The Spell of the Sensuous David Abram 2012-10-17 Winner of the International Lannan Literary Award for Nonfiction Animal tracks, word magic, the speech of stones, the power of letters, and the taste of the wind all figure prominently in this intellectual tour de force that returns us to our senses and to the sensuous terrain that sustains us. This major work of ecological philosophy startles the senses out of habitual ways of perception. For a thousand generations, human beings viewed themselves as part of the wider community of nature, and they carried on active relationships not only with other people with other animals, plants, and natural objects (including mountains, rivers, winds, and weather patters) that we have only lately come to think of as "inanimate." How, then, did humans come to sever their ancient reciprocity with the natural world? What will it take for us to recover a sustaining relation with the breathing earth? In *The Spell of the Sensuous* David Abram draws on sources as diverse as the philosophy of Merleau-Ponty, Balinese shamanism, Apache storytelling, and his own experience as an accomplished sleight-of-hand of magician to reveal the subtle dependence of human cognition on the natural environment. He explores the character of perception and excavates the sensual foundations of language, which--even at its most abstract--echoes the calls and cries of the earth. On every page of this lyrical work, Abram weaves his arguments with a passion, a precision, and an intellectual daring that recall such writers as Loren Eiseley, Annie Dillard, and Barry Lopez.

Mystery Babylon - When Jerusalem Embraces the Antichrist: An Exposition of Revelation 18 and 19
Chris White 2013-09 "And the woman which thou sawest is that great city, which reigneth over the kings of the earth." - Revelation 17:18 Which city is this that reigns over all the kings of the earth? Rome? New York? Mecca? There are over 90 Characteristics given in the book of Revelation about the city of Mystery Babylon, and none of these three cities meets all of the criteria. But there is one city that does...or should I say will. Too often people look for the city of Mystery Babylon in history, or in their present day, as opposed to what the scriptures say we will see in the future. The Bible tells us exactly which city will be the capital city of the Antichrist in the last days, it tells us the city that will promote the Antichrist's worship to the rest of the world, and the city in which the Antichrist will institute the greatest persecution of all time. That city is Jerusalem. The city of Mystery Babylon will be Jerusalem when it embraces the Antichrist as if he was their long awaited Messiah. The reason that she is referred to as a "harlot" is the same reason she was referred to as a harlot hundreds of times in scripture, because she is committing spiritual adultery. "How is the faithful city become an harlot! - Isaiah 1:21a Consider just a few similarities between Mystery Babylon and Jerusalem: 1.) Mystery Babylon is said to kill the prophets in Revelation 18:24. Yet the only city that has ever been recorded as killing the prophets is Jerusalem: "O Jerusalem, Jerusalem, thou that killest the prophets..." - Matthew 23:37 2.) The Bible says that Mystery Babylon will be held accountable for ALL the righteous blood shed on the earth. Yet Jesus said the exact same thing about Jerusalem: "That upon you may come all the righteous blood shed upon the earth..." - Mat 23:35a This is just scratching the surface. In the last days the Antichrist will seek to convince the Jews that their Messiah has finally come, he will seek to make them, and the rest of the world think that the kingdom age has begun. This is the only view of Mystery Babylon that can withstand a meticulous verse by verse examination. *Find out about the "seven hills" and why the bible refers to them as "kings" in almost every bible translation. *Find out why every item brought to Mystery Babylon are used for temple construction, daily sacrifice, and a vast, worldwide pilgrimage system.
