*Noches que eyaculan sangre, dolor y vino* Carlos Kaballero 2020-05-25 PRÓLOGO. ¿Qué tendrá la noche que nos atrae tanto? Sobre todo a los seres solitarios, a los inconformes, a los inadaptados, a los curiosos, a los pensantes, a los suicidas. La noche tiene ese magistral poder de hacernos sentir especiales, de hacernos sentir que, de alguna manera, podemos pasar desapercibidos ante los implacables y acusatorios ojos del mundo. Son las cinco y veinte de una madrugada cualquiera, una botella de vino me acompaña silenciosamente sobre la mesa, me observa con el mismo deseo que el infiel contempla a su amante. El vino es un buen acompañante para noches como estas, nunca promete más de lo que puede cumplir, y eso es exactamente lo poco y mucho que yo le pido. Mi más íntima o íntimo desconocido, que este libro que sujetas entre tus manos te acompañe como una buena botella de vino durante una larga y tediosa madrugada. Te prometo que aquí nadie te mira, nadie te observa, nadie te juzga; puedes sentirte libre. Nos vemos entre sus páginas.

**Sexual Life In Ancient Greece** Hans Licht 2013-10-28 First published in 2001. From Ancient Greece, modern Western civilisation has derived many of its artistic philosophical and political ideas. But, in certain areas of sexual tolerance and inventiveness, we still have much to learn from the land and age which produced the most flourishing and creative culture of the ancient world. Professor Hans Licht, in this erudite and fascinating book, discusses in full every aspect of the Ancient Greek's sexual life.

**A Short Philosophy of Birds** Philippe J. Dubois 2019-09-24 "This little book does a beautiful job of inspiring awe for the capacities of birds and applying lessons from their lives to the struggles of humanity" — Wall Street Journal "Brilliant, magical and engrossing—I will never see birds the same way again." — Peter Wohlleben, author of *The Hidden Life of Trees* THE INTERNATIONAL PHENOMENON Twenty-two short lessons from the secret lives of birds on living harmoniously and reconnecting with nature. This charming volume on bird behavior invites us to take a step back from our busy lives and to listen to the tiny philosophers of the sky. From the delicate sparrow to the majestic eagle, birds are among the most fascinating species on earth, and there is much to be learned from these paragons of beauty and grace that can be applied to our lives, including: Independence: what it means to be "pushed out of the nest." Vulnerability: what the mallard teaches us about giving up our old feathers for new ones in order to fly. Gender equality: what happens when a papa Turtledove sits on the nest. Hierarchy and power: what the raven and the vulture know about the pecking order. Filled with elegant illustrations of bird species, this gem of a book celebrates our friends in the sky, and what they can teach us about the rhythms of life.

*Sophie Podolski. Le Pays Où Tout Est Permis* Jean-Philippe Convert 2018 The first monograph dedicated to the visual art of Belgian cult poet and writer Sophie Podolski (1953-1974) features original essays, previously unpublished drawings and texts, and selected translations of her handwritten, illustrated manuscript 'The Country Where Everything Is Permitted' (1972). The contributing writers each explore specific iconographies that are crystallized in Podolski's remarkable graphic oeuvre, considering her highly personal vocabulary and uninhibited style against the backdrop of the late 1960s' and early 1970s' counterculture. Founded on new research that underpinned her solo exhibitions at WIELS (Brussels) and Villa Vassilieff (Paris), this book brings Podolski's lost art into the limelight. Exhibition: Wiels, Brussels, Belgium (20.01 ? 01.04.2018) / Villa Vassilieff, Paris, France (21.04. - 07.07.2018).

## DESVIRGANDO A LA NOCHE CON POEMAS SUICID

**From the Observatory** Julio Cortázar 2011 "A daring talent. . . Cortázar is a dazzler."?San Francisco Chronicle

This lyrical, ethereal text interwoven with Julio Cortázar's own stunning photos from an abandoned observatory?never before translated into English?is perhaps Cortázar's most unconventional work. With a dream-logic of its own, the narrative flows from Jaipur to Paris, weaving in glimpses of the unearthly structures of a magical observatory (the brainchild of a local sultan) with descriptions of the life cycle of the Atlantic eel. Julio Cortázar (1914?1984) is one of the true giants of twentieth century Latin American literature. His previous works include *Autonauts of the Cosmoroute*, *Diary of Andrés Fava* (Archipelago Books), *Hopscotch*, and numerous collections of short stories.

**My Voice Because of You** Pedro Salinas The Spanish poet Pedro Salinas is a member of that group of brilliant and original poets called the Generation of 1927, a group which includes Rafael Alberti, Jorge Guillén, Luis Cernuda, Vicente Aleixandre, and Federico García Lorca. First published as *La voz a ti debida* in Madrid in 1933, Salinas's sequence of seventy poems is his most famous work, and is thought by many to be the best book of love poetry written in this century. Willis Barnstone's translation makes it available as a whole for the first time in English. As part of Spain's vanguard movement, Salinas believed in reviving elements from earlier eras, as is demonstrated by a title such as *Razón de amor* (from the medieval *Sermon of Love*), as well as *Largo Lamento* and *La voz a ti debida* (from the Renaissance poet Garcilaso de la Vega). Salinas shows a natural affinity with the intricate objectivity of the baroque poet Góngora, and continues the Spanish mystical tradition while reaching the metaphysical through human love. And though he learned much from earlier eras, he is also very much of this century, as is seen in his imagery of typewriters, telephones, and car radiators, all deftly handled through a variety of poetic moods. In fact, few modern poets have so discerningly employed the external data of our experience as transformed through the emotions and imagination. For Salinas "Telegraph wires carry kisses." He is by turns playful, ironic, sentimental, and despairing, leading us through love's sense of amazement, humor, tragedy. Salinas's confessional persona speaks with extraordinary power, and the poems operate both individually and cumulatively. Willis Barnstone's translation captures the changing tones of the poet's internal journey, giving us a deep sense of the variety and poignancy found in the original. *My Voice Because of You* has been accepted in UNESCO's series of translations of European literature.

**In-Yer-Face Theatre** Aleks Sierz 2014-10-23 The most controversial and newsworthy plays of British theatre are a rash of rude, vicious and provocative pieces by a brat pack of twentysomethings whose debuts startled critics and audiences with their heady mix of sex, violence and street-poetry. *In-Yer-Face Theatre* is the first book to study this exciting outburst of creative self-expression by what in other contexts has been called Generation X, or Thatcher's Children, the 'yoof' who grew up during the last Conservative Government. The book argues that, for example, *Trainspotting*, *Blasted*, *Mojo* and *Shopping and F\*\*king* are much more than a collection of shock tactics - taken together, they represent a consistent critique of modern life, one which focuses on the problem of violence, the crisis of masculinity and the futility of consumerism. The book contains extensive interviews with playwrights, including Sarah Kane (*Blasted*), Mark Ravenhill (*Shopping and F\*\*king*), Philip Ridley (*The Pitchfork Disney*), Patrick Marber (*Closer*) and Martin McDonagh (*The Beauty Queen of Leenane*).

**Dirt for Art's Sake** Elisabeth Ladenson 2012-11-26 In *Dirt for Art's Sake*, Elisabeth Ladenson recounts the most

visible of modern obscenity trials involving scandalous books and their authors. What, she asks, do these often-colorful legal histories have to tell us about the works themselves and about a changing cultural climate that first treated them as filth and later celebrated them as masterpieces? Ladenson's narrative starts with *Madame Bovary* (Flaubert was tried in France in 1857) and finishes with *Fanny Hill* (written in the eighteenth century, put on trial in the United States in 1966); she considers, along the way, *Les Fleurs du Mal*, *Ulysses*, *The Well of Loneliness*, *Lady Chatterley's Lover*, *Tropic of Cancer*, *Lolita*, and the works of the Marquis de Sade. Over the course of roughly a century, Ladenson finds, two ideas that had been circulating in the form of avant-garde heresy gradually became accepted as truisms, and eventually as grounds for legal defense. The first is captured in the formula "art for art's sake" the notion that a work of art exists in a realm independent of conventional morality. The second is realism, vilified by its critics as "dirt for dirt's sake." In Ladenson's view, the truth of the matter is closer to "dirt for art's sake" the idea that the work of art may legitimately include the representation of all aspects of life, including the unpleasant and the sordid. Ladenson also considers cinematic adaptations of these novels, among them Vincente Minnelli's *Madame Bovary*, Stanley Kubrick's *Lolita* and the 1997 remake directed by Adrian Lyne, and various attempts to translate de Sade's works and life into film, which faced similar censorship travails. Written with a keen awareness of ongoing debates about free speech, *Dirt for Art's Sake* traces the legal and social acceptance of controversial works with critical acumen and delightful wit.

**Save Twilight** Julio Cortazar 1997-12 "Selections from Cortázar's 1984 collection *Salvo el crepúsculo* (see HLAS 50:3601), including prose commentaries from that volume. En face. Highly accomplished, colloquial translations. Short translator's preface; biographical note. Selection 'attemptsto represent the range of Cortázar's poetic accomplishment' without traditional organization, following original volume's method. Excellent contribution to bibliography"--*Handbook of Latin American Studies*, v. 58.

**The Death of Empedocles** Friedrich Holderlin 2008-07-06 The definitive scholarly edition and new translation of all three versions of Hölderlin's poem, *The Death of Empedocles*, and his related theoretical essays.

*Critical Resistance* David Couzens Hoy 2005-08-12 This book serves as both an introduction to the concept of resistance in poststructuralist thought and an original contribution to the continuing philosophical discussion of this topic. How can a body of thought that mistrusts universal principles explain the possibility of critical resistance? Without appeals to abstract norms, how can emancipatory resistance be distinguished from domination? Can there be a poststructuralist ethics? David Hoy explores these crucial questions through lucid readings of Nietzsche, Foucault, Bourdieu, Derrida, and others. He traces the genealogy of resistance from Nietzsche's break with the Cartesian concept of consciousness to Foucault's and Bourdieu's theories of how subjects are formed through embodied social practices. He also considers Levinas, Heidegger, and Derrida on the sources of ethical resistance. Finally, in light of current social theory from Judith Butler to Slavoj Žižek, he challenges "poststructuralism" as a category and suggests the term "post-critique" as a more accurate description of contemporary Continental philosophy. Hoy is a leading American scholar of poststructuralism. *Critical Resistance* is the only book in English that deals substantively with the topical concept of resistance in relation to poststructuralist thought, discussions of which have dominated Continental social thought for many years.

**Desvirgando a la noche con poemas suicidas** Carlos Kaballero 2018-04-26 Carlos Kaballero, el poeta de redes que reformula el realismo sucio con un poemario repleto de crítica social y nocturnidad. Estas páginas están hechas de insomnio. Cada una de sus palabras es un trozo de madrugada. Textos escritos en la noche, sobre la noche y para la noche... Porque el amor, la vida, la soledad, el sexo y el mundo se ven de un modo distinto bajo la luz de un flexo en la ciudad callada. Porque la angustia de la falta de sueño transporta a un lugar brumoso en el que se confunde la realidad... O tal vez al contrario, se vea todo demasiado claro. «Tú encárgate de vivir y de hacerme vivir contigo, yo me encargaré de dejar todo esto por escrito.»

**The Notebook** Jose Saramago 2011-05-01 Thought-provoking and lyrical, *The Notebook* records the last year in the life of José Saramago. In these pages, beginning on the eve of the 2008 US presidential election, he evokes life in his beloved city of Lisbon, revisits conversations with friends, and meditates on his favorite authors. Precise observations and moments of arresting significance are rendered with pointillist detail, and together demonstrate an acute understanding of our times. Characteristically critical and uncompromising, Saramago dissects the financial crisis, deplores Israel's punishment of Gaza, and reflects on the rise of Barack Obama. *The Notebook* is a unique journey into the personal and political world of one of the greatest writers of our time.

*A Wave* John Ashbery 2014-09-09 One of Ashbery's most acclaimed and beloved collections since *Self-Portrait in a Convex Mirror*, filled with his signature wit and generous intelligence The poems in John Ashbery's award-winning 1984 collection *A Wave* address the impermanence of language, the nature of mortality, and the fluidity of consciousness—matters of life and death that in other hands might run the risk of sentimentality. For John Ashbery, however, these considerations provide an opportunity to display his prodigious poetic gifts: the unerring ear for our evolving modern language and its ever-expanding universe of meanings, the fierce eye trained on glimmers underwater, and the wry humor that runs through observations both surprising and familiar. As the poem "The Path to the White Moon" has it, "We know what is coming, that we are moving / Dangerously and gracefully / Toward the resolution of time / Blurred but alive with many separate meanings / Inside this conversation." The long title poem of *A Wave*, which closes the book, is considered one of Ashbery's most distinguished works, praised by critic Helen Vendler for its "genius for a free and accurate American rendition of very elusive inner feelings, and especially for transitive states between feelings." Winner of both the Lenore Marshall Poetry Prize and the Bollingen Prize, this book is one to be read, reread, and remembered.

**Letters I Keep Under the Pillow** Miguel Lopez 2017-04-16 **LETTERS I KEEP UNDER THE PILLOW** is a compilation of letters written as poems in prose format, with the intention of capturing hidden, sometimes hermetic emotions, product of the author's nocturnal meditation. It is an invitation to desire and distant dream, impossible. It is a mark that is written inside the soul, where the mind strives to achieve peace and find resilience. "Sometimes the soul needs to express some words that have no real possibility of reaching the recipient. During those nights of tranquility, being with myself, and allowing the computer keyboard to pick up each of the emotions that were flowing, A large number of writings were accumulated today that I present in this edition. I hope you can enjoy both the explicit and hermetic of these lines. " Miguel Lopez

**In Real Life** Leticia Sala 2020-09-01 *In Real Life: An Online Love Story* is the first of its kind—a bilingual novel-in-poetry written by popular Spanish-language poet Leticia Sala. *In Real Life* is not only about a young Barcelona woman who finds romance online thousands of miles away in New York City, it is also an ode to the

titanic effort required in staying loyal to a commitment and her own individuality in the silicon age. Told in a poetic key, the fate of this couple, whose relationship begins with love at first like, offers a fractured mosaic of essential moments crowded with insecurities and urban neuroses, both contemporary and universal. The characters in the work of Leticia Sala seek light in the chaos churned out by modern culture and are always treated by the author with compassion, regard, and respect for their unfolding desires. In *Real Life* captures our infatuation with technology and finding new ways of relating to one another, our fascination with travel and language, and our age-old obsession with that right to love and feel loved.

*Patagonian Hare* Claude Lanzmann 2015-06-01 The unforgettable memoir of 70 years of contemporary and personal history from the great French filmmaker, journalist and intellectual Claude Lanzmann Born to a Jewish family in Paris, 1925, Lanzmann's first encounter with radicalism was as part of the Resistance during the Nazi occupation. He and his father were soldiers of the underground until the end of the war, smuggling arms and making raids on the German army. After the liberation of France, he studied philosophy at the Sorbonne, making money as a student in surprising ways (by dressing as a priest and collecting donations, and stealing philosophy books from bookshops). It was in Paris however, that he met Jean-Paul Sartre and Simone de Beauvoir. It was a life-changing meeting. The young man began an affair with the older de Beauvoir that would last for seven years. He became the editor of Sartre's political-literary journal, *Les Temps Modernes*—a position which he holds to this day—and came to know the most important literary and philosophical figures of postwar France. And all this before he was 30 years old. Written in precise, rich prose of rare beauty, organized—like human recollection itself—in interconnected fragments that eschew conventional chronology, and describing in detail the making of his seminal film *Shoah*, *The Patagonian Hare* becomes a work of art, more significant, more ambitious than mere memoir. In it, Lanzmann has created a love song to life balanced by the eye of a true auteur.

*Clockwork Princess* Cassandra Clare 2014-11-11 When seventeen-year-old orphaned shapechanger Tessa Gray is kidnapped by the villainous Mortmain in his final bid for power, the London Institute rallies to save her, but is beset by danger and betrayal at every turn.

*Auguries of Innocence* Patti Smith 2009-10-06 *Auguries of Innocence* is the first book of poetry from Patti Smith in more than a decade. It marks a major accomplishment from a poet and performer who has inscribed her vision of our world in powerful anthems, ballads, and lyrics. In this intimate and searing collection of poems, Smith joins in that great tradition of troubadours, journeymen, wordsmiths, and artists who respond to the world around them in fresh and original language. Her influences are eclectic and striking: Blake, Rimbaud, Picasso, Arbus, and Johnny Appleseed. Smith is an American original; her poems are oracles for our times.

**The Most Foreign Country** Alejandra Pizarnik 2017 Poetry. Translated from the Spanish by Yvette Siegert. First published in 1955 and now translated for the first time into English, *THE MOST FOREIGN COUNTRY*

is Alejandra Pizarnik's debut collection. Here, the nineteen year old poet begins to explore the themes that will shape and define her vision: the solitude of the poetic self, the longing for artistic depth, and the tenuous nearness of death. By turns probing and playful, bold and difficult, Pizarnik's earliest poems teem with an exuberant desire "to grab hold of everything" and to create a language that tests the limits of origin, paradox, and death."

**Diana's Tree** ALEJANDRA. PIZARNIK 2020-03-27 Diana's Tree is an important book - written in Paris, where she lived for four years - and the first really mature work (1962) by Alejandra Pizarnik (1936-1972), increasingly recognised as one of the major poetic voices of the second half of the 20th century in Latin America. "Reading Anna Deeny Morales's incisive translation of Alejandra Pizarnik is like experiencing Walter de Maria's Lightning Field - not in the New Mexico desert, but inside you. Psychologically strained and emotionally saturated, Pizarnik's poetry has electrified readers for more than sixty years. As gnomic, dreamy, passionate, and dark as the originals, Deeny's translations leave you singed - and glowing." --Forrest Gander

Ending the Siege of Leningrad Carlos Caballero Jurado 2020-07-30 The Battle of Krasny Bor in 1943 was part of the Soviet Red Army's efforts to lift the blockade of Leningrad, one of the longest and most destructive in history. Previous works on the Battle of Krasny Bor have focused primarily on the infantry involved, especially when using veteran testimonies, and the use of artillery has been conspicuously absent. This book aims to put the reader right in the heart of the battle, describing the action from an artilleryman's point of view, seeing it fundamentally as a duel between the Soviet and German-Spanish soldiers.

Witness Mario Benedetti 2012 "It gives me great pleasure to see the work of Benedetti, one of the great poets of our language, made available to US readers in Popkin's wonderful translations. Her carefully crafted adaptations of Mario's poems convey all the wisdom, nostalgia, and irony that inform his verses in language that retains their musicality. Anyone who has translated poetry will appreciate what an accomplishment that represents."—Claribel Alegria Mario Benedetti (1920–2009) is regarded as one of Latin America's most important twentieth-century writers and one of Uruguay's most revered writers of novels, short stories, poetry, plays, and essays.
