Shock* will intrigue, provoke, frighten, encourage, and, above all, change everyone who reads it.

Confessions of an Economic Hit Man John Perkins 2004-11-09 Perkins, a former chief economist at a Boston strategic-consulting firm, confesses he was an "economic hit man" for 10 years, helping U.S. intelligence agencies and multinationals cajole and blackmail foreign leaders into serving U.S. foreign policy and awarding lucrative contracts to American business.

Fascist Italy in the Spanish Civil War, 1936-1939 Javier Rodrigo 2021-04-08 In this highly important book, Javier Rodrigo examines the role of Fascist Italy in the Spanish Civil War from 1936 to 1939. Fascist Italy's intervention in the Spanish Civil War to provide material, strategic, and diplomatic assistance led to Italy becoming a belligerent in the conflict. Following the unsuccessful military coup of July 1936 and the insurgents' subsequent failure to take Madrid, the Corps of Voluntary Troops (CTV, Corpo Truppe Volontarie) was created—in the words of an Italian fascist anthem—to 'liberate Spain', usher in a 'new History', 'make the peoples oppressed by the Reds smile again', and 'build a fascist Europe'. Far from being insignificant or trivial, the intervention of Fascist Italy and Italian fascists on Spanish soil must be seen as one of the key aspects which contribute to the Spanish conflict's status as an epitome of the twentieth century. Drawing on sources ranging from ministerial orders to soldiers' diaries, this book reconstructs the evangelisation of fascism in Spain. This book is the first important study on Fascist Italy's role in the conflict to appear in English in over 45 years. It examines Italian intervention from angles unfamiliar to English-speaking readers and will be useful to students of history and scholars interested in twentieth-century Europe, fascism, and the international dimension of the

Spanish Civil War.

Dragon Teeth Michael Crichton 2017-05-23 Michael Crichton, the #1 New York Times bestselling author of *Jurassic Park*, returns to the world of paleontology in this recently discovered novel—a thrilling adventure set in the Wild West during the golden age of fossil hunting. The year is 1876. Warring Indian tribes still populate America's western territories even as lawless gold-rush towns begin to mark the landscape. In much of the country it is still illegal to espouse evolution. Against this backdrop two monomaniacal paleontologists pillage the Wild West, hunting for dinosaur fossils, while surveilling, deceiving and sabotaging each other in a rivalry that will come to be known as the Bone Wars. Into this treacherous territory plunges the arrogant and entitled William Johnson, a Yale student with more privilege than sense. Determined to survive a summer in the west to win a bet against his arch-rival, William has joined world-renowned paleontologist Othniel Charles Marsh on his latest expedition. But when the paranoid and secretive Marsh becomes convinced that William is spying for his nemesis, Edwin Drinker Cope, he abandons him in Cheyenne, Wyoming, a locus of crime and vice. William is forced to join forces with Cope and soon stumbles upon a discovery of historic proportions. With this extraordinary treasure, however, comes exceptional danger, and William's newfound resilience will be tested in his struggle to protect his cache, which pits him against some of the West's most notorious characters. A page-turner that draws on both meticulously researched history and an exuberant imagination, *Dragon Teeth* is based on the rivalry between real-life paleontologists Cope and Marsh; in William Johnson readers will find an inspiring hero only Michael Crichton could have imagined. Perfectly paced and brilliantly plotted, this enormously winning adventure is destined to become another Crichton classic.

Twelve Years a Slave Solomon Northup 2021-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

A Column of Fire Ken Follett 2017-09-12 #1 New York Times Bestseller "Absorbing . . . impossible to resist." —The Washington Post As Europe erupts, can one young spy protect his queen? Ken Follett takes us deep into the treacherous world of powerful monarchs, intrigue, murder, and treason with his magnificent epic, *A Column of Fire*—the chronological latest in the Kingsbridge series, following *The Pillars of the Earth*, *World Without End*, and the prequel, *The Evening and the Morning*. In 1558, the ancient stones of Kingsbridge Cathedral look down on a city torn apart by religious conflict. As power in England shifts precariously between Catholics and Protestants, royalty and commoners clash, testing friendship, loyalty, and love. Ned Willard wants nothing more than to marry Margery Fitzgerald. But when the lovers find themselves on opposing sides of the religious conflict dividing the country, Ned goes to work

for Princess Elizabeth. When she becomes queen, all Europe turns against England. The shrewd, determined young monarch sets up the country's first secret service to give her early warning of assassination plots, rebellions, and invasion plans. Over a turbulent half century, the love between Ned and Margery seems doomed as extremism sparks violence from Edinburgh to Geneva. Elizabeth clings to her throne and her principles, protected by a small, dedicated group of resourceful spies and courageous secret agents. The real enemies, then as now, are not the rival religions. The true battle pitches those who believe in tolerance and compromise against the tyrants who would impose their ideas on everyone else—no matter what the cost. Exciting and ambitious, and set during one of the most turbulent and revolutionary times in history, *A Column of Fire* will delight longtime fans of the Kingsbridge series and serve as the perfect introduction for readers new to Ken Follett.

The Authenticity Project Clare Pooley 2020-02-04 A New York Times bestseller A WASHINGTON POST "FEEL-GOOD BOOK guaranteed to lift your spirits" "A warm, charming tale about the rewards of revealing oneself, warts and all." —People The story of a solitary green notebook that brings together six strangers and leads to unexpected friendship, and even love Clare Pooley's next book, *Iona Iverson's Rules for Commuting*, is forthcoming Julian Jessop, an eccentric, lonely artist and septuagenarian believes that most people aren't really honest with each other. But what if they were? And so he writes—in a plain, green journal—the truth about his own life and leaves it in his local café. It's run by the incredibly tidy and efficient Monica, who furtively adds her own entry and leaves the book in the wine bar across the street. Before long, the others who find the green notebook add the truths about their own deepest selves—and soon find each other In Real Life at Monica's Café. The Authenticity Project's cast of characters—including Hazard, the charming addict who makes a vow to get sober; Alice, the fabulous mommy Instagrammer whose real life is a lot less perfect than it looks online; and their other new friends—is by turns quirky and funny, heartbreakingly sad and painfully true-to-life. It's a story about being brave and putting your real self forward—and finding out that it's not as scary as it seems. In fact, it looks a lot like happiness. The Authenticity Project is just the tonic for our times that readers are clamoring for—and one they will take to their hearts and read with unabashed pleasure.

Project Hail Mary Andy Weir 2021 The sole survivor on a desperate, last-chance mission to save both humanity and the earth, Ryland Grace is hurtled into the depths of space when he must conquer an extinction-level threat to our species.

Fascist Italy in the Spanish Civil War, 1936-1939 Javier Rodrigo 2021-04-22 In this highly important book, Javier Rodrigo examines the role of Fascist Italy in the Spanish Civil War from 1936 to 1939. Fascist Italy's intervention in the Spanish Civil War to provide material, strategic, and diplomatic assistance led to Italy becoming a belligerent in the conflict. Following the unsuccessful military coup of July 1936 and the insurgents' subsequent failure to take Madrid, the Corps of Voluntary Troops (CTV, Corpo Truppe Volontarie) was created—in the words of an Italian fascist anthem—to 'liberate Spain', usher in a 'new History', 'make the peoples oppressed by the Reds smile again', and 'build a fascist Europe'. Far from being insignificant or trivial, the intervention of Fascist Italy and Italian fascists on Spanish soil must be seen

as one of the key aspects which contribute to the Spanish conflict's status as an epitome of the twentieth century. Drawing on sources ranging from ministerial orders to soldiers' diaries, this book reconstructs the evangelisation of fascism in Spain. This book is the first important study on Fascist Italy's role in the conflict to appear in English in over 45 years. It examines Italian intervention from angles unfamiliar to English-speaking readers and will be useful to students of history and scholars interested in twentieth-century Europe, fascism, and the international dimension of the Spanish Civil War.

Technics and Civilization Lewis Mumford 2010-10-30 *Technics and Civilization* first presented its compelling history of the machine and critical study of its effects on civilization in 1934—before television, the personal computer, and the Internet even appeared on our periphery. Drawing upon art, science, philosophy, and the history of culture, Lewis Mumford explained the origin of the machine age and traced its social results, asserting that the development of modern technology had its roots in the Middle Ages rather than the Industrial Revolution. Mumford sagely argued that it was the moral, economic, and political choices we made, not the machines that we used, that determined our then industrially driven economy. Equal parts powerful history and polemic criticism, *Technics and Civilization* was the first comprehensive attempt in English to portray the development of the machine age over the last thousand years—and to predict the pull the technological still holds over us today. “The questions posed in the first paragraph of *Technics and Civilization* still deserve our attention, nearly three quarters of a century after they were written.”—*Journal of Technology and Culture*

The Internet Galaxy Manuel Castells 2002-10-31 Castells helps us understand how the Internet came into being and how it is affecting every area of human life. This guide reveals the Internet's huge capacity to liberate, but also its possibility to exclude those who do not have access to it.

The Transformation of Intimacy Anthony Giddens 2013-04-23 The sexual revolution: an evocative term, but what meaning can be given to it today? How does 'sexuality' come into being and what connections does it have with the changes that have affected personal life on a more general plane? In answering these questions, Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture. The emergence of what the author calls plastic sexuality - sexuality freed from its intrinsic relation to reproduction - is analysed in terms of the long-term development of the modern social order and social influences of the last few decades. Giddens argues that the transformation of intimacy, in which women have played the major part, holds out the possibility of a radical democratization of the personal sphere. This book will appeal to a large general audience as well as being essential reading for students and professionals.

The Guardians John Grisham 2020 Cullen Post, an Episcopal minister and lawyer, fights to exonerate Quincy Miller, who has spent over twenty years in prison for killing a lawyer, only to discover that powerful forces want the murder to remain unsolved.

Six Four Hideo Yokoyama 2017-02-07 International Bestseller Winner of the Best Japanese Crime Fiction of the Year Award “Already a bestseller in Japan and the U.K., this cinematic crime novel suffused with fascinating cultural details follows a police department reinvestigating a chilling kidnapping that stumped

them 14 years earlier.” —Entertainment Weekly, The Must List THE NIGHTMARE NO PARENT COULD ENDURE. THE CASE NO DETECTIVE COULD SOLVE. THE TWIST NO READER COULD PREDICT. For five days, the parents of a seven-year-old Japanese schoolgirl sat and listened to the demands of their daughter’s kidnapper. They would never learn his identity. And they would never see their daughter alive again. Fourteen years later, the mystery remains unsolved. The police department’s press officer—Yoshinobu Mikami, a former detective who was involved in the original case and who is now himself the father of a missing daughter—is forced to revisit the botched investigation. The stigma of the case known as “Six Four” has never faded; the police’s failure remains a profound source of shame and an unending collective responsibility. Mikami does not aspire to solve the crime. He has worked in the department for his entire career, and while he has his own ambitions and loyalties, he is hoping simply to reach out to the victim’s family and to help finally put the notorious case to rest. But when he spots an anomaly in the files, he uncovers secrets he never could have imagined. He would never have even looked if he’d known what he would find. An award-winning phenomenon in its native Japan—more than a million copies sold, and the winner of the Best Japanese Crime Fiction of the Year award—and already a critically celebrated top-ten bestseller in the U.K., Hideo Yokoyama’s Six Four is an unforgettable novel by a literary master at the top of his form. It is a dark and riveting plunge into a crime, an investigation, and a culture like no other.
