Deadhouse Gates Steven Erikson 2006-02-07 The second novel in the awe-inspiring Malazan Book of the Fallen series. "Gripping, fast-moving, delightfully dark, with a masterful and unapologetic brutality reminiscent of George R. R. Martin." -- Elizabeth Haydon In the vast dominion of Seven Cities, in the Holy Desert Raraku, the seer Sha'ik and her followers prepare for the long- prophesied uprising known as the Whirlwind. Unprecedented in size and savagery, this maelstrom of fanaticism and bloodlust will embroil the Malazan Empire in one of the bloodiest conflicts it has ever known, shaping destinies and giving birth to legends . . . Set in a brilliantly realized world ravaged by dark, uncontrollable magic, *Deadhouse Gates* is a novel of war, intrigue and betrayal confirms Steven Eirkson as a storyteller of breathtaking skill, imagination and originality--a new master of epic fantasy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Between Us and the Moon Rebecca Maizel 2015-06-30 A luminous YA love story that evokes Judy Blume's *Forever* for a new generation. Sarah--Bean to her friends and family--is an aspiring astronomer and champion mathlete. She lives behind her beloved telescope, with her head in the stars and her feet planted firmly on the ground. For as long as she can remember, she's also lived in the shadow of her beautiful older sister, Scarlett. But after a traumatic end to the school year, Sarah goes to Cape Cod for the summer with her family, determined to grow up. It's there that she meets gorgeous, older college boy Andrew. He sees her as the girl she wants to be. A girl like Scarlett. He thinks she's older, too--and she doesn't correct him. For Sarah, it's a summer of firsts. Before she knows what's happened, one little lie has transformed into something real. And by the end of August, she might have to choose between falling in love, and finding herself. Fans of Jenny Han and Stephanie Perkins are destined to fall for this romantic and heartfelt coming-of-age novel about how life and love are impossible to predict.

Dead Moon Luis Royo 2009 An epic story that renews the story of Romeo & Juliet, set in a fantastic city controlled by two castles. In one of them, rules a suggestive and refined world of women, in the other one, a world of men whose passion is war.

172 Hours on the Moon Johan Harstad 2012-04-17 It's been decades since anyone set foot on the moon. Now three ordinary teenagers, the winners of NASA's unprecedented, worldwide lottery, are about to become the first young people in space--and change their lives forever. Mia, from Norway, hopes this will be her punk band's ticket to fame and fortune. Midori believes it's her way out of her restrained life in Japan. Antoine, from France, just wants to get as far away from his ex-girlfriend as possible. It's the opportunity of a lifetime, but little do the teenagers know that something sinister is waiting for them on the desolate surface of the moon. And in the black vacuum of space... no one is coming to save them. In this chilling adventure set in the most brutal landscape known to man, highly acclaimed Norwegian novelist Johan Harstad creates a vivid and frightening world of possibilities we can only hope never come true.

Dome Luis Royo 2014-02-18 - Luis Royo was commissioned by Muscovite to paint the ceiling of his luxurious new castle. The results: a ton of life-size women! The owner has graciously allowed this masterpiece to be shown to the outside world in this collection.

Pack Up the Moon Kristan Higgins 2021-06-08 They used to joke about it. Like many brilliant scientists, Josh sometimes had trouble remembering things that needed doing in the "real" world--like buying groceries, eating regular meals, and talking to people. But he was happy to have his beloved wife, Lauren, remind him with her "honey do" lists. He just never realized how much he would need one when she was gone. Being a widower is not something Joshua Park ever expected. Given his solitary job, small circle of friends and family, and the social awkwardness he's always suffered from, Josh has no idea how to negotiate this new, unwanted phase of life. But Lauren had a plan to keep him moving forward. A plan hidden in the letters she leaves him, giving him a task for every month in the year after her death. A plan that leads Joshua with a loving hand on a journey through grief, anger, and denial. It's a journey that will take Joshua from his first outing as a widower to buy groceries...to an attempt at a dinner party where his lack of experience hosting creates a comic disaster...to finding a new best friend while weeping in the dressing room of a clothing store. As his grief makes room for new friendships and experiences, Joshua learns Lauren's most valuable lesson: The path to happiness doesn't follow a straight line. Funny, sometimes heart-wrenching, and always uplifting, this novel from New York Times bestselling author Kristan Higgins illuminates how life's greatest joys are often hiding in plain sight.

Amy Reynolds has anticipated the moment when her son brings home his first serious girlfriend. But she's shocked to meet the girl's father. Nick Lowry was the college boyfriend who captivated her heart and soul and then, without a word of explanation or warning, disappeared. She still wonders what took him away from her. Amy's marriage is satisfying, her teenage children thriving. She loves her beautifully restored home and her work teaching at the local college. She has long since buried her memories of Nick. But now that he is back in her life, she can't help recalling the beach where they pledged their destinies together twenty years ago. She can't help missing the young woman she was then, full of passion and promise. And she can't help being tempted by the life she might have lived...might still live—even though making that choice would betray all she holds dear.

Conceptions III Luis Royo 2005-07-01 - This final edition in Luis Royo's *Conceptions* series is dedicated to the feminine figure.

The Moon and I Betsy Byars 1996-09-20 The Moon that inspires Betsy Byars's memoir isn't the one in the sky, but a huge, harmless blacksnake she finds in the rafters of her porch. This meeting begins an exploration of the writing process. With energy, wit, and delight, the Newbery medalist shows how "the good scraps" of her life, from a bully named Bubba to a gift-wrapped dime, weave into her work.

Dark Lord: Star Wars Legends James Luceno 2006-06-27 Throughout the galaxy, it was believed that Jedi Knight Anakin Skywalker—the Chosen One—had died on Coruscant during the siege of the Jedi Temple. And, to some extent, that was true. Anakin was dead. From the site of Anakin Skywalker's last stand—on the molten surface of the planet Mustafar, where he sought to destroy his friend and former master, Obi-Wan Kenobi—a fearsome specter in black has risen. Once the most powerful Knight ever known to the Jedi Order, he is now a disciple of the dark side, a lord of the dreaded Sith, and the avenging right hand of the galaxy's ruthless new Emperor. Seduced, deranged, and destroyed by the machinations of the Dark Lord Sidious, Anakin Skywalker is dead . . . and Darth Vader lives. Word of the events that created him—the Jedi Council's failed mutiny against Supreme Chancellor Palpatine, the self-crowned Emperor's retaliatory command to exterminate the Jedi Order, and Anakin's massacre of his comrades and Masters in the Jedi Temple—has yet to reach all quarters. On the Outer Rim world of Murkhana, Jedi Masters Roan Shryne and Bol Chatak and Padawan Olee Starstone are leading a charge on a Separatist stronghold, unaware that the tide, red with Jedi blood, has turned suddenly against them. When the three narrowly elude execution—and become the desperate prey in a hunt across space—it's neither clone soldiers, nor the newly deployed stormtroopers, nor even the wrath of the power-hungry Emperor himself they must fear most. The deadliest threat rests in the hideously swift and lethal crimson lightsaber of Darth Vader—behind whose brooding mask lies a shattered heart, a poisoned soul, and a cunning, twisted mind hell-bent on vengeance. For the handful of scattered Jedi, survival is imperative if the light side of the Force is to be protected and the galaxy somehow, someday reclaimed. Yet more important still

is the well-being of the twin infants, Leia and Luke Skywalker, the children of Anakin and his doomed bride, Padmé Amidala. Separated after Padmé's death, they must be made safe at all costs, lest the hope they represent for the future be turned to horror by the new Sith regime—and the unspeakable power of the dark side.

The Fold Peter Clines 2016-03-01 A page-turning science-fiction thriller from the author of *Paradox Bound* and the *Ex-Heroes* series. Step into the fold. It's perfectly safe. The folks in Mike Erikson's small New England town would say he's just your average, everyday guy. And that's exactly how Mike likes it. Sure, the life he's chosen isn't much of a challenge to someone with his unique gifts, but he's content with his quiet and peaceful existence. That is, until an old friend presents him with an irresistible mystery, one that Mike is uniquely qualified to solve: far out in the California desert, a team of DARPA scientists has invented a device they affectionately call the Albuquerque Door. Using a cryptic computer equation and magnetic fields to "fold" dimensions, it shrinks distances so that a traveler can travel hundreds of feet with a single step. The invention promises to make mankind's dreams of teleportation a reality. And, the scientists insist, traveling through the Door is completely safe. Yet evidence is mounting that this miraculous machine isn't quite what it seems—and that its creators are harboring a dangerous secret. As his investigations draw him deeper into the puzzle, Mike begins to fear there's only one answer that makes sense. And if he's right, it may only be a matter of time before the project destroys...everything. A cunningly inventive mystery featuring a hero worthy of Sherlock Holmes and a terrifying final twist you'll never see coming, *The Fold* is that rarest of things: a genuinely page-turning science-fiction thriller.

Where the Crawdads Sing Delia Owens 2018-08-14 NOW A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by The New York Times Book Review as "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature." For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

A Place to Hang the Moon Kate Albus 2021-02-02 For fans of *The War That Saved My Life* and other World War II fiction, *A Place to Hang the Moon* is the tale of

three orphaned siblings who are evacuated from London to live in the countryside with the secret hope of finding a permanent family. It is 1940 and William, 12, Edmund, 11, and Anna, 9, aren't terribly upset by the death of the not-so-grandmotherly grandmother who has taken care of them since their parents died. But the children do need a guardian, and in the dark days of World War II London, those are in short supply, especially if they hope to stay together. Could the mass wartime evacuation of children from London to the countryside be the answer? It's a preposterous plan, but off they go-- keeping their predicament a secret, and hoping to be placed in a temporary home that ends up lasting forever. Moving from one billet to another, the children suffer the cruel trickery of foster brothers, the cold realities of outdoor toilets and the hollowness of empty stomachs. They find comfort in the village lending library, whose kind librarian, Nora Müller, seems an excellent choice of billet, except that her German husband's whereabouts are currently unknown, and some of the villagers consider her unsuitable. *A Place to Hang the Moon* is a story about the dire importance of family: the one you're given, and the one you choose. A Junior Library Guild Gold Standard Selection

Hang the Moon Alexandria Bellefleur 2021-05-25 In a delightful follow-up to *Written in the Stars*, Alexandria Bellefleur delivers another queer rom-com about a hopeless romantic who vows to show his childhood crush that romance isn't dead by recreating iconic dates from his favorite films... Brendon Lowell loves love. It's why he created a dating app to help people find their one true pairing and why he's convinced "the one" is out there, even if he hasn't met her yet. Or... has he? When his sister's best friend turns up in Seattle unexpectedly, Brendon jumps at the chance to hang out with her. He's crushed on Annie since they were kids, and the stars have finally aligned, putting them in the same city at the same time. Annie booked a spur-of-the-moment trip to Seattle to spend time with friends before moving across the globe. She's not looking for love, especially with her best friend's brother. Annie remembers Brendon as a sweet, dorky kid. Except, the 6-foot-4 man who shows up at her door is a certified Hot Nerd and Annie... wants him? Oh yes. Getting involved would be a terrible idea—her stay is temporary and he wants forever—but when Brendon learns Annie has given up on dating, he's determined to prove that romance is real. Taking cues from his favorite rom-coms, Brendon plans to woo her with elaborate dates straight out of Nora Ephron's playbook. The clock is ticking on Annie's time in Seattle, and Brendon's starting to realize romance isn't just flowers and chocolate. But maybe real love doesn't need to be as perfect as the movies... as long as you think your partner hung the moon.

Dead Moon Epilogue Luis Royo 2014-02-18 *Dead Moon* depicts, like a flickering flame burning out, the fire between Moon and Mars, and its inevitable end. Their epilogue, full of fantastic illustrations, plunges into the bloody and

remote story of Lovyang, of its people, its tyrannical and opposed rulers, and the love-hate relationship between the protagonists of this legend.

The Girl Who Chased the Moon Sarah Addison Allen 2011-02-08 NEW YORK TIMES BESTSELLER • “A dusting of magic, the aroma of sugary cakes swirling through the breeze, and a girl who unwittingly brings change to a town of misfits make for a sweet summer story filled with hope and forgiveness.”—Beth Hoffman, author of *Saving CeeCee Honeycutt* Emily Benedict has come to Mullaby, North Carolina, hoping to solve at least some of the riddles surrounding her mother’s life. But the moment Emily enters the house where her mother grew up and meets the grandfather she never knew, she realizes that mysteries aren’t solved in Mullaby, they’re a way of life: Here are rooms where the wallpaper changes to suit your mood. Unexplained lights skip across the yard at midnight. And a neighbor, Julia Winterson, bakes hope in the form of cakes, not only wishing to satisfy the town’s sweet tooth but also dreaming of rekindling the love she fears might be lost forever. Can a hummingbird cake really bring back a lost love? Is there really a ghost dancing in Emily’s backyard? The answers are never what you expect. But in this town of lovable misfits, the unexpected fits right in.

Moon of the Crusted Snow Waubgeshig Rice 2018-10-02 A daring post-apocalyptic novel from a powerful rising literary voice With winter looming, a small northern Anishinaabe community goes dark. Cut off, people become passive and confused. Panic builds as the food supply dwindles. While the band council and a pocket of community members struggle to maintain order, an unexpected visitor arrives, escaping the crumbling society to the south. Soon after, others follow. The community leadership loses its grip on power as the visitors manipulate the tired and hungry to take control of the reserve. Tensions rise and, as the months pass, so does the death toll due to sickness and despair. Frustrated by the building chaos, a group of young friends and their families turn to the land and Anishinaabe tradition in hopes of helping their community thrive again. Guided through the chaos by an unlikely leader named Evan Whitesky, they endeavor to restore order while grappling with a grave decision. Blending action and allegory, *Moon of the Crusted Snow* upends our expectations. Out of catastrophe comes resilience. And as one society collapses, another is reborn.

New Moon Stephenie Meyer 2007-08-08 From evil vampires to a mysterious pack of wolves, new threats of danger and vengeance test Bella and Edward's romance in the second book of the irresistible Twilight saga. For Bella Swan, there is one thing more important than life itself: Edward Cullen. But being in love with a vampire is even more dangerous than Bella could ever have imagined. Edward has already rescued Bella from the clutches of one evil vampire, but now, as their daring relationship threatens all that is near and dear to them, they realize their troubles may be just beginning. Bella and Edward face a devastating separation, the mysterious appearance of dangerous wolves roaming the forest in Forks, a terrifying threat of revenge from a female vampire and a deliciously sinister encounter with Italy's reigning royal family of vampires, the Volturi. Passionate, riveting, and full of surprising twists and turns, this vampire love saga is well on its way to literary immortality. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

The First Men in the Moon H.G. Wells 2005-03-31 When penniless businessman Mr Bedford retreats to the Kent coast to write a play, he meets by chance the brilliant Dr Cavor, an absent-minded scientist on the brink of developing a material that blocks gravity. Cavor soon succeeds in his experiments, only to tell a stunned Bedford the invention makes possible one of the oldest dreams of humanity: a journey to the moon. With Bedford motivated by money, and Cavor by the desire for knowledge, the two embark on the expedition. But neither are prepared for what they find - a world of freezing nights, boiling days and sinister alien life, on which they may be trapped forever.

Dead Moon Epilogue Luis Royo 2010-05-14 *Dead Moon* recueille, comme une flamme vive et éphémère, la passion entre Lune et Mars, et son inévitable fin. A travers d'extraordinaires illustrations, son épilogue nous plonge dans la sanglante et lointaine histoire de Lougang, celle de son peuple, de ses tyrans et de ses seigneurs ennemis, et relate l'amour et la haine qui brûlent entre les héros de cette légende. Avec un souci constant de s'améliorer et de se réinventer, Luis Royo adapte sa technique picturale au style oriental qui teinte l'histoire de ces deux âmes opposées, chacune gouvernée par un symbole archaïque : la nuit et le jour, la lune et le soleil.

The Moon and the Other John Kessel 2017-04-04 A Washington Post Best Science Fiction and Fantasy Selection of 2017 “Charming, sexy.” –The Washington Post John Kessel, one of the most visionary writers in the field, has created a rich matriarchal utopia, set in the near future on the moon, a society that is flawed by love and sex, and on the brink of a destructive civil war. In the middle of the twenty-second century, over three million people live in underground cities below the moon’s surface. One city-state, the Society of Cousins, is a matriarchy, where men are supported in any career choice, but no right to vote—and tensions are beginning to flare as outside political intrigues increase. After participating in a rebellion that caused his mother’s death, Erno has been exiled from the Society of Cousins. Now, he is living in the Society’s rival colony, Persepolis, when he meets Amestris, the defiant daughter of the richest man on the moon. Mira, a rebellious loner in the Society, creates graffiti videos that challenge the Society’s political domination. She is hopelessly in love with Carey, the exemplar of male privilege. An Olympic champion in low-gravity martial arts and known as the most popular bedmate in the Society, Carey’s more suited to being a boyfriend than a parent, even as he tries to gain custody of his teenage son. When the Organization of Lunar States sends a team to investigate the condition of men in the Society, Erno sees an opportunity to get rich, Amestris senses an opportunity to escape from her family, Mira has a chance for social change, and Carey can finally become independent of the matriarchy that considers him a perpetual adolescent. But when Society secrets are revealed, the first moon war erupts, and everyone must decide what is truly worth fighting for.

Cat Chase the Moon Shirley Rousseau Murphy 2019-04-23 Feline P. I. Joe Grey and his friends pounce on three investigations that may connect to one larger mystery—including one case that is very personal—in this hair-raising installment in Shirley Rousseau Murphy’s beloved, award-winning series. Joe Grey and his partner, Dulcie, are frantic when Courtney, their pretty teen-kitten goes missing. Aided by their two- and four-legged friends, they hit the streets of Molina Point in search of their calico girl. Has Joe Grey and Dulcie’s only daughter been lured away by someone and stolen? Is she lying somewhere hurt, or worse? Courtney has no idea that everyone is desperately looking for her. Locked in an upstairs apartment above the local antiques shop, she’s enjoying her first solo adventure. When she first met Ulrich Seaver, the shop’s owner, Courtney was frightened. But the human has coddled and pampered her, winning her trust. Sheltered by her parents, her brothers, and her kind human companions, the innocent Courtney is unaware of how deceptive strangers can be. She doesn’t know that Ulrich is hiding a dangerous secret that could threaten her and everyone in this charming California coastal village. With his focus on finding Courtney, Joe Grey has neglected his detective work with the Molina Point Police Department. Before his daughter disappeared, Joe found a viciously beaten woman lying near the beach. Now the police investigation has stalled, and the clever feline worries his human colleagues may have missed a vital clue. Joe is also concerned about a family of newcomers whose domestic battles are disturbing the town’s tranquility. Loud and abrasive, the Luthers’ angry arguing, shouting, and swearing in the early hours of the night have

neighbors on edge and the cops on alert. One of the couple's late-night shouting matches masked the sounds of a burglary, and now a criminal is on the loose. Though the crimes are as crisscrossed as the strands of a ball of yarn, Joe Grey's cat senses tell him they may somehow be linked. It's up to the fleet-footed feline and his crime-solving coterie to untangle the mysteries before it's too late.

Bone Crier's Moon Kathryn Purdie 2020-03-03 From #1 New York Times bestselling author Kathryn Purdie comes a high-stakes fantasy duology flush with doomed romance and macabre magic, perfect for fans of Stephanie Garber and Roshani Chokshi. Bone Criers are the last descendants of an ancient famille charged with using the magic they draw from animal bones to shepherd the dead into the afterlife—lest they drain the light from the living. Aillesse has been prepared since birth to become their matriarch, but first she must complete her rite of passage: to kill the boy she's destined to love. Bastien's father was slain by a Bone Crier and he's been seeking revenge ever since. Now his vengeance must wait, as Aillesse's ritual has begun and their fates are entwined—in life and in death.

The Vineyard at Painted Moon Susan Mallery 2021-02-09 "In true Susan Mallery fashion, strong female characters, friendship, and family are at the center of THE VINEYARD AT PAINTED MOON. You're sure to laugh and cry along the journey and delight in the happy ending."—Robyn Carr, #1 New York Times bestselling author of Virgin River "The Vineyard at Painted Moon feels like a story about courage—about making hard choices so that you can live an authentic life."—Katherine Center, New York Times bestselling author of What You Wish For Step into the vineyard with Susan Mallery's most irresistible novel yet, as one woman searches for the perfect blend of love, family and wine. Mackenzie Dienes seems to have it all—a beautiful home, close friends and a successful career as an elite winemaker with the family winery. There's just one problem—it's not her family, it's her husband's. In fact, everything in her life is tied to him—his mother is the closest thing to a mom that she's ever had, their home is on the family compound, his sister is her best friend. So when she and her husband admit their marriage is over, her pain goes beyond heartbreak. She's on

the brink of losing everything. Her job, her home, her friends and, worst of all, her family. Staying is an option. She can continue to work at the winery, be friends with her mother-in-law, hug her nieces and nephews—but as an employee, nothing more. Or she can surrender every piece of her heart in order to build a legacy of her own. If she can dare to let go of the life she thought she wanted, she might discover something even more beautiful waiting for her beneath a painted moon. Don't miss *The Summer Getaway* by Susan Mallery where one woman discovers the beauty in chaos in a poignant and heartwarming story about the threads that hold family together.

Comanche Moon Larry McMurtry 2010-06-01 THE NATIONAL BESTSELLER The second book of Larry McMurtry's Lonesome Dove tetralogy, *Comanche Moon* takes us once again into the world of the American West. Texas Rangers August McCrae and Woodrow Call, now in their middle years, continue to deal with the ever-increasing tensions of adult life -- Gus with his great love, Clara Forsythe, and Call with Maggie Tilton, the young whore who loves him. Two proud but very different men, they enlist with the Ranger troop in pursuit of Buffalo Hump, the great Comanche war chief; Kicking Wolf, the celebrated Comanche horse thief; and a deadly Mexican bandit king with a penchant for torture. Assisting the Rangers in their wild chase is the renowned Kickapoo tracker, Famous Shoes. *Comanche Moon* closes the twenty-year gap between *Dead Man's Walk* and *Lonesome Dove*, following beloved heroes Gus and Call and their comrades in arms -- Deets, Jake Spoon, and Pea Eye Parker -- in their bitter struggle to protect the advancing West frontier against the defiant Comanches, courageously determined to defend their territory and their way of life.

Projects Goddesses Luis Rojo 2020-04-28 *Projects* is divided into two books with a clear difference. The first gathers images designed to walk freely by the author's eternal dreams around the fantasy and the female world, while the second collects specific work done to carry out a project or be the cover of a product or a book. The freepath of these pages is flooded by the female figure. The protagonist, the "goddess". In all his career is a constant. A repeated image in search of the ideal, in search of that mother goddess lost in time.

The Dead Are Arising: The Life of Malcolm X Les Payne 2020-10-20 An epic, award-winning biography of Malcolm X that draws on hundreds of hours of personal interviews and rewrites much of the known narrative. Les Payne, the renowned Pulitzer Prize-winning investigative journalist, embarked in 1990 on a nearly thirty-year-long quest to create an unprecedented portrait of Malcolm X, one that would separate fact from fiction. The result is this historic, National Book Award-winning biography, which interweaves previously unknown details of Malcolm X's life—from harrowing Depression-era vignettes to a moment-by-moment retelling of the 1965 assassination—into an extraordinary account that contextualizes Malcolm X's life against the wider currents of American history. Bookended by essays from Tamara Payne, Payne's daughter and primary researcher, who heroically completed the biography after her father's death in 2018, *The Dead Are Arising* affirms the centrality of Malcolm X to the African American freedom struggle.

Killers of the Flower Moon David Grann 2017-04-18 NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history.

Listen to the Moon Michael Morpurgo 2015-10-27 Alfie lives off the coast of England. Merry lives in New York City. Until Merry and her mother set sail on the *Lusitania* for England, where Merry's father is recuperating from a war injury. People told them not to go, hearing rumors that the *Lusitania* might be carrying munitions. But they are desperate to be reunited with Merry's father. Alfie and his father find a lost girl in an abandoned house on a small island.

The girl doesn't speak, except to say what sounds like "Lucy." Alfie's mother nurses her back to health. The others in the village suspect the unthinkable: Lucy is actually German-an enemy-because she's found with a blanket with a German tag. Told from Alfie and Merry's points of view, this exquisite novel tells of friends, enemies, and unexpected kindnesses.

Void Moon Michael Connelly 2001-01-01 New York Times bestselling author Michael Connelly writes novels of brilliantly original suspense. In this electrifying tour de force, he takes us into a world of extremes: too much criminality, too much money, and too many ways to die. In L.A. Cassie Black is another beautiful woman in a Porsche: except Cassie just did six years in prison and still has "outlaw juice" flowing in her veins. Now Cassie is returning to her old profession, taking down a money man in Vegas. But the perfect heist goes very wrong, and suddenly Cassie is on the run--with a near-psychotic Vegas "fixer" killing everyone who knew about the job. Between Cassie and the man hunting her are a few last secrets: like who really set up the job, why Cassie had to take the change, and how, in the end, it might all be a matter of the moon...

Gardens of the Moon Steven Erikson 2004-06-01 Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan Empire in this first book in a major epic fantasy series The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread Claw assassins. For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead. But Darujhistan, last of the Free Cities of Genabackis, yet holds out. It is to this ancient citadel that Laseen turns her predatory gaze. However, it would appear that the Empire is not alone in this great game. Sinister, shadowbound forces are gathering as the gods themselves prepare to play their hand... Conceived and written on a panoramic scale, *Gardens of the Moon* is epic fantasy of the highest order--an enthralling adventure by an outstanding new voice. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Under the Cajun Moon Mindy Starns Clark 2009-09-01 What Secrets Can Be Found by the Light of the Cajun Moon? New Orleans may be the "Big Easy," but nothing about it was ever easy for international business etiquette expert Chloe Ledet. She moved away years ago, leaving her parents and their famous French Quarter restaurant behind. But when she hears that her father has been shot, she races home to be by his side and to handle his affairs--only to learn a long-hidden secret that changes everything she knew to be true about herself and her family. Framed for murder, Chloe and a handsome Cajun stranger must search for a priceless treasure, one whose roots weave through the very history of Louisiana itself. But can Chloe depend on the mysterious man leading her on this cat-and-mouse chase into the heart of Cajun country? Or by trusting him,

has she gone from the frying pan into the fire? Following up on her bestselling Gothic thriller, *Whispers of the Bayou*, and Amish romantic suspense, *Shadows of Lancaster County*, Mindy Starns Clark offers another exciting standalone novel, one full of Cajun mystery, hidden dangers, and the glow of God's unending grace.
