*The Mushroom at the End of the World* Anna Lowenhaupt Tsing 2017-09-19 Matsutake is the most valuable mushroom in the world—and a weed that grows in human-disturbed forests across the northern hemisphere. Through its ability to nurture trees, matsutake helps forests to grow in daunting places. It is also an edible delicacy in Japan, where it sometimes commands astronomical prices.

In all its contradictions, matsutake offers insights into areas far beyond just mushrooms and addresses a crucial question: what manages to live in the ruins we have made? A tale of diversity within our damaged landscapes, *The Mushroom at the End of the World* follows one of the strangest commodity chains of our times to explore the unexpected corners of capitalism. Here, we witness the varied and peculiar worlds of matsutake commerce: the worlds of Japanese gourmets, capitalist traders, Hmong jungle fighters, industrial forests, Yi Chinese goat herders, Finnish nature guides, and more. These companions also lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human destruction. By investigating one of the world's most sought-after fungi, *The Mushroom at the End of the World* presents an original examination into the relation between capitalist destruction and collaborative survival within multispecies landscapes, the prerequisite for continuing life on earth.

*Death in the City of Light* David King 2011 Documents the World War II effort to catch a physician serial killer in Paris, describing the covert information network that the chief French detective built with such groups as mobsters, nightclub owners, and Resistance fighters.

Thirteen-year-old Jessie Bollier earns a few pennies playing his fife on the docks of New Orleans. One night, on his way home, a canvas is thrown over his head and he's knocked unconscious. When he wakes up, Jessie finds himself aboard a slave ship, bound for Africa. There, the *Moonlight* picks up ninety-eight black prisoners, and the men, women, and children, chained hand and foot, are methodically crammed into the ship's hold. Jessie's job is to provide music for the slaves to dance to on the ship's deck—not for amusement but for exercise, as a way to keep their muscles strong and their bodies profitable. Over the course of the long voyage, Jessie grows more and more sickened by the greed of the sailors and the cruelty with which the slaves are treated. But it's one final horror, when the *Moonlight* nears her destination, that will change Jessie forever. Set during the middle of the nineteenth century, when the illegal slave trade was at its height, *The Slave Dancer* not only tells a vivid and shocking story of adventure and survival, but depicts the brutality of slavery with unflinching historical accuracy.

*Methodology of the Oppressed* Chela Sandoval 2013-11-30 In a work with far-reaching implications, Chela Sandoval does no less than revise the genealogy of theory over the past thirty years, inserting what she terms "U.S. Third World feminism" into the narrative in a way that thoroughly alters our perspective on contemporary culture and subjectivity. What Sandoval has identified is a language, a rhetoric of resistance to postmodern cultural conditions. U.S. liberation movements of the post-World War II era generated specific modes of oppositional consciousness. Out of these emerged a new activity of consciousness and language Sandoval calls the "methodology of the oppressed." This methodology—born of the strains of the cultural and identity struggles that currently mark global exchange—holds out the possibility of a new historical moment, a new citizen-subject, and a new form of alliance consciousness and politics. Utilizing semiotics and U.S. Third World feminist criticism, Sandoval demonstrates how this methodology mobilizes love as a category of critical analysis. Rendering this approach in all its specifics, *Methodology of the Oppressed* gives rise to an alternative mode of criticism opening new perspectives on any theoretical, literary, aesthetic, social movement, or psychic expression.

**Killing Love** Rebecca Poulson 2015-09-01 This powerful, unforgettable and uplifting story is one part wrenching family memoir, and one part inspirational journey towards healing and forgiveness – but most of all, it's an unputdownable journey through one family's tragedy and how they refused to let it define them. On the day of Rebecca Poulson's 33rd birthday, her father, niece and nephew were murdered. The murderer had been part of her family; her brother-in-law, Neung, the father of the children. *Killing Love* is Rebecca's journey through homicide; grief, the police investigations, the media interest, the court cases, the moments of great despair – and the healing. It is a story of individual tragedy and a family's strength, but it is also a story of a community's attitude to family violence. As a reluctant warrior for those who cannot speak for themselves, Rebecca talked to the NSW State Premier and politicians, on multiple TV shows and to print journalists in the hope that the mistakes made by the police force, DOCS, the legal system and solicitors will never be made again. Rebecca's contact with policy makers has been nothing short of history-making, and her story has directly influenced domestic violence laws in the state. Neung left a note for Rebecca's family; he hoped that he would destroy them. This is the story of how he didn't.

Heath "An original work likely to have significant impact on all those with an interest in the vibrant intersection of feminism, film theory, and psychoanalysis... " -- Naomi Schor "... powerfully argued study... impressive... " -- Choice "... important because of its innovative work on Hollywood's ideologically-charged construction of subjectivity.... what is exciting about *The Acoustic Mirror* is that it inspires one to reevaluate a number of now classical theoretical texts, and to see films with an eye to how authorship is constructed and subjectivity is generated." -- *Literature and Psychology* "As evocative as it is shrewdly systematic, the pioneering theory of female subjectivity formulated in the final three chapters will have wide impact as a major contribution to feminist theory." -- *SubStance* *The Acoustic Mirror* attempts to do for the sound-track what feminist film theory of the past decade has done for the image-track -- to locate the points at which it is productive of sexual difference. The specific focus is the female voice understood not merely as spoken dialogue, narration, and commentary, but as a fantasmatic projection, and as a metaphor for authorship.

**Africans** John Iliffe 2007-08-13 In a vast and all-embracing study of Africa, from the origins of mankind to the AIDS epidemic, John Iliffe refocuses its history on the peopling of an environmentally hostile continent. **How To Watch Television** Ethan Thompson 2013-09-16 Examines social and cultural phenomena through the lens of different television shows We all have opinions about the television shows we watch, but television criticism is about much more than simply evaluating the merits of a particular show and deeming it 'good' or 'bad.' Rather, criticism uses the close examination of a television program to explore that program's cultural significance, creative strategies, and its place in a broader social context. *How to Watch Television* brings together forty original essays from today's leading scholars on television culture, writing about the programs they care (and think) the most about. Each essay focuses on a particular television show, demonstrating one way to read the program and, through it, our media culture. The essays model how to practice media criticism in accessible language, providing critical insights through analysis—suggesting a way of looking at TV that students and interested viewers might emulate. The contributors discuss a wide range of television programs past and present, covering many formats and genres, spanning fiction

and non-fiction, broadcast and cable, providing a broad representation of the programs that are likely to be covered in a media studies course. While the book primarily focuses on American television, important programs with international origins and transnational circulation are also covered. Addressing television series from the medium's earliest days to contemporary online transformations of television, *How to Watch Television* is designed to engender classroom discussion among television critics of all backgrounds.

*Contemporary Hollywood Masculinities* Susanne Kord 2011-12-15 A CHOICE Outstanding Academic Title for 2012! *Contemporary Hollywood Masculinities* traces changing concepts of masculinity in popular Hollywood blockbusters from 1992 to 2008 - the Clinton and Bush eras - against a backdrop of contemporary political events, social developments, and popular American myths. Kord and Krimmer investigate the most common male types - cops, killers, fathers, cowboys, superheroes, spies, soldiers, rogues, lovers, and losers. Their in-depth analyses of over sixty films, from *The Matrix* and *Iron Man* to *Pirates of the Caribbean* and *The Lord of the Rings*, from *Wedding Crashers* and *Mr. & Ms. Smith* to *War of the Worlds* and *The 40-Year Old Virgin*, show that movies, far from being mere entertainment, respond directly to today's social and political realities, from consumerism to "family values" to the War on Terror.

**The Third Daughter** Talia Carner 2019-09-03 "In *The Third Daughter*, Talia Carner ably illuminates a little-known piece of history: the sex trafficking of young women from Russia to South America in the late 19th century. Thoroughly researched and vividly rendered, this is an important and unforgettable story of exploitation and empowerment that will leave you both shaken and inspired." –Pam Jenoff, *New York Times* bestselling author of *The Lost Girls of Paris* The turn of the 20th century finds fourteen-year-old Batya in the Russian countryside, fleeing with her family endless pogroms. Desperate, her father leaps at the opportunity to marry Batya to a worldly, wealthy stranger who can guarantee his daughter an easy life and passage to America. Feeling like a princess in a fairytale, Batya leaves her old life behind as she is whisked away to a new world. But soon she discovers that she's entered a waking nightmare. Her new "husband" does indeed bring her to America: Buenos Aires, a vibrant, growing city in which prostitution is not only legal but deeply embedded in the culture. And now Batya is one of thousands of women tricked and sold into a brothel. As the years pass, Batya forms deep bonds with her "sisters" in the house as well as some men who are both kind and cruel. Through it all, she holds onto one dream: to bring her family to America, where they will be safe from the anti-Semitism that plagues Russia. Just as Batya is becoming a known tango dancer, she gets an unexpected but dangerous opportunity—to help bring down the criminal network that has enslaved so many young women and has been instrumental in developing Buenos Aires into a major metropolis. A powerful story of finding courage in the face of danger, and hope in the face of despair, *The Third Daughter* brings to life a dark period of Jewish history and gives a voice to victims whose truth deserves to finally be told.

*Food in Medieval Times* Melitta Weiss Adamson 2004 New light is shed on everyday life in the Middle Ages in Great Britain and continental Europe through this unique survey of its food culture. Students and other readers will learn about the common foodstuffs available, how and what they cooked, ate, and drank, what the regional cuisines were like, how the different classes entertained and celebrated, and what restrictions they followed for health and faith reasons. Fascinating information is provided, such as on imitation food, kitchen humor, and medical ideas. Many period recipes and quotations flesh out the narrative. The book draws on a variety of period sources, including as literature, account books, cookbooks, religious texts, archaeology, and art. Food was a status symbol then, and sumptuary laws defined what a person of a certain class could eat--the ingredients and preparation of a dish and how it was eaten depended on a person's status, and most information is available on the upper crust rather than the masses. Equalizing factors might have been religious strictures and such diseases as the bubonic plague, all of which are detailed here.

Minor Histories Mike Kelley 2004-02-06 The second volume of writings by Los Angeles artist Mike Kelley, focusing on his own work. What John C. Welchman calls the "blazing network of focused confluences" from which Mike Kelley's styles are generated is on display in all its diversity in this second volume of the artist's writings. The first volume, *Foul Perfection*, contained thematic essays and writings about other artists; this collection concentrates on Kelley's own work, ranging from texts in "voices" that grew out of scripts for performance pieces to expository critical and autobiographical writings. *Minor Histories* organizes Kelley's writings into five sections. "Statements" consists of twenty pieces produced between 1984 and 2002 (most of which were written to accompany exhibitions), including "Ajax," which draws on Homer, Colgate-Palmolive, and Longinus to present its eponymous hero; "Some Aesthetic High Points," an exercise in autobiography that counters the standard artist bio included in catalogs and press releases; and a sequence of "creative writings" that use mass cultural tropes in concert with high art mannerisms—approximating in prose the visual styles that characterize Kelley's artwork. "Video Statements and Proposals" are introductions to videos made by Kelley and other artists, including Paul McCarthy and Bob Flanagan and Sheree Rose. "Image-Texts" offers writings that accompany or are part of artworks and installations. This section includes "A Stoppgap Measure," Kelley's zestful millennial essay in social satire, and "Meet John Doe," a collage of appropriated texts. "Architecture" features an discussion of Kelley's Educational Complex (1995) and an interview in which he reflects on the role of architecture in his work. Finally, "Ufology" considers the aesthetics and sexuality of space as manifested by UFO sightings and abduction scenarios.

"Kelly Rimmer has outdone herself. In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. *The Things We Cannot Say* is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don't miss Kelly Rimmer's latest gripping novel, *The German Wife*. For more by Kelly Rimmer, look for *Before I Let You Go* Truths I Never Told You *The Warsaw Orphan*

A relative of Longabaugh through marriage, Donna B. Ernst has spent more than a quarter century researching his life. She now brings to print the most thorough account ever of one of the West's most infamous outlaws, tracing his life from his childhood in Pennsylvania to his involvement with the Wild Bunch and, in 1908, to his reputed death by gunshot in Bolivia. Combining genealogical research, access to family records, and explorations in historical archives, Ernst details the Sundance Kid's movements to paint a complete picture of the man. She recounts his homesteading days in Colorado, offers new information on his years as a cowboy in Wyoming and Canada, and cites newly uncovered records that substantiate both his outlaw activities and his attempts at self-reform. While taking readers on the wild chase that became Longabaugh's life, outracing posses and Pinkertons, Ernst corrects inaccuracies in the historical record. She demonstrates that he could not have participated in the Belle Fourche bank heist or the Tipton train robbery and refutes speculations that Butch and Sundance managed to escape their fate in Bolivia. *The Sundance Kid* is enlivened by more than three dozen photographs, including family photos never before

*A Dance in Donegal* Jennifer Deibel 2021-02-02 "Deibel's descriptions of Ireland's landscape, enticing cuisine, sonorous language, and vibrant culture converge to form a spectacular background for the story."--BookPage starred review All of her life, Irish-American Moira Doherty has relished her mother's descriptions of Ireland. When her mother dies unexpectedly in the summer of 1920, Moira decides to fulfill her mother's wish that she become the teacher in Ballymann, her home village in Donegal, Ireland. After an arduous voyage, Moira arrives to a new home and a new job in an ancient country. Though a few locals offer a warm welcome, others are distanced by superstition and suspicion. Rumors about Moira's mother are unspoken in her presence but threaten to derail everything she's journeyed to Ballymann to do. Moira must rely on the kindness of a handful of friends--and the strength of Sean, an unsettlingly handsome thatcher who keeps popping up unannounced--as she seeks to navigate a life she'd never dreamed of . . . but perhaps was meant to live. Jennifer Deibel's debut novel delights the senses, bringing to life the sights, sounds, smells, and language of a lush country and a colorful people. Historical romance fans will embrace her with open arms. "God's redemptive love is the highlight of this debut work . . . Fans of historical Christian romances in the vein of Kristi Ann Hunter and Jen Turano will want to keep an eye on Deibel."--Library Journal "Deibel's exemplarily executed debut is a touching tale of love and forgiveness that also beautifully captures the warmth and magic of 1920s Ireland. The author's flair for vivid characterization is especially striking in Moira, whose realistic struggles with her faith give her memorable depth and relatability."--Booklist
