Democracy Moving Ariel Nereson 2022-01-17 On the 200th anniversary of Abraham Lincoln's birth, renowned choreographer and director Bill T. Jones developed three tributes: Serenade/The Proposition, 100 Migrations, and Fondly Do We Hope . . . Fervently Do We Pray. These widely acclaimed dance works incorporated video and audio text from Lincoln's writings as they examined key moments in his life and his enduring legacy. Democracy Moving explores how these works provided both an occasion and a method by which democracy and history might be reconceived through movement, positioning dance as a form of both history and historiography. The project addresses how different communities choose to commemorate historical figures, events, and places through art—whether performance, oratory, song, statuary, or portraiture—and in particular, Black US American counter-memorial practices that address histories of slavery. Advancing the theory of oscillation as Black aesthetic praxis, author Ariel Nereson celebrates Bill T. Jones as a public intellectual whose practice has contributed to the project of understanding America's relationship to its troubled past. The book features materials from Bill T. Jones/Arnie Zane Company's largely unexplored archive, interviews with artists, and photos that document this critical stage of Jones's career as it explores how aesthetics, as ideas in action, can imagine more just and equitable social formations.

Captivating Study Guide, Updated Edition Stasi Eldredge 2021-03-02 Do you feel like you have to settle for a life of duty? Many women feel pressure to strive to be the women they "ought" to be, often living with the sense that they've failed. Sadly, too many messages for Christian women do nothing but add to the pressure: "Do these ten things, and you will be a godly woman." The effect has not been good on the feminine soul. But her heart is still there. Every woman was once a little girl. And every little girl holds in her heart her most precious dreams. She longs to be swept up into a romance, to play an irreplaceable role in a great adventure, to be the beauty of the story. Those desires are far more than child's play. They are the secret to the feminine heart. Staci Eldredge wrote *Captivating* to share that your heart matters more than anything else in all creation. Throughout this study guide, you will: Learn how to guard the most important thing about you...your heart. Find courage to walk away from the ways we live out of fear. Let God tenderly open our wounds to set us free. Fight the right enemy, which is not men. And it's not women. Possess a beauty that is worth pursuing. Our wounds reveal what we are meant to bring to the world. The desires you had as a little girl and the longings you still feel are telling you of the life God created you to live. Really. He offers to come now, as the Hero of your story--to rescue your heart and release you to live as a fully alive and feminine woman. A woman who is truly captivating. Sessions include: The Heart of a Woman Fallen Eve The Wound and the Healer A Special Hatred Beauty to Unveil Your Irreplaceable Role Designed for use with the *Captivating Updated Video Study* available on DVD or streaming video, sold separately.

The Time Traveler's Guide to Elizabethan England Ian Mortimer 2013-06-27 The author of *The Time Traveler's Guide to Medieval England* takes you through the world of Shakespeare and Queen Elizabeth I. From the author of *The Time Traveler's Guide to Medieval England*, this popular history explores daily life in

Queen Elizabeth's England, taking us inside the homes and minds of ordinary citizens as well as luminaries of the period, including Shakespeare, Christopher Marlowe, Sir Walter Raleigh, and Sir Francis Drake. Organized as a travel guide for the time-hopping tourist, Mortimer relates in delightful (and occasionally disturbing) detail everything from the sounds and smells of sixteenth-century England to the complex and contradictory Elizabethan attitudes toward violence, class, sex, and religion. Original enough to interest those with previous knowledge of Elizabethan England and accessible enough to entertain those without, *The Time Traveler's Guide* is a book for Elizabethan enthusiasts and history buffs alike.

You Are Free Study Guide Rebekah Lyons 2017-02-21 In this six session video Bible study (DVD/digital video sold separately), Rebekah Lyons explores why we all want to know, beyond a shadow of a doubt, what we were made for. Yet many of us believe that "calling" feels like something held for the exclusive few. Rebekah's heart is to dismantle that idea, to remind each and every one of us that God has plans for something specific if we have ears to hear the still small voice of a Father that beckons. What if we pressed into finding our truest selves hidden below the surface? Rebekah has traveled the country sharing with vulnerability her own pain and struggles to hear God and follow Him. "I have prayed with hands laid for healing and deliverance on women considering suicide, experiencing trauma, fighting cancer, holding off divorce, overcoming addiction and more. These are women, battle weary and wounded saying, "I'm done with the life I've created. I hunger for all that God promises. I want to expect more from a passionate and relentless God. I cannot continue to operate from a place of wounding. Please set me free." But there is risk in this journey. We cannot get ahead of ourselves and just end up with a prettier version of striving. Rebekah reminds viewers that without healing from God along the way we can be pulled back into a place of wounding and bondage. But abiding in God's presence will bring us answers and inform and sustain our calling. Rebekah's voice is a vulnerable, prophetic call for women to become who they've already been designed to be. She is answering the questions women are asking. Listen to hear how we truly run free. Designed for use with the *You Are Free* DVD (sold separately).

Getting Started in Ballet : A Parent's Guide to Dance Education Anna Paskevskaja Chair of the Dance Department Chicago Academy for the Arts 1997-10-20 Many children dream of being a ballerina. Chin raised with purpose, arms high above head, they twirl clumsily around the living room and leap tirelessly in the air. Sooner or later they're bound to say, "I want to dance." Now what do you do? How do you know if the time is right? Where's the best place to start? In *Getting Started in Ballet*, Anna Paskevskaja draws from her training at the Paris Opera Ballet School and the Royal Ballet School in London and her career as a professional dancer and teacher to offer a step-by-step introduction to dance education for parents with children starting ballet. Paskevskaja begins with a historical overview of dance and discusses the fundamental virtues and many life-long skills it imparts. Dance teaches children how to cooperate and support each other's efforts; encourages them to work in harmony with others; helps establish a child's spatial relationships; and promotes discipline and responsibility. Paskevskaja outlines the proper sequence for training in ballet based on a child's physical and mental development. She clearly demonstrates how ballet's early training, focusing on repetition of simple motion such as exercises at the barre and basic jumps, establish pathways for all later movements not only in ballet, but in modern dance, jazz, and tap as well. Written in a clear and accessible style and full of anecdotes from Paskevskaja's long professional dance-related career, *Getting Started in Ballet* offers helpful information on types of dance schools and how to select the right school for your child. Included is valuable information on choosing a dance instructor, the role both parents and teachers should play in a child's learning experience, and the qualities the ideal teacher should possess. Also discussed are more practical matters such as the appropriate clothing to wear while practicing, the importance of shoes that fit properly, how to secure pointe shoes, tips for avoiding injury, and how to balance training and performing experience during the formative years. A special chapter covers proper diet, eating disorders, and ways to recognize symptoms of imbalance. Finally, Paskevskaja touches upon the professional world of dance, attending college as a dance major, and advice on choosing careers that benefit from a background in dance. With forewords by Violette Verdy, a preeminent ballerina affiliated with the New York City Ballet and the Paris Opera Ballet, and Sybil Shearer, a pioneer of American

modern dance, as well as an extensive appendix of performing arts schools and dance programs throughout the United States, *Getting Started in Ballet* gives parents the advice they need to make their child's dance experiences both enjoyable and constructive.
