The History of Fly-Fishing in Fifty Flies Ian Whitelaw 2015-04-07 The History of Fly-Fishing in Fifty Flies recounts the history of a sport that dates back 2,000 years, focusing on milestone flies from the first feathered hook to contemporary patterns using cutting-edge materials. Among the countless fly patterns created over the centuries, these 50 have been carefully chosen to represent the development not only of the flies themselves, but also of fly-fishing techniques—and of rods, lines, and reels. These iconic flies also chart the spread of this addictive sport from its modern origins on the chalk streams of southern England and the rivers of Scotland to the U.S., Europe, South America, Australia, and now to every country in the world. Filled with profiles of the key characters involved, tying tips, photographs and illustrations of the flies, and detailed explanations of the techniques used to fish them, *The History of Fly-Fishing in Fifty Flies* is a fascinating companion to the evolution of this fascinating sport.

The Unwanted Don Brown 2018 In the tradition of Don Brown's critically acclaimed, full-color nonfiction graphic novels *The Great American Dust Bowl* and Sibert Honor winning *Drowned City*, *The Unwanted* is an important, timely, and eye-opening exploration of the ongoing Syrian refugee crisis, exposing the harsh realities of living in, and trying to escape, a war zone. Starting in 2011, refugees flood out of war-torn Syria in Exodus-like proportions. The surprising flood of victims overwhelms neighboring countries, and chaos follows. Resentment in host nations heightens as disruption and the cost of aid grows. By 2017, many want to turn their backs on the victims. The refugees are the unwanted. Don Brown depicts moments of both heartbreaking horror and hope in the ongoing Syrian refugee crisis. Shining a light on the stories of the survivors, *The Unwanted* is a testament to the courage and resilience of the refugees and a call to action for all those who read.
