KL Nikolaus Wachsmann 2015-04-14 The award-winning author of Hitler's Prisons presents an unprecedented, integrated account of the Nazi concentration camps from their inception in 1933 through their demise in the spring of 1945.

All Power to the Councils! 2012-06-07 The German Revolution erupted out of the ashes of World War I, triggered by mutinying sailors refusing to be sacrificed in the final carnage of the war. While the Social Democrats grabbed power, radicals across the country rallied to establish a communist society under the slogan “All Power to the Councils!” The Spartacus League launched an uprising in Berlin, council republics were proclaimed in Bremen and Bavaria, and workers' revolts shook numerous German towns. Yet in an act that would tragically shape the course of history, the Social Democratic government crushed the rebellions with the help of right-wing militias, paving the way for the ill-fated Weimar Republic—and ultimately the ascension of the Nazis. This definitive documentary history collects manifestos, speeches, articles, and letters from the German Revolution—Rosa Luxemburg, the Revolutionary Stewards, and Gustav Landauer amongst others—introduced and annotated by the editor. Many documents, such as the anarchist Erich Mühsam's comprehensive account of the Bavarian Council Republic, are presented here in English for the first time. The volume also includes materials from the Red Ruhr Army that repelled the reactionary Kapp Putsch in 1920 and the communist bandits that roamed Eastern Germany until 1921. All Power to the Councils! provides a dynamic and vivid picture of a time of great hope and devastating

betrayal.

**A Tramp Abroad** Mark Twain 1880 Successor to Twain's first collection of travel memoirs takes a second look at Europe. In "A Tramp Abroad," Twain's abundant humor waxes as freely as ever; this time, however, his amusement bears a more cynical cast, as he regards the grand tourist sights of Innocents through his now older and more experienced eyes.

*Beer Hiking Bavaria* Rich Carbonara 2020-03-16 Beer Hiking Bavaria combines much of what Bavaria is all about: wonderful hikes through cobbled old towns, dense forests and rugged mountain landscapes, past castles, traditional monastery breweries and lush barley fields. In search of the best beer, the author Rich Carbonara has explored picturesque paths away from the tourist centres and put together his 50 favourites for this practical beer hiking guide. Each hike includes a detailed route description with length, duration, degree of difficulty and elevation profile as well as a well-founded characterisation of the type of beer that awaits you at the end of the day. Welcome to the beer and nature paradise Bavaria!

**Fast Food Nation** Eric Schlosser 2012 Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

*A Little History of the World* E. H. Gombrich 2014-10-01 E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

Church of Spies Mark Riebling 2015-09-29 The heart-pounding history of how Pope Pius XII -- often labeled "Hitler's Pope" -- was in fact an anti-Nazi spymaster, plotting against the Third Reich during World War II. The Vatican's silence in the face of Nazi atrocities remains one of the great controversies of our time. History has accused wartime pontiff Pius the Twelfth of complicity in the Holocaust and dubbed him "Hitler's Pope." But a key part of the story has remained untold. Pope Pius in fact ran the world's largest church, smallest state, and oldest spy service. Sainly but secretive, he sent birthday cards to Hitler -- while secretly plotting to kill him. He skimmed from church charities to pay covert couriers, and surreptitiously tape-recorded his meetings with top Nazis. Under his leadership the Vatican spy ring actively plotted against the Third Reich. Told with heart-pounding suspense and drawing on secret transcripts and unsealed files by an acclaimed author, Church of Spies throws open the Vatican's doors to reveal some of the most astonishing events in the history of the papacy. Riebling reveals here how the world's greatest moral institution met the greatest moral crisis in history.

The World of Yesterday Stefan Zweig 1964-01-01 Stefan Zweig (1881–1942) was a poet, novelist, and dramatist, but it was his biographies that expressed his full genius, recreating for his international audience the Elizabethan age, the French Revolution, the great days of voyages and discoveries. In this autobiography he holds the mirror up to his own age, telling the story of a generation that "was loaded down with a burden of fate as was hardly any other in the course of history." Zweig attracted to himself the best minds and loftiest souls of his era: Freud, Yeats, Borgese, Pirandello, Gorky, Ravel, Joyce, Toscanini, Jane Addams, Anatole France, and Romain Rolland are but a few of the friends he writes

about.

**Munich, Bavaria and the Black Forest** Marc Di Duca 2012-11-01 Provides information on historical sites and attractions along with recommendations for hotels, restaurants, transportation, shopping, entertainment, and day trips.

The Story of Nuremberg (Medieval Towns Series) Cecil Headlam 2016-06-08 This book presents a detailed historical account of the Nuremberg Trials, the military tribunals orchestrated by the Allied forces after World War II and held in Nuremberg, Germany. A fascinating and insightful exploration of the historical Nazi trials, “The Story of Nuremberg” is highly recommended for those with an interest in WWII and nineteenth-century European history. Contents include: “Development of Nuremberg”, “Nuremberg and the Reformation”, “Nuremberg and the Thirty Years War”, “The Castle, the Walls and Mediæval Fortifications”, “The Council and the Council House—Nuremberg Tortures”, “Albert Durer and the Arts and Crafts of Nuremberg”, “The Meistersingers and Hans Sachs”, et cetera. Many vintage books such as this are becoming increasingly rare and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with a specially commissioned new introduction. First published in 1901.

American Airpower Comes Of Age—General Henry H. “Hap” Arnold’s World War II Diaries Vol. II [Illustrated Edition] Gen. Henry H. “Hap.” Arnold 2015-11-06 Includes the Aerial Warfare In Europe During World War II illustrations pack with over 180 maps, plans, and photos. Gen Henry H. “Hap.” Arnold, US Army Air Forces (AAF) Chief of Staff during World War II, maintained diaries for his several journeys to various meetings and conferences throughout the conflict. Volume 1 introduces Hap Arnold, the setting for five of his journeys, the diaries he kept, and evaluations of those journeys and their consequences. General Arnold’s travels brought him into strategy meetings and personal conversations with virtually all leaders of Allied forces as well as many AAF troops around the world. He recorded his impressions, feelings, and expectations in his diaries. Maj Gen John W. Huston, USAF, retired, has captured the essence of Henry H. Hap Arnold—the man, the officer, the AAF chief, and his mission. Volume 2 encompasses General Arnold’s final seven journeys and the diaries he kept therein.

**A Place in the Country** W.G. Sebald 2014-02-18 **A Place in the Country** is W. G. Sebald's meditation on the six artists and writers who shaped his creative mind—and the last of this great writer's major works to be translated into English. This edition includes more than 40 pieces of art, all originally selected by W. G. Sebald. This extraordinary collection of interlinked essays about place, memory, and creativity captures the inner worlds of five authors and one painter. In his masterly and mysterious style—part critical essay, part memoir—Sebald weaves their lives and art with his own migrations and rise in the literary world. Here are people gifted with talent and courage yet in some cases cursed by fragile and unstable natures, working in countries inhospitable or even hostile to them. Jean-Jacques Rousseau is conjured on the verge of physical and mental exhaustion, hiding from his detractors on the island of St. Pierre, where two centuries later Sebald took rooms adjacent to his. Eighteenth-century author Johann Peter Hebel is remembered for his exquisite and delicate nature writing, expressing the eternal balance of both the outside world and human emotions. Writer Gottfried Keller, best known for his 1850 novel *Green Henry*, is praised for his prescient insights into a Germany where “the gap between self-interest and the common good was growing ever wider.” Sebald compassionately re-creates the ordeals of Eduard Mörike, the nineteenth-century German poet beset by mood swings, depression, and fainting spells in an increasingly shallow society, and Robert Walser, the institutionalized author whose nearly indecipherable scrawls seemed an attempt to “duck down below the level of language and obliterate himself” (and whose physical appearance and year of death mirrored those of Sebald's grandfather). Finally, Sebald spies a cognizance of death's inevitability in painter Jan Peter Tripp's lovingly exact reproductions of life. Featuring the same kinds of suggestive and unexplained illustrations that appear in his masterworks *Austerlitz* and *The Rings of Saturn*, and translated by Sebald's colleague Jo Catling, **A Place in the Country** is Sebald's unforgettable self-portrait as seen through the experiences of others, a glimpse of his own ghosts alongside those of the men who influenced him. It is an essential addition to his stunning body of work. Praise for **A Place in the Country** “Measured, solemn, sardonic . . . hypnotic . . . [W. G. Sebald's] books, which he made out of classics, remain classics for now.”—Joshua Cohen, *The New York Times Book Review* “In Sebald's writing, everything is connected, everything webbed together by the unseen threads of history, or chance, or fate, or death. The scholarly craft of gathering scattered sources and weaving them into a coherent whole is transformed here into something beautiful and unsettling, elevated into an art of the uncanny—an art that was, in the end, Sebald's strange and inscrutable

gift.”—Slate “Magnificent . . . The multiple layers surrounding each essay are seamless to the point of imperceptibility.”—New York Daily News “Sebald’s most tender and jovial book.”—The Nation “Reading [A Place in the Country is] like going for a walk with a beautifully talented, deeply passionate novelist from Mars.”—New York

Death on Tap Ellie Alexander 2017-10-03 From Ellie Alexander, beloved author of the Bakeshop Mysteries, comes the first in an intoxicating new series: Death on Tap. When Sloan Krause walks in on her husband, Mac, screwing the barmaid, she gives him the boot. Sloan has spent her life in Leavenworth, Washington becoming an expert in brewing craft beer, and she doesn’t have time to be held back by her soon-to-be ex-husband. She decides to strike out on her own, breaking away from the Krause family brewery, and goes to work for Nitro, the hip new nano-brewery in the Bavarian-themed town. Nitro’s owner, brewmaster Garrett Strong, has the brew-world abuzz with his newest recipe, “Pucker-Up IPA.” This place is the new cool place in town, and Mac can’t help but be green with envy at their success. But just as Sloan is settling in to her new gig, she finds one of Nitro’s competitors dead in the fermenting tub, clutching the secret recipe for the IPA. When Mac, is arrested, Sloan knows that her ex might be a cheater, but a murderer? No way. Danger is brewing in Beervaria and suddenly Sloan is on the case.

*Ancient Bones* Madelaine Böhme 2020-09-08 In this “fascinating forensic inquiry into human origins” (Kirkus), a renowned paleontologist takes readers behind-the-scenes of one of the most groundbreaking archaeological digs in recent history. Somewhere west of Munich, paleontologist Madelaine Böhme and her colleagues dig for clues to the origins of humankind. What they discover is beyond anything they ever imagined: the twelve-million-year-old bones of *Danuvius guggenmosi* make headlines around the world. This ancient ape defies prevailing theories of human history—his skeletal adaptations suggest a new common ancestor between apes and humans, one that dwelled in Europe, not Africa. Might the great apes that traveled from Africa to Europe before *Danuvius*'s time be the key to understanding our own origins? All this and more is explored in *Ancient Bones*. Using her expertise as a paleoclimatologist and paleontologist, Böhme pieces together an awe-inspiring picture of great apes that crossed land bridges from Africa to Europe millions of years ago, evolving in response to the challenging conditions they found. She also takes us behind the scenes of her research, introducing us to former theories of human evolution (complete with helpful maps and diagrams), and walks us through musty museum overflow storage where she finds forgotten fossils with yellowed labels, before taking us along to the momentous dig where she and the team unearthed *Danuvius guggenmosi* himself—and the incredible reverberations his discovery caused around the world. Praise for *Ancient Bones*: “Readable and thought-provoking. Madelaine Böhme is an iconoclast whose fossil discoveries have challenged long-standing ideas on the origins of the ancestors of apes and humans.”—Steve Brusatte, University of Edinburgh paleontologist and New York Times bestselling author of *The Rise and Fall of the Dinosaurs* “Part Sherlock Holmes, part Indiana Jones, *Ancient Bones* is an entertaining and provocative retelling of the human evolutionary story. Böhme's hypotheses—written with enthusiasm and clarity—will be scientifically scrutinized for decades to come.” —Jeremy DeSilva, Associate Professor of Anthropology, Dartmouth College
