Anatomy and Anatomists in Early Modern Spain Bjørn Okholm Skaarup 2016-03-09
Taking the Vesalian anatomical revolution as its point of departure, this volume charts the apparent rise and fall of anatomy studies within universities in sixteenth-century Spain, focussing particularly on primary sources from 1550 to 1600. In doing so, it both clarifies the Spanish contribution to the field of anatomy and disentangles the distorted political and historiographical viewpoints emerging from previous research. Studies of early modern Iberian science have only been carried out coherently and collaboratively in the last few decades, even though fierce debates on the subject have dominated Spanish historiography for more than two centuries. In the field of anatomy studies, many uninformed and biased readings of archival sources have resulted in a very confused picture of the practice of dissection and the teaching of anatomy in the Iberian Peninsula, in which the highly complex conditions of anatomical research within Spain's national context are often oversimplified. The new empirical evidence that this book brings to light suggests a far more multifaceted narrative of Iberian Renaissance anatomy than has been presented to date.

Morning and Evening (KJV) Spurgeon 1990 For tens of thousands of Christians over the last century, Charles Haddon Spurgeon's "Morning and Evening" has been a daily devotional guide through life's ups and downs. New generations can once again enjoy Spurgeon's beautiful prose and elegant command of the English language in this completely revised edition. "Morning and Evening" offers readers the best of Spurgeon's insight and wise counsel on themes that are as relevant to our day as they were in his day. In this updated version, Spurgeon's work is returned to its former brilliance while retaining the beautiful language of the original King James Version. Special Features: - Each day's devotions are presented on a two-page spread for complete ease of use. - Each of the 732 devotions--one for every morning and evening of the year-- provides inspiring meditations on portions of Scripture drawn from every book of the Bible. - A new topical index helps readers discover Spurgeon's thoughts on various topics important to Christian life. - An index of texts lets readers find what Spurgeon had to say about a particular Bible verse. Spurgeon has penned meditations, expressed simply but eloquently, that continue to draw readers to faith and obedience. Though Spurgeon published thousands of sermons and many books, "Morning and Evening" remains by far his most popular work.

Students at Risk of School Failure José Jesús Gázquez 2018-10-18 The main objective of this Research Topic is to determine the conditions that place students at risk of school failure, identifying student and context variables. In spite of the fact that there is currently little doubt about how one learns and how to teach, in some countries of the "developed world," there is still there is a high rate of school failure. Although the term "school failure" is a very complex construct, insofar as its causes, consequences, and development, from the field of educational psychology, the construct "student engagement" has recently gained special interest in an attempt to deal with the serious problem of school failure. School engagement builds on the anatomy of the

students' involvement in school and describes their feelings, behaviors, and thoughts about their school experiences. So, engagement is an important component of students' school experience, with a close relationship to achievement and school failure. Children who self-set academic goals, attend school regularly and on time, behave well in class, complete their homework, and study at home are likely to interact adequately with the school social and physical environments and perform well in school. In contrast, children who miss school are more likely to display disruptive behaviors in class, miss homework frequently, exhibit violent behaviors on the playground, fail subjects, be retained and, if the behaviors persist, quit school. Moreover, engagement should also be considered as an important school outcome, eliciting more or less supportive reactions from educators. For example, children who display school-engaged behaviors are likely to receive motivational and instructional support from their teachers. The opposite may also be true. But what makes student engage more or less? The relevant literature indicates that personal variables (e.g., sensory, motor, neurodevelopmental, cognitive, motivational, emotional, behavior problems, learning difficulties, addictions), social and/or cultural variables (e.g., negative family conditions, child abuse, cultural deprivation, ethnic conditions, immigration), or school variables (e.g., coexistence at school, bullying, cyberbullying) may concurrently hinder engagement, preventing the student from acquiring the learnings in the same conditions as the rest of the classmates.

Faith's Checkbook C.H. Spurgeon 2014-10-09 Faith's Checkbook, written by world-renowned British pastor Charles H. Spurgeon, provides daily deposits of God's promises into your personal bank of faith. Spurgeon urges you to view each Bible promise as a check written by God that can be cashed by personally endorsing it and receiving the gift it represents. Cash in on the bountiful store of blessings when you withdraw daily from the Bank of Faith. This captivating eBook devotional offers inspiration and delight in our Lord, and it encourages readers to take God's promises to heart in just a few minutes of reading each day. Each verse is followed by a brief thought or application, making this eBook ideal for personal or family devotions wherever you may go. The Table of Contents is linked so you can conveniently find your place where you left off. If you skip a day, no problem, you can easily begin on the next day's reading. "A promise from God may very instructively be compared to a check payable to order," wrote Spurgeon. "It is given to the believer with the view of bestowing upon him some good thing. It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check."
