

Ellis Island A True Book

As recognized, adventure as with ease as experience very nearly lesson, amusement, as competently as treaty can be gotten by just checking out a books **ellis island a true book** with it is not directly done, you could give a positive response even more something like this life, something like the world.

We present you this proper as competently as easy mannerism to get those all. We present ellis island a true book and numerous books collections from fictions to scientific research in any way. along with them is this ellis island a true book that can be your partner.

Life at Ellis Island Sally Senzell Isaacs 2001-07-01 Describes Ellis Island were millions of people stopped before entering the United States, how and why they came, how they were checked when they got there, and what it was like to live there.

Ellis Island Raymond Bial 2009 Since opening in 1892, Ellis Island has come to symbolize the waves of immigrants from a list of countries that seems endless. In this work, Bial tells the story of Ellis Island itself. Full color.

After Ellis Island Susan Cotts Watkins 1994-04-21 After Ellis Island is an unprecedented study of America's foreign-born population at a critical juncture in immigration history. The new century had witnessed a tremendous surge in European immigration, and by 1910 immigrants and their children numbered nearly one third of the U.S. population. The census of that year drew from these newcomers a particularly rich trove of descriptive information, one from which the contributors to After Ellis Island draw to create an unmatched profile of American society in transition. Chapters written especially for this volume explore many aspects of the immigrants' lives, such as where they settled, the jobs they held, how long they remained in school, and whether or not they learned to speak English. More than a demographic catalog, After Ellis Island employs a wide range of comparisons among ethnic groups to probe whether differences in childbirth, child mortality, and education could be traced to cultural or environmental causes. Did differences in schooling levels diminish among groups in the same social and economic circumstances, or did they persist along ethnic lines? Did absorption into mainstream America—measured through duration of U.S. residence, neighborhood mingling, and ability to speak English—blur ethnic differences and increase chances for success? After Ellis Island also shows how immigrants eased the nation's transition from agriculture to manufacturing by providing essential industrial laborers. After Ellis Island offers a major assessment of ethnic diversity in early twentieth century American society. The questions it addresses about assimilation and employment among immigrants in 1910 acquire even greater significance as we observe a renewed surge of foreign arrivals. This volume will be valuable to sociologists and historians of immigration, to demographers and economists, and to all those interested in the relationship of ethnicity to opportunity.

Ellis Island Interviews Peter M. Coan 1997 Presents first-hand accounts from the last surviving immigrants.

Journey to Ellis Island Carol Bierman 2010-08-01 Combining a moving, American immigrant experience narrative with family photographs and evocative illustrations, this inspiring story of courage follows 7-year-old Julius Weinstein and his family as they travel to the U.S. through Ellis Island after having escaped a pogrom in their Russian village in 1917. Reprint.

Children of Ellis Island Barry Moreno 2005-11-02 Burdened with bundles and baskets, a million or more immigrant children passed through the often grim halls of Ellis Island. Having left behind their homes in Europe and other parts of the world, they made the voyage to America by steamer. Some came with parents or guardians. A few came as stowaways. But however they traveled, they found themselves a part of one of the grandest waves of human migration that the world has ever known. *Children of Ellis Island* explores this lost world and what it was like for an uprooted youngster at America's golden door. Highlights include the experience of being a detained child at Ellis Island—the schooling and games, the pastimes and amusements, the friendships, and the uneasiness caused by language barriers.

The Last Days of Ellis Island Gaëlle Josse 2020-11-24 New York, November 3, 1954: The last immigration officer of Ellis Island looks back at 45 years as gatekeeper to America.

Ellis Island Barry Moreno 2008-09 Ellis Island boasts a rich history. These images illustrate the people, the events, and the everyday scenes that make up Ellis Island's story.

Ellis Island Joanne Mattern 2017-08-01 For millions of people, leaving home and coming to America meant giving up family and all things familiar. For more than sixty years, one site was the first place in America all new immigrants saw. Find out why Ellis Island holds such an important place in America's history.

If Your Name Was Changed at Ellis Island Ellen Levine 1994-08-01 If You... series.

Dreaming of America Eve Bunting 2001-01-01 Annie Moore cares for her two younger brothers on board the ship sailing from Ireland to America where she becomes the first immigrant processed through Ellis Island, January 1, 1892, her fifteenth birthday.

At Ellis Island Louise Peacock 2007-05-22 Accounts from children, police, immigration officers, and the immigrants themselves come to life in a moving tale about the history of Ellis Island, enhanced with black-and-white photographs.

What Was Ellis Island? Patricia Brennan Demuth 2014-03-13 From 1892 to 1954, Ellis Island was the gateway to a new life in the United States for millions of immigrants. In later years, the island was deserted, the buildings decaying. Ellis Island was not restored until the 1980s, when Americans from all over the country donated more than \$150 million. It opened to the public once again in 1990 as a museum. Learn more about America's history, and perhaps even your own, through the story of one of the most popular landmarks in the country.

It's Raining Cupcakes Lisa Schroeder 2010-03-09 Twelve-year-old Isabel is dying to get out of her small town of Willow, Oregon, and travel like her best friend, Sophie. But when Isabel's

mother decides to open up a cupcake shop across town, Isabel is once again stuck in Willow for the summer...until she learns of a baking contest where the finalists get an all-expenses paid trip to New York City to compete in the final bake-off. But Sophie is also entering the contest, and Isabel's mother has reservations. Can Isabel finally realize her dreams of leaving Willow without hurting two of the most important people in her life?

Ellis Island Patricia Ryon Quiri 1998 Describes how the immigration station on Ellis Island served as a gateway into the United States for millions of immigrants.

Puerto Rico Elaine Landau 1999 Discusses the geography, history, government, people and economy of the island nation of Puerto Rico.

Ellis Island Elaine Landau 2007-09-01 Discusses why immigrants came to the United States in the late 19th and early 20th centuries, the difficulties of the journey, the establishment of the Ellis Island Immigration Station and what went on there, and its decline and restoration.

Ellis Island Elaine Landau 2008 Describes the place of Ellis Island in American history, from its early history of being a landing place for ships bearing millions of immigrants to its more recent status as a museum.

Ellis Island Michael Burgan 2013 Describes the experiences of immigrants who left their homes in the early 1900s and came to the United States through Ellis Island, in a book where the reader's choices reveal the historical details from three different perspectives.

The Immigrants Howard Fast 2010-03-01 The first book in bestselling author Howard Fast's beloved family saga "A most wonderful book...there hasn't been a novel in years that can do a job on readers' emotions that the last fifty pages of *The Immigrants* does." -Los Angeles Times In this sweeping journey of love and fortune, master storyteller Howard Fast recounts the rise and fall of a family of roughneck immigrants determined to make their way in America at the turn of the century. Quick to ascend from the tragic depths of the 1906 San Francisco earthquake, Dan Lavette becomes the head of a powerful shipping empire and establishes himself among the city's cultural elite. But when he finds himself caught in a loveless marriage to the daughter of San Francisco's richest family, a scandalous love affair threatens to destroy the empire Dan has built for himself. The first of a compelling family saga, *The Immigrants* is a fast-paced, emotional novel that captures the wide range of relationships among immigrant families during the tumultuous events that defined the early twentieth century in America. "A non-stop page-turner...moving, vivid...a splendid achievement!" -Erica Jong "Howard Fast is fiercely American. He is one of ours, one of our very best!" -Los Angeles Times "Warmth...Power...Tenderness...Excitement...Readers will find themselves anxiously awaiting the sequel." -Columbus Dispatch

When Jessie Came Across the Sea Amy Hest 2003-09-01 A thirteen-year-old Jewish orphan reluctantly leaves her grandmother and immigrates to New York City, where she works for three years sewing lace and earning money to bring Grandmother to the United States, too. Reprint.

American Passage Vincent Cannato 2018 The remarkable saga of America's landmark port of entry, from immigration post to deportation center to mythical icon.

Ellis Island and Immigration for Kids Jean Daigneau 2021-12-07 *Ellis Island and Immigration for Kids* explores all angles of immigration and its history in the United States. Readers will learn about the establishment of Ellis Island and its forerunner, Castle Garden, as well as the western immigration station, Angel Island. Along with activities to further enrich kids' knowledge of immigration, this book gives its readers a thorough understanding of its impact on the United States from the earliest arrivals to today. Activities include instructions on writing a letter home after a journey in steerage to graphing and comparing immigrant populations since the first US census in 1790. This book will help kids gain an appreciation of immigration's impact on the United States, as well as challenge them to reflect on their own feelings about this important issue. Readers will broaden their understanding of issues that center on immigration with cross-curriculum activities, such as poetry and letter writing, graphing, and other math analyses.

In the Shadow of Lady Liberty Danny Kravitz 2015-08 "Explores immigrants' experiences at Ellis Island through the use of primary sources"--

Gittel's Journey Lesléa Newman 2019-02-05 Gittel and her mother were supposed to immigrate to America together, but when her mother is stopped by the health inspector, Gittel must make the journey alone. Her mother writes her cousin's address in New York on a piece of paper. However, when Gittel arrives at Ellis Island, she discovers the ink has run and the address is illegible! How will she find her family? Both a heart-wrenching and heartwarming story, *Gittel's Journey* offers a fresh perspective on the immigration journey to Ellis Island. The book includes an author's note explaining how Gittel's story is based on the journey to America taken by Lesléa Newman's grandmother and family friend.

Forgotten Ellis Island Lorie Conway 2010-10-05 A century ago, in the shadow of the Statue of Liberty, one of the world's greatest public hospitals was built. Massive and modern, the hospital's twenty-two state-of-the-art buildings were crammed onto two small islands, man-made from the rock and dirt excavated during the building of the New York subway. As America's first line of defense against immigrant-borne disease, the hospital was where the germs of the world converged. The Ellis Island hospital was at once welcoming and foreboding—a fateful crossroad for hundreds of thousands of hopeful immigrants. Those nursed to health were allowed entry to America. Those deemed feeble of body or mind were deported. Three short decades after it opened, the Ellis Island hospital was all but abandoned. As America after World War I began shutting its border to all but a favored few, the hospital fell into disuse and decay, its medical wards left open only to the salt air of the New York Harbor. With many never-before-published photographs and compelling, sometimes heartbreaking stories of patients (a few of whom are still alive today) and medical staff, *Forgotten Ellis Island* is the first book about this extraordinary institution. It is a powerful tribute to the best and worst of America's dealings with its new citizens-to-be.

The Next Ship Home Heather Webb 2022-02-08 "An unflinching look at the immigrant experience, an unlikely and unique friendship, and a resonant story of female empowerment."—Pam Jenoff, New York Times bestselling author of *The Woman with the Blue Star* *Ellis Island, 1902: Two women band together to hold America to its promise: "Give me your tired, your poor ... your huddled masses yearning to breathe free..."* A young Italian woman arrives on the shores of America, her sights set on a better life. That same day, a young American woman reports to her first day of work at the immigration center. But Ellis

Island isn't a refuge for Francesca or Alma, not when ships depart every day with those who are refused entry to the country and when corruption ripples through every corridor. While Francesca resorts to desperate measures to ensure she will make it off the island, Alma fights for her dreams of becoming a translator, even as women are denied the chance. As the two women face the misdeeds of a system known to manipulate and abuse immigrants searching for new hope in America, they form an unlikely friendship—and share a terrible secret—altering their fates and the lives of the immigrants who come after them. This is a novel of the dark secrets of Ellis Island, when entry to "the land of the free" promised a better life but often delivered something drastically different, and when immigrant strength and female friendship found ways to triumph even on the darkest days. Inspired by true events and for fans of Kristina McMorris and Hazel Gaynor, *The Next Ship Home* holds up a mirror to our own times, deftly questioning America's history of prejudice and exclusion while also reminding us of our citizens' singular determination.

Ellis Island Judith Jango-Cohen 2009-07-10 Presents the history of the Barge Office, Ellis Island's immigration station, which opened in 1900 and still stands today.

Ellis Island Elizabeth Carney 2018-08-01 Explore the history of Ellis Island, one of the most recognized landmarks in American history. Kids will learn about its early history as a Mohegan island and rest spot for fishermen, through its time as a famous immigration station to today's museum.

Hope and Tears Gwenyth Swain 2012 Provides information about the immigration station in New York harbor, along with fictionalized accounts of the people who came through or worked there.

American Passage Vincent J. Cannato 2009-06-09 "By bringing us the inspiring and sometimes unsettling tales of Ellis Island, Vincent Cannato's *American Passage* helps us understand who we are as a nation." — Walter Isaacson The remarkable saga of America's landmark port of entry, from immigration post to deportation center to mythical icon. For most of New York's early history, Ellis Island had been an obscure little island that barely held itself above high tide. Today the small island stands alongside Plymouth Rock in our nation's founding mythology as the place where many of our ancestors first touched American soil. *American Passage* captures a time and a place unparalleled in American immigration and history, and articulates the dramatic and bittersweet accounts of the immigrants, officials, interpreters, and social reformers who all played an important role in Ellis Island's chronicle. In this sweeping, often heart-wrenching epic, Vincent J. Cannato reveals that the history of Ellis Island is ultimately the story of what it means to be an American.

Ellis Island Charles River Charles River Editors 2017-01-25 *Includes pictures *Includes accounts of Ellis Island written by immigrants *Includes online resources and a bibliography for further reading *Includes a table of contents "So, anyhow, we had to get off of the ship, and we were put on a tender, which took us across to Ellis Island. And when I saw Ellis Island, it's a great big place, I wondered what we were going to do in there. And we all had to get out of the tender, and then into this, and gather your bags in there, and the place was crowded with people and talking, and crying, people were crying. And we passed, go through some of the halls there, and tried to remember that the halls, big halls, big open spaces there,

and there was bars, and there was people behind these bars, and they were talking different languages, and I was scared to death. I thought I was in jail." - Mary Mullins, an Irish immigrant

By the middle of the 19th century, New York City's population surpassed the unfathomable number of 1 million people, despite its obvious lack of space. This was mostly due to the fact that so many immigrants heading to America naturally landed in New York Harbor, well before the federal government set up an official immigration system on Ellis Island. At first, the city itself set up its own immigration registration center in Castle Garden near the site of the original Fort Amsterdam, and naturally, many of these immigrants, who were arriving with little more than the clothes on their back, didn't travel far and thus remained in New York. Of course, the addition of so many immigrants and others with less money put strains on the quality of life. Between 1862 and 1872, the number of tenements had risen from 12,000 to 20,000; the number of tenement residents grew from 380,000 to 600,000. One notorious tenement on the East River, Gotham Court, housed 700 people on a 20-by-200-foot lot. Another on the West Side was home, incredibly, to 3,000 residents, who made use of hundreds of privies dug into a fifteen-foot-wide inner court. Squalid, dark, crowded, and dangerous, tenement living created dreadful health and social conditions. It would take the efforts of reformers such as Jacob Riis, who documented the hellishness of tenements with shocking photographs in *How the Other Half Lives*, to change the way such buildings were constructed. On New Year's Day 1892, a young Irish girl named Annie Moore stepped off the steamship Nevada and landed on a tiny island that once held a naval fort. As she made her way through the large building on that island, Annie was processed as the first immigrant to come to America through Ellis Island. Like so many immigrants before her, she and her family settled in an Irish neighborhood in the city, and she would live out the rest of her days there. Thanks to the opening of Ellis Island near the end of the 19th century, immigration into New York City exploded, and the city's population nearly doubled in a decade. By the 1900s, 2 million people considered themselves New Yorkers, and Ellis Island would be responsible not just for that but for much of the influx of immigrants into the nation as a whole over the next half a century. To this day, about a third of the Big Apple's population is comprised of immigrants today, making it one of the most diverse cities in the world. *Ellis Island: The History and Legacy of America's Most Famous Immigration Gateway* analyzes the history of Ellis Island and its integral impact on American history. Along with pictures of important people, places, and events, you will learn about Ellis Island like never before, in no time at all.

[The Orphan of Ellis Island](#) Elvira Woodruff 2000-06-01 During a school trip to Ellis Island, Dominick Avaro, a ten-year-old foster child, travels back in time to 1908 Italy and accompanies two young emigrants to America.

Ellis Island Kate Kerrigan 2011-06-28 "A standout novel....A rare combination of historical enlightenment and sheer enjoyment." —Peter Quinn, author of *The Man Who Never Returned*

Already a hit in the United Kingdom, *Ellis Island* by Kate Kerrigan is both a poignant love story and a lyrical, evocative depiction of the immigrant experience in early 20th century America. Set in the 1920s, Kerrigan's novel tells of a young Irish woman who must choose between her new life in New York City and her husband back home in Ireland, brilliantly capturing these two vastly different worlds in the process. Readers of historical fiction, as well as fans of the novels of Frank Delany and other Irish themed works, will adore their time spent on Ellis Island.

Ellis Island Mark Helprin 2017-06-20 This award-winning short story collection by the acclaimed author of *Winter's Tale* "ascends to the peak of literary achievement" (The Boston Globe). Winner of the Prix de Rome and the National Jewish Book Award, these eleven stories demonstrate Mark Helprin's mastery of fiction across a diverse spectrum of styles. The stories in this collection range from children caught in a Vermont blizzard to an English sea captain who encounters an ape adrift in the Indian Ocean. The title novella tells the tale of a Jewish immigrant who arrives in New York City with little more than an ivory pen—and an unflagging determination to survive the indignities of Ellis Island's many protocols. In the worlds of *The Philadelphia Inquirer*, this collection presents "stories beyond compare...[Helprin's] imagination should be protected by some intellectual equivalent of the National Park Service." "Such an ambitious reach is almost unheard of in our short fiction."—New York Times Book Review

Toward A Better Life Peter Morton Coan 2011-10-11 This book offers a balanced, poignant, and often moving portrait of America's immigrants over more than a century. The author has organized the book by decades so that readers can easily find the time period most relevant to their experience or that of family members. The first part covers the Ellis Island era, the second part America's new immigrants—from the closing of Ellis Island in 1955 to the present. Also included is a comprehensive appendix of statistics showing immigration by country and decade from 1890 to the present, a complete list of famous immigrants, and much more. This rewarding, engrossing volume documents the diverse mosaic of America in the words of the people from many lands, who for more than a century have made our country what it is today. It distills the larger, hot-topic issue of national immigration down to the personal level of the lives of those who actually lived it.

We Came Through Ellis Island Gare Thompson 2003 Follows a Jewish family as they leave Russia in 1893 and begin a new life in New York City, where they find new challenges and opportunities on their way to becoming Americans.

All the Way to America: The Story of a Big Italian Family and a Little Shovel Dan Yaccarino 2012-06-27 "This immigration story is universal." —School Library Journal, Starred Dan Yaccarino's great-grandfather arrived at Ellis Island with a small shovel and his parents' good advice: "Work hard, but remember to enjoy life, and never forget your family." With simple text and warm, colorful illustrations, Yaccarino recounts how the little shovel was passed down through four generations of this Italian-American family—along with the good advice. It's a story that will have kids asking their parents and grandparents: Where did we come from? How did our family make the journey all the way to America? "A shovel is just a shovel, but in Dan Yaccarino's hands it becomes a way to dig deep into the past and honor all those who helped make us who we are." —Eric Rohmann, winner of the Caldecott Medal for *My Friend Rabbit* "All the Way to America is a charmer. Yaccarino's heartwarming story rings clearly with truth, good cheer, and love." —Tomie dePaola, winner of a Caldecott Honor Award for *Strega Nona*

Ellis Island Malgorzata Szejnert 2022-09-06 A dramatic, multi-vocal account of the personal agonies and ecstasies that played out within the walls of Ellis Island, as told by Poland's greatest living journalist. This is the people's history of Ellis Island--the people who passed through it, and the people who were turned away from it. From Annie Moore, the Irishwoman who was the first to be processed there, to Arne Peterssen, the Norwegian who was the last

to be taken away from the island via the official ferry boat in 1954, Ellis Island weaves together the personal experiences of forgotten individuals with those who live on in history: Fiorello La Guardia, Lee Iacocca, and other American leaders whose paths led them to the Island for various reasons through the years. Award-winning journalist Małgorzata Szejnert draws on unpublished testimonies, memoirs, archival photographs, and correspondence from many internees and immigrants, including Russians, Italians, Jews, Japanese, Germans, and Poles. At the book's core is a trove of personal letters from immigrants to their loved ones back home--letters which were confiscated and never delivered, finally discovered in a basement in Warsaw. But also brought to life are the Ellis Island employees: the doctors, nurses, commissioners, interpreters, social care workers, and even chaperones, who controlled the fates of these émigrés--often basing their decisions on pseudo-scientific ideas about race, gender, and disability. Sometimes families were broken up, and new arrivals were detained and quarantined for days, weeks, or even months. All told, the island compound spent longer as an internment camp than as a migration way-point--in addition to filling other roles through the years, including that of rescue station in the immediate aftermath of the 9/11 attacks. Now brought back to life by a master storyteller, this is a story of a place and its people, steeped in politics and history, that reshaped the United States.

The Long Way Home David Laskin 2011-03-15 In *The Long Way Home*, award-winning writer David Laskin traces the lives of a dozen men who left their childhood homes in Europe, journeyed through Ellis Island, and started over in a strange land--only to cross the Atlantic again in uniform when their adopted country entered the Great War. Though they had known little of America outside of tight-knit ghettos and backbreaking labor, these foreign-born conscripts were rapidly transformed into soldiers, American soldiers, in the ordeal of war. Two of the men in this book won the Medal of Honor. Three died in combat. Those who survived were profoundly altered--and their heroic service reshaped their families and ultimately the nation itself. Epic, inspiring, and masterfully written, this book is an unforgettable true story of the Great War, the world it remade, and the humble, loyal men who became Americans by fighting for America.
