The Future of Humanity Michio Kaku 2019-04-02 "Formerly the domain of fiction, moving human civilization to the stars is increasingly becoming a scientific possibility--and a necessity. Whether in the near future due to climate change and the depletion of finite resources, or in the distant future due to catastrophic cosmological events, we must face the reality that humans will one day need to leave planet Earth to survive as a species. World-renowned physicist and futurist Michio Kaku explores in rich, intimate detail the process by which humanity may gradually move away from the planet and develop a sustainable civilization in outer space. He reveals how cutting-edge developments in robotics, nanotechnology, and biotechnology may allow us to terraform and build habitable cities on Mars. He then takes us beyond the solar system to nearby stars, which may soon be reached by nanoships traveling on laser beams at near the speed of light. Finally, he brings us beyond our galaxy, and even beyond our universe, to the possibility of immortality, showing us how humans may someday be able to leave our bodies entirely and laser port to new havens in space. With irrepressible enthusiasm and wonder, Dr. Kaku takes readers on a fascinating journey to a future in which humanity may finally fulfill its long-awaited destiny among the stars"--

(Publishers Weekly) Epic in its sweep and peopled by the remarkable women who have always inhabited Avalon, Marion Zimmer Bradley's Ravens of Avalon expands the legendary saga that has enchanted millions of readers over the years and is sure to please Bradley's loyal readership and anyone who loves wonderfully told stories of history, myth, and fantasy.

Incest and the Medieval Imagination Elizabeth Archibald 2001-05-24 Incest is a remarkably frequent theme in medieval literature; it occurs in a wide range of genres, including romances, saints's lives, and exempla. Historically, the Church in the later Middle Ages was very concerned about breaches of the complex laws against incest, which was defined very broadly at the time to cover family relationships outside the nuclear family and also spiritual relationships through baptism. Medieval writers accepted that incestuous desire was a widespread phenomenon among women as well as men. They are surprisingly open about incest, though of course they disapprove of it; in many exemplary stories incest is identified with original sin, but the moral emphasizes the importance of contrition and the availability of grace even to such heinous sinners. This study begins with a brief account of the development of medieval incest laws, and the extent to which they were obeyed. Next comes a survey of classical incest stories and their legacy; many were retold in the Middle Ages, but they were frequently adapted to the purposes of Christian moralizers. In the three chapters that follow, homegrown medieval incest stories are grouped by relationship: mother-son (focusing on the Gregorius legend), father-daughter (focusing on La Manekine and its analogues), and sibling (focusing on the Arthurian legend). The final chapter considers the very common medieval trope of the Virgin Mary as mother, daughter, sister and bride of Christ, the one exception to the incest taboo. In western society today, incest has recently been recognized as a serious social problem, and has also become a frequent theme in both fiction and non-fiction, just as it was in the Middle Ages. This interdisciplinary study is the first broad survey of medieval incest stories in Latin and the vernaculars (mainly French, English and German). It situates the incest theme in both literary and cultural contexts, and offers many thought-provoking comparisons and contrasts to our own society in terms of gender relations, the power of patriarchy, the role of religious institutions in regulating morality, and the relationship between life and literature.

The History of Magic Éliphas Lévi 1913

Illuminations of Hildegard of Bingen Matthew Fox 2002-12-01 An introduction to the life and work of Hildegard. • Reveals the life and teachings of one of the greatest female artists and intellectuals of the Western Mystical Tradition. • Contains 24 full-color illustrations by Hildegard of Bingen. • Includes commentary by Matthew Fox, author of *Original Blessing* (250,000 sold). Hildegard of Bingen (1098-1179) was an extraordinary woman living in the Rhineland valley during most of the twelfth century. Besides being the abbess of a large and influential Benedictine abbey, she was a prominent preacher, healer, scientist, and artist. She also was a composer and theologian, writing nine books on theology, medicine, science, and physiology, as well as 70 poems and an opera. At the age of 42, she began to have visions; these were captured as 36 illuminations--24 of which are recorded in this book along with her commentaries on them. She also wrote a text describing these visions entitled *Scivias* (Know the Ways), now published as *Hildegard of Bingen's Mystical Visions*. Author Matthew Fox has stated, "If Hildegard had been a man, she would be well known as one of the greatest artists and intellectuals the world has

ever seen." It is a credit to the power of the women's movement and our times that this towering genius of Western thought is being rediscovered in her full grandeur and autonomy. Virtually unknown for more than 800 years in Western history, Hildegard was featured as one of the women in Judy Chicago's Dinner Party in the early 1980s and published for the first time in English by Bear & Company in 1982. In addition to her mystical teachings, Hildegard's music has been performed and recorded for a new and growing audience.

The initiatory legend of Isis Olivier Manitará 2020-01-09 Osiris and Isis were Gods on earth. Osiris was the Father, Isis was the Mother and they loved each other. Osiris' brother Seth was jealous of this love. Legend has it that he made a sarcophagus the size of Osiris... In the past, these teachings of Isis were reserved for initiates only. Indeed, not everyone is able to assimilate such secrets which, in truth, are terrifying when they are penetrated. In reality, Isis is presented to us in a veiled state because we live without a soul.

Nature Inside William D. Browning 2020-09-01 Written by a leading proponent of biophilic design, this is the only practical guide to biophilic design principles for interior designers. Describing the key benefits, principles and processes of biophilic design, Nature Inside illustrates the implementation of biophilic design in interior design practice, across a range of international case studies – at different scales, and different typologies. Starting with the principles of biophilic design, and the principles and processes in practice, the book then showcases a variety of interior spaces – residential, retail, workplace, hospitality, education, healthcare and manufacturing. The final chapter looks 'outside the walls', giving a case study at the campus and city scale. With practical guidance and real-world solutions that can be directly-

applied in day-to-day practice, this is a must-have for designers interested in applying biophilic principles.

What When Wine: Lose Weight and Feel Great with Paleo-Style Meals, Intermittent Fasting, and Wine Melanie Avalon 2018-01-02

An effortless—really!—approach that turns the body into a fat-burning machine. Is it possible to eat well, drink wine, and still lose weight? Melanie Avalon is living proof that, heck yeah, it's not only possible, it's unbelievably simple and straightforward. It's all about the what (mostly Paleo, but she's not a monster about it), the when (believe it or not, brief fasting can mean freedom rather than restriction), and the wine (red wine can be a secret bullet for weight loss—who knew?). It's a combination that Avalon discovered after years of self-experimentation and intense research on the mechanics of body fat regulation. In *What When Wine*, Avalon shares her journey to a healthier lifestyle, with the tips and tricks she learned along the way, as well as a jumpstart plan including 50 delicious Paleo-friendly, gluten-free recipes by chef Ariane Resnick.

La Antorcha Marion Zimmer Bradley 1989

Como hizo con la leyenda del rey Arturo en LAS NIEBLAS DE AVALON, la autora recrea la caída de Troya de una forma nueva y audaz, desde el juicio de Paris, el rapto de Helena (que aquí no es una malvada adúltera sino una amable y apacible mujer consagrada a Paris y a sus hijos) y la convocatoria de los ejércitos griegos por Agamenón, el encolerizado cuñado de Helena, hasta la trágica destrucción de la ciudad decretada por los dioses... y por el extremado orgullo de sus líderes. La heroína de esta historia épica es Casandra, la bella y atormentada princesa de la casa real de Troya, que se enfrenta a una terrible lucha interior contra su lealtad dividida: la que debe a su padre, el rey, y a sus hermanos, y su creciente fidelidad a la vieja fe del matriarcado y la Madre Tierra.

The Church and the Second Sex 1968

This book attempts to contribute to the growing understanding of the dimensions of Catholic antifeminism. Although it proposes no instant remedy for an illness of such proportions, it suggests some perspectives in which a cure may be found. Although its chief concern is the problem as it exists in and is perpetuated by the Catholic Church, it never assumes that prejudice within the Church persists without some support from the secular milieu. Ironically, however, the Church in recent times has been in increasingly evident tension with those movements which have been attempting to liberate women.

Myths and Symbols in Indian Art and Civilization Heinrich Robert Zimmer
2018-04-03 A landmark work that demystifies the rich tradition of Indian art, Myths and Symbols in Indian Art and Civilization analyzes key motifs found in legend, myth, and folklore taken directly from the Sanskrit. It provides a comprehensive introduction to visual thinking and picture reading in Indian art and thought. Ultimately, the book shows that profound Hindu and Buddhist intuitions on the riddles of life and death are universally recognizable.

Earthquake Weather Tim Powers 2018-10-02 Supernatural Adventure from a Master of Modern Fantasy The magical King of the West has been killed in California, and his assassin is one of the multiple personalities in the head of Janis Cordelia Plumtree—but which one? One of them is a streetwise pickpocket. Another is dead, and can only speak in quotes from Shakespeare. And another seems to be the unquiet ghost of her father. And there are many others. Sid Cochran is a one-time winemaker who blames his wife's suicide on the wine-god Dionysus, and believes that Dionysus is now pursuing him. Cochran and Plumtree escape together from a mental hospital in Los Angeles, and—pursued by ghosts, gangsters, and a crazy psychiatrist—set out for San Francisco and the wine country to try to restore the dead King of the West to life. But the god Dionysus himself is a player in this perilous game—and not on their side. At the publisher's request, this title is sold without DRM (Digital Rights Management). About Tim Powers: "Powers writes in a clean, elegant style that illuminates without slowing down the tale. . . . [He] promises marvels and horrors, and delivers them all."—Orson Scott Card "Other writers tell tales of magic in the twentieth century, but no one does it like Powers."—The Orlando Sentinel ". . . immensely clever stuff.... Powers' prose is often vivid and arresting . . . All in all, Powers' unique voice in science fiction continues to grow stronger."—Washington Post Book World "Powers is at heart a storyteller, and ruthlessly shapes his material into narrative form."—The Encyclopedia of Science Fiction "On Stranger Tides . . . immediately hooks you

Heritage and Exile Marion Zimmer Bradley 2002-04-01 The Heritage of Hastur: Nominated for a Hugo Award, and described as "Bradley's best [Darkover] novel" by Lous, THE HERITAGE OF HASTUR is a brilliant epic of the pivotal events in the love-hate relationship between the Terran worlds and the semi-alien offspring of the forgotten colonists who peopled Darkover. This is the complex and compelling tale of the early life of Regis Hastur, Darkover's greatest monarch. But HERITAGE also spins the terrifying and heartbreaking story of those who sought to control the deadly Sharra Matrix and tells how Lew Alton met and lost his greatest love, Marjorie Scott. This is the unforgettable showdown between these Darkovan lords who would bargain away their world for the glories of Terran science and those who would preserve the special matrix powers that are at once the prize and burden of Darkover. Sharra's Exile: The most dangerous magical implement on all of Darkover was the infamous, legendary Sharra Matrix. Embodying the image of a chained woman wreathed in flames, it was the last remaining weapon of the Ages of Chaos—an era of uncontrolled laran warfare which had almost destroyed all life on Darkover. The Sharra Matrix had been exiled offworld to one of the far-flung planets of the Terran Empire, in the protective custody of one who had suffered gravely from its use: Comyn Lord Lew Alton. But when Lew was called back to Darkover to contend for his rights, he had no choice but to bring this dangerous matrix back with him, and once the Sharra Matrix was black, her flaming image spread far and wide, setting motion events which would change the lands, the seven Domains, and the entire future forever.
