The Perils of Being Moderately Famous Soha Ali Khan 2017-12-12 What is it like to be known as Mansoor Ali Khan Pataudi's daughter? Or to have a mother as famous as Sharmila Tagore? Or to be recognized as Saif Ali Khan's sister? Or as Kareena Kapoor's sister-in-law? And where do I stand among them? Actor Soha Ali Khan's debut book is at heart a brilliant collection of personal essays where she recounts with self-deprecating humour what it was like growing up in one of the most illustrious families of the country. With never before published photos from her family's archives, *The Perils of Being Moderately Famous* takes us through some of the most poignant moments of Soha's life-from growing up as a modern-day princess and her days at Balliol College to life as a celebrity in the times of social media culture and finding love in the most unlikely of places-all with refreshing candour and wit.

Those Pricey Thakur Girls Anuja Chauhan 2017-08-16 In a sprawling bungalow on New Delhi's posh Hailey Road, Justice Laxmi Narayan Thakur and his wife Mamta spend their days watching anxiously over their five beautiful (but troublesome) alphabetically named daughters. Anjini, married but an incorrigible flirt; Binodini, very worried about her children's hissa in the family property; Chandrakanta, who eloped with a foreigner on the eve of her wedding; Eshwari, who is just a little too popular at Modern School, Barakhamba Road; and the Judge's favourite (though fathers shouldn't have favourites): the quietly fiery Debjani, champion of all the stray animals on Hailey Road, who reads the English news on DD and clashes constantly with crusading journalist Dylan Singh Shekhawat, he of shining professional credentials but tarnished personal reputation, crushingly dismissive of her 'state-sponsored propaganda', but

always seeking her out with half-sarcastic, half-intrigued dark eyes. Spot-on funny and toe-curlingly sexy, *Those Pricey Thakur Girls* is rom-com specialist Anuja Chauhan writing at her sparkling best.

Asking For It Louise O'Neill 2016-04-05 Emma O'Donovan is eighteen, beautiful, and fearless. It's the beginning of summer in a quiet Irish town and tonight she and her friends have dressed to impress. Everyone is at the party, and all eyes are on Emma. The next morning Emma's parents discover her collapsed on the doorstep of their home, unconscious. She is disheveled, bleeding, and disoriented, looking as if she had been dumped there. To her distress, Emma can't remember what happened the night before. All she knows is that none of her friends will respond to her texts. At school, people turn away from her and whisper under their breath. Her mind may be a blank as far as the events of the previous evening, but someone has posted photos of it on Facebook under a fake account, "Easy Emma"--photos she will never be able to forget. As the photos go viral and a criminal investigation is launched, the community is thrown into tumult. The media descends, neighbors chose sides, and people from all over the world want to talk about her story. Everyone has something to say about Emma. *Asking For It* is a powerful story about the devastating effects of rape and public shaming, told through the awful experience of a young woman whose life is changed forever by an act of violence.

The Art of Being Normal Lisa Williamson 2016-05-31 David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth: David wants to be a girl. On the first day at his new school Leo Denton has one goal: to be invisible. Attracting the attention of the most beautiful girl in his class is definitely not part of that plan. When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School secrets have a funny habit of not staying secret for long, and soon everyone knows that Leo used to be a girl. As David prepares to come out to his family and transition into life as a girl and Leo wrestles with figuring out how to deal with people who try to define him through his history, they find in each other the friendship and support they need to navigate life as transgender teens as well as the courage to decide for themselves what normal really means.

The Imagination Thief Rohan Quine 2013-01-01 *The Imagination Thief* by Rohan Quine is about a web of secrets, triggered by the stealing and copying of people's imaginations and memories. It's about the magic that can be conjured up by images of people, in imagination or on film; the split between beauty and happiness in the world; and the allure of various kinds of power. A Distinguished Favorite in the NYC Big Book Award 2021, it celebrates some of the most extreme possibilities of human imagination, personality and language, exploring the darkest and brightest flavours of beauty living in our minds. Alone in his skyscraper office one night, Jaymi undergoes a transformation that will change his life: he acquires the power to see into others' minds, and then to control and project their thoughts. Realising the potential of this gift, he hypnotises a media mogul into agreeing to broadcast an electrifying

extravaganza of sound and vision emanating from Jaymi, the like of which has never been witnessed before, that will captivate millions. However, one of the mogul's underlings has more subversive plans for milking Jaymi's talent, involving the theft of others' imaginations and intimate memories for commercial gain. The broadcasting of his visions plunges Jaymi and his best friend Alaia on a journey into the underbelly of Asbury Park – a seaside town once full of life but now half-forgotten. The town's entire oceanfront is now almost a ghost town: ruled by gangsters and drug dealers, headed by Lucan, it is populated by lost souls and the beautiful who have fallen on hard times. Blackmailed into thieving the most private and primal memories and experiences from these people's imaginations, Jaymi discovers a web of secrets and provocations simmering beneath the surface of the town, about to explode. When a waxwork of Lucan's decapitated head is anonymously planted in his own bar, fear bubbles up, as everyone becomes a suspect in this unforgivable challenge to Lucan's dominance. Then when another provocative waxwork appears – a naked full-body modelling of Lucan's beautiful but tortured lover, Angel – Jaymi knows he must use his own gift to discover the perpetrator before Lucan does. Delving into and celebrating the most beautiful and extreme possibilities of human imagination, personality and love, *The Imagination Thief* is literary fiction, with a touch of magical realism and a dusting of horror. It explores the universal human predicaments of power, beauty, happiness, hopelessness, good and evil. Keywords: literary fiction, magical realism, dark fantasy, horror, gay, Asbury Park, psychic, New York, broadcast, imagination, transgender, contemporary, enhanced ebook

High School Girls Towa Oshima 2005-03-22 A true life account of the author's experience attending an all-girl private high school. Eriko, Yuma, and Ayano are three buddies about to enter the all-girl Yamasaki Private High School. Watch as their dreams and fantasies of the "sophisticated high class school" get crushed by reality. As the students come of age we witness their search for love, sexual controversy, and the rivalry between cliques.

series of ethnographic and archival studies of what Mukhopadhyay terms 'vernacular globalisation' in India. The book's six provocative but substantive chapters of the book engage a wide range of events, objects, histories, narratives and episodes with the intent of interrogating what Frantz Fanon called the 'zone of occult instability where the people dwell.' these chapters recount tales of quotidian commodity fetishism of rural cargo cults thriving on bazaar rumours about Chinese dumping in communist Calcutta, signpost desi cyberporn showcasing 'fat aunties' and Gandhi, dig deep into Indo-Persian travelogues about England and women's travel narratives to Japan embodying local traditions of cosmopolitanism, interrogate folk scroll paintings about 9/11 in the art historical mode and seek to uncover vernacular civic traditions of urbanism through an analysis of grotty slum photographs. The Rumour of Globalization presents facades of vernacular India negotiating globalising forces through a distinctive style of ethnography (fabulation) which is sensitive to subaltern political aspirations while maintaining a broad commitment to Marxist theory, Subaltern Studies scholarship and post-structuralist theory.

His at Night Sherry Thomas 2010-05-25 Love is hottest in the darkness before dawn. Elissande Edgerton is a desperate woman, a virtual prisoner in the home of her tyrannical uncle. Only through marriage can she claim the freedom she craves. But how to catch the perfect man? Lord Vere is used to baiting irresistible traps. As a secret agent for the government, he's tracked down some of the most devious criminals in London, all the while maintaining his cover as one of Society's most harmless—and idiotic—bachelors. But nothing can prepare him for the scandal of being ensnared by Elissande. Forced into a marriage of convenience, Elissande and Vere are each about to discover that they're not the only one with a hidden agenda. With seduction their only weapon—and a dark secret from the past endangering both their lives—can they learn to trust each other even as they surrender to a passion that won't be denied?

The Ansel Adams Wilderness Peter Essick 2014 Paying tribute to Ansel Adams and the California Sierra Nevada wilderness area named in his honor, an esteemed National Geographic photographer captures the fragile beauty of the High Sierras through the modern lens of digital photography.

I Am a Troll Swati Chaturvedi 2016 Indian social media is awash with right-wing trolls who incite online communal tension and abuse anyone who questions them. But who are they? How are they organized? In this explosive investigation, conducted over two years, Swati Chaturvedi finally lifts the veil over this murky subject

Asha Parekh The Hit Girl Khalid Mohamed 2017-04-10 Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumna of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by

Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s – felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines – she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

My Mom Is a Foreigner, But Not to Me Julianne Moore 2013-08-27 Discover this special ebook written and read by bestselling author and award-winning actress Julianne Moore! In My Mom Is a Foreigner, But Not to Me, Julianne Moore pays homage to all the Muttis, Mammias, and Mamans who are from another country. A foreign mom may eat, speak, and dress differently than other moms—she may wear special clothes for holidays, twist hair in strange old-fashioned braids, and cook recipes passed down from grandma. Such a mom may be different than other moms, but...she is also clearly the best. Vividly illustrated by Meilo So, this funny and heartwarming picture book about growing up in multiple cultures celebrates the diverse world in which we live. This version includes a read-along setting. If your device allows audio, you can listen along as Moore reads the story aloud!

Seize the Daylight David Prerau 2009-04-28 Benjamin Franklin conceived of it. Sir Arthur Conan Doyle endorsed it. Winston Churchill campaigned for it. Kaiser Wilhelm first employed it. Woodrow Wilson and Franklin Roosevelt went to war with it, and more recently the United States fought an energy crisis with it. For several months every year, for better or worse, daylight savings time affects vast numbers of people throughout the world. And from Ben Franklin's era to today, its story has been an intriguing and sometimes-bizarre amalgam of colorful personalities and serious technical issues, purported costs and perceived benefits, conflicts between interest groups and government policymakers. It impacts diverse and unexpected areas, including agricultural practices, street crime, the reporting of sports scores, traffic accidents, the inheritance rights of twins, and voter turnout. Illustrated with a popular look at science and history, Seize the Daylight presents an intriguing and surprisingly entertaining story of our attempt to regulate the sunlight hours.

Half Girlfriend Chetan Bhagat 2014-10-01

One Indian Girl Chetan Bhagat 2016-08-23 Chetan Bhagat is author of one blockbuster book, "One Indian Girl." A History of Saudi Arabia Madawi al-Rasheed 2002-07-11 Counter Saudi Arabia is a wealthy and powerful country which wields influence in the West and across the Islamic world. Yet it remains a closed society. Its history in the twentieth century is dominated by the story of state formation. After the collapse of the Ottoman Empire, Ibn Sa'ud fought a long campaign to bring together a disparate people from across the Arabian peninsula. In 1932 the Kingdom of Saudi Arabia was born. Madawi al-Rasheed traces its extraordinary history from the age of emirates in the nineteenth century, through the 1990 Gulf War, to the present day. She fuses chronology with analysis, personal experience with oral histories, and draws on local and foreign documents to illuminate the social and cultural life of the Saudis. This is a rich and rewarding book which will be invaluable to students, and to all those trying to understand the enigma of Saudi Arabia.-from publisher description at <http://catdir.loc.gov/catdir/description/cam022/2001043609.html>.

Illustrating Asia John A. Lent 2001-11-30 Illustrations used for story-telling and mirth-making have enlivened Asian walls, scrolls, books, public and private places, and artifacts for millennia. Often playful and humorous, Asian pictorial stories lent conspicuous elements to contemporary comic art, particularly with their use of narrative nuance, humor, satire, and dialogue. *Illustrating Asia* is a fascinating book on a subject that is of wide and topical interest. All of the articles consider cartoon and/or comic art in the historical and social setting of seven South, Southeast, and East Asian countries: India, Taiwan, Malaysia, Indonesia, Sri Lanka, China, and Japan. The contributors treat comic and narrative art—including comic books, comic strips, picture books, and humor and fan magazines—in both historical and socio-cultural perspectives, as well as portrayals of ancient Chinese philosophy, gender, and the enemy in cartoons and comics. Contributors: Laine Berman, John A. Lent, Fusami Ogi, Rei Okamoto, Ronald Provencher, Aruna Rao, Kuiyi Shen, Shimizu Isao, Shu-chu Wei, Yingjin Zhang.

India's Broken Tryst Tavleen Singh 2016-03-10 An indictment of India's political class by a veteran journalist Seventy years after Nehru's beautiful midnight speech -- 'Long years ago we made a tryst with destiny...' -- in Indian cities and villages millions survive on less than the bare minimum. Children are not in classrooms, women have nowhere safe to relieve themselves, and jobless men lie around in a daze. In cities, where initiative should flourish, a merciless state looms large over every common endeavour. The civilization that was India, that grand culture, has not found utterance again. Long years after freedom from the British, why do we remain suppressed? In *India's Broken Tryst*, bestselling author and popular political columnist Tavleen Singh chronicles the damage done. Here is the story of Surekha, who lives on the pavements of Mumbai's landmark Marine Drive with memories of crushing hunger. Of Ali, the idli seller who is forced out of his honest livelihood by cops and corporators. Of Sahib and Sardar, little boys torn from

their mother on the criminal charge of begging. Of those nameless servants who do not have access to toilets even as they service the luxury apartments where Singh lives. From the very poor to the very rich, Tavleen Singh catalogues in bold, eviscerating detail the systematic unmaking of our sense of destiny. Can an Indian dream stretch beyond food and water, literacy, toilets, and in some cases just a document of identification? If not, what destiny?

Appalachia and America Allen Batteau 2021-12-14 In this collection of fourteen essays, scholars of Appalachian culture and society examine how the people contend with and adapt to the pressures of change thrust upon them. Appalachia and America will appeal to a broad range of people interested in the southern mountains or in the policy issues of social welfare. It deals cogently with the newest form of conflict affecting not only communities in Appalachia, but urban and rural communities in America at large—the struggle for local values and ways of life in the face of distant and powerful bureaucracies.

The Kama Sutra of Vatsyayana Vatsyayana Kama Shastra Society of Lond 2020-06-29

The Essential Guide to World Comics Tim Pilcher 2005-10-24 Most people's perception of comicbooks is one of superheroes like Spider-Man and Batman. But it belies an art form that is not unique to the UK and USA. Practically every country in the world has its own thriving comicbook industry. In some countries like France, they are a highly regarded form of expression – The Ninth Art. While in Japan, comics are so integral to its culture and society that it would be impossible to imagine the country without them. The cultural impact of comics cannot be underestimated. Did you know that sales of Mexico's leading comic outstrip those of the country's bestselling daily newspaper by six to one? Or that comicbooks are often used to convey a very serious message (only recently a comic featuring Superman was distributed to 500,000 children in Kosovo to teach them how to spot and avoid land mines)? Arranged geographically, this book assesses the medium in every major area of the world, discussing the history of the genre, the comics and characters, the publishers, creators and artists. Regions covered include the UK and United States, central Europe (France, Belgium, Germany, Spain, Italy), Eastern Europe, Scandinavia, Japan and Asia, Africa, India, Central and South America, and Australasia. Including key feature spreads and a wealth of colour images – many of them unseen – this book is the first of its kind to provide a global picture of an often-underrated art form.

Be My Mummy Josie Metcalfe 1999 Lauren and Jack had met during training, but he vanished just when she needed him most. Lauren is upset to find the new staff member is Jack, who now had a small son Danny. When Danny is brought into hospital with appendicitis, he and Lauren are drawn to each other -- but why does this make Jack so edgy?

Only Ever Yours Louise O'Neill 2015-05-12 Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of Only Every Yours women are no longer born naturally, girls (called

"eves") are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known.

The Juvenile Sex Offender Howard E. Barbaree 1993-08-13 There has been an extraordinary amount of published research and theory on sexual assault by adult male offenders. Yet, little has been written about the juvenile or adolescent sex offender, either as a subject of study in his own right, or in an effort to understand the developmental processes which may lead to sexually assaultive behavior in adults. Filling a gap in the literature, this comprehensive volume provides a detailed examination of the juvenile sexual offender, and what is known about the development of sexually assaultive behavior. Written by leading researchers, chapters first define terms and concepts and outline the research, professional, and legal issues relevant to treatment of the juvenile sex offender. Salient historical, personality, and behavioral characteristics which may differentiate various important subgroupings of these offenders are also described. The book then focuses on the development of the juvenile sexual offender, and how this development differs from that of normal adolescents. Chapters examine how sexuality evolves and manifests itself in both the normal and the deviant teenager, and why deviant behaviors often continue into adulthood. Sexual arousal and preferences of the adolescent offender, and processes involving social bonds and influences on the development of deviant sexuality are also discussed. Finally, the book explores ways in which society might respond to prevent or control the occurrence of sexual assault by juveniles. A comprehensive approach to treatment is presented that encompasses criminal justice and mental health systems, cognitive-behavioral interventions, pharmacological approaches, relapse prevention, and supervision. Highly informative and useful, this text is particularly important to psychologists, psychiatrists, social workers, and other mental health clinicians working with juvenile sexual offenders, their families, and their victims. Similarly, professionals in forensic, developmental or child and family studies will also find it of particular interest. It also serves as an ideal text for advanced courses on juvenile sexual offenders, or as supplementary reading for students of forensic psychology or psychiatry.

New Cosmopolitanisms Gita Rajan 2006-02-09 This book offers an in-depth look at the ways in which technology, travel, and globalization have altered traditional patterns of immigration for South Asians who live and work in the United States, and explains how their popular cultural practices and aesthetic

desires are fulfilled. They are presented as the twenty-first century's "new cosmopolitans": flexible enough to adjust to globalization's economic, political, and cultural imperatives. They are thus uniquely adaptable to the mainstream cultures of the United States, but also vulnerable in a period when nationalism and security have become tools to maintain traditional power relations in a changing world.

Boys & Sex Peggy Orenstein 2020-01-07 NEW YORK TIMES BESTSELLER Now in paperback—Peggy Orenstein, author of the groundbreaking New York Times bestseller *Girls & Sex*, turns her focus to the sexual lives of young men. "Eye-opening... Every few pages, the boy world cracks open a little bit... Even in the most anxiety-provoking moments of *Boys & Sex*, it's clear that Orenstein believes in the goodness of boys and the men they can become, and she believes in us, as parents, to raise them" (New York Times Book Review). Peggy Orenstein's *Girls & Sex* broke ground, shattered taboos, and launched conversations about young women's right to pleasure and agency in sexual encounters. It also had an unexpected effect on its author: Orenstein realized that talking about girls is only half the conversation. Boys are subject to the same cultural forces as girls—steeped in the same distorted media images and binary stereotypes of female sexiness and toxic masculinity—which equally affect how they navigate sexual and emotional relationships. In *Boys & Sex*, Peggy Orenstein dives back into the lives of young people to once again give voice to the unspoken, revealing how young men understand and negotiate the new rules of physical and emotional intimacy. Drawing on comprehensive interviews with young men, psychologists, academics, and experts in the field, *Boys & Sex* dissects so-called locker room talk; how the word "hilarious" robs boys of empathy; pornography as the new sex education; boys' understanding of hookup culture and consent; and their experience as both victims and perpetrators of sexual violence. By surfacing young men's experience in all its complexity, Orenstein is able to unravel the hidden truths, hard lessons, and important realities of young male sexuality in today's world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.

Why Leaders Lie John J. Mearsheimer 2013 Presents an analysis of the lying behavior of political leaders, discussing the reasons why it occurs, the different types of lies, and the costs and benefits to the public and other countries that result from it, with examples from the recent past.

The Wrestler's Body Joseph S. Alter 1992-08-03 *The Wrestler's Body* tells the story of a way of life organized in terms of physical self-development. While Indian wrestlers are competitive athletes, they are also moral reformers whose conception of self and society is fundamentally somatic. Using the insights of anthropology, Joseph Alter writes an ethnography of the wrestler's physique that elucidates the somatic structure of the wrestler's identity and ideology. Young men in North India may choose to join an akhara, or gymnasium, where they subject themselves to a complex program of physical and moral fitness. Alter's first-hand description of each detail of the wrestler's regimen offers a unique

perspective on South Asian culture and society. Wrestlers feel that moral reform of Indian national character is essential and advocate their way of life as an ideology of national health. Everyone is called on to become a wrestler and build collective strength through self-discipline.

Post Grad Caroline Kitchener 2017-04-11 An honest and deeply reported account of five women and the opportunities and frustrations they face in the year following their graduation from an elite university. Recent Princeton graduate Caroline Kitchener weaves together her experiences from her first year after college with that of four of her peers in order to delve more deeply into what the world now offers a female college graduate, and how the world perceives them. Each of the five girls in this diverse group were expected to attend college—but most had no clear expectations for their futures post-graduation. And as Kitchener follows each member of the group, it becomes harder to reduce them to stereotypes, harder either to defend or to judge their choices. Kitchener navigates expertly between the very personal and the wider sociological perspectives as she outlines a chronological year in the lives of all five women, illuminating and clarifying each one of their choices, victories, and foibles. Both a broad and an intensely individual exploration, Post Grad is a portrait of the shifting environment of that important year after graduation, as well as an intimate look at how a select group of very different individuals handles its challenges—navigating family tensions, relationships, jobs, and that ever-elusive notion of independence.
