*Don't Call Me Ishmael* Michael Bauer 2012-01-01 By the time ninth grade begins, Ishmael Leseur knows it won't be long before Barry Bagsley, the class bully, says, "Ishmael? What kind of wussy-crap name is that?" Ishmael's perfected the art of making himself virtually invisible. But all that changes when James Scobie joins the class. Unlike Ishmael, James has no sense of fear - he claims it was removed during an operation. Now nothing will stop James and Ishmael from taking on bullies, bugs and Moby Dick, in the toughest, weirdest, most embarrassingly awful - and the best - year of their lives.

**La Guerra De Jugurta** Cayo Salustio 2017-08-20 La Guerra de Jugurta. Cayo Salustio La guerra de Jugurta (en latín: Bellum Iugurthinum) es un libro escrito por el historiador romano Gayo Salustio Crispo que describe la guerra entre Roma y el rey númida Jugurta que se desarrolló desde el año 111 hasta el 105 a. C., así como sus causas. Al emprender la obra, Salustio no contaba con recuerdos propios de la guerra ni con testimonios de los participantes en ella, pues habían pasado más de 60 años desde los acontecimientos a referir. Para la confección del relato, Salustio contó con los documentos del senado, a los que pudo acceder con facilidad por su posición política. También pudo valerse de la autobiografía de Sila (Comentarii Rerum Suarum) y de la obra de Cornelio Sisenna Historiador, que hablaba de los tiempos de aquél. Además de éstas y de otras fuentes provenientes de soldados y de políticos que intervinieron en la guerra, Salustio pudo consultar traducciones de textos de origen cartaginés para entrar en detalles geográficos e históricos de África

**Combat Sports in the Ancient World** Michael B. Poliakoff 1987-01-01 A comprehensive study of the practice of combat sports in the ancient civilizations of Greece, Rome and the Near East.

An Introduction to the Ancient World Lukas de Blois 2008-10-24 Integrating the results of scholarly work from the past decade, the authors of An Introduction to the Ancient World, Lukas de Blois and R.J. van der Spek, have fully updated and revised all sixteen chapters of this best-selling introductory

textbook. Covering the history and culture of the ancient Near East, Greece and Rome within the framework of a short narrative history of events, this book offers an easily readable, integrated overview for students of history, classics, archaeology and philosophy, whether at college, at undergraduate level or among the wider reading public. This revised second edition offers a new section on early Christianity and more specific information on the religions, economies, and societies of the ancient Near East. There is extended coverage of Greek, Macedonian and Near Eastern history of the fourth to second centuries BC and the history of the Late Roman Republic. The consequences of Julius Caesar's violent death are covered in more detail, as are the history and society of Imperial Rome. This new edition is: comprehensive: covers 3,000 years of ancient history and provides the basis for a typical one-semester course lavishly illustrated: contains maps, line drawings and plates to support and supplement the text, with updated captions clearly and concisely written: two established and respected university teachers with thirty years' experience in the subject areas well-organized: traces the broad outline of political history but also concentrates on particular topics user-friendly: includes chapter menus, an extensive and expanded bibliography organized by subject area and three appendices, an improved introduction and the addition of an epilogue.

**Cicero's Pro L** Elaine Fantham 2013-09-19 Cicero's speech on behalf of L. Lucinius Murena, newly elected to the consulship of 62 BCE but immediately prosecuted for electoral bribery, is especially famous for its digressions and valuable for its insights into the complex political wrangles of the late 60s. It is, however, a speech more commonly excerpted and cited than read in its entirety, though whether the absence of an English-language commentary is a cause or effect of that situation remains uncertain. In short, a pedagogical commentary on this important and strange speech is long overdue. Distinguished Latinist Elaine Fantham's commentary is noteworthy for its ability to elucidate not only the rhetorical structure of this speech but the rationale behind Cicero's strategic decisions in creating that structure. It also calls attention to the stylistic features like word choice, rhetorical figures, and rhythmic effects that make the speech so effective, and explains with care and precision the political, social, and historical considerations that shaped the prosecution and defense of the somewhat hapless defendant. This commentary includes the kind of grammatical explication required to make its riches accessible to undergraduate students of Latin.

*Multilingualism and L2 Acquisition* Yolanda Ruiz de Zarobe 2018-04-19 In recent years we have witnessed a growing interest in multilingualism and its relationship with the learning and teaching of second/foreign languages. However, multilingualism is a highly complex phenomenon, which has a direct influence on how we learn languages. For instance, do we learn a second/foreign language in a similar way in a multilingual context as in a monolingual one? What is the role of the other languages spoken in the community? Do contrasting learning contexts, like CLIL or studying abroad, produce different results? Can positive emotions such as foreign language enjoyment have an active role in the foreign language learning process? These and other topics will be discussed in this book, with the aim of understanding multilingualism, how languages are learned and how to teach them better. This book was originally published as a special issue of the International Journal of Multilingualism.

Monsieur Linh and His Child Philippe Claudel 2011-03-31 Traumatized by memories of his war-ravaged country, his son and daughter-in-law dead, Monsieur Linh travels to a foreign land to bring the child in his arms to safety. To begin with, he is too afraid to leave the refugee centre, but the first time he braves the freezing cold to walk the streets of this strange, fast-moving town, he encounters Monsieur Bark, a widower whose dignified sorrow mirrors his own. Though they have no shared language, an instinctive friendship is forged; but Monsieur Linh's stay in the dormitory is only temporary. Sooner or later he and his child must find a permanent home. Delicate and restrained, but with an extraordinary twist, Monsieur Linh and His Child is an immensely moving novel of perfect simplicity, by the author of Brodeck's Report.

**Ways of Going Home** Alejandro Zambra 2013-01-08 Alejandro Zambra's *Ways of Going Home* begins with an earthquake, seen through the eyes of an unnamed nine-year-old boy who lives in an undistinguished middleclass housing development in a suburb of Santiago, Chile. When the neighbors camp out overnight, the protagonist gets his first glimpse of Claudia, an older girl who asks him to spy on her uncle Raúl. In the second section, the protagonist is the writer of the story begun in the first section. His father is a man of few words who claims to be apolitical but who quietly sympathized—to what degree, the author isn't sure—with the Pinochet regime. His reflections on the progress of the novel and on his own life—which is strikingly similar to the life of his novel's protagonist—expose the raw suture of fiction and reality. *Ways of Going Home* switches between author and character, past and present, reflecting with melancholy and rage on the history of a nation and on a generation born too late—the generation which, as the author-narrator puts it, learned to read and write while their parents became accomplices or victims. It is the most personal novel to date from Zambra, the most important Chilean author since Roberto Bolaño.
