A Dictionary of English Synonymes and Synonymous or Parallel Expressions Designed as a Practical Guide to Aptness and Variety of Phraseology Richard Soule 1876

Five Hundred and One Synonym and Antonym Questions Brigit Dermott 2002 501 Synonyms and Antonym Questions is designed to help students prepare for the verbal sections of most assessment and entrance exams. The book increases a student's vocabulary and refines their knowledge of words, bringing about higher standardized test scores and more effective verbal and written communication. Questions in this book prepare students for the synonym and antonym problems found on most standardized tests-including high school entrance exams, the SAT, civil service exams, and the GRE. The book increases in difficulty as students move through each exercise. All answers are explained, featuring short definitions and terms that clarify word meanings and their opposites for effective studying and positive reinforcement.

The Civilization of Illiteracy Mihai Nadin 1997 Phenomena related to the transition from a literacy-dominated civilization to one of various means of expression and communication are at the center of his book. The fall of

totalitarian regimes, the current structural difficulties of the European Community, the burden of state bureaucracies, the world-wide effort of re-engineering, and the global economy are part of the bigger picture of a necessary development.

Using Japanese Synonyms A. E. Backhouse 2016-06-16 Being a successful speaker of a given language involves control of the meaning and use of vocabulary items, taking in their lexical content (what phenomena they refer to), combinatorial behaviour (what items they occur with) and situational characteristics (e.g. as colloquial or formal terms). This essential reference book provides clear information on these aspects for around three hundred groups of Japanese near-synonyms, supplemented by a wide range of authentic examples. The result is a clear profile of the meaning and use of each item, highlighting similarities and distinctions among neighbouring terms and expanding learners' lexical range. The book is designed primarily for English-

speaking learners, and the selection of groups and items and the overall treatment adopted reflects the author's extensive experience in teaching Japanese to English speakers. Japanese forms and examples appear in both romanisation and Japanese orthography, and the bilingual indexes allow readers to locate synonyms quickly and easily.
