The Slight Edge Jeff Olson 2013-11-04 The Slight Edge is a way of thinking, a way of processing information that enables you to make the daily choices that will lead you to the success and happiness you desire. Learn why some people make dream after dream come true, while others just continue dreaming and spend their lives building dreams for someone else. It's not just another self-help motivation tool of methods you must learn in order to travel the path to success. It shows you how to create powerful results from the simple daily activities of your life, by using tools that are already within you. In this 8th anniversary edition you'll read not only the life-changing concepts of the original book, but also learn what author Jeff Olson discovered as he continued along the slight edge path: the Secret to Happiness and the Ripple Effect. This edition of The Slight Edge isn't just the story, but also how the story continues to create life-altering dynamics--how a way of thinking, a way of processing information, can impact daily choices that will lead you to the success and happiness you desire. The Slight Edge is "the key" that will make all the other how-to books and self-help information that you read, watch and hear actually work.

Mastering Pasta Marc Vetri 2015-03-17 Award-winning chef Marc Vetri wanted to write his first book about pasta. Instead, he wrote two other acclaimed cookbooks and continued researching pasta for ten more years. Now, the respected master of Italian cuisine finally shares his vast knowledge of pasta, gnocchi, and risotto in this inspiring, informative primer featuring expert tips and techniques, and more than 100 recipes. Vetri's personal stories of travel and culinary discovery in Italy appear alongside his easy-to-follow, detailed explanations of how to make and enjoy fresh handmade pasta. Whether you're a home cook or a professional, you'll learn how to make more than thirty different types of pasta dough, from versatile egg yolk dough, to extruded semolina dough, to a variety of flavored pastas—and form them into shapes both familiar and unique. In dishes ranging from classic to innovative, Vetri shares his coveted recipes for stuffed pastas, baked pastas, and pasta sauces. He also shows you how to make light-as-air gnocchi and the perfect dish of risotto. Loaded with useful information, including the best

way to cook and sauce pasta, suggestions for substituting pasta shapes, and advance preparation and storage notes, Mastering Pasta offers you all of the wisdom of a pro. For cooks who want to take their knowledge to the next level, Vetri delves deep into the science of various types of flour to explain pasta's uniquely satisfying texture and how to craft the very best pasta by hand or with a machine. Mastering Pasta is the definitive work on the subject and the only book you will ever need to serve outstanding pasta dishes in your own kitchen.

Rich Dad, Poor Dad Robert T. Kiyosaki 2016-04-27 Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

Amor de verano - Los jugadores de la Universidad Marycliff Libro 1 Jerica MacMillan 2018-07-05 Lance nunca iba detrás de las chicas... Como la estrella del equipo de fútbol americano que era, no tenía que hacerlo. Hasta que convencer a Abby de que pasara más tiempo con él se había convertido en su principal objetivo este verano. Con un carácter algo insolente y su inmunidad al encanto habitual de

Lance, Abby se había convertido en un desafío para él. O en una distracción, porque una vez que acabe el verano, Lance tendrá que volver a Texas para trabajar con su padre. Es el precio que tiene que pagar a cambio de que sus padres costeen los gastos de la universidad. Pero nunca imaginó que cuando Abby se acabara rindiendo a él, será él el que no estaría preparado para enamorarse de ella. Ahora que la llegada de agosto es inminente, ¿cómo podrá soportar el dejarla? Te enamorarás de esta historia de amor en la que los polos opuestos no pueden más que atraerse y que ya ha extasiado a todos los que se han atrevido a leerla. ¡Adéntrate ya en este primer número de la serie que no podrás dejar de leer!

Mother Knows Best Serena Valentino 2018-08-07 The tale of the legendary golden flower is widely known. The story has been told many times and in many ways. But always the flower is coveted by an old witch to keep herself young and beautiful. And always the flower is used to save a dying queen, who then gives birth to a princess with magical hair. Not willing to lose the flower, the old witch steals the princess and locks her away in a high tower, raising her as her own. But the princess always finds out who she truly is and manages to defeat the old witch. And yet this is only half the story. So what of the old witch, Mother Gothel? Where does she come from? And how does she come across the magical golden flower? Here is one account that recounts a version of the story that has remained untold for centuries . . . until now. It is a tale of mothers and daughters, of youth and dark magic. It is a tale of the old witch.

Coraline Neil Gaiman 2008-01-01 A brilliant graphic novel adaptation of Neil Gaiman's critically acclaimed novel for young people. When Coraline moves to a new home, she is fascinated by the fact that the 'house' is really only half a house - it was divided into flats years before. And it soon becomes clear to Coraline that the other flat is not quite as cosy and safe as her own.

La golosina del oro Sergio Tonatiuh Serrano Hernández 2021-11-01 En la golosina del oro, Sergio Tonatiuh Serrano Hernández parte de una reflexión epistemológica sobre la naturaleza del conocimiento histórico y la pertinencia de una lectura conceptual compleja, reivindicando con ello la factualidad de los indicios del pasado. El joven autor de esta obra revisa y debate con profundidad el conocimiento historiográfico sobre su región, cuestionando críticamente la información para replantear los orígenes, alcances y distorsiones de las versiones equívocas sobre las que se ha constituido el discurso histórico local.

Ikigai Héctor García 2017-08-29 INTERNATIONAL BESTSELLER • 1.5 MILLION+ COPIES SOLD WORLDWIDE “Workers looking for more fulfilling positions should start by identifying their ikigai.” —Business Insider “One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life.” —Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. “Only staying active will make you want to live a hundred years.” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world’s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you’re good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It’s the reason we get up in the morning. It’s also the reason many Japanese never really retire (in fact there’s no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they’ve found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world’s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn’t want to find happiness in every day?

Collaborative Futures Mike Linksvayer 2010 The true nature of collaborative culture as a form of creative expression in the context of digital and network technologies has remained elusive, a buzzword often falling prey to corporate and ideological interests. This book was collaboratively written by six authors, as an experimental five day Book Sprint in January 2010. Developed under the aegis of transmediale.10, this third publication in the festival's parcours series resulted in the initiation of a new vocabulary on the forms, media and goals of collaborative practice. In June 2010, the book was rewritten as a part of the Re: Group exhibition at Eyebeam, NY. This second edition invited three new authors to challenge the free culture sentiment underlying the original writing. The result is a deliberately multi-voiced tone pondering the merits and shortcomings of this new emerging ideology

How to Make Good Things Happen: Know Your Brain, Enhance Your Life Marian Rojas Estapé 2021-05-18 An empowering journey through the mechanisms of the mind from one of the world’s leading mental health experts. For those in pursuit of a better life, psychiatrist Marian Rojas Estapé presents the essential guide to neuroscience-driven mindfulness. Understanding your brain, managing your emotions, and being aware of your responses to stressors can give you greater self-control. Rather than a gimmicky guidebook, this is a thorough look at how our brains react to stress, threats, hyperstimulation, and the vices of our digital age. With proven techniques backed by solid, up-to-date psychiatric research, Estapé teaches us how to make the best of our lives. Combining science, psychology, and philosophy, Estapé delivers practical advice about how we can cultivate a happy existence. This includes understanding the parts of the brain, setting healthy goals and objectives, strengthening willpower, cultivating emotional intelligence, developing assertiveness, avoiding excessive self-criticism and self-demand, and mastering the proven art of optimism.

In the Time of the Butterflies Julia Alvarez 2010-01-12 It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

Diablo III: Book of Cain Deckard Cain 2016-10-04 An exceptionally illustrated fiction for millions of Blizzard fans, *Diablo III: Book of Cain* is the source book for Blizzard Entertainment's *Diablo* franchise and forthcoming *Diablo III* game. *Book of Cain* is the must-have illustrated history of the *Diablo* universe as told by the games' core narrator Deckard Cain. In Blizzard Entertainment's *Diablo*® and *Diablo II*, the recurring character of Deckard Cain delivered quests, accompanied the brave adventurer, and, as the last of the Horadrim, provided a link to the greater history of the world of Sanctuary. Ever mysterious during these appearances, Cain hinted at a larger story, providing snippets of it in his notebook. *Diablo III: Book of Cain* is Cain's formal record of this greater tale—a dissertation on the lore of the *Diablo* universe, told by one who has witnessed and participated in some of the epic events that make up the eternal conflict between the High Heavens and the Burning Hells. Designed as an "in-world" artifact from the *Diablo* universe, *Diablo III: Book of Cain* includes Cain's revealing meditations,

as well as dozens of sketches and color artworks depicting the angelic and demonic beings who wage constant war with one another.
