*Writing the Character-Centered Screenplay, Updated and Expanded edition* Andrew Horton 2000-02-23 "We need good screenwriters who understand character." Everywhere Andrew Horton traveled in researching this book—from Hollywood to Hungary—he heard the same refrain. Yet most of the standard how-to books on screenwriting follow the film industry's earlier lead in focusing almost exclusively on plot and formulaic structures. With this book, Horton, a film scholar and successful screenwriter, provides the definitive work on the character-based screenplay. Exceptionally wide-ranging—covering American, international, mainstream, and "off-Hollywood" films, as well as television—the book offers creative strategies and essential practical information. Horton begins by placing screenwriting in the context of the storytelling tradition, arguing through literary and cultural analysis that all great stories revolve around a strong central character. He then suggests specific techniques and concepts to help any writer—whether new or experienced—build more vivid characters and screenplays. Centering his discussion around four film examples—including *Thelma & Louise* and *The Silence of the Lambs*—and the television series, *Northern Exposure*, he takes the reader step-by-step through the screenwriting process, starting with the development of multi-dimensional characters and continuing through to rewrite. Finally, he includes a wealth of information about contests, fellowships, and film festivals. Espousing a new, character-based approach to screenwriting, this engaging, insightful work will prove an essential guide to all of those involved in the writing and development of film scripts.

**The Last Night of Ballyhoo** Alfred Uhry 1997 THE STORY: THE LAST NIGHT OF BALLYHOO takes place in Atlanta, Georgia, in December of 1939. *Gone with the Wind* is having its world premiere, and Hitler is invading Poland, but Atlanta's elitist German Jews are much more concerned with who is

*Daisy Miller* Henry James 2018-03-20 *Daisy Miller* is the story of a young woman from New York's willful yet innocent flirtation with a young Italian, and its unfortunate consequences. The novella was the first big success for author Henry James who would repeat the theme of a venturesome American girl in the treacherous waters of European society in his later masterpiece, *The Portrait of a Lady*.

**Directing Screen Performances** Robert Klenner 2019-01-24 The core goal of *Directing Screen Performances* is to teach aspiring directors how to prepare and work with actors. Through a practical exploration of the major approaches to contemporary screen acting, you will learn how to formulate your own effective modes of communication to craft compelling performances. *Directing performances for the*

screen starts well before the actor is cast and finishes well after the last slate is shot. In this book you will learn how to analyze a script, brief the casting director, rehearse the actors, decide on the visual treatment that enriches their performances, direct effectively on set and finesse the character in the edit. The director's process is clearly defined and augmented with illustrations, photographs and graphics, and each chapter concludes with practical exercises to consolidate the new knowledge.

**Reclaiming the Black Past** Pero G. Dagbovie 2018-11-13 The past and future of Black history In this information-overloaded twenty-first century, it seems impossible to fully discern or explain how we know about the past. But two things are certain. Whether we are conscious of it or not, we all think historically on a routine basis. And our perceptions of history, including African American history, have not necessarily been shaped by professional historians. In this wide-reaching and timely book, Pero Gaglo Dagbovie argues that public knowledge and understanding of black history, including its historical icons, has been shaped by institutions and individuals outside academic ivory towers. Drawing on a range of compelling examples, Dagbovie explores how, in the twenty-first century, African American history is regarded, depicted, and juggled by diverse and contesting interpreters—from museum curators to filmmakers, entertainers, politicians, journalists, and bloggers. Underscoring the ubiquitous nature of African-American history in contemporary American thought and culture, each chapter unpacks how black history has been represented and remembered primarily during the “Age of Obama,” the so-called era of “post-racial” American society. *Reclaiming the Black Past* is Dagbovie's contribution to expanding how we understand African American history during the new millennium.

**Big Screen, Small Screen** Coral Drouyn 2020-07-30 Thinking in pictures is a gift; transferring them to words on paper is a craft. Put them together, and that's the screenwriter's art. *Big Screen, Small Screen* is a complete guide to writing for film and television for beginners as well as more experienced writers. It covers all aspects of screenwriting from changing a film genre to picking a television timeslot. *Big Screen, Small Screen* takes you through the basics of screenwriting with step by step guides to structure, character and the first draft script, and valuable tips and exercises. It also shows you how to find and agent, deal with producers, market your script and apply for funding.

*Over the River and Through the Woods* Joe DiPietro 1999 THE STORY: Nick is a single, Italian-American guy from New Jersey. His parents retired and moved to Florida. That doesn't mean his family isn't still in Jersey. In fact, he sees both sets of his grandparents every Sunday for dinner. This is routine until

**Screen Acting** Peter Kramer 2014-04-08 While not everyone would agree with Alfred Hitchcock's notorious remark that 'actors are cattle', there is little understanding of the work film actors do. Yet audience enthusiasm for, or dislike of, actors and their style of performance is a crucial part of the film-going experience. *Screen Acting* discusses the development of film acting, from the stylisation of the silent era, through the naturalism of Lee Strasberg's 'Method', to Mike Leigh's use of improvisation. The contributors to this innovative volume explore the philosophies which have influenced acting in the movies and analyse the styles and techniques of individual filmmakers and performers, including Bette Davis, James Mason, Susan Sarandon and Morgan Freeman. There are also interviews with working actors: Ian Richardson discusses the relationship between theatre, film and television acting; Claire Rushbrook and Ron Cook discuss their work with Mike Leigh, and Helen Shaver discusses her work with the critic Susan Knobloch.

*The Heroin Diaries* Nikki Sixx 2008-09-04 Set against the frenzied world of heavy metal superstardom, the co-founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction. When Motley Crue were at the height of their fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days - sometimes alone, sometimes with others addicts, friends and lovers - in a coke- and heroin-fuelled daze. *THE HEROIN DIARIES* reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy, Vince and Mick. The book is a candid look at a nightmare come true: a punishing heroin addiction that brought Nikki to the edge of losing his talent, his career, his family and finally to a near-fatal overdose which left him clinically dead for a few minutes before being revived. Brutally honest, utterly riveting and shockingly moving, *THE HEROIN DIARIES* follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again.

**Midnight in the Garden of Good and Evil** John Berendt 2010-05-12 NATIONAL BESTSELLER • "Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." —The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

The Butler Did It Paul Pender 2012-05-03 Roy Fontaine, also known as Archie Hall, was a butler to Britain's aristocracy, and a rumoured lover of Prince Charles' great-uncle, Lord Mountbatten. He was also a serial killer whose modus operandi was to gain the confidence of his wealthy employers before taking their jewels and then their lives. The Butler Did It is the dark and strange story of an unusual friendship between screenwriter Paul Pender and Roy Fontaine, who considered Pender an ally and asked him to write his life story. In a chilling twist, Fontaine then threatened to kill Paul. In The Butler Did It, Paul Pender reveals the secrets of Roy Fontaine's double life and describes his often terrifying, yet blackly humorous, encounters with a convicted serial killer.

When Daphna's cousin Liam brings home his shiksa girlfriend Melody and declares ownership of their grandfather's Chai necklace, a vicious and hilarious brawl over family, faith and legacy ensues.

Josh Hartnett Definitely Wants to Do This-- Bruce Beresford 2007 What's it like to be an Oscar-winning director up against the machinations of modern-day Hollywood with its stars who want to write their own roles, producers who don't read scripts, highly dubious money men who promise unlimited funds: the mad, the bad and the downright notorious? In this no-holds-barred account Bruce Beresford takes us through the highs and lows of the screen trade from deals at dinner tables to dressing downs in backlots, from far-flung locations, to the centres of power, with a cast of characters that includes Russell Crowe, Cate Blanchett, Jodie Foster, Jeffrey Archer, Morgan Freeman and many others. Delightfully literate and sharply observed, this is a candid look at the world of film-making from one of its most accomplished practitioners.

Flop Musicals of the Twenty-First Century Stephen Purdy 2021-09-12 Flop Musicals of the Twenty-First Century offers a provocative and revealing historical narrative of a group of musicals that cost millions and had spectacular potential ... but bombed anyway. Stephen Purdy examines at length the production histories, which are all bound together by a common thread. The book focuses the lens on several seemingly infallible theatre creatives who weren't destined to repeat their successes with the shows discussed in this volume. As such, Purdy grounds the discussion by examining what the legendary creators of Les Misérables, pop superstar Elton John, wunderkind Julie Taymor, and many others have in common besides being inspired storytellers of iconic Broadway musicals. The answer is that they also all created shows that, for one reason or a dozen, didn't find an audience. Flop Musicals of the Twenty-First Century shares the story of what can happen when formidable creative teams of sell-out musicals attempt to re-create their success but miss the mark. This is an engaging book for students, practitioners, and fans of musical theatre that contains thoughtful observations about luck and creative differences, botched adaptations, and alienated audiences, all of which can determine the fate of a musical.

Nollywood Jonathan Haynes 2016-10-04 Nigeria's Nollywood has rapidly grown into one of the world's largest film industries, radically altering media environments across Africa and in the diaspora; it has also become one of African culture's most powerful and consequential expressions, powerfully shaping how Africans see themselves and are seen by others. With this book, Jonathan Haynes provides an accessible and authoritative introduction to this vast industry and its film culture. Haynes describes the major Nigerian film genres and how they relate to Nigerian society—its values, desires, anxieties, and social tensions—as the country and its movies have developed together over the turbulent past two decades. As he shows, Nollywood is a form of popular culture; it produces a flood of stories, repeating the ones that mean the most to its broad audience. He interprets these generic stories and the cast of mythic figures within them: the long-suffering wives, the business tricksters, the Bible-wielding pastors, the kings in their traditional regalia, the glamorous young professionals, the emigrants stranded in New York or London, and all the rest. Based on more than twenty years of research, Haynes's survey of Nollywood's history and genres is unprecedented in scope, while his book also vividly describes landmark films, leading directors, and the complex character of this major branch of world cinema.

*You're Only as Good as Your Next One* Mike Medavoy 2013-06-25 "An under-read and engaging show-biz memoir." -The New Yorker "If I had a talent for anything, it was a talent for knowing who was talented." Mike Medavoy is a Hollywood rarity: a studio executive who, though never far from controversy, has remained well loved and respected through four decades of moviemaking. What further sets him apart is his role in bringing to the screen some of the most acclaimed Oscar-winning films of our time: *Apocalypse Now*, *One Flew Over the Cuckoo's Nest*, *Amadeus*, *The Silence of the Lambs*, *Philadelphia*, and *Sleepless in Seattle* are just some of the projects he green-lighted at United Artists, Orion, TriStar, his own Phoenix Pictures. "The ultimate lose-lose situation for a studio executive: to wind up with a commercial bomb and a bad movie." Of course, there are the box office disasters, and the films, as Medavoy says, "for which I should be shot." They, too, have a place in his fascinating memoir -- a pull-no-punches account of financial and political maneuvering, and of working with the industry's brightest star power, including Steven Spielberg, Martin Scorsese, Francis Ford Coppola, Kevin Costner, Robert De Niro, Jodie Foster, Sharon Stone, Michael Douglas, Meg Ryan, and countless others. "Putting together the elements of a film is a succession of best guesses." Medavoy speaks out on how movie studio buyouts have stymied the creative process and brought an end to the "hands-off" golden age of filmmaking. An eyewitness to Hollywood history in the making, he gives a powerful and poignant view of the past and future of a world he knows intimately.

*The Space of the Stage* Jeffrey Masten 1999 This text is an annual publication devoted to understanding drama as a central feature of Renaissance culture. The essays in each volume explore the relationship of Renaissance dramatic traditions to their precursors and successors, have an interdisciplinary orientation and examine the impact of new forms of interpretation on the study of Renaissance plays. A special issue entitled *The Space of the Stage*, Volume 28 of *Renaissance Drama*, includes essays that explore the centrality of notions of space to early modern theatrical literature and practice. These diverse essays provide a set of new critical frames and horizons in which to reevaluate questions on staging, versification, the global market, the female body, and even the Globe rebuilt in 20th-century Chicago.

*The Negro Motorist Green Book* Victor H. Green The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

*The Art of Adaptation* Linda Seger 2011-04-01 Adaptations have long been a mainstay of Hollywood and the television networks. Indeed, most Academy Award- and Emmy Award-winning films have been adaptations of novels, plays, or true-life stories. Linda Seger, author of two acclaimed books on scriptwriting, now offers a comprehensive handbook for screenwriters, producers, and directors who want to successfully transform fictional or factual material into film. Seger tells how to analyze source material to understand why some of it resists adaptation. She then gives practical methods for translating story, characters, themes, and style into film. A final section details essential information on how to adapt material and how to protect oneself legally.
