The "gynarchic triangle" is in fact a new form of relationship between women and men based on the sapphic aspiration shared by all Women and the

intrinsic masochistic desire of the male to submit to the Woman. According to the author these two trends are perfectly compatible. This book considers the question from several points of view: that of the lesbian who wishes to conquer a married woman, that of the latter, that of the established lesbian couple and, of course, that of the male who desires a place in this new sapphic organization of the world.
