Occupied Economies Hein A.M. Klemann 2013-05-09 What were the consequences of the German occupation for the economy of occupied Europe? After Germany conquered major parts of the European continent, it was faced with a choice between plundering the suppressed countries and using their economies to supply its needs. The choices made not only differed from country to country, but also changed over the course of the war. Individual leaders; the economic needs of the Reich; the military situation; struggles between governors of occupied countries and Berlin officials; and finally racism, all had an impact on the outcome. In some countries the emphasis was placed on production for German warfare, which kept these economies functioning. New research, presented for the first time in this book, shows that as a consequence the economic setback in these areas was limited, and therefore post-war recovery was relatively easy. However, in other countries, plundering was more characteristic, resulting in partisan activity, a collapse of normal society and a dramatic destruction not only of the economy but in some countries of a substantial proportion of the labour force. In these countries, post-war recovery was almost impossible.

Hugo Von Hofmannsthal and His Time Hermann Broch 1984-08-15 Hermann Broch (1886-1951) is remembered among English-speaking readers for his novels *The Sleepwalkers* and *The Death of Virgil*, and among German-speaking readers for his novels as well as his works on moral and political philosophy, his aesthetic theory, and his varied criticism. This study reveals Broch as a major historian as well, one who believes that true historical understanding requires the faculties of both poet and philosopher. Through an analysis of the changing thought and career of the Austrian poet, librettist, and essayist Hugo von Hofmannsthal (1874-1929), Broch attempts to define and analyze the major intellectual issues of the European fin de siècle, a period that he characterizes according to the Nietzschean concepts of the breakdown of rationality and the loss of a central value system. The result is a major examination of European thought as well as a comparative study of political systems and artistic styles.

Show Your Tongue Gunter Grass 1989 Gunter Grass and his wife, Ute, spent six months in Calcutta, 1987-1988. Throughout, Grass kept a diary in words and drawings that record everyday sights: the poverty, the heat, the resigned anxiety of those who no longer have anything to wait for. Showing one's tongue in Bengali is an expression of shame. And shame is what Grass, as a man and as a citizen of one of the most prosperous countries in the world, feels about the human condition in India. -- taken from p. 4 of cover.

Russian Postmodernism Mikhail N. Epstein 2015-12-01 Recent decades have been decisive for Russia not only politically but culturally as well. The end of the Cold War has enabled Russia to take part in the global rise and crystallization of postmodernism. This volume investigates the manifestations of this crucial trend in Russian fiction, poetry, art, and spirituality, demonstrating how Russian postmodernism is its own unique entity. It offers a point of departure and valuable guide to an area of contemporary literary-cultural studies insufficiently represented in English-language scholarship. This second edition includes additional essays on the topic and a new introduction examining the most recent developments.

No Religion Is an Island Harold Kasimow 2009-01-27 Rabbi Abraham Joshua Heschel remains one of the most important figures in American Jewish-Christian relations nearly twenty years after his death. He had a penetrating mind that was never arrogant and a moral passion that never moralized. Together, the thirteen essays of this book testify to his enduring legacy. Beginning with Rabbi Heschel's own "No Religion Is An Island," these writings--by men and women who knew him, studied under him, and struggled with him, people from South Asian, Muslim, Jewish, and Christian traditions--reveal the humble yet soaring spirit of a person who knew God transcended the barriers of nation,

culture, religion, and historical enmity. As these essays demonstrate, Heschel was spiritual guide to people of many faiths. He won the admiration of men and women in many lands and traditions. Firmly rooted in his own Jewishness, he evoked the genius of other traditions, inspiring believers of all kinds to labor toward a more humane world. Contributors: the editors, Heschel's daughter Susannah, Jacob Y. Teshima, Daniel Berrigan, John C. Merkle, Eugene J. Fisher, John C. Bennett, Fredrick C. Holmgren, Riffat Hassan, Arvind Sharma, Antony Fernando, and Kenneth B. Smith.

The Development of Autobiographical Memory Hans J. Markowitsch 2009-10-28
Autobiographical memory constitutes an essential part of our personality, giving us the ability to distinguish ourselves as an individual with a past, present and future. This book reveals how the development of a conscious self, an integrated personality and an autobiographical memory are all intertwined, highlighting the parallel development of the brain, memory and personality. Focusing strongly on developmental aspects of memory and integrating evolutionary and anthropological perspectives, areas of discussion include: why non-human animals lack autobiographical memory development of the speech areas in the brain prenatal and transnatal development of memory autobiographical memory in young children. This book offers a unique approach through combining both neuroscientific and social scientific viewpoints, and as such will be of great interest to all those wanting to broaden their knowledge of the development and acquisition of memory and the conscious self.

Women's Oral History Susan Hodge Armitage 2002-01-01 Women's Oral History: The "Frontiers" Reader is an essential guide to the practice of gathering and interpreting women's oral accounts of their lives. During the 1970s, when women's history was just developing, the lack of historical information about women's lives was glaring. Oral history quickly emerged as a vital and necessary tool for documenting the lives and experiences of women, who rarely recorded it for themselves?much less for posterity. Standard models of practicing oral history, however, were inadequate to the job of organizing and interpreting women's lives, and new models that addressed the distinctiveness of the lives of women?in all of their diversity?were needed. As one of the earliest journals devoted to feminist scholarship in the United States, Frontiers: A Journal of Women Studies was in the vanguard of the emerging field of women's oral history when it published its first landmark issue on the subject in 1977. Three subsequent issues exploring the evolving field has secured Frontiers' reputation at the forefront of women's oral history. Women's Oral History includes nineteen essays, each addressing the particularity of women's lives and experience. The collection provides both "how to" interview guides and examples of current research in sections covering basic methodology and rationale; the myriad uses of women's oral history; and discoveries and insights gained from oral history applications. The essays raise thought-provoking questions, glean original insights about the lives of women and the practice of history, and call for women to write and record their own

histories.

Reading Andy Warhol Andy Warhol 2013 From his student days onward, Andy Warhol has been fascinated by the medium of print. Starting with illustrations for famous novels by Truman Capote or Katherine Anne Porter, he was a successful graphic designer who also made playful thematic booklets that he handed out to New York's fashion scene as advertising. This extensive volume presents his achievements in book design and writing from the standpoints of art history and literary theory.

Little Mother Cristina Ali Farah 2011 When civil war erupts in Somalia, cousins Domenica Axad and Barni are separated and forced to flee the country. Barni manages to eke out a living in Rome, where she works as an obstetrician. Domenica wanders Europe in a painful attempt to reunite her broken family and come to terms with her past. After ten years, the two women reunite. When Domenica gives birth to a son, Barni, also known as Little Mother, is at her side. Together with the new baby, Domenica and Barni find their Somali roots and start to heal the pain they have suffered in war and exile. This powerful yet tender novel underscores the strength of women, family, and community, and draws on the tenacious yearning for a homeland that has been denied.

How to Write a Damn Good Novel James N. Frey 2010-04-01 Written in a clear, crisp, accessible style, this book is perfect for beginners as well as professional writers who need a crash course in the down-to-earth basics of storytelling. Talent and inspiration can't be taught, but Frey does provide scores of helpful suggestions and sensible rules and principles. An international bestseller, *How to Write a Damn Good Novel* will enable all writers to face that intimidating first page, keep them on track when they falter, and help them recognize, analyze, and correct the problems in their own work.

Mastering the Art of French Cooking Julia Child 1976 Anyone can cook in the French manner anywhere, wrote Mesdames Beck, Bertholle, and Child, with the right instruction. And here is the book that, for forty years, has been teaching Americans how. *Mastering the Art of French Cooking* is for both seasoned cooks and beginners who love good food and long to reproduce at home the savory delights of the classic cuisine, from the historic Gallic masterpieces to the seemingly artless perfection of a dish of spring-green peas. This beautiful book, with more than one hundred instructive illustrations, is revolutionary in its approach because: It leads the cook infallibly from the buying and handling of raw ingredients, through each essential step of a recipe, to the final creation of a delicate confection. It breaks down the classic cuisine into a logical sequence of themes and variations rather than presenting an endless and diffuse catalogue of recipes; the focus is on key recipes that form the backbone of French cookery and lend themselves to an infinite number of elaborations bound to increase anyone's culinary repertoire.

Gradido □ **Natural Economy of Life** Bernd Hückstädt 2013-03-01 Gradido - Natural Economy of Life is a monetary and economic model patterned on nature. It provides a basic income for every person, an ample national budget for every country and an additional Equalisation and Environment Fund for decontaminating the environment. The self-regulating system keeps the money supply, and hence prices, stable. The gentle equalisation of the hitherto poor countries and the industrialised nations promotes peace. Learn about the encouraging results of economic bionics research! Nature is brilliant. When we act in harmony with nature we will experience worldwide prosperity and peace. This is the core message of this consistently positive instruction manual for the future. Information at: <http://gradido.net/Book>

Economic and Social Upgrading in Global Value Chains Christina Teipen 2021-12-19 This book investigates how global value chain governance, public institutions and strategies in the area of industrial policy and industrial relations by stakeholders such as national or global trade unions, governments, companies or international NGOs shape upgrading in the Global South. A special feature is its interdisciplinarity, combining sociological, economic, legal and political dimensions. Case studies systematically compare different industry trajectories. Furthermore, it encompasses far-reaching insights into the role of global value chains for development, economic catching-up of countries and socio-political aspects such as working conditions and interest representation.

Autobiographical Memory and the Construction of A Narrative Self Robyn Fivush 2003-05-14 Divided into three parts, this volume discusses: the development of autobiographical memory and self-understanding; cross-cultural variation in narrative environments and self-construal; and the construction of gender and identity concepts in developmental and situational contexts.

Fünf Witwen Evelyn Grill 2015-01-22 GRANDIOSE BEZIEHUNGSSTUDIEN Ein Kurzurlaub in Paris - das klingt für Isa nach Kultur und Shopping! Ihr Mann, der Wissenschaftler, hat aber ganz andere Pläne: Er wittert die Chance auf eine wissenschaftliche Sensation - und seine Frau soll ihn dabei unterstützen. Mit ihrem weiblichen Charme soll sie ihm dabei helfen, die letzten Geheimnisse jenes berühmten Dichters zu ergründen, dessen Leben und Werk er seit Jahren erforscht. Widerwillig spielt Isa mit - und spinnt dabei heimlich einen perfiden Racheplan ... GRANDIOSE BEZIEHUNGSSTUDIEN Evelyn Grill ist eine MEISTERHAFTE BEOBACHTERIN VON ZWISCHENMENSCHLICHEN BEZIEHUNGEN. Mit unbestechlich scharfem Blick und staubtrockenem Witz zeigt sie in ihren Erzählungen, was unter der scheinbar ruhigen Oberfläche von Ehen und Familien schwelt und brodelt: die kleinen Bosheiten und versteckten Revanchen, die nie ausgesprochenen und dennoch unübersehbaren Familienkonflikte, die klägliche Suche nach dem kleinen Beziehungsglück. Evelyn Grill erzählt ihre Geschichten KLUGER IRONIE UND SCHWARZEM HUMOR, mit viel Sympathie für die kleinen Absurditäten des ganz gewöhnlichen Lebens und für die Schrullen ihrer Figuren.

So werden diese Szenen von den Kampfschauplätzen des Familien- und Ehelebens zu einem GROSSEN, ERHELLENDEN VERGNÜGEN. "Das Böse liegt Evelyn Grill. Und sie braucht nicht viel Raum, um es zu entfalten." FALTER, Kirstin Breitenfellner

The Consorts of Death Gunner Staalesen 2011-04-01 In 1974 the same boy had surfaced in connection with a sudden death in his new home. And then again ten years later, in connection with yet another case: a dramatic double-murder in Sunnfjord. The small boy is now an adult, and on the run in Oslo, determined to take revenge on those responsible for destroying his life, among them the former child protection officer, now detective Veum.

Trust in the World Josef Früchtl 2020-09-30 This book examines the theory, originally raised in Gilles Deleuze's philosophy of film, that cinema has the power to restore our trust in the world. Früchtl demonstrates that cinema does this in three main ways: by restoring our belief in the absurd, in the body and in a sceptical abstention from judging and acting. Cinema shares this ability with other arts, but what sets it apart in particular is that it evokes Modernity and its principle of subjectivity. This book further develops the idea of trust and cinema by synthesizing the philosophies of complementary thinkers such as Kant, Nancy, Agamben, Benjamin and Rancière. It concludes with examination of Cavell's solution to the problem of scepticism and a synthesis of Kantian aesthetic theory with Cavellian pragmatism. Originally published in German under the title *Vertrauen in die Welt*, this English-language translation features a new introduction that situates Früchtl's work within contemporary analytical philosophy of film. It will be of interest to scholars working in Continental aesthetics, philosophy of film, and film theory.

Shadows of Trauma Aleida Assmann 2016 "The book traces the process of creating of a new German memory of the Holocaust after the fall of the Wall. Combining theoretical analysis with historical case studies, the book revisits crucial debates and controversial issues out of which Germany's new 'memory culture' emerged as a collective project and work in progress"--

A Schoolboy's Diary and Other Stories Robert Walser 2013-09-03 A Schoolboy's Diary brings together more than seventy of Robert Walser's strange and wonderful stories, most never before available in English. Opening with a sequence from Walser's first book, "Fritz Kocher's Essays," the complete classroom assignments of a fictional boy who has met a tragically early death, this selection ranges from sketches of uncomprehending editors, overly passionate readers, and dreamy artists to tales of devilish adultery, sexual encounters on a train, and Walser's service in World War I. Throughout, Walser's careening, confounding, delicious voice holds the reader transfixed.

Correspondence (1882–1910) William James 2020-04-20 James and Stumpf first met in Prague in 1882. James soon started corresponding with a “colleague with whose persons and whose ideas alike I feel so warm a sympathy.” With this, a lifelong epistolary friendship began. For 28 years until James’s death in 1910, Stumpf became James’s most important European correspondent. Besides psychological themes of great importance, such as the perception of space and of sound, the letters include commentary upon Stumpf’s (*Tonpsychologie*) and James’s main books (*The Principles of Psychology*, *The Varieties of Religious Experience*), and many other works. The two friends also exchange views concerning other scholars, religious faith and metaphysical topics. The different perspectives of the American and the German (European) way of living, philosophizing and doing science are frequently under discussion. The letters also touch upon personal questions of historical interest. The book offers a critical edition and the English translation of hitherto unpublished primary sources. Historians of psychology and historians of philosophy will welcome the volume as a useful tool for their understanding of some crucial developments of the time. Scholars in the history of pragmatism and of phenomenology will also be interested in the volume.

A Letter to a Young Poet Virginia Woolf 2017-02-16 First published in 1932, “A Letter to a Young Poet” is an essay by Virginia Woolf. Written in epistolary form, it is a response to the writer John Lehman's request for Woolf to explain her views on contemporary poetry. A fascinating insight into the mind of one of England's greatest feminist writers not to be missed by fans and collectors of her seminal work. Adeline Virginia Woolf (1882–1941) was an English writer. She is widely hailed as being among the most influential modernist authors of the

20th century and a pioneer of stream of consciousness narration. Woolf was a central figure in the feminist criticism movement of the 1970s, her works having inspired countless women to take up the cause. She suffered numerous nervous breakdowns during her life primarily as a result of the deaths of family members, and it is now believed that she may have suffered from bipolar disorder. In 1941, Woolf drowned herself in the River Ouse at Lewes, aged 59. Contents include: "Virginia Woolf", "Craftsmanship - BBC Broadcast on April 20th, 1937", and "A Letter to a Young Poet - First Published in the Yale Review, June 1932". Read & Co. Great Essays is republishing this classic essay now in a brand new edition complete with Woolf's essay "Craftsmanship".

Blumenberg Sibylle Lewitscharoff 2021-03-22 Now in paperback, from one of the most dazzling authors of contemporary German literature comes this delightful tale of a philosopher and his encounter with a supernatural lion. One night, German philosopher Hans Blumenberg returns to his study to find a shocking sight--a lion lying on the floor as if it's the most natural thing in the world. The lion stretches comfortably on the Turkmen rug, eyes resting on Blumenberg. The philosopher with some effort retains his composure, even when the next day during his lecture the lion makes another appearance, ambling slowly down the center aisle. Blumenberg glances around; the seats are full, but none of his students seem to see the lion. What is going on here? Blumenberg is the captivating and witty fictional tale of this likable philosopher and the handful of students who come under the spell of the supernatural lion--including skinny Gerhard Optatus Baur, a promising young Blumenbergian, and the delicate, haughty Isa, who falls head over heels in love with the wrong man. Written by Sibylle Lewitscharoff, whom *Die Welt* called the "most dazzling stylist of contemporary German literature," Blumenberg will delight English readers.

The Anthropology of Sibling Relations Erdmute Alber 2013-07-18 On what basis are sibling relations made and negotiated and how do they change over time? How do siblings provide support, but also create pressure or conflict? Despite their importance as models for or contrasts to marriage, friendship, and nation, sibling relations have been largely ignored in anthropology. In this volume, the contributors provide a conceptualization of siblingship as shared parentage, exchange, and experience. They explore what makes these relations worth maintaining and how they contribute to wider community processes, material support, and emotional connection. The ethnographic case studies provide detailed descriptions of lived sibling relations in various settings across the globe.

The North Water Ian McGuire 2016-03-15 One of The New York Times Book Review's 10 Best Books of the Year National Bestseller Longlisted for the Man Booker Prize Winner of the RSL Encore Award Finalist for the Los Angeles Book Prize A New York Times and Wall Street Journal Bestseller Named a Best Book of the Year by Chicago Tribune, The Wall Street Journal, The Guardian, New Statesman, Publishers Weekly, and Chicago Public Library Behold the man: stinking, drunk, and brutal. Henry Drax is a harpooner on the Volunteer, a Yorkshire whaler bound for the rich hunting waters of the arctic circle. Also aboard for the first time is Patrick Sumner, an ex-army surgeon with a shattered reputation, no money, and no better option than to sail as the ship's medic on this violent, filthy, and ill-fated voyage. In India, during the Siege of Delhi, Sumner thought he had experienced the depths to which man can stoop. He had hoped to find temporary respite on the Volunteer, but rest proves impossible with Drax on board. The discovery of something evil in the hold rouses Sumner to action. And as the confrontation between the two men plays out amid the freezing darkness of an arctic winter, the fateful question arises: who will survive until spring? With savage, unstoppable momentum and the blackest wit, Ian McGuire's The North Water weaves a superlative story of humanity under the most extreme conditions.

All Our Hidden Gifts Caroline O'Donoghue 2021-06-08 Maeve's strangely astute tarot readings make her the talk of the school, until a classmate draws a chilling and unfamiliar card—and then disappears. After Maeve finds a pack of tarot cards while cleaning out a closet during her in-school suspension, she quickly becomes the most sought-after diviner at St. Bernadette's Catholic school. But when Maeve's ex-best friend, Lily, draws an unsettling card called The Housekeeper that Maeve has never seen before, the session devolves into a heated argument that ends with Maeve wishing aloud that Lily would disappear. When Lily isn't at school the next Monday, Maeve learns her ex-friend has vanished without a trace. Shunned by her classmates and struggling to preserve a fledgling romance with Lily's gender-fluid sibling, Roe, Maeve must dig deep into her connection with the cards to search for clues the police cannot find—even if they lead to the terrifying Housekeeper herself. Set in an Irish town where the church's tight hold has loosened and new freedoms are trying to take root, this sharply contemporary story is witty, gripping, and tinged with mysticism.
