15 Success Habits of Bishop David Oyedepo Daniel C. Okpara 2016-07-30 In 2005,

I resigned as a full-time pastor of a church and relocated to Lagos, Nigeria, with one mission in mind: To observe and study the life of Bishop David Oyedepo, resident Bishop of Faith Tabernacle, Ogun State, Nigeria, the Largest Single Church in the world, according to Guinness Book of Records. What I share with you in this book is a summary of what I have learned from the life and ministry of Bishop Dr. David O. Oyedepo in this last 10 years. It's been a long journey, but suffice it say that I have enjoyed every bit of it. Like all men of great influence, Bishop Oyedepo, has been analysed in the public domain and given different names by different people. However, I believe that no man actually rises to the top by making mistakes. People only rise to the top by doing the right things over a long period of time. In this book, I share with you the success habits and secrets of one of the greatest leaders of Charismatic revival on earth today...Bishop David Olaniyan Oyedepo May we all fulfill the purpose for which we are born.

Powerful Devices Abimbola Adunni Adelokun 2022-10-14 *Powerful Devices* studies spiritual warfare performances as an apparatus for disestablishing structures of power and knowledge, and establishing righteousness in their stead. Drawing on performance studies' emphasis on radicality and breaking of social norms as devices of social transformation, the book demonstrates how Christian groups with dominant cultural power but who perceive themselves as embattled wield the ideas of performance activism. Combining religious studies with ethnography, *Powerful Devices* explores Nigerian Pentecostals and US Evangelicals' praxis of transnational spiritual warfare. By closely studying spiritual warfare prayers as a "device," *Powerful Devices* shows how the rituals of prayer enable an apprehension of time, paradigms of self-enhancement, and the subversion of politics and authority. A critical intervention, *Powerful Devices* explores charismatic Christianity's relationship to science and secular authority, technology and temporality, neoliberalism, and reactionary ideology.

The Power of Jesus' Names Tony Evans 2019-05-07 "Who do you say I am?" Matthew 16:15 In his insightful follow-up to the bestselling book, *The Power of God's Names*, Dr. Tony Evans introduces you to Jesus in ways you may have never seen Him before. Jesus is anticipated from the very beginning of the Bible and is mentioned many times up until He finally arrives on the scene in Bethlehem—yet never in the Old Testament is He called Jesus. Rather, He has many names that reflect all the different aspects of His character. And there are even more names in the New Testament to explore as well! Both in-depth Scripture research and Dr. Evans' signature storytelling style make *The Power of Jesus' Names* a fascinating journey—you will get to know Him as Immanuel King Lamb of God Great High Priest Son of God and more. As you study the life and character of Jesus, you will enter into a deeper understanding of who He is and what He came to do for—and in—your life today.

The Ministry of the Holy Spirit Apostle Joshua Selman 2020-12 1Co 2:12 Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God. So the bible starts there, by telling us there is a mystery shrouded by the wisdom of God and it is called the hidden wisdom of God and that this hidden wisdom has been kept for the of the saints, please understand and that the bible says this wisdom is not the same as the wisdom of the world nor of the princes of this world that comes to naught. He is trying to show the un-surpassing excellency of this hidden wisdom that relative to the wisdom of the world and relative even to the wisdom of the princes of the world, it comes to naught, it can't be compared, but he says that this wisdom is hidden and that there is only one entity mandated with the responsibility of searching out this wisdom and bringing it to the saints but the bible says whoever by any means can access that wisdom, the destiny of that person regardless is the glory that it was hidden for, the glory of the saints, that means that I can look at your life and know that you have accessed that wisdom by the dimension of glory that vetoes your background, the dimension of glory that vetoes the limitation of glory around your life. There is a mystery that can lift men out of the grip of the terror and the vicissitude of this life, the bible says it is the hidden wisdom of God, a body of information privy to the seen that the holy spirit can grant you access to, that if by any means my brothers and sisters, regardless of your background, that you hold on to this wisdom, then your world will see you as a wonder and a marvel, they look at you and they see attributes that are not allowed for humans to have, your hidden wisdom revealed by the spirit. The Mystery Of The Blood Apostle Joshua Selman 2020-08-09 The Significance of Blood This is the common ground for every religion I know including the occultic. They respect blood and they have something to do with blood. Right from the garden of Eden, we begin to see how that when man fell, God Himself stripped a bloody lamb and used it to cover Adam and Eve. Right from the garden of Eden, there was the shedding of blood. Then all through the old covenant, we see the shedding of the blood of bulls. But the question I have is that what is it about blood that makes it effective? Why not the flesh? Why not water? Is it the colour of the blood? Is it anything that is just red in the human body? Many people know that the blood saves, but we do not know what is it in the blood that is so powerful that even Satan and death- the last enemy to be destroyed, can respect it. Read This Book and Understand the great mystery of the blood

Vengeance of the Lord Bill Winston 2018-12-30 A biblical teaching about one of the roles of the Holy Spirit in the last days is to execute vengeance and recompense against the enemies and spiritual forces resisting God's people based on a love for justice.

The Force of Freedom David O. Oyedepo 1996

The Kingdom of God in You Bill Winston 2010-05-04 Nationally known pastor, Bill Winston brings this powerful message of God's provision, healing, and more that is already resident in the believer and available to those who will seek God's direction. If the Kingdom of God is in us, why aren't we living lives of greatness in our world? Bill Winston recognizes that there are two kingdoms at work in this world, and tragically, even within the church, the majority of people are still living under the destructive lies and patterns of Satan's rule. They don't have the power and provisions of God - wisdom, understanding, peace, joy, health, abundant material provision, life-changing ministry, and so much more - because they simply have not recognized the kingdom in them. The promises of God rarely come from some outside sovereign work of God, but from the kingdom already inside. The pastor of one of America's fastest growing churches, Winston helps believers to start walking their faith out in miraculous ways. Why? We have a power within us that is supernatural and flies in the face of the world's arrogant - but ultimately inadequate - self-reliance on human understanding and effort. With the faith of a child, even as small as a mustard seed, we unleash God's provision and power in our lives not by focusing on what we want, but by asking what the King of the Kingdom, God Almighty, wants us to accomplish. We quickly discover that our "grand dreams" and aspirations are miniscule in light of the greatness He has in store for us to do. This book is not for Christians who are complacent and desire the status quo. This is a soul-changing book that will turn the timid into the bold, and result in miracles that will build God's Kingdom right here and right now.

Victory over Satanic Dreams Dr. D. K. Olukoya 2014-07-11 There is a dream world and there is a physical world. Distinct yet interrelated. What are the sources of dreams? Do dreams affect our lives? more. The Yoruba of southwestern Nigeria are exceptional for the copresence among them of three religious traditions: Islam, Christianity, and the indigenous orisa religion. In this comparative study, at once historical and anthropological, Peel explores the intertwined character of the three religions and the dense imbrication of religion in all aspects of Yoruba history up to the present. For over 400 years, the Yoruba have straddled two geocultural spheres: one reaching north over the Sahara to the world of Islam, the other linking them to the Euro-American world via the Atlantic. These two external spheres were the source of contrasting cultural influences, notably those emanating from the world religions. However, the Yoruba not only imported Islam and Christianity but also exported their own orisa religion to the New World. Before the voluntary modern diaspora that has brought many Yoruba to Europe and the Americas, tens of thousands were sold as slaves in the New World, bringing with them the worship of the orisa. Peel offers deep insight into important contemporary themes such as religious conversion, new religious movements, relations between world religions, the conditions of religious violence, the transnational flows of contemporary religion, and the interplay between tradition and the demands of an ever-changing present. In the process, he makes a major theoretical contribution to the anthropology of world religions.

The Language of Faith in Southern Africa: Spirit World, Power, Community, Holism Hermen Kroesbergen 2019-12-12 The aim of this book is to provide a way to do justice to an African language of faith. In systematic theology, anthropology and philosophy of religion, similar debates about how to interpret an African language of faith are ongoing. Trying to avoid the "othering" discourses of past generations, scholars are careful to take seriously what people in Africa say without portraying people's beliefs as weird or backward. Yet, in their desperate attempts to avoid othering, these theologians, anthropologists and philosophers often painfully misconstrue the language of faith in Africa. Understanding the language of faith in Southern Africa is not an easy task. How should we take seriously the form of language that often seems so strange and different? I argue that, after African inculturation theology and black liberation theology, a better way to make sense of being a Christian in Southern Africa is to pay close attention to people's language of faith. The way in which people speak of the spirit world or powers in Africa appears strange to outsiders, and the sense of community and the holistic worldview differentiates the African way of life from its Euro-American counterparts. When proper attention is paid to the use of concepts like spirit world, power, community and holism, language of faith in Southern Africa is neither as strange as it may seem, nor as romantic. By investigating these distinguishing concepts that colour language of faith in Southern Africa, this book contributes to future projects of both fellow theologians who try to construct a contemporary African theology and those who are interested in theology in Africa given the well-known southward shift of the centre of gravity of Christianity.

Why Prophecies Fail Apostle Joshua Selman 2021-03-09 Introduction Believers continue to struggle with the tragedy of unfulfilled prophecies. Here and there, men and women of God all over the world continue to speak the counsel of God to individuals. Then we notice that people receive these prophecies sincerely but most of them never come to pass. Today is an attempt to show us what may be wrong and also to reveal to us the place of the prophetic and the place of the word of God. This is because there are people, for instance, who have seen things in visions and dreams or have received prophetic word from genuine and anointed men of God. Some of these prophecies may not have been consistent with the dealings of God. Some of them may have been negative prophecies and they have remained helpless believing that just because a man anointed and accredited by God made a pronouncement to them means that nothing could be done about it. So they sit down and allow this prophecies happen 1 Tim 1:18 This charge I commit unto thee, son Timothy, according to the prophecies which went before on thee, that thou by them mightiest war a good warfare. Paul was talking to his son in the gospel, Timothy. And he is encouraging him that prophetic word have been released to go ahead of him. Then he tells him that by those prophecies that have gone ahead of him, he should war a good warfare. So it is possible that prophetic word can be sent ahead of a person, whether in ministry, family life, business, etc. There are people here and there who, probably because of their religious affiliations or the kind of the structure of mentorship they have received, they have been trained to ignore and despise the prophetic. Some persons have been very vocal about the fact the prophetic is no longer useful in today's church. All versions of sarcasm have been communicated as regards the prophetic. Whereas, the Bible u settled it once and for all in 1 Thess 5:20. It says "despise not prophesyings." This is a warning. It is telling you that you must not despise prophesy in your journey through life. This means that the Bible recognize that there is a place for the prophetic. If you find yourself in an environment where people or even the leaders there continually despise prophecy, you don't have to fight anybody or create a scene there. Just let it be a settled conviction within you that in the journey of a believer, there is a place for the prophetic. When it comes to prophecy, the Bible tells us that even the scripture is a prophecy.
