The Hours / Mrs. Dalloway Michael Cunningham 2022-05-03 Michael Cunningham brings together his Pulitzer Prize-winning novel with the masterpiece that inspired it, Virginia Woolf's *Mrs. Dalloway*. In *The Hours*, the acclaimed author Michael Cunningham draws inventively on the life and work of Virginia Woolf and the story of her novel, *Mrs. Dalloway*, to tell the story of a group of contemporary characters struggling with the conflicting claims of love and inheritance, hope and despair. In this edition, Cunningham brings his own Pulitzer Prize-winning novel together with Woolf's masterpiece, which has long been hailed as a groundbreaking work of literary fiction and one of the finest novels written in English. The two novels, published side by side with a new introduction by Cunningham, display the extent of their affinity, and each illuminates new facets of the other in this joint volume. In his introduction, Cunningham re-creates the wonderment of his first encounter with *Mrs. Dalloway* at fifteen—as he writes, “I was lost. I was gone. I never recovered.” With this edition, Cunningham allows us to disappear into the world of Woolf and into his own brilliant mind.

To the Lake Kapka Kassabova 2020-08-04 The celebrated author of *Border* explores a mysterious, ancient, and little-understood corner of Europe Lake Ohrid and Lake Prespa. Two ancient lakes joined by underground rivers. Two lakes that seem to hold both the turbulent memories of the region's past and the secret of its enduring allure. Two lakes that have played a central role in Kapka Kassabova's maternal family. As she journeys to her grandmother's place of origin, Kassabova encounters a historic crossroads. The lakes are set within the mountainous borderlands of North Macedonia, Albania, and Greece, and crowned by the old Via Egnatia, which once connected Rome to Constantinople. A former

trading and spiritual nexus of the southern Balkans, this lake region remains one of Eurasia's most diverse corners. Meanwhile, with their remote rock churches, changeable currents, and large population of migratory birds, the lakes live in their own time. By exploring on water and land the stories of poets, fishermen, and caretakers, misfits, rulers, and inheritors of war and exile, Kassabova uncovers the human destinies shaped by the lakes. Setting out to resolve her own ancestral legacy, Kassabova locates a deeper inquiry into how geography and politics imprint themselves upon families and nations, one that confronts her with universal questions about human suffering and the capacity for change.

The Marshall Plan Benn Steil 2018-02-13 Winner of the 2018 American Academy of Diplomacy Douglas Dillon Award Shortlisted for the 2018 Duff Cooper Prize in Literary Nonfiction "[A] brilliant book...by far the best study yet" (Paul Kennedy, *The Wall Street Journal*) of the gripping history behind the Marshall Plan and its long-lasting influence on our world. In the wake of World War II, with Britain's empire collapsing and Stalin's on the rise, US officials under new Secretary of State George C. Marshall set out to reconstruct western Europe as a bulwark against communist authoritarianism. Their massive, costly, and ambitious undertaking would confront Europeans and Americans alike with a vision at odds with their history and self-conceptions. In the process, they would drive the creation of NATO, the European Union, and a Western identity that continue to shape world events. Benn Steil's "thoroughly researched and well-written account" (*USA TODAY*) tells the story behind the birth of the Cold War, told with verve, insight, and resonance for today. Focusing on the critical years 1947 to 1949, Benn Steil's gripping narrative takes us through the seminal episodes marking the collapse of postwar US-Soviet relations—the Prague coup, the Berlin blockade, and the division of Germany. In each case, Stalin's determination to crush the Marshall Plan and undermine American power in Europe is vividly portrayed. Bringing to bear fascinating new material from American, Russian, German, and other European archives, Steil's account will forever change how we see the Marshall Plan. "Trenchant and timely...an ambitious, deeply researched narrative that...provides a fresh perspective on the coming Cold War" (*The New York Times Book Review*), *The Marshall Plan* is a polished and masterly work of historical narrative. An instant classic of Cold War literature, it "is a gripping, complex, and critically important story that is told with clarity and precision" (*The Christian Science Monitor*).

Night Elie Wiesel 2013-09-10 A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. *Night* is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his

despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

Night Elie Wiesel 2006-01-16 The narrative of a boy who lived through Auschwitz and Buchenwald provides a short and terrible indictment of modern humanity.

All Rivers Run to the Sea Elie Wiesel 2010-09-01 In this first volume of his two-volume autobiography, Wiesel takes us from his childhood memories of a traditional and loving Jewish family in the Romanian village of Sighet through the horrors of Auschwitz and Buchenwald and the years of spiritual struggle, to his emergence as a witness for the Holocaust's martyrs and survivors and for the State of Israel, and as a spokesman for humanity. With 16 pages of black-and-white photographs. "From the abyss of the death camps Wiesel has come as a messenger to mankind--not with a message of hate and revenge, but with one of brotherhood and atonement." --From the citation for the 1986 Nobel Peace Prize

The Struggle for Understanding Victoria Nesfield 2019-08-01 An in-depth look at Elie Wiesel's writings, from his earliest works to his final novels. Elie Wiesel (1928-2016) was one of the most important literary voices to emerge from the Holocaust. The Nazis took the lives of most of his family, destroyed the community in which he was raised, and subjected him to ghettoization, imprisonment in Auschwitz and Buchenwald, and a death march. It is remarkable not only that Wiesel survived and found a way to write about his experiences, but that he did so with elegance and profundity. His novels grapple with questions of tradition, memory, trauma, madness, atrocity, and faith. *The Struggle for Understanding* examines Wiesel's literary, religious, and cultural roots and the indelible impact of the Holocaust on his storytelling. Grouped in sections on Hasidic origins, the role of the Other, theology and tradition, and later works, the chapters cover the entire span of Wiesel's career. Books analyzed include the novels *Dawn*, *The Forgotten*, *The Gates of the Forest*, *The Town Beyond the Wall*, *The Testament*, *The Time of the Uprooted*, *The Sonderberg Case*, and *Hostage*, as well as his memoir, *Night*. What emerges is a portrait of Wiesel's work in its full literary richness. "This is a marvelous collection. The essays are written by a new generation of scholars who have probed Elie Wiesel's work deeply and used the manifest tools of their many disciplines to explore some of the most pressing questions relating to the Holocaust, to memory, and to Wiesel himself. I was deeply impressed." — Michael Berenbaum, American Jewish University

Dawn Elie Wiesel 2006-03-21 "The author...has built knowledge into artistic fiction."—The New York Times Book Review Elisha is a young Jewish man, a Holocaust survivor, and an Israeli freedom fighter in British-controlled Palestine; John Dawson is the captured English officer he will murder at dawn in retribution for the British execution of a fellow freedom fighter. The night-long wait for morning and death provides *Dawn*, Elie Wiesel's ever more timely novel, with its harrowingly taut, hour-by-hour narrative. Caught between the manifold horrors of the past and the troubling dilemmas of the present, Elisha wrestles with guilt, ghosts, and ultimately God as he waits for the appointed hour and his act of assassination. *Dawn* is an eloquent meditation on the compromises, justifications, and sacrifices that human beings make when they murder other human beings.

returns to his Eastern European village to contemplate the fate of his people and those who watched them go to death.

The Testament Elie Wiesel 2013-09-01 Paltiel Kossover, a "mute poet" and witness to history, travels from his Jewish childhood in pre-revolutionary Russia to Paris and Berlin in the 1930s as the Nazis take power, and Spain during its Civil War. On his journey he embraces communism only to return to Russia and be imprisoned. In his prison cell Paltiel writes his 'testament', a long letter to the son he will never see again, an account of his life as a man "who lived a Communist and died a Jew". Encompassing Europe, and the history of the twentieth-century, Elie Wiesel pays tribute to the many writers killed by Stalin and in Paltiel he has created one of the great Everyman characters of contemporary literature. Elie Wiesel was born in Romania in 1928. As a child during World War Two he was deported to Auschwitz, where his mother and sister died, and sent on to Buchenwald where his father died. At the end of World War Two he moved to France and, eventually, to the USA. He is the author of over 60 books, was awarded the Nobel Peace Prize in 1986 and has been awarded the Grand Cross in the French Legion of Honour. Souvenir Press revives Elie Wiesel's lost classic as part of its acclaimed Independent Voices series.

A Detective's Complaint Shimon Adaf 2022-08-02 "In Shimon Adaf's Lost Detective Trilogy, what begins as conventional mystery becomes by degrees a brilliant deconstruction not just of genre but of our own search for meaning. Both profound and compulsively readable, these books demand to be devoured." —Lavie Tidhar, author of *By Force Alone* In *A Detective's Complaint*, the sequel to *One Mile and Two Days Before Sunset*, Elish Ben Zaken has traded working as a private investigator for writing detective novels based on unsolved cases from the past. He appears to live an ordinary writer's life: meeting with his agent, attending literary conferences. But all is not quite right with Elish, who cannot escape his past so easily, especially when his sister's daughter, Tahel, a teenager and an aspiring sleuth herself, calls on him for help. Tahel has uncovered a mystery: a young woman boarded a bus in Beersheva on a Thursday evening and stepped off in Sderot, close to the Gaza border, on Sunday evening. A bus ride that should have lasted an hour instead took three days, and the young woman remembers none of it. To assist Tahel—and, he tells himself, to conduct research for his next novel—Elish moves back to Sderot, where he grew up. His sister, Yaffa, has moved her family from Tel Aviv to a new lakeside development there; the property came cheap, despite the attractive setting, and there are murmurs that the developer fled the country before it was completed. Some of the houses still stand empty, and Tahel keeps waking up at night to find her mother staring out at the lake, convinced she is being watched. Now, in the summer of 2014, Sderot lies near the center of the Gaza-Israel conflict, and sirens and missile strikes are part of the town's daily reality—as are violent clashes between anti-war protestors and those who oppose them. In this pressurized environment, Elish must grapple with the deep wounds of history, both personal and political, and the human need for answers in a world that offers few.

Messengers of God Elie Wiesel 2013-02-12 Elie Wiesel's classic look at Job and seven other Biblical characters as they grapple with their relationship with God and the question of his justice. "Wiesel has never allowed himself to be diverted from the role of witness for the martyred Jews and survivors of the Holocaust, and by extension for all those who through the centuries have asked Job's question: 'What is God doing and where is His justice?' Here in a masterful series of mythic portraits, drawing upon Bible tales and the Midrashim (a body of commentary), Wiesel explores 'the distant and haunting figures that molded him': Adam, Cain and Abel, Abraham and Isaac, Jacob, Joseph, and Job. With the dramatic invention of a Father Mapple and the exquisite care of a Talmudic scholar, Wiesel interprets the wellsprings of Jewish religious tradition as the many faces of man's greatness facing the inexplicable. In an intimate relationship with God it is possible to complain, to demand. Adam and Eve in sinning "cried

out” against the injustice of their entrapment; Cain assaulted God rather than his brother; and Abraham's agreement to sacrifice his son placed the burden of guilt on Him who demanded it. As for Job, Wiesel concludes that he abdicated his defiance as did the confessing Communists of Stalin's time to ‘underline the implausibility’ of his trial, and thus become the accuser. Wiesel's concern with the imponderables of fate seems to move from strength to strength” (Kirkus Reviews).

Mother and Me Julian Padowicz 2008-05-01 "In 1939," Julian Padowicz says, "I was a Polish Jew-hater. Under different circumstances my story might have been one of denouncing Jews to the Gestapo. As it happened, I was a Jew myself, and I was seven years old." Julian's mother was a Warsaw socialite who had no interest in child-rearing. She turned her son over completely to his governess, a good Catholic, named Kiki, whom he loved with all his heart. Kiki was deeply worried about Julian's immortal soul, explaining that he could go to Heaven only if he became a Catholic. When bombs began to fall on Warsaw, Julian's world crumbled. His beloved Kiki returned to her family in Lodz; Julian's stepfather joined the Polish army, and the grief-stricken boy was left with the mother whom he hardly knew. Resourceful and determined, his mother did whatever was necessary to provide for herself and her son: she brazenly cut into food lines and befriended Russian officers to get extra rations of food and fuel. But brought up by Kiki to distrust all things Jewish, Julian considered his mother's behavior un-Christian. In the winter of 1940, as conditions worsened, Julian and his mother made a dramatic escape to Hungary on foot through the Carpathian mountains and Julian came to believe that even Jews could go to Heaven.

From Dawn to Decadence Jacques Barzun 2001 The product of the author's lifetime, this powerful narrative, intersperses the author's analysis of wars, philosophy, science, manners, sex, religion, morals, art, et al, from the Reformation to the present day, with biographical sketches of influential historical figures. His conclusion is that the decadence of the current age is merely a watershed for a new age in which Western culture will again flourish.

The Oath Elie Wiesel 2013-02-13 When a Christian boy disappears in a fictional Eastern European town in the 1920s, the local Jews are quickly accused of ritual murder. There is tension in the air and a pogrom threatens to erupt. Suddenly, an extraordinary man—Moshe the dreamer, a madman and mystic—steps forward and confesses to a crime he did not commit, in a vain attempt to save his people from certain death. The community gathers to hear his last words—a plea for silence—and everyone present takes an oath: whoever survives the impending tragedy must never speak of the town's last days and nights of terror. For fifty years the sole survivor keeps his oath—until he meets a man whose life depends on hearing the story, and one man's loyalty to the dead confronts head-on another's reason to go on living. One of Wiesel's strongest early novels, this timeless parable about the Jews and their enemies, about hate, family, friendship, and silence, is as powerful, haunting, and significant as it was when first published in 1973.

One Mile and Two Days Before Sunset Shimon Adaf 2022-08-02 "In Shimon Adaf's Lost Detective Trilogy, what begins as conventional mystery becomes by degrees a brilliant deconstruction not just of genre but of our own search for meaning. Both profound and compulsively readable, these books demand to be devoured." —Lavie Tidhar At age thirty, Elish Ben Zaken has found himself in a life he never imagined. As a university student, Elish was an esteemed rock-music critic for local newspapers; now, disenchanted with an increasingly commercialized music scene, he has joined a private investigation agency where he is content to be a "clerk of small human sins"—a finder of stolen cars and wayward husbands. But when a disconcertingly amiable detective asks him to look into the suicide of an infamous philosophy professor—and the police file contains an unexpected allusion to Dalia Shushan, a celebrated young rock singer whose recent murder remains unsolved—Elish's natural curiosity is piqued. And when violence begins to dog the steps of his investigation, he knows that dangerous secrets are at hand. Haunted by the ghost of Dalia, a true artist with a transformative voice whose dark brilliance Elish was one of the first to recognize, he must face the long-buried trauma of his own past in order to unravel the intertwining threads of two lives, and their ends. In Elish, Shimon Adaf has created an unforgettable protagonist. A former philosophy student with a questing mind, born to Moroccan parents and raised in an outlying town, he is an eternal outsider in cosmopolitan Tel Aviv. Equally, One Mile and Two Days Before Sunset is a detective novel unlike any other: an incisive portrait of a man and a city, and a meditation on disappointment, on striving for beauty and for intensity of experience, and on the futile desire to truly know another person.

Open Heart Elie Wiesel 2015-09-29 The author, at age eighty-two, was told that he needed immediate surgery to clear his blocked arteries. On what he knew might very well be his deathbed, he reflected on

his many losses and accomplishments, and on all that remained to be done. Fortunately, he survived the life-threatening heart surgery to turn those reflections into a book which discusses his affection for his family both departed and still living, his aspirations for his writing, and his hope that he improved the world
