Fatal Puzzle Catherine Shepherd 2015-01-01 1495: In the peaceful medieval city of Zons, on the banks of the Rhine, a young woman is found hanging from a parapet, raped and mutilated. A month later, another maiden falls prey. Bastian Mühlenberg, head of the City Guard, is determined to decipher the murderer's gruesome code, unaware that he and the woman he loves are in the killer's sights. With the help of an old psychic, a priest, and the stars above, Mühlenberg must solve the "fatal puzzle" before it's too late. Present day: Journalist Emily Richter is thrilled when she's assigned a series of articles about the historic Zons killings. However, right before her stories are to be published, a young woman's body is found hanging from a city tower—grossly maimed and wearing a linen gown, like her medieval predecessors. Detective Oliver Bergmann leads the investigation, tapping the knowledge of the attractive young journalist. Working together—and using Mühlenberg's old notes—they race to stay one step ahead of the copycat killer.

The Cup Alex Lukeman 2016-08-26 The brutal death of a Swedish spy sends Nick Carter, Selena Connor and the rest of the Project team to Stockholm, where they find themselves pitted against a terrorist network hiding among the refugees flooding into the country. The discovery of an artifact from the fourth century plunges the team into a search for one of the most elusive relics of Christendom: the Holy Grail. An ancient prophecy foretells the End of Days if the Grail falls into the wrong hands. The Project team aren't the only ones searching. The murderous fanatics of ISIS are determined to find it for themselves. Nuclear Armageddon threatens America and finding the Grail is the only thing that can prevent disaster. Will the Project succeed before it's too late? You won't want to put this book down.

The Dark Room Minette Walters 2009-03-12 In this acclaimed psychological

mystery, Jinx Kingsley, a prominent photographer and millionaire's daughter, wakes up in an exclusive hospital suffering from amnesia. Not only can she not remember the car accident that caused her memory loss, but she doesn't remember that her impending wedding has been called off or that her former fiancé and his girlfriend have been brutally murdered in the same way her first husband had been ten years before. Now she must try to piece together her memories in order to determine her innocence. With deft psychological explorations and shocking twists, Walters brings the story to an awe-inspiring conclusion.

The Boys of Summer Richard Cox 2016-09-06 Both a haunting coming-of-age story set in North Texas against the backdrop of a deadly tornado, and a character-driven, deeply-affecting supernatural thriller. In 1979, a massive tornado devastates the city of Wichita Falls, Texas, leaving scores dead, thousands homeless, and nine-year-old Todd Willis in a coma, fighting for his life. Four years later, Todd awakens to a world that looks the same but feels different in a way he can't quite grasp. For Todd, it's a struggle to separate fact from fiction as he battles lingering hallucinations from his long sleep. The new friends Todd makes in 1983 are fascinated with his experience and become mesmerized by his strange relationship with the world. Together the five boys come of age during a dark, fiery summer where they find first love, betrayal, and a secret so terrible they agree to never speak of it again. But darkness returns to Wichita Falls twenty-five years later, and the boys--now men--are forced to reunite and confront the wounds from their past. When their memories of that childhood summer refuse to align with reality, the friends embark upon a search for truth that will threaten their lives, and transform their understanding of each other--and the world itself--forever.

End Game David Baldacci 2017-11-14 #1 New York Times bestselling author David Baldacci returns with his most breathtaking thriller yet! Will Robie and Jessica Reel are two of the most lethal people alive. They're the ones the government calls in when the utmost secrecy is required to take out those who plot violence and mass destruction against the United States. And through every mission, one man has always had their backs: their handler, code-named Blue Man. But now, Blue Man is missing. Last seen in rural Colorado, Blue Man had taken a rare vacation to go fly fishing in his hometown when he disappeared off the grid. With no communications since, the team can't help but fear the worst. Sent to investigate, Robie and Reel arrive in the small town of Grand to discover that it has its own share of problems. A stagnant local economy and a woefully understaffed police force have made this small community a magnet for crime, drugs, and a growing number of militant fringe groups. But lying in wait in Grand is an even more insidious and sweeping threat, one that may shake the very foundations of America. And when Robie and Reel find themselves up against an adversary with superior firepower and a home-court advantage, they'll be lucky if they make it out alive, with or without Blue Man . . . INCREDIBLE PRAISE FOR DAVID BALDACCI'S #1 NEW YORK TIMES BESTSELLING WILL ROBIE SERIES: "Fast-paced entertainment at its best." --Florida Times-Union "Robie and Reel are complex characters, and anything they do is a pleasure to follow...Baldacci knows how to get readers to turn the pages." --Associated Press "David Baldacci

Night of Thunder Stephen Hunter 2011-02-03 Bob Lee Swagger, former Marine Corps sniper, is back. And this time, it's personal. Forced off the road and into a crash that leaves her in a coma, barely clinging onto life, journalist Nikki Swagger had been investigating reports of a crystal meth superlab in sleepy Tennessee, when she found herself inadvertently peeling back the layers on a huge conspiracy. Bob Lee Swagger is worried. As a former Marine Corps sniper, he's picked up more than his fair share of enemies hell-bent on revenge and he senses that something isn't right. Unconvinced by the Sheriff's conclusion that Nikki's crash was caused by a local kid high on Meth, Bob picks up the investigation where his daughter left off. As Swagger digs deeper, a violent crime clan, gunmen of all stripes and shapes, and deranged evangelicals all rear their ugly heads, but they will live to rue the day they targeted the wrong man's daughter. What people are saying about Bob Lee Swagger thrillers: 'Stephen Hunter's *I, Sniper* brings back one of the great characters in modern thrillerdom, Bob Lee Swagger, everyone's favourite lethal, dour Southerner. I kind of want Swagger to meet up with Lee Child's Jack Reacher one day, in a contest to see who could say the least while doing the most damage.' Malcolm Gladwell 'The tension never lets up' New York Times 'Stephen Hunter is an Elmore Leonard on steroids' John Sandford 'As all Bob Lee fans know, it comes down to 'straight killing time.' And so it does, in a ramped-up, high-tech High Noon finale. As always, Hunter makes it work with precise, detail-rich prose that strips the faux glamour from gun fighting and leaves only the skills of

the combatants set against the horrors they wreak.' Booklist 'Hunter is back at the top of his game.' Publisher's Weekly 'In his guns-a-poppin' latest, Hunter pits his series hero against a nest of sharp-shooting vipers. Dust off the OK Corral. Even the somewhat squeamish, and even certifiable gun-dummies, may once again find chivalric, heroic Bob Lee just about irresistible.' Kirkus Reviews 'Hunter's thrillers are always taut, exciting, and well written, and his latest is no exception. There's also a lot of gun and tech talk as Swagger uses decades' worth of skills to stay a step or three ahead of the baddies. Swagger fans will not be disappointed.' Library Journal 'Hunter has a unique writing style that thrills and captivates from the opening scene to deliver an exciting whodunit' The Sun 'Stories of passion, guilt and redemption that jump right off the page and smack the reader clean between the eyes' Independent on Sunday 'American hardboiled at its very best, full of taciturn and stoical characters and plotting in explosive overdrive' The Times 'Hunter choreographs the violence in steely prose and Swagger ... remains one of crime fiction's most engaging heroes' Irish Independent

High Alert Alex Lukeman 2017-04-02 When an American missile submarine is sunk in the Sea of Japan, it's the opening move in a madman's plan to plunge the world into war. A day later the Chinese ambassador to Washington is assassinated. Meanwhile, the unstable leader of North Korea prepares to attack America with a terrible weapon. The U.S. President calls in the Project, a deep black ops unit that goes places and does things others can't or won't do. They've had tough assignments before: but this time they're up against an unknown enemy, a man bent on vengeance against all of humanity. He won't rest until the world is turned into a radioactive hell... and when it comes to the Project, it's personal. Can the Project team find him before he unleashes nuclear Armageddon?

Icon Frederick Forsyth 2015-03-18 A NEW YORK TIMES BESTSELLER • From the master of the novel of international intrigue comes a riveting new book as timely and unsettling as tomorrow's headlines. It is summer 1999 in Russia, a country on the threshold of anarchy. An interim president sits powerless in Moscow as his nation is wracked by famine and inflation, crime and corruption, and seething hordes of the unemployed roam the streets. For the West, Russia is a basket case. But for Igor Komarov, one-time army sergeant who has risen to leadership of the right-wing UPF party, the chaos is made to order. As he waits in the wings for the presidential election of January 2000, his striking voice rings out over the airwaves offering the roiling masses hope at last—not only for law, order, and prosperity, but for restoring the lost greatness of their land. Who is this man with the golden tongue who is so quickly becoming the promise of a Russia reborn? A document stolen from party headquarters and smuggled to Washington and London sends nightmare chills through those who remember the past, for this Black Manifesto is pure Mein Kampf in a country with frightening parallels to the Germany of the Weimar Republic. Officially the West can do nothing, but in secret a group of elder statesmen sends the only person who can expose the truth about Komarov into the heart of the inferno. Jason Monk, ex-CIA and "the best damn agent-runner we ever had," had sworn he would never

return to Moscow, but one name changes his mind. Colonel Anatoli Grishin, the KGB officer who tortured and murdered four of Monk's agents after they had been betrayed by Aldrich Ames, is now Komarov's head of security. Monk has a dual mission: to stop Komarov, whatever it takes, and to prepare the way for an icon worthy of the Russian people. But he has a personal mission as well: to settle the final score with Grishin. To do this he must stay alive--and the forces allied against him are ruthless, the time frighteningly short. . . . Praise for Icon "Vintage Forsyth, intricate, exact and gripping."--The New York Times Book Review "Another strong performance by a writer who knows exactly what he's about, and who here catalyzes narrative with another memorable protagonist, the stealthy and daring Monk."--Publishers Weekly (starred review) "One of his best works for a long time, which provides an all-too-real look at a chilling new millennium."--The Sunday Times, London

DUNKLE ERNTE (Project 4) Alex Lukeman 2019-10-31 Nachdem drei führende Experten auf dem Gebiet der Erforschung seltener Pflanzenkrankheiten auf ein Geheimnis aus der Zeit Alexanders des Großen stoßen, werden sie in kurzer Folge tot aufgefunden. Die Inschriften auf ein paar alten Tontafeln berichten von dem Fluch einer alten griechischen Göttin, der die Nahrungsmittelversorgung der gesamten Welt vernichten könnte – das ideale Werkzeug, um die Weltherrschaft zu erlangen. Nun muss das PROJECT-Team um Nick Carter und Selena Connor alles daran setzen, den Ursprung des Fluches zu finden, einen Verräter in den eigenen Reihen aufzuspüren und eine globale Katastrophe zu verhindern. Auf ihrer Jagd von Griechenland nach Bulgarien und bis in ein geheimes Forschungsgebiet in Texas müssen die beiden Geheimagenten dafür sogar eine höchst ungewöhnliche Allianz eingehen, um den jahrhundertealten Fluch aufzuhalten, denn ihre Gegner sind mächtiger, als es anfänglich den Anschein hat.

The Vatican Knights Rick Jones 2016-06-11 While on a visit to the United States, Pope Pius XIII is kidnapped by a terrorist cell calling itself the Soldiers of Islam. If the United States and its allies do not meet their demands, they will execute the pope. So when FBI Specialist Shari Cohen is called to duty to track down the terrorist cell responsible, she learns that she is not alone. Deep behind the Vatican walls a secret order dispatches a clandestine op group of elite commandos known as the Vatican Knights. Their mission: bring the pope back alive. As Cohen and the Knights work in tandem they uncover a White House conspiracy involving high-ranking members on Capitol Hill. When she begins to get too close to the truth about the pope's kidnapping, she becomes the target of indigenous forces trying to keep the conspiracy safe. However, in order to get to her they must go through the Vatican Knights.

nuclear warhead across the Pacific Ocean and take out an American West Coast city. National Security Adviser Admiral Arnold Morgan can't let that happen, and he dispatches the most stealthy hunter-killer submarine in the U.S. fleet, the 9,000-ton ultrasecret Seawolf, deep into the dark, forbidden waters of the South China Sea. But then the unthinkable happens: Seawolf, collides with a Chinese destroyer and falls into enemy hands. A team of cunning Navy SEALs--the biggest Special Forces assault group assembled since Vietnam--is sent in to free the captive Seawolf, crew and bring them home. The American Eagle confronts the Chinese Dragon with the balance of world power on the line. Failure is not an option...

DIE SIEBTE SÄULE (Project 3) Alex Lukeman 2019-05-22 Ein terroristischer Fanatiker mit Visionen, die ihm befehlen, die Apokalypse und damit das Ende aller Tage herbeizuführen ... Eine uralte Bruderschaft von Assassinen, seit Jahrhunderten verschwunden, kehrt zurück ... Ein LKW mit einer grauenvollen Waffe verlässt den Sudan, durchquert die gesetzlosen Bergregionen Algeriens, auf dem Weg zu einem unbekanntem Ziel ... Das PROJECT schickt Nick Carter und Selena Connor in die brennenden Wüsten Westafrikas, in die Slums von San Diego und in die bitterkalten Berge des Hindukusch, bevor ihre finale Konfrontation mit dem Feind über das Schicksal der westlichen Welt entscheidet.

A Bibliography of English Etymology Anatoly Liberman 2010 Distinguished linguistics scholar Anatoly Liberman set out the frame for this volume in An Analytic Dictionary of English Etymology. Here, Liberman's landmark scholarship lay the groundwork for his forthcoming multivolume analytic dictionary of the English language. A Bibliography of English Etymology is a broadly conceptualized reference tool that provides source materials for etymological research. For each word's etymology, there is a bibliographic entry that lists the word origin's primary sources, specifically, where it was first found in use. Featuring the history of more than 13,000 English words, their cognates, and their foreign antonyms, this is a full-fledged compendium of resources indispensable to any scholar of word origins.

The Last Option Alex Lukeman 2018-07-16 A cabal of ruthless men set in motion a plot to ignite nuclear war, certain they will survive the resulting holocaust and rule what is left after the missiles stop flying. Director Elizabeth Harker's aging Project team is called into action once again, but the odds are stacked high against them. A hostile president means to shut them down. Someone keeps trying to kill them. Nick and Selena's unborn children are in the line of fire. Even Selena's Russian half-sister is caught up in the deadly game, with consequences she'd never expected. The doomsday clock is ticking. If the Project team doesn't stop the plot in time, the world will pay the price.

Eurythmy Therapy Rudolf Steiner 2013-04-16 Created in 1911, eurythmy was developed for years as an artistic and educational discipline. Although Rudolf Steiner pointed out its healing aspects from the very beginning, it was only in

1921 that he gave a course of lectures that gave the art of eurythmy a vital new application. To the assembled eurythmists and doctors, he presented what one participant described as '...a complete and detailed method of eurythmy therapy, in which we could directly experience that even today the creative and therapeutic power of the word ... is still at work'. Steiner's comprehensive lectures, republished here in a thoroughly revised translation, describe the principles of therapeutic eurythmy, giving many specific exercises. Primarily intended for practising eurythmists, these lectures also contain much material of particular interest. Steiner reveals the intricacies of rhythmic interplay between human physiology and the life-forces in the world around us. He describes the qualities of language and the dynamism contained in the individual vowels and consonants, elucidating their relationship with eurythmical movements and human experience. Through such movements, individuals are able to access the healing etheric forces. The exercises, referred to by Steiner as 'inner gymnastics', contain enormous potential for psychological and physiological well-being. Gaining ever-wider recognition today, they complement conventional medicine, offering a therapeutic process concerned with mind, soul and body. This new edition of these important lectures - previously published under the title Curative Eurythmy - includes an appendix with reminiscences by early eurythmists, as well as additional commentary from Dr Walter Kugler.

Hotel Megalodon Rick Chesler 2015-02-07 An underwater luxury hotel on a gorgeous tropical island is set for an extravagant opening weekend with the world watching. The only thing standing in the way of a first-rate experience for the jet-setting VIPs is an unscrupulous businessman and sixty feet of prehistoric shark. As the underwater complex is besieged by a marauding behemoth, newly minted marine biologist Coco Keahi must face off against the ancient predator as it rises from the deep with a vengeance. Meanwhile, a human monster has decided he would be better off if Coco were one of the creature's victims.

The Seventh Pillar Alex Lukeman 2012-03-07 Book Three in the PROJECT thriller series. A fanatical terrorist has visions of the Islamic Mahdi commanding him to begin the Apocalypse and bring about the End of Days... An ancient brotherhood of assassins hidden for centuries reappears to murder and ignite the fires of war... A truck carrying a terrible weapon leaves Sudan for the lawless mountains of Algeria and an unknown destination... The PROJECT sends Nick Carter and Selena Connor to the burning wastelands of Western Africa, the back streets of San Diego and the bitter mountains of the Hindu Kush, before a final confrontation that will decide the future of Western civilization.

Perhaps It Is High Time for a Xeno-Architecture to Match Armen Avanesian 2018 "Our decision to start the series of conversations with you is based on your implementation of the "xeno" in your perspective practices. Perhaps it is high time for a xeno-architecture to match aims to unpack the prefix xeno, probing what it entails -not merely rhetorically but also as a means of practice- in an attempt to bring the ideas it contains more concretely into the domain of architecture. It proposes to link the more philosophical discussions on the

notion of xeno with the questions of instrumentalization and governance that are necessarily involved in the praxis and geopolitics of architecture. And it relates the significance of legal architectures and technologically driven transformations in the metaphysics of law back to the agenda of xeno-architecture."

Black Harvest Alex Lukeman 2012-07-04 Book Four in the PROJECT thriller series. Three world experts on crop disease discover a secret from the time of Alexander the Great and are brutally murdered... A centuries-old conspiracy plots to destroy much of the world's food supply as part of a plan for world domination... The PROJECT team must stop a traitor and prevent a world-wide disaster... The hunt for answers leads Nick Carter and Selena Connor to Greece, Bulgaria and the United States. In a series of life and death confrontations they encounter unlikely allies, an ancient legacy of bio-warfare and a cover up with ominous implications for freedom. James Campbell is a world expert in crop viruses. He discovers nine clay tablets from ancient Persia containing a clue to the location of a golden urn marked with the curse of a Greek goddess, part of treasure seized by Alexander the Great during the fall of Babylon. Then he's horribly murdered, along with two of his colleagues. Campbell has been working on a secret bio-warfare program for the Pentagon. The murders get the attention of Elizabeth Harker, Director of a covert intelligence unit called the Project. Nick Carter is The Project team leader. He struggles with old injuries and PTSD from his years as a combat Marine. Nick is deeply conflicted about his lover and teammate, Selena Connor. Selena's been with the Project for less than a year. She's having a hard time dealing with the mayhem that goes with her job and her feelings about Nick. Nick and Selena follow a bloody trail through Greece, Bulgaria and America, uncovering a heartless plan to destroy half the world's food supply, part of a strategy by a centuries-old conspiracy to achieve world domination. It will kill millions if it succeeds and time's running out--it's set to happen soon. Harker is forced to make an unheard of alliance to try and stop the plot and avoid possible war with Russia. All the while, a high-placed traitor does his best to sabotage the Project at every turn. The surprise ending foreshadows the next book in the series. **BLACK HARVEST** is a contemporary international thriller of intrigue, patriotism, romance and treachery. The PROJECT Series: **WHITE JADE**, **THE LANCE**, **THE SEVENTH PILLAR**, **BLACK HARVEST**. Book Five in the series will be available late in 2012.

Overwatch Matthew Betley 2016-03-01 "When Logan West impulsively answers a dead man's ringing phone, he triggers a global race against the clock to track down an unknown organization searching for an Iraqi artifact that is central to a planned attack in the Middle East--one that will draw the United States into a major conflict with Iran"--Dust jacket flap.

A Different God? Renate Schlesier 2012-01-01 Dionysos erscheint innerhalb der modernen Wissens- und Darstellungsformationen oft als untypisch für die antike Kultur, als Ausnahme im Kontext des antiken Polytheismus, ja als Instanz einer Differenz, die die Moderne antizipiert. Was können neuere Forschungen zum genaueren Verständnis der vielfältigen Transformationen des antiken Gottes

beitragen? Dieser Frage widmen sich Vertreter aller Bereiche der Altertumswissenschaften in diesem Band, der aus einer internationalen Tagung im März 2009 im Berliner Pergamonmuseum hervorgeht. Vasenbilder und Heiligtümer werden dabei ebenso berücksichtigt wie Texte antiker Dramatiker, Historiker und Philosophen, Papyri und Inschriften. Die Stärke des Bandes liegt in dieser Quellen- und Methodenvielfalt, aus der sich ein umfassendes, facettenreiches Bild des „differenten“ Gottes ergibt.

If You Could See Me Now Cecelia Ahern 2006-06-01 From the bestselling author of P.S. I Love You and Love, Rosie, Cecelia Ahern, comes an enchanting novel that leads you to wonder if Not Seeing is believing! Readers and critics alike adore Cecelia Ahern for her lighthearted yet insightful stories about modern women and their often unusual situations. In *If You Could See Me Now*, she takes that theme a step further, offering us a heroine who is entirely believable, and the new man in her life who is, well, slightly less so. Elizabeth Egan's life runs on order: Both her home and her emotions are arranged just so, with little room for spontaneity. It's how she counteracts the chaos of her family--an alcoholic mother who left when she was young, an emotionally distant father, and a free-spirited sister, who seems to be following in their mother's footsteps, leaving her own six-year-old son, Luke, in Elizabeth's care. When Ivan, Luke's mysterious new grown-up friend, enters the picture, Elizabeth doesn't know quite

what to make of him. With his penchant for adventure and colorful take on things large and small, Ivan opens Elizabeth's eyes to a whole new way of living. But is it for real? Is Ivan for real? *If You Could See Me Now* is a love story with heart--and just a touch of magic.

Dark Island Matt James 2018-10-19 Like the "Dark Continent" of Africa, the dark island of Madagascar holds many chilling secrets. One of them is a long thought extinct species of dinosaurs living at the country's core. A massive earthquake rocks the mountain range within the Andringitra National Park. The splitting earth reveals a network of tunnels, hidden away for millennia. Responding to the series of violent upheavals, a pack of hypersensitive predators flee their subterranean home, frenzied and hungry they head for the surface. Former Navy SEAL Ian Hunt begrudgingly accepts an offer to lead an exploratory team. What they uncover is the find of a lifetime...if they survive long enough to tell anyone. Dinosaurs are alive and well at the heart of the DARK ISLAND.

The Public Life of Sissy Pike Thomas Nelson Publishers 2005-07-05 Girls... meet Sissy Pike. She looks like you, talks like you, and yes, has to deal with life just like you. The only difference is, all her drama, heartbreak, and embarrassment is right here, available for your viewing pleasure. In Episode One, *New Girl in Town*, Sissy's life has become a whirlwind of change. Formerly a Navy Chaplain, Sissy's father becomes Pastor of a church in the Midwest. And the move from sunny, funky California to the heartland of the Midwest brings on a new kind of culture shock for Sissy as well as the residents of the picturesque town. When the school "princess" takes issue with Sissy's style of dress, Sissy must come to grips with small town and small church politics. In the end, she learns that moderation and kindness can make the worst situations tolerable.

The Swarm Frank Schatzing 2009-03-17 Whales begin sinking ships. Toxic, eyeless crabs poison Long Island's water supply. The North Sea shelf collapses, killing thousands in Europe. Around the world, countries are beginning to feel the effects of the ocean's revenge as the seas and their inhabitants begin a violent revolution against mankind. At stake is the survival of the Earth's fragile ecology--and ultimately, the survival of the human race itself. The apocalyptic catastrophes of *The Day After Tomorrow* meet the watery menace of *The Abyss* in this gripping, scientifically realistic, and utterly imaginative thriller.

A small group of VIPs and journalists has been brought to the zoo deep within China to see these fabulous creatures for the first time. Among them is Dr. Cassandra Jane “CJ” Cameron, a writer for National Geographic and an expert on reptiles. The visitors are assured by their Chinese hosts that they will be struck with wonder at these beasts, that the dragons are perfectly safe, and that nothing can go wrong. Of course it can't... “Plenty of action....For over-the-top adventure addicts, a Reilly novel is like a new roller coaster opening at Great America. Lines form, fans swoon” (Booklist).

Slam Nick Hornby 2014-01-02 'There was this time when everything seemed to have come together. And so obviously it was time to go and screw it all up.' Sam is sixteen and a skater. Just so there are no terrible misunderstandings: skating = skateboarding. There's no ice. Life is ticking along nicely for Sam: his mum's got rid of her rubbish boyfriend, he's thinking about college and he's met someone. Alicia. Then a little accident happens. One with big consequences for someone just finding his way in life. Sam can't run (let alone skate) away from this one. He's a boy facing a man's problems and the question is - has he got what it takes to confront them?

The Lair of Anubis Alex Lukeman 2020-03-10 An ancient papyrus describing the death of Cleopatra hold clues to the secret location of the lost tomb of Alexander the Great, filled with priceless treasure. Elizabeth Harker sends the Project team to Egypt, to find out if the tomb and treasure still exist. It doesn't take long before people start dying. A secret cult has worshipped Alexander as the Sun God for thousands of years, and they're not about to let unbelievers desecrate the tomb of their god. They'll stop at nothing to prevent it. Nick and Selena are getting older, their bodies starting to show the effects of too many battles and too many wounds. With two children to worry about, maybe it's time to quit. But neither one of them is quite ready to give up the adrenaline fueled lifestyle they've been addicted to for years. It's a decision they need to make soon. But first they have to get through this mission, with no guarantee they'll survive.
