*Kapoors* Madhu Jain 2009-04-17 'We are like the Corleones in *The Godfather*'—Randhir Kapoor There is no film family quite like the Kapoors. A family of professional actors and directors, they span almost eighty years of film-making in India, from the 1920s to the present. Each decade in the history of Hindi films has had at least one Kapoor—if not more—playing a large part in defining it. Never before have four generations of this family—or five, if you include Bashesharnath Kapoor, Prithviraj Kapoor's father, who played the judge in *Awara*—been brought together in one book. *The Kapoors* details the professional careers and personal lives of each generation—box-office successes and failures, the ideologies that informed their work, the larger-than-life Kapoor weddings and Holi celebrations, their extraordinary romantic liaisons and family relationships, their love for food and their dark passages with alcohol. Based on extensive personal interviews conducted over seven years with family members and friends, Madhu Jain goes behind the façade of each member of the Kapoor clan to reveal what makes them tick. *The Kapoors* resembles the films that the great showman Raj Kapoor made: grand and sweeping, with moments of high drama and touching emotion. 'Few books on Indian cinema have been written with such wit, clarity and sparkle'—*Outlook* 'Jain writes in a language that is simple and pithy. . . it will keep alive public interest in the Kapoors who refuse to call it a day'—*Telegraph* 'Immensely readable...will surely find a place in the Indian cineaste's library'—*Biblio*

**Multivariable Model - Building** Patrick Royston 2008-09-15 Multivariable regression models are of fundamental importance in all areas of science in which empirical data must be analyzed. This book proposes a systematic approach to building such models based on standard principles of statistical modeling. The main emphasis is on the fractional polynomial method for modeling the influence of

continuous variables in a multivariable context, a topic for which there is no standard approach. Existing options range from very simple step functions to highly complex adaptive methods such as multivariate splines with many knots and penalisation. This new approach, developed in part by the authors over the last decade, is a compromise which promotes interpretable, comprehensible and transportable models.

*Apostle* Tom Bissell 2017-02-07 The story of Twelve Apostles is the story of early Christianity: its competing versions of Jesus's ministry, its countless schisms, and its ultimate evolution from an obscure Jewish sect to the global faith we know today in all its forms and permutations. In his quest to understand the underpinnings of the world's largest religion, Tom Bissell embarks on a years-long pilgrimage to the apostles' supposed tombs, traveling from Jerusalem and Rome to Turkey, Greece, Spain, France, India, and Kyrgyzstan. Love and Sex in Islam Abdullah R. Muhametov 2013-04-15 Everything you wanted to know about sex and love in Islam, but were hesitant to ask about: polygamy, contraception allowed by Sharia, oral and group sex, homosexual marriages and also the relationship with jinns, masturbation and mysteries of martial relations - all that is allowed and all that is prohibited in sexual relations in this noble and pure religion. Many people both in the West and Russia continue to have a mistaken illusion that love, sex and variability of relations between man and woman are either suppressed in Islam or in contrary exceed all norms of decency. The book is an insight into this matter. The Muslim man is perceived as an ideal type of an always ready sexual partner. *Love and Sex in Islam* lifts the veil covering the delicate theme, in which the phenomena seeming incompatible turn out to be good neighbors.

*Speak* Laurie Halse Anderson 2011-05-10 The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

*Maison Et Le Monde* Dayanita Singh 2008 This book accompanies a travelling exhibition of the work of two well-known Indian photographers, Raghubir Singh and Dayanita Singh. Raghubir Singhs photographs in *The Home and the World* focus on the Ambassador, the iconic car inherited from the British. In these photographs, shot mostly in the last years of his life, the doors and windshield of the car become the frame to the image. In some, black planes block out large parts of the image; the result is a series of almost abstract photographs. Dayanita Singhs work is taken from two recent Steidl books. In *Go Away Closer* Singh considers opposites in India: presence and absence, reality and dreams, tradition and progress. Such opposites are ultimately irreconcilable, as embodied by the paradox of the books title. Singh embraces this uncertainty, and presents visual clues in her photographs into which the viewer can read his or her own biography. *Sent A Letter* brings together seven of Singhs small photo journals of her travels in India over recent years. Each book was made with a certain person in mind, either someone she has made the journey with or that was on her mind on her travels. The diaries are in accordion folds and each opens into a mini private exhibition.

*Translation of the Holy Quran in English* Maulana Muhammad Ali 2013-12-25 The Quran, literally meaning "the recitation," also romanised (Koran) is the central religious text of Islam, which Muslims believe to be a revelation from God (Arabic: Allah). It is widely regarded as the finest piece of literature in the Arabic language. Muslims consider the Quran to be the only book that has been protected by God from distortion or corruption. Quranic chapters are called suras and verses are called ayahs. Muslims believe that the Quran was verbally revealed from God to Muhammad through the angel Gabriel (Jibril), gradually over a period of approximately 23 years, beginning on 22 December 609 CE, when Muhammad (Peace be upon Him) was 40, and concluding in 632 CE, the year of his death. Shortly after Muhammad's death, the Quran was collected by his companions using written Quranic materials and everything that had been memorized of the Quran. Muslims regard the Quran as the most important miracle of Muhammad, the proof of his prophet hood and the culmination of a series of divine messages that started with the messages revealed to Adam and ended with Muhammad. The Quran assumes familiarity with major narratives recounted in the Jewish and Christian scriptures. It summarizes some,

dwells at length on others and, in some cases, presents alternative accounts and interpretations of events. The Quran describes itself as a book of guidance. It sometimes offers detailed accounts of specific historical events, and it often emphasizes the moral significance of an event over its narrative sequence. The Quran is used along with the hadith to interpret sharia law. During prayers, the Quran is recited only in Arabic. Someone who has memorized the entire Quran is called a hafiz. Some Muslims read Quranic ayahs (verses) with elocution, which is often called tajweed. During the month of Ramadan, Muslims typically complete the recitation of the whole Quran during tarawih prayers. Inimitability of the Quran (or "I'jaz") is the belief that no human speech can match the Quran in its content and form. The Quran is considered an inimitable miracle by Muslims, effective until the Day of Resurrection-and, thereby, the central proof granted to Muhammad in authentication of his prophetic status. The concept of inimitability originates in the Quran where in five different verses challenges opponents to produce something like the Quran: "If men and sprites banded together to produce the like of this Quran they would never produce its like not though they backed one another" (17:88). So the suggestion is that if there are doubts concerning the divine authorship of the Quran come forward and create something like it. From the ninth century, numerous works appeared which studied the Quran and examined its style and content. Medieval Muslim scholars including al-Jurjani (d. 1078CE) and al-Baqillani (d. 1013CE) have written treatises on the subject, discussed its various aspects, and used linguistic approaches to study the Quran. Others argue that the Quran contains noble ideas, has inner meanings, maintained its freshness through the ages and has caused great transformations in individual level and in the history. Some scholars state that the Quran contains scientific information that agrees with modern science. The doctrine of miraculousness of the Quran is further emphasized by Muhammad's illiteracy since the unlettered prophet could not have been suspected of composing the Quran.

**Khullam Khulla** Rishi Kapoor 2017-01-15 Son of a famous father. Father of a famous son. I am the hyphen between them. Only, Rishi Kapoor was and is so much more. Few actors in Hindi cinema have had this sort of a career arc: from the gawky adolescent pining for his schoolteacher (*Mera Naam Joker*, 1970) to the naughty ninety-year-old (Kapoor & Sons, 2016), Rishi Kapoor has regaled audiences for close to fifty years. He won a National Award for his debut, became an overnight sensation with his first film as a leading man (*Bobby*, 1973), and carved a niche for himself with a string of romantic musical blockbusters in an era known for its angst-ridden films. He was the youth icon that is still the toast of the satellite TV circuit. The songs he lip-synced are the bread and butter of all radio stations even today. Then there was the second coming after a brief hiatus in the 1990s - as one of the finest actors in mainstream Hindi cinema with powerhouse performances in films like *Do Dooni Chaar*, *D-Day*, *Agneepath* and others. Characteristically candid, Rishi Kapoor brings Punjabi brio to the writing of *Khullam Khulla*. This is as up close and personal a biography as any fan could have hoped for. He writes about growing up in the shadow of a legendary father, skipping school to act in *Mera Naam Joker*, the workings of the musical hits of the era, an encounter with Dawood Ibrahim, his heroines (their working relationship, the gossip and the frisson that was sometimes real), his approach to his craft, his tryst with clinical depression, and more. A foreword by Ranbir Kapoor and a stirring afterword by Neetu Singh bookend the warmest, most dil se biography an Indian star has ever penned.

**The Lolita Effect** M. Gigi Durham 2009-06-30 Pop culture—and the advertising that surrounds it—teaches young girls and boys five myths about sex and sexuality: Girls don't choose boys, boys choose girls—but only sexy girls; there's only one kind of sexy—slender, curvy, white beauty; girls should work to be that type of sexy; the younger a girl is, the sexier she is; and sexual violence can be hot. Together, these five myths make up the Lolita Effect, the mass media trends that work to undermine girls' self-confidence, that condone female objectification, and that tacitly foster sex crimes. But identifying these myths and breaking them down can help girls learn to recognize progressive and healthy sexuality and protect themselves from degrading media ideas and sexual vulnerability.

*Bollywood Cinema* Vijay Mishra 2013-08-21 India is home to Bollywood - the largest film industry in the

world. Movie theaters are said to be the "temples of modern India," with Bombay producing nearly 800 films per year that are viewed by roughly 11 million people per day. In Bollywood Cinema, Vijay Mishra argues that Indian film production and reception is shaped by the desire for national community and a pan-Indian popular culture. Seeking to understand Bollywood according to its own narrative and aesthetic principles and in relation to a global film industry, he views Indian cinema through the dual methodologies of postcolonial studies and film theory. Mishra discusses classics such as *Mother India* (1957) and *Devdas* (1935) and recent films including *Ram Lakhan* (1989) and *Khalnayak* (1993), linking their form and content to broader issues of national identity, epic tradition, popular culture, history, and the implications of diaspora.

**Bollywood Baddies** Tapan K. Ghosh 2013-03-26 *Bollywood Baddies* is the first-of-its-kind book-length narrative of villainy in Hindi films. It discusses villains, vamps, and henchmen of Bollywood cinema, and also the actors who essayed such characters over the decades. The author discusses not just villains but also the evaluation of villainous characters vis-à-vis sociopolitical conditions in the country. The narrative begins with Ashok Kumar's negative role in *Kismet* as early as 1943, and goes up to the *Agneepath* remake (2012), where Sanjay Dutt plays Kancha Cheena, earlier essayed by Danny Denzongpa in the original. In between, it discusses all major villains, from Lala Sukhram (*Mother India*) to *Gabbar* (*Sholay*) to "Lion" Ajit (Kalicharan) to *Mogambo* (*Mr. India*), and many others. While keeping villains in the focus, it also discusses popular henchmen and vamps, like M B Shetty, Sharat Saxena, Nadira, Bindu, Helen, among others, to understand the dimension of the villains' empire. After all, it's our villains who make our protagonist the hero we all admire. An engrossing read, this book is for every film buff.

**Asha Parekh The Hit Girl** Khalid Mohamed 2017-04-10 Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumna of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer *Dil Deke Dekho*. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

**Haunting Bollywood** Meheli Sen 2017-03-01 *Haunting Bollywood* is a pioneering, interdisciplinary inquiry into the supernatural in Hindi cinema that draws from literary criticism, postcolonial studies, queer theory, history, and cultural studies. Hindi commercial cinema has been invested in the supernatural since its earliest days, but only a small segment of these films have been adequately explored in scholarly work; this book addresses this gap by focusing on some of Hindi cinema's least

explored genres. From Gothic ghost films of the 1950s to snake films of the 1970s and 1980s to today's globally influenced zombie and vampire films, Meheli Sen delves into what the supernatural is and the varied modalities through which it raises questions of film form, history, modernity, and gender in South Asian public cultures. Arguing that the supernatural is dispersed among multiple genres and constantly in conversation with global cinematic forms, she demonstrates that it is an especially malleable impulse that routinely pushes Hindi film into new formal and stylistic territories. Sen also argues that gender is a particularly accommodating stage on which the supernatural rehearses its most basic compulsions; thus, the interface between gender and genre provides an exceptionally productive lens into Hindi cinema's negotiation of the modern and the global. Haunting Bollywood reveals that the supernatural's unruly energies continually resist containment, even as they partake of and sometimes subvert Hindi cinema's most enduring pleasures, from songs and stars to myth and melodrama.
