The Earl of Wrexford possesses a brilliant scientific mind, but boredom and pride lead him to reckless behavior. So when pompous, pious Reverend Josiah Holworthy publicly condemns him for debauchery, Wrexford unsheathes his rapier-sharp wit and strikes back. As their war of words escalates, London's most popular satirical cartoonist, A.J. Quill, skewers them both. But then the clergyman is found slain in a church—his face burned by chemicals, his throat slashed ear to ear—and Wrexford finds himself the chief suspect. An artist in her own right, Charlotte Sloane has secretly slipped into the persona of her late husband, using his nom de plume, A.J. Quill. When Wrexford discovers her true identity, she fears it will be her undoing. But he has a proposal—use her sources to unveil the clergyman's clandestine involvement in questionable scientific practices, and unmask the real murderer. Soon Lord Wrexford and the mysterious Mrs. Sloane plunge into a dangerous shadow world hidden among London's intellectual enclaves to trap a cunning adversary—before they fall victim to the next experiment in villainy . . . Lady of Ashes Christine Trent 2012-03-01 A female undertaker in Victorian London suspects death by unnatural causes in a mystery “rich with historical incidents and details” (Publishers Weekly). While her husband, Graham, is preoccupied with elevating their station in society, Violet is cultivating a sterling reputation for Morgan Undertaking. She is empathetic, well-versed in funeral fashions, and comfortable with death’s role in life—until its chilling rattle comes knocking on her own front door. Violet’s peculiar but happy life soon begins to unravel as Graham becomes obsessed with his own demons and all but abandons her as he plans a vengeful scheme. And the solace she’s always found in her work evaporates like a departing soul when she suspects that some of the deceased she’s dressed have been murdered. When Graham disappears, Violet takes full control of the business and is commissioned for an undertaking of royal proportions. I adore clever, spunky Arabella and look forward to her future adventures." --Sara Poole, author of *The Borgia Mistress* "A clever, funny, engaging read reminiscent of Fidelis Morgan's *Unnatural Fire*. Pamela Christie deftly combines the conventions of the Regency-era novel with the fast pace and careful attention to characterization found in the best modern historical mysteries." --Kate Emerson, author of *The King's Damsel* "With cleverness and humor, Pamela Christie brings to life a colorful world that would've been at the same time familiar and scandalous to Jane Austen and her readers." --Anna Loan-Wilsey, author of *A Lack of Temperance* "A smart, witty and thoroughly entertaining read! It reminds me of some of my favorite series on Masterpiece Theater." --Diane Haeger, author of *I, Jane* "A delectable treat for the historical mystery lover to savor. Death Comes to Bath Catherine Lloyd 2018-12-18 An English spa town is not beneficial to everyone's health in this Regency-era mystery by the author of *Death Comes to the School*. After Major Sir Robert Kurland's injury from the battle of Waterloo begins troubling him again, his wife Lady Lucy insists they relocate from the village of Kurland St. Mary to Bath, along with her sister Anna, so that Robert can take the waters and recover. At the Roman baths, Robert befriends an elderly and pugnacious businessman, Sir William Benson, ennobled by the Crown for his service to industry. Their acquaintance is short-lived, however, when the man is found drowned in the baths. Robert vows to find his killer, with Lucy's aid. The members of Sir William's family seem the most obvious suspects to benefit from the wealthy man's death, but his will has gone missing. To deduce who sent Sir William to a watery grave, Robert and Lucy must investigate with the utmost discretion—before they too find themselves in over their heads... Praise for *Death Comes to Bath* “Well-crafted.... The couple's complementary investigative skills shine in a plot that balances colorful characters and lively action.”—Publishers Weekly “An amusing combination of Regency mores, romantic aspirations, and a clever mystery makes this one of Lloyd's best.”—Kirkus Reviews

has requested that I purchase an antique from a collector, one Conte de Luca. Before I can approach this count, I am recruited by a Roman a man to help rescue his daughter from a cool aristocrat, and then asked to solve the murder of an Englishman—by a man who is already dead. These tasks do not keep me from traveling to the ruins of Pompeii and Herculaneum and exploring to my heart's content, but trouble follows me in the form of a man bent on killing me—for what reason I cannot fathom. All this is compounded by another murder back in Rome, and I am commanded by James Denis, as well as the aristocrat who stole my new Roman friend's daughter, to find out who committed the deed and the secret of the man's astonishing collection of rare and fine art. Probing these puzzles lead me to the past, present, and future troubles of the Italian peninsula, a beautiful but deadly place in the spring of 1820.
