Economics Today--the Micro View Roger LeRoy Miller 1991

Economics Today Roger LeRoy Miller 2003-06 Economics Today: The Macro View has long led the field in offering students and instructors a dynamic, application-rich approach to teaching and learning macroeconomics. The book is based on the belief that students learn more when they are involved and engaged. The 12th edition features all new examples that have been selected to grab and hold students' attention. These examples serve one basic purpose-to drive home the application of the theory just presented. One of the keys to the success of Economics Today: The Macro View is that it is suitable for many teaching styles. Instructors who wish to stress theory can do so. Those who wish to stress applications and examples can do that. Those who wish to incorporate technology into the class can do so with ease using MyEconLab.

Economics 101 for Senators and Representatives Wallace Hoffman 2022-08-24 The mission of this book is to inform all American citizens how their senators and representatives vote in Washington. Do your senators and your representative fulfill the responsibilities of government in the Constitution and vote in your favor? If that is true, they are your friends. Or do your senators and your representatives violate the Constitution and vote against your best interest? If that is true, they are your enemies. If you vote for and reelect your enemies, they will be your enemies the next two or six years. President Obama's legacy of deficit spending is characterized by average deficit spending of more than a trillion dollars annually. During those eight years, every American household went to bed each evening fifty dollars deeper in debt, regardless of how hard they worked or whether they spent any money. The national debt more than doubled during President Obama's eight years in office. Each person's share of debt increased from \$30,000 to \$70,000.
