Destiny Retrieval David Kowalewski, PhD 2016-06-30 Who am I? Where did I come from? Where am I going? How am I going to get there? We've all asked these questions, but most of us have only gotten fuzzy answers, leading to a psychospiritual malaise of whatever. Society ignores the mythopoetic notion of destiny—the idea that we have contracted with the gods to have certain experiences on earth for our enlightenment and empowerment, and so for our life's purpose and meaning. *Destiny Retrieval* shows how to reverse destiny loss with shamanic practices like soul clearing, pathfinding, and signpost recognition. In this comprehensive exploration, author David Kowalewski uses cross-cultural research, scientific findings, field-tested protocols, and personal experiences to unpack this ancient practice. Find out how you can be a hero in your own mind and in your own reality by embarking on your destiny quest with the help of shamans and their spirit allies. You can learn the costs of a purposeless and meaningless life and discover how shamans can reverse malaise with destiny-retrieval practices from the ancient past. Using a variety of practices, this guide offers an in-depth examination of the ancient shamanic craft of retrieving destiny to restore purpose and meaning in life.

The Fire Next Time James Baldwin 2017 First published in 1963, James Baldwin's A Fire Next Time stabbed at the heart of America's so-called "Negro problem". As remarkable for its masterful prose as it is for its uncompromising account of black experience in the United States, it is considered to this day one of the most articulate and influential expressions of 1960s race relations. The book consists of two essays, "My Dungeon Shook" — Letter to my Nephew on the One Hundredth Anniversary of Emancipation, and "Down At The Cross" — Letter from a Region of My Mind. It weaves thematic threads of love, faith, and family into a candid assault on the hypocrisy of the so-called "land of the free", insisting on the inequality implicit to American society. "You were born where you were born and faced the future that you faced", Baldwin writes to his nephew, "because you were black and for no other reason." His profound sense of injustice is matched by a robust belief in "monumental dignity", in patience, empathy, and the possibility of transforming America into "what America must become".
