

Dale Earnhardt Always A Champion A Tribute And Fa

When somebody should go to the book stores, search start by shop, shelf by shelf, it is really problematic. This is why we provide the ebook compilations in this website. It will agreed ease you to see guide **dale earnhardt always a champion a tribute and fa** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. If you want to download and install the dale earnhardt always a champion a tribute and fa, it is enormously easy then, back currently we extend the link to buy and make bargains to download and install dale earnhardt always a champion a tribute and fa suitably simple!

Dale Earnhardt Jeff Bartlett 2001 Offers a tribute honoring Dale Earnhardt, one of Nascar's greatest drivers, who died during the final lap of the 22nd Daytona 500, and discusses the legacy he left behind.

Earnhardt Nation Jay Busbee 2016-02-16 A colorful, fearless portrait of the larger-than-life first family of NASCAR, the Earnhardts, and the rise of the world's fastest stock car racing organization. More than sixty years ago, Ralph Earnhardt toiled in a cotton mill in his native North Carolina to support his growing family. Weekends he could be found going pedal to the metal at the dirt tracks, taking on the competition in the early days of box car racing and becoming one of the best short-track drivers in the state. His son, Dale Earnhardt Sr., would become one of the greatest drivers of all time, and his grandson Dale Jr, would become NASCAR's most popular driver of the 2000s. From a simple backyard garage, the Earnhardts reached the highest echelons of professional stock car racing and became the stuff of myth for fans. Earnhardt Nation is the story of this car racing dynasty and the business that would make them rich and famous—and nearly tear them apart. Covering all the white-knuckle races, including the final lap at the Daytona 500 that claimed the life of the Intimidator, Earnhardt Nation goes deep into the fast-paced world of NASCAR, its royal family's obsession with speed, and their struggle with celebrity. Jay Busbee takes us deep inside the lives of these men and women who shaped NASCAR. He delves into their personal and professional lives, from failed marriages to rivalries large and small to complex and competitive father-son relationships that have reverberated through generations, and explores the legacy the Earnhardts struggle to uphold.

The Consumption of Inequality K. Halnon 2013-09-18 The fads, fashions, and media in popular consumer culture frequently make recreational and ideological "fun" of poverty and lower class living. In this book, Halnon delineates how

incarceration, segregation, stigmatization, cultural and social consecration, and carnivalization work in the production and consumption of inequality.

Driving with the Devil Neal Thompson 2009-02-04 “Moonshiners put more time, energy, thought, and love into their cars than any racer ever will. Lose on the track and you go home. Lose with a load of whiskey and you go to jail.” –Junior Johnson, NASCAR legend and one-time whiskey runner Today’s NASCAR is a family sport with 75 million loyal fans, which is growing bigger and more mainstream by the day. Part Disney, part Vegas, part Barnum & Bailey, NASCAR is also a multibillion-dollar business and a cultural phenomenon that transcends geography, class, and gender. But dark secrets lurk in NASCAR’s past. *Driving with the Devil* uncovers for the first time the true story behind NASCAR’s distant, moonshine-fueled origins and paints a rich portrait of the colorful men who created it. Long before the sport of stock-car racing even existed, young men in the rural, Depression-wracked South had figured out that cars and speed were tickets to a better life. With few options beyond the farm or factory, the best chance of escape was running moonshine. Bootlegging offered speed, adventure, and wads of cash—if the drivers survived. *Driving with the Devil* is the story of bootleggers whose empires grew during Prohibition and continued to thrive well after Repeal, and of drivers who thundered down dusty back roads with moonshine deliveries, deftly outrunning federal agents. The car of choice was the Ford V-8, the hottest car of the 1930s, and ace mechanics tinkered with them until they could fly across mountain roads at 100 miles an hour. After fighting in World War II, moonshiners transferred their skills to the rough, red-dirt racetracks of Dixie, and a national sport was born. In this dynamic era (1930s and ’40s), three men with a passion for Ford V-8s—convicted criminal Ray Parks, foul-mouthed mechanic Red Vogt, and crippled war veteran Red Byron, NASCAR’s first champion—emerged as the first stock car “team.” Theirs is the violent, poignant story of how moonshine and fast cars merged to create a new sport for the South to call its own. *Driving with the Devil* is a fascinating look at the well-hidden historical connection between whiskey running and stock-car racing. NASCAR histories will tell you who led every lap of every race since the first official race in 1948. *Driving with the Devil* goes deeper to bring you the excitement, passion, crime, and death-defying feats of the wild, early days that NASCAR has carefully hidden from public view. In the tradition of Laura Hillenbrand’s *Seabiscuit*, this tale not only reveals a bygone era of a beloved sport, but also the character of the country at a moment in time.

NASCAR For Dummies Mark Martin 2000 NASCAR stands for the National Association for Stock Car Auto Racing, and it’s the governing body for one of the most popular sports in the United States. The speed and power of NASCAR stock cars – and the people who drive those cars – have enticed millions of fans to the sport in recent years, making it one of the fastest-growing sports in the United States. If you’re a NASCAR novice, *NASCAR For Dummies* can help you with the basics of the sport – the differences between the NASCAR Winston Cup Series and the NASCAR Busch Series, Grand National Division – so you can build upon your NASCAR knowledge from there. If you’re more advanced, you’ll discover the

subtleties of the sport so you can sound like an old pro. No matter what level of NASCAR knowledge you have, you can find something new in the pages of this book: Get to know the race team and what they do Peek at the rules and see how teams get around them Check out a stock car's body and components Find out how to attend a NASCAR race and get the most out of the experience Understand why tires are such a big deal during a race Figure out what happens during a pit stop Know why a regular Chevrolet Monte Carlo at a local dealership looks nothing like the one on a racetrack Discover the meanings behind all those colored flags Know why corporate sponsorship plays such a large role Examine the different NASCAR tracks NASCAR racing is a total body experience. When you sit in the grandstands, you can hear the cars roar by. You can feel the tremendous power of the engines when the stands shake and your guts rumble. Then you can smell the distinct odor of burned rubber. With *NASCAR For Dummies*, you'll gain an insider's view of the sport, and enrich your experience. Author Mark Martin, known as one of the most focused and successful drivers in NASCAR racing, started racing cars when he was 15 years old.

Angel in Black Tom Gillispie 2008-02 *Angel in Black: Remembering Dale Earnhardt Sr.* is filled with personal memories of the man known as "the Intimidator" in NASCAR circles. These stories all come from the people who knew him best. Earnhardt was far more complex than those who did not know him well might have expected. His life ended tragically in February 2001 when he was killed during the last lap of the Daytona 500. His untimely death at the age of forty-nine shocked the racing world and the world at large. In *Angel in Black: Remembering Dale Earnhardt Sr.*, the Intimidator is remembered through hundreds of anecdotes, stories, and insights recounted by fellow drivers, team members, NASCAR officials, and friends and associates. Together they offer a unique and touching reminiscence of one of the greatest and most charismatic race-car drivers ever to climb behind the wheel. NASCAR's Rookie of the Year in 1979, Earnhardt forged a career that included seven NASCAR national championships, seventy-six career wins, and over \$34 million in prize money, more than any other driver has ever won. Earnhardt was as tough as they come behind the wheel, also earning the name of "Ironhead" in part because of his reputation for never backing down on the track, where close calls at nearly 200 miles per hour are frequent and often deadly. *Angel in Black* also shows the generous, considerate side of him as a friend, colleague, and family man. An earlier, shorter version of this book was published in 2001 under the title *I Remember Dale Earnhardt*. About one-third of the material in *Angel in Black* comes from the first edition, and the rest is largely new material.

In the Blink of an Eye Michael Waltrip 2011-02-01 There was one lap to go in the 2001 Daytona 500, NASCAR's most celebrated event. Michael Waltrip and Dale Earnhardt Jr. were running one-two. Junior's legendary dad, the driver race fans called "The Intimidator," was close behind in third, blocking anyone who might try to pass. Waltrip couldn't stop thinking about all the times he'd struggled to stay ahead--and the 462 NASCAR Cup races he'd lost without a single win. He'd been a race-car driver all his adult life, following in the footsteps of his brother Darrell, a three-time NASCAR champion. And his losing

streak was getting more painful every race. But this day, he knew, could be different. He was driving for Dale Earnhardt now, racing as a team with his close friend and mentor. Yet as his car roared toward the finish line, ending that losing streak once and for all, Waltrip had no clue that the greatest triumph of his life could get mired in terrible tragedy. This is the story of that fateful afternoon in Daytona, a day whose echoes are still heard today. But the story begins years earlier in a small town in Kentucky, with a boy who dreamed of racing cars, a boy who was determined to go from go-karts to the highest levels of NASCAR. For the first time ever, Michael Waltrip tells the full, revealing story of how he got to Daytona, what happened there, and the huge impact it had on so many in the racing world. He reveals for the first time how his own life changed as he dealt with guilt, faced his grief, and searched for the fortitude to climb into a race car again. It's an inspiring and powerful story, told with Michael's trademark humor, honesty, and irreverence. It's a story of family, fulfillment, and redemption--and well-earned victory in the end.

A Tribute to Dale Earnhardt Checker Bee Publishing 2001-02 A retrospective of Earnhardt's career.

Jeff Gordon Woody Cain 2003-04 Before Jeff Gordon's spectacular debut in 1993, conventional wisdom said stock-car drivers needed years of track time before they could compete -- much less win -- at the NASCAR Winston Cup Series level. The better ones had to slowly progress through the ranks. The best of that group had the equally tough task of convincing someone to give them a shot at the big time.

NASCAR Legends Robert Edelstein 2012-02-28 "A book that should be required reading for everyone who considers themselves to be a NASCAR fan" from the author of Full Throttle (SB Nation). NASCAR Legends traces the story of stock car racing through the courageous, record-breaking drivers who made it the number one spectator sport in America. NASCAR's sixty-year history is rich with varied lore about heroic racers, incredible races, and love of family. There are profiles of true NASCAR stars: Bill France; Bobby and Davey Allison; Dale Earnhardt and Dale Earnhardt, Jr.; Tony Stewart; Richard, Kyle, and Adam Petty, among other legends of the speedway. TV Guide motorsports reporter Robert Edelstein's painstaking journalistic work, combined with his encyclopedic knowledge and love of the sport, make NASCAR Legends an essential book for anyone drawn to the roaring magic of the track. "A true delight to read, and the writing in each chapter is pitch-perfect. Not only did it educate me, but it entertained me. It will stay on my bookshelf as a handy source of reference or a refresher on history, too." --SB Nation

Sundays Will Never Be the Same Darrell Waltrip 2012-02-07 From the former NASCAR champion and current Fox Sports announcer, an intimate account of one of the most dramatic and tragic days in the history of NASCAR: the 2001 Daytona 500--the day that racing legend Dale Earnhardt, Sr. died. In *Sundays Will Never Be the Same*, former NASCAR champion and current FOX Sports racing analyst

Darrell Waltrip provides an intimate account of one of the most dramatic and tragic days in the history of NASCAR: the 2001 Daytona 500—the day that racing legend Dale Earnhardt Sr. died. The sudden death of Earnhardt on the final lap of the 2001 Daytona 500 was a traumatic loss for the entire NASCAR family, and few were affected more deeply than Darrell Waltrip. During the course of their tumultuous thirty-year association, Dale and Darrell had been friends, then “frenemies,” and finally friends again. Darrell takes us through the fascinating history of racing in Daytona, offering glimpses of some of the sport’s most colorful characters. He recounts the highs and lows of his relationship with Earnhardt through the twin arcs of their overlapping careers, and concludes with a heart-wrenching insider account of that pivotal weekend in Daytona.

Big Blue M Marty Fiolka 2015-05-01

Taking the Lead Dave Alpern 2021-06-08 The president of Joe Gibbs Racing—the winningest team in NASCAR history—shares the secrets of succeeding in business and in life. In NASCAR, as in life, the difference between winning and losing often comes down to being in the right place at the right time and making the most of every opportunity. Nobody understands that better than Dave Alpern. Dave started his career as an unpaid intern selling T-shirts for the newly formed Joe Gibbs Racing team. Nearly three decades later, he’s now the president of JGR, a multimillion-dollar elite, record-setting racing team with more than 500 employees. In *Taking the Lead*, Dave shares the wisdom he’s learned along the way: key principles that will equip you with what you need to rise to the top and succeed with integrity and purpose—whatever team you’re on.

Beyond Nineteen Eighty-four William Lutz 1989 This book probes the efforts at manipulation individuals face daily in this information age and the tactics of persuaders from many sectors of society using various forms of Orwellian “doublespeak.” The book contains the following essays: (1) “Notes toward a Definition of Doublespeak” (William Lutz); (2) “Truisms Are True: Orwell’s View of Language” (Walker Gibson); (3) “Mr. Orwell, Mr. Schlesinger, and the Language” (Hugh Rank); (4) “What Do We Know?” (Charles Weingartner); (5) “The Dangers of Singlespeak” (Edward M. White); (6) “The Fallacies of Doublespeak” (Dennis Rohatyn); (7) “Doublespeak and Ethics” (George R. Bramer); (8) “Post-Orwellian Refinements of Doublethink: Will the Real Big Brother Please Stand Up?” (Donald Lazere); (9) “Worldthink” (Richard Ohmann); (10) “‘Bullets Hurt, Corpses Stink’: George Orwell and the Language of Warfare” (Harry Brent); (11) “Political Language: The Art of Saying Nothing” (Dan F. Hahn); (12) “Fiddle-Faddle, Flapdoodle, and Balderdash: Some Thoughts about Jargon” (Frank J. D’Angelo); (13) “How to Read an Ad: Learning to Read between the Lies” (D. G. Kehl); (14) “Subliminal Chainings: Metonymical Doublespeak in Advertising” (Don L. F. Nilsen); (15) “Doublespeak and the Polemics of Technology” (Scott Buechler); (16) “Make Money, Not Sense: Keep Academia Green” (Julia Penelope); (17) “Sensationspeak in America” (Roy F. Fox); and (18) “The Pop Grammarians-- Good Intentions, Silly Ideas, and Doublespeak” (Charles Suhor). Three appendixes are attached: “The George Orwell Awards,” “The Doublespeak Award,”

and "The Quarterly Review of Doublespeak." (MS)

Dale Earnhardt Sr. Matt Christopher 2009-12-19 Dale Earnhardt, Sr. first broke onto the racing scene in 1979, when he was named Rookie of the Year. In the more than 20 years that followed, his daring driving style earned him several top honors, including his proudest moment, a victory at Daytona. On February 18th, 2001, Earnhardt had been racing in the Daytona 500, when in the final lap, he had a fatal crash. While other drivers have come and gone, the face of Dale Earnhardt, Sr., with his handlebar moustache and wide grin, will always be the face of NASCAR. Get to know a legend.

TV Guide 2001

The Rhetoric of Religion Kenneth Burke 1970-04 "But the point of Burke's work, and the significance of his achievement, is not that he points out that religion and language affect each other, for this has been said before, but that he proceeds to demonstrate how this is so by reference to a specific symbolic context. After a discussion 'On Words and The Word,' he analyses verbal action in St. Augustine's Confessions. He then discusses the first three chapters of Genesis, and ends with a brilliant and profound 'Prologue in Heaven,' an imaginary dialogue between the Lord and Satan in which he proposes that we begin our study of human motives with complex theories of transcendence,' rather than with terminologies developed in the use of simplified laboratory equipment. . . . Burke now feels, after some forty years of search, that he has created a model of the symbolic act which breaks through the rigidities of the 'sacred-secular' dichotomy, and at the same time shows us how we get from secular and sacred realms of action over the bridge of language. . . . Religious systems are systems of action based on communication in society. They are great social dramas which are played out on earth before an ultimate audience, God. But where theology confronts the developed cosmological drama in the 'grand style,' that is, as a fully developed cosmological drama for its religious content, the 'logologer' can be further studied not directly as knowledge but as anecdotes that help reveal for us the quandaries of human governance." --Hugh Dalziel Duncan from Critical Responses to Kenneth Burke, 1924 - 1966, edited by William H. Rueckert (Minneapolis: University of Minnesota Press, 1969).

The Truth About Paying Fewer Taxes S. Kay Bell 2009-01-06 All you need to know about cutting your taxes...this year and every year! The truth about maximizing all your legal deductions and credits The truth about smart tax planning for today and for the long term The truth about avoiding IRS audits and costly tax penalties Simply the best thinking THE TRUTH AND NOTHING BUT THE TRUTH This book reveals 52 PROVEN bite-size, easy tax savings techniques that work. "Kay Bell's blog aims to provide tax and personal-finance tips and advice that will put more money in your bank account, not the government treasury." The Wall Street Journal

color insert, this third edition of NASCAR For Dummies offers readers information on recent changes in technology such as the "Car of Tomorrow" and updates to the information that has made previous editions of NASCAR For Dummies a must-have guide for fans of this exciting sport.

The Art of Hitting Tony Gwynn 1998 The author, eight time National League batting champion, looks at the mechanics of hitting, including grip, stance, balance, footwork, release point, swing, and follow-through

Congressional Record United States. Congress 2001 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Linda Vaughn Rob Kinnan 2016-10-14 Perhaps the most photographed personality in automotive and motorsports history, Linda Vaughn has entertained fans and has been a premier marketer of automotive goods for more than 55 years. From her first days as Miss Atlanta Raceway, coming of age while representing Hurst, through her annual appearances at America's top automotive and racing events, Linda continues to engage fans, drawing long lines whenever she makes an appearance. At her peak, Linda attended more than 100 events annually, year after year, and she still attends more than 25 events each year. The only entity that's probably seen as many events as Linda is Goodyear! For the first time ever, Linda Vaughn allows her fans a behind-the-scenes look at her career in motorsports and promotion through her personal photographic archive and other photos. Through captions, Linda tells the story of individual images recounting countless stories from her photographic memory, with no detail left unshared. She recounts events with racing personalities and automotive icons from George Hurst to Richard Petty to Mario Andretti to Don Garlits. Nobody is left out as Linda tells stories about the photos chronicling her career in Motorsports. Linda Vaughn: The First Lady of Motorsports is the most comprehensive gathering of imagery ever assembled on Linda Vaughn. Through her 50-plus years in Motorsports, Linda has lived it all, been everywhere, and met everyone. Whether you are simply a fan of Linda or a collector of Linda Vaughn memorabilia, this will be the premier piece in your collection!

I Remember Dale Earnhardt Tom Gillispie 2001 The champion NASCAR racer, who was killed on the last lap of the Daytona 500, is remembered through anecdotes and personal stories by fellow drivers, team members, NASCAR officials, and friends.

Brand Fans Aaron C.T. Smith 2017-01-20 Combining the latest branding research with a diverse range of powerful case examples, this book reveals the cutting edge techniques of value co-creation, personalisation and customer engagement employed by sport's leading brands. Based on the transferable lessons that

emanate from these practices, *Brand Fans* explores and illuminates how firms can cultivate connected fans and lifelong advocates, while building brand equity exponentially in the process. This is a book that will appeal to scholars and practitioners alike, as well as anyone fascinated by modern marketing, consumer relationships and branding.

The Songcatcher Sharyn McCrumb 2001 Folksinger Lark McCourry retraces the history of a family song, which she had heard from her North Carolina relatives as a child, back to eighteenth-century Scotland to young Malcolm MacQuarry, kidnapped and sent to the American colonies, where he eventually became a lawyer and fought in the American Revolution. 60,000 first printing.

Dale Earnhardt Michael A. Persinger 2001 Articles from the Charlotte Observer trace the life and racing career of star NASCAR driver Dale Earnhardt, from the death of his father, Ralph, in 1979, to his fatal accident during the 2001 Daytona 500.

Jeff Gordon Brian Spurlock 2001-11 NASCAR driver Jeff Gordon's career in photographs. The book features 180 photos of Jeff, his wife and other drivers and includes bibliographic material, statistics and three photomosaics.

Addresses and Public Papers of James Baxter Hunt, Jr., Governor of North Carolina: 1977-1981 James B. Hunt 1982

Tim Richmond David Poole 2013-02-22 Tim Richmond was, fellow NASCAR driver Kyle Petty said, "a stranger in time." In one regard, the flashy, flamboyant driver from Ashland, Ohio, was years ahead of the trends in a sport that would soon enjoy explosive growth in popularity. Women who were NASCAR fans loved him—and so did their husbands and boyfriends. Richmond believed he could use his stardom in racing as a springboard to a second career as an actor, and he had the Hollywood good looks to make that a realistic dream. At the same time, Richmond was also a throwback. He pushed his race cars hard, too hard at times, driving every lap like he was hauling moonshine through the mountains of the Carolinas with a revenue on his rear bumper. Those who saw him drive still compare him to veterans like Curtis Turner and Joe Weatherly, who ran as hard off the track as they did off of it. In the early 1980s, however, Richmond stood out. He was not from the South; he had not grown up slinging a stock car through the dirt on red-clay ovals. He had, in fact, never raced at all until he was twenty-one. And just ten years later, after making a splash in the Indianapolis 500 as a rookie, he was emerging as one of the brightest stars and greatest talents in NASCAR's Winston Cup Series. Richmond's star was bright, but its light went out too soon. As he neared stock car racing's zenith, Richmond's life took a tragic turn. A man who thrived on the affection he felt from those who enjoyed watching him compete spent his final months almost completely shut off from that world. *Tim Richmond: The Fast Life and Remarkable Times of NASCAR's Top Gun* tells the memorable story of a born racer and how he raced headlong through life with the throttle wide open and his wheels burning rubber at almost every turn.

Dale Earnhardt Triumph Books 2001-04 The winner of the 2002 Daytona 500 shared the Victory Circle with an intimidating presence this time around—even a year after the legendary Dale Earnhardt's death, the fans and fellow NASCAR racers who admired him are still mourning his loss, still honoring the memory of their fallen hero. Featuring full-color pictures from the entire spectrum of Earnhardt's career as well as this year's Daytona 500, *Dale Earnhardt: Forever in Our Hearts* shares the lasting impression made by this giant of the racetrack, as well as the thoughts of his community a year after his tragic demise.

Driver #8 Dale Earnhardt 2009-05-30 Earnhardt recounts his rookie season and shares memories of his father in an engaging book that is sure to appeal to the millions of NASCAR (stock-car racing) fans worldwide.

Stand on It Stroker Ace 1990-08-01

Jeff Gordon Joe Garner 2016-10-18 The first-ever authorized biography of Jeff Gordon, the four-time champion racing legend. For over a year, Garner interviewed and observed Gordon at races, special events, and at home. The book is based on extensive interviews with Gordon as well as in-depth interviews with dozens of family members, friends, competitors, and colleagues, some of whom have never gone on the record before. Jeff speaks candidly, sometimes brutally so, about his childhood, his much publicized divorce, those he competed against, his family, and life after racing. This fully illustrated hardcover biography will allow privileged access to a wealth of exclusive unseen and rare material from Gordon's personal photo and memorabilia collection. Gordon's meteoric rise through racing's ranks is a classic American success story. Readers will find inspiration in Gordon's candid take on his pivotal life episodes."

The North Carolina Historical Review 2003

Pete Rose Kostya Kennedy 2014-03-11 Best-selling author Kostya Kennedy delivers evocative answers in his fascinating reexamination of Pete Rose's life; from his cocky and charismatic early years through his storied playing career to his bitter war against baseball's hierarchy to the man we find today—still incorrigible, still adored by many. Where has his improbable saga landed him in the redefined, post-steroid world? Do we feel any differently about Pete Rose today? Should we?

Heaven William Mackay 1847

At the Altar of Speed Leigh Montville 2008-12-31 He was The Intimidator. A nightmare in the rear-view mirror. A unique winner in the boardroom. A seven-time Winston Cup champion. A driver whose personal success story and dedication inspired the adoration of millions of fans. Then on February 18, 2001, just seconds from the Daytona 500 finish line, the world of stock-car racing suffered a devastating loss as Dale Earnhardt fatally careened into a track wall. The tragic shock waves, and an unprecedented outpouring of respect and

love, have not stopped since. At the Altar of Speed takes readers behind the scenes of Earnhardt's celebrated life, tracing his rags-to-riches journey to the top of America's fastest-growing sport. Beginning with Earnhardt's early days growing up in small-town North Carolina, veteran sports writer Leigh Montville examines how a ninth-grade dropout started on the dusty dirt tracks of the South, went through two marriages and a string of no-future jobs before turning twenty-five, then took about a million left turns to glory. Through the pitfalls and triumphs, Earnhardt would ultimately become a celebrated champion, whose lifetime earnings would top forty-one million dollars. The son of a legendary racer, the father of a NASCAR star, he lived a total auto-racing life filled with triumph and sadness, great joy and great pain. Transporting readers to the colorful, noisy world of stock-car racing, where powerful engines allow drivers to reach speeds of 200 m.p.h., At the Altar of Speed vividly captures the man who drove the black No. 3 car, a man whose determination and inner strength left behind a legacy of greatness that has redefined his sport. Illustrated with a section of full-color photographs, At the Altar of Speed is a tribute to both the man and his unbeatable spirit.

Racing to the Finish Dale Earnhardt Jr. 2018-10-16 Dale Earnhardt Jr.'s only authorized book revealing the inside track on his final year of racing and retirement from the driver's seat. "Time was running out on my charade... My secrets were about to be exposed to the world." It was a seemingly minor crash at Michigan International Speedway in June 2016 that ended the day early for Dale Earnhardt Jr. What he didn't know was that it would also end his driving for the year. He'd dealt with concussions before, but concussions are like snowflakes, no two are the same. And recovery can be brutal, and lengthy. When NASCAR star Dale Earnhardt Jr. retired from professional stock car racing in 2017, he walked away from his career as a healthy man. But for years, he had worried that the worsening effects of multiple racing-related concussions would end not only his time on the track but his ability to live a full and happy life. Torn between a race-at-all-costs culture and the fear that something was terribly wrong, Earnhardt tried to pretend that everything was fine, but the private notes about his escalating symptoms that he kept on his phone reveal a vicious cycle: suffering injuries on Sunday, struggling through the week, then recovering in time to race again the following weekend. For the first time, he shares these notes and fully reveals the physical and emotional struggles he faced as he fought to close out his career on his own terms. In this candid reflection, Earnhardt opens up about his frustration with the slow recovery, his admiration for the woman who stood by him through it all, and his determination to share his own experience so that others don't have to suffer in silence. Steering his way to the final checkered flag of his storied career proved to be the most challenging race and most rewarding finish of his life.
