Its roughly what you craving currently. This embroidered treasures birds exquisite needlework, as one of the most dynamic sellers here will extremely be in the middle of the best options to review.

Miniature Needle Painting Embroidery Trish Burr 2015-02 Trish has always been fascinated by miniature art and for years has had a yen to try and embroider smaller pieces, there is something so endearing about little paintings with all the detail and form of a larger piece, not to mention the fact that they are much quicker to stitch! When Trish sat down to consider ideas for this book, she wanted not only something that provided a good choice, with lots of projects, but also to ensure that each project was worthy of stitching. The designs needed to be fresh and appealing, to depict the pretty, romantic illustrations typical of the Victorian and post-Victorian eras. Teaching embroidery has helped Trish to understand the need for clarity in both the technique and project instructions, so instructions on everything about long and short stitch and how to adapt it to fit different situations and projects have been provided. Each project is accompanied by a detailed thread diagram which shows exactly which colour should be used and where. The small size of the designs allows for great flexibility in their final use - such as group framing, making up into cushions, book covers, quilt squares, needle cases, box lids, tote bags, pockets on clothing and so on. Following the portraits, birds and flowers, a section with much smaller Victorian pansies and buds, again with thread diagrams has been added.

Willing Hands Betsy Morgan 2019-10

Needlework as Art M. Alford 2016-07-13 Needlework as art is an unchanged, high-quality reprint of the original edition of 1886. Mr X Stitch Guide to Cross Stitch Chalmers 2017

All Sewn Up Chloë Owens 2018-09-11 All Sewn Up brings you 35 colorful and unique crafty ideas, using a wide variety of sewing techniques – from embellishment and adornment to freehand embroidery – that are forward thinking but still inspired by vintage style. All Sewn Up brings you 35 colorful and unique crafty ideas, using a wide variety of sewing techniques – from embellishment and adornment to freehand embroidery – that are forward thinking but still inspired by vintage style. Make something fun for the kitchen—pretty placemats, or an apron for the cook. If you like animals, make George the giraffe, or an owl pillow, decorated with pretty stitches. Gifts to sew include a raindrops and rainbows mini quilt that friends will love to receive. If you adore long lie-ins then sew the sleepy head pillow with appliqué embellishments, or a Holly Golightly-inspired eyemask. Last but not least, there are murals and hangings to add a splash of color to your home. Each project comes with step-by-step instructions and adorable artworks by Gemma Correll—so just grab a needle and thread and get down to some seriously creative crafting.

Early Style Hardanger Yvette Stanton 2016-10-01

Crewel Intentions Hazel Blomkamp 2014 Keeping to a theme started in Crewel Twists, this book continues the concept of using non-traditional techniques and materials in crewel or Jacobean embroidery. It showcases four large projects, each with an accompanying small project similar in technique, and shows needle workers how to be creative with threads, alternative stitches and beads. Traditional techniques are explained but are extended with the use of bead embroidery, needle lace techniques, and stitches not normally used in crewel work. Many new needle lace and bead embroidery techniques are incorporated, and the book also explores weaving techniques used to create textures like twill and lace weaves, as well as patterns similar to tartan and houndstooth check. Every project is clearly explained with step-by-step instructions and lots of photographs, and the completed embroideries are once again displayed in ways that are both decorative and functional in the home. Templates of the original designs complete this magnificent source for creative embroidery.

A Passion for Needlework Inspirations Studios 2018-10 Needlework ... an obsession since the beginning of time. A passion for needlework Factoria VII tells the story of beautiful, sophisticated needlework juxtaposed with a rustic, industrial cottage. Twelve extraordinary needlework projects. One texture-rich, stone and wood cottage. The passion continues as a new adventure awaits within ... Back cover.

Beginner's Guide to Goldwork Ruth Chamberlin 2017-02-28 The beauty of goldwork lies in the way it reflects the light when threads and stitches are worked into a design in different ways. This work explains about the materials, the

stitches, how to transfer designs, raise surfaces and more. Diagrams, patterns and photographs illustrate each stage.

Learn how to choose appliqué techniques with confidence for the perfect quilt, every time. Give new life to your quilts with design principles that engage the eye.

Kew Book of Embroidered Flowers (Hardback Library edition) Burr 2020

With Needle and Brush Carol Huber 2011-10-15 The Connecticut River Valley was an important center for the teaching and production of embroidered pictures by young women in private academies from the mid-eighteenth to the early nineteenth century. This book identifies the distinctive styles developed by teachers and students at schools throughout the valley, from Connecticut and Massachusetts to Vermont and New Hampshire. Needlework was a means of instilling the values of citizenship, faith, knowledge, and patriotism into girls who would become mothers in the early republic. This book describes and illustrates how these embroideries provide insight into the nature of women's schooling at this time. Over the course of their education, girls undertook progressively more complex and difficult needlework. Before the age of ten, they stitched elementary samplers on linen. As the culmination of their studies, they executed elaborate samplers, memorials, and silk pictures as evidence of the skills and accomplishments befitting a lady. Proudly displayed as enticements to potential suitors, these pieces affirmed a young woman's mastery of the polite arts, which encompassed knowledge of religious and literary themes as well as art and music. This publication has been made possible through the generous support of The Coby Foundation, Ltd., the Connecticut Humanities Council, the Connecticut Commission on Culture and

Tourism, Furthermore: a program of the J. M. Kaplan Fund, and several private donors.

Crewelwork Jacqui McDonald 2011-02 Exquisite and timeless, the needlework portrayed in these guides promotes the Royal School of Needlework's mission to keep the art of hand embroidery alive in the 21st century. Focusing on some of the oldest and most essential stitches and patterns, the books in this craft series are spiral-bound and lay flat on the table. Step-by-step photographic instructions on framing and transferring designs are included, as are introductory histories to each technique. Sections of patterns, along with pictures of finished pieces that demonstrate how to correctly use the patterns, help crafters take their needlework to new heights of artistry. Focusing on crewelwork, an enduring craft technique that uses wool and a variety of different embroidery stitches to follow a design outline applied to the fabric, this needlework resource demonstrates how to produce beautiful and detailed work.

Treasures from the Embroiderers' Guild Collection Embroiderers' Guild 1991

Russian Elegance Luiza Vladimirovna Efimova 2011 This beautifully illustrated book shows examples of Russian dress and accessories from the 15th to the early 20th century. Derived from the collection of the State Historical Museum and covering both dress worn in the countryside and in the city, this book is a fabulous feast of splendid patterns and fine detail. From exuberantly colourful and embellished dresses to elegantly sumptuous brocades and silks, the garments and accessories included in this book are an inspiration. In the first part of the book we look at traditional Russian dress which was worn by all Russian peasants, by the urban petit bourgeoisie and by merchants. This type of clothing became accepted as national dress. In the towns and cities, dress was influenced by the Parisian styles but interpreted by Russian seamstresses reflecting the love of bright colours, multi-coloured patterns and decorative features in evidence in traditional dress. In the second part of the book we see examples of the Paris-inspired urban dress. With authoritative essays written by experts L. V. Yefimova and T. S. Aleshina, *Russian Elegance* is an invaluable resource for fashion designers, artists, fashion historians, set and costume designers, or anyone interested in these beautiful designs.

Stitches from the Yuletide Kathy Schmitz 2018-05-01 Celebrate the charms of the season with exquisite embroidery from best-selling author Kathy Schmitz! You'll find spectacularly embroidered winter scenes inspired by classic motifs, as well as delightful hand-drawn sketches and beautiful watercolor paintings in page after page of elegant designs. showcases the Embroiderers' Guild's huge collection of embroidered flowers through the ages. Featuring photographs taken especially for the book, items are shown in full and also with detail images to show off the flowers at their best. These wonderful embroidered treasures are as varied as wall hangings, children's dresses, bridal bags and samplers, some of which date back to the seventeenth century. The images are shown with extended captions giving the country of origin, age, size and technique used to make them. Hailing from countries such as China, Japan, North America, Spain, Greece, Italy, Turkey, Norway and Switzerland, this is an opportunity to see fabulous works that are very rarely seen in public.

Art of Annemieke Mein Annemieke Mein 2019-09-01 The textile works of Annemieke Mein display a rare standard of artistry. She has explored beyond the bounds of craft and developed new techniques in her use of textiles and fabric paints. The illustrations in this book show how textiles can be used as an exciting sculptural medium. The artist's three-dimensional creations are works of extraordinary skill, born out of a passionate commitment to the environment that she observes with a loving eye. Annemieke uses an amazing variety of materials - silk, wool, fur, cotton, synthetics - carefully chosen for their colour, texture, credibility and aesthetic appeal. These fabrics are then meticulously painted and stitched to faithfully reproduce her chosen subjects and to enhance the tactile quality unique to textiles. Numerous techniques are used in limitless combinations: hand and machine embroidery, dyeing, applique, trapunto, quilting, pleating, felting, beading, weaving and plying. The work of Annemieke Mein will leave the reader breathless with wonder. It encourages an awareness of our natural heritage and of the need to preserve it. Previously published in paperback 9780855329778.

Folk Embroidered Felt Birds Corinne Lapierre 2019-04 20 beautiful folk embroidered felt birds to make and display Corinne Lapierre's beautiful folk embroidered birds are sure to delight everyone! They include a swan, a hen, a goose, a partridge, an owl, a dove, a peacock and a flamingo. Beautifully made in lovely soft colors, the birds are filled with toy stuffing and embellished with beads and folk-style surface embroidery in different-coloured threads. The stitches include chain stitch, feather stitch, fly stitch, running stitch, blanket stitch, French knots and satin stitch. The book includes lovely, hand-drawn step-by-step illustrations and there are same-size templates at the back of the book for all the birds. The birds all have optional ribbon hangers for display. These delightful birds make great gifts for all occasions and are quick, easy and fun to make with minimal outlay on materials.

Japan Rachel Peat 2020-05-28 This book tells the story of British royal contact with Japan between 1603 and 1937, when the exchange of exquisite works of arts was central to both diplomatic relations and cultural contact. As a result, the Royal Collection has one of the most significant holdings of Japanese works of art in the western world. Featuring new research and stunning photography, the book showcases the consummate craftsmanship and rich cultural traditions behind three centuries' worth of porcelain, lacquer, armour, embroidery, metalwork and

works on paper.

Embroidered Treasures: Animals Annette Collinge 2020-03-12 A fabulous collection of photographs of rarely seen embroidered animals in the Embroiderers' Guild Collection. This fantastic book showcases the prestigious Embroiderers' Guild's huge collection of embroidered animals through the ages. Featuring photographs taken especially for the book, items are displayed in full along with detailed images that show off the stunning variety of creatures at their best. Dr Annette Collinge's informative extended captions for each of the pieces give information on the provenance where known, and evaluate the quality of, and variety in, each of the works from her expert perspective. Rarely exhibited in public, these beautiful and important embroideries that span the centuries are now available for everyone to see.

Elegant Arts for Ladies Elegant arts 1856

Embroidered Treasures Dr Annette Collinge 2018-08-20 The Embroiderers' Guild was founded in 1906 and has in its collection embroideries from all over the world. These wonderful works, which somehow survived through the ages, could be said to be one of the most important groups of embroideries assembled in one place. Stitched pieces and fragments were gathered together by early members of the Guild and inserted into portfolios that were circulated among members. Nature has always been a huge source of inspiration to embroiderers and this fantastic book showcases the Embroiderers' Guild's huge collection of embroidered birds through the ages. From the subtle shades seen in crewelwork and the Buratto lace of Europe to the glittering silk, metal and beetle wing designs of China, Japan and India, author Dr Annette Collinge presents a beautiful array of stitchwork that truly is a feast for the eyes. Featuring full-colour photographs and extended captions, items are shown also in full along with detailed images to show off the stunning stitched birds at their best. These wonderful embroidered treasures are as varied as badges, postcards, aprons, wall hangings, dresses, cushion covers and samplers, some of which date back to the 17th century. Collected from many different countries, this exquisite book is an opportunity to see fabulous works that are very rarely seen in public. Mary Corbet, of Needle 'n Thread, said in her review of the first book in this series: "Embroidered Treasures: Flowers is a fantastic book! It's inspirational. It's informative. It's beautiful!" For most of us who will never see a collection of embroideries like these up close and personal, this lovely book is the best way to experience them and learn about them. We can take what we learn and apply it to our own needlework pursuits. Or we can just enjoy the beauty of the pieces and appreciate the history behind them. It's a great book for your reference library..."

English Embroidered Bookbindings Cyril Davenport 1899

From textured stems and leaves to colorful bunches of flowers—your end result will look and feel like a true artistic and organic garden.

Embroiderers Guild Transfers Collection Annette Collinge 2021-02-16 An important collection of beautiful, historically significant iron-on transfer designs from the Embroiderers' Guild. The use of hot iron transfers in embroidery has a long and fascinating history, but they've often been looked down upon by serious embroiderers and have therefore been largely overlooked.

They were, however, produced in large numbers and much of the work created from them was of a very high quality. An important though largely forgotten part of the Embroiderers' Guild legacy is the huge collection of hot iron transfers dating back to the early 20th century that were created by members of the Guild. They fell out of favour in the 1960s and the Guild stopped producing them. Many transfers were stored away and haven't been seen since those times; others were simply thrown away. This publication, which consists of one booklet of transfers and one booklet of worked examples, showcases specially chosen examples worked in specific ways as an inspiration to readers to either follow, or work in their own way. This is a massively important collection of beautiful embroidery transfers that will excite embroiderers, textile artists, historians and lovers of traditional and vintage embroidery everywhere.

Mister Finch Mister Finch 2014-08 This first book by famous textile artist Mister Finch is a gorgeous collection of the artist's fantastical, one-of-a-kind creatures. Drawing inspiration from the natural world, as well as British folklore, Finch mingles fairytales and reality to create a magical world all his own. Peek inside Finch's Yorkshire studio, a place brimming with buttons and scraps of fabric, where spindly-legged spiders keep watch over mischievous hares and carpet-winged moths perch majestically atop bookshelves. Finch's critters have been called "wonderfully peculiar and completely charming," "a joy for the eye and the soul." Many of these pieces were born of treasures lost and forgotten: velvet curtains from an old hotel, a threadbare wedding dress and a vintage apron become birds and beasts, looking for new owners and adventures. The pages of this book are strewn with creatures who prove that anything is possible in the fairytale world of Mister Finch.

Freestyle Embroidered Mandalas Hazel Blomkamp 2018-11-06 Over 20 luminous mandalas designs to stitch by master embroiderers Hazel Blomkamp and Di van Niekerk and fine artist Monique Day-Wilde. When top artists from various disciplines collaborate, the result is bound to be greater than the sum of the individuals' skills. In this unique book, master embroiderers Hazel Blomkamp and Di van Niekerk have come together with fine artist Monique Day-Wilde to create a collection of luminous designs inspired by the beauty and mysticism of mandalas. Using Monique's original mandala designs as their templates, Hazel and Di have adorned the rounded outlines with creative surface embroidery using a wide range of stitches and techniques in stunning combinations. From simple, monochromatic line patterns to colorful and flamboyant bead-and-thread fusions, the embroidered mandalas will inspire and delight everyone from beginners to the most experienced. Throughout the book the authors share plenty of ideas and tips, and offer instruction with a fresh approach to surface embroidery. There is a complete stitch gallery with illustrations and instructions for all the stitches and techniques used which includes old favourites, such as simple back- and chain stitches, as well as the more intricate - needle lace, trellis couching and weaving. Beadwork is also explored to add sparkle and finishing touches, and special effects are created by incorporating the occasional bit of trapunto, ribbon embroidery and appliqué. Both line and color templates of the designs are included, with a detailed stitch diagram and list of threads and

materials for every project. A selection of templates also show different embroidery treatments to illustrate how versatile the designs are. Fall into a captivating treasure trove of whorled stitches and silk, and discover the beautiful world designed by these renowned artists of needle and brush.

Stitched Textiles: Landscapes Matthews 2013

Crewel Embroidery Tatiana Popova 2020-01-17 Learn to create stunning needlecraft projects inspired by traditional fairy tales, including The Wizard of Oz, Karolcia, The Wild Swans, and Cinderella. This magical collection takes as its central theme a magnificent embroidery depicting the "Tree of Happiness." Each part of the embroidery is then explored in detail through stitch diagrams, explanations of the threads used, and alternative ways of working. There are seven wonderful designs in total, each dedicated to one of Tatiana's favorite fairy tales, and all illustrated with gorgeous photographs and informative diagrams. Over 90 stitches are described in the book, all worked using stranded cotton and cotton pearl thread rather than traditional crewel wool, which gives the embroideries a fresh, modern appeal. Whether you are new to embroidery or an experienced embroiderer looking for inspiration and expert guidance, Tatiana's beautiful book is one you will turn to again and again. "Tatiana Popova is a major craftswoman in her art, and what she does is beautiful. She not only demonstrates the techniques of crewel, she simplifies and breakdown each design into small achievable parts." –Postcard Reviews

Kyuto! Japanese Crafts!: Woolly Embroidery Chronicle Books 2008-04-02 We translated the cutest Japanese patterns we could find to bring you the appeal of authentic Japanese content with the ease of English instruction. The result is such a treat. With Woolly Embroidery, learn how to add stunning designs to clothes and home accessories using simple crewel, stump work, canvas work, and other embroidery techniques. And it's so easy to pick up. If you can sew a button, you can embroider—it doesn't involve any complicated patterns or grids, just forgivingly freeform stitching. All you need is a needle and some wool thread. Helpful illustrations explain more than 30 decorative stitches so you can follow the instructions and color guides exactly or improvise your own motifs. With dozens of photographs to inspire, you'll want to embellish everything in your world—handbags, couch cushions, a sewing kit case, and so much more.

Embroidered Art of Chloe Giordano Chloe Giordano 2019-09-01 Take a walk through the stunning stitched world of renowned embroiderer Chloe Giordano, and discover not only her unique way of working with sewing thread but also a sublime collection of her exquisite textile art, inspired by her love of the natural world. Taking one project from conception through to completion, see how Chloe plans her designs, chooses colours, selects threads, blends colours and finally stitches her designs in order to create her beautifully detailed embroideries. Packed with Chloe's guidance on every aspect of the process, including hooping and framing, this book will inspire you to create stunning thread paintings of your own. In the second part of the book, wend your way

through a beautiful gallery of Chloe's work showcasing her popular, intricate embroideries that celebrate wildlife both big and small - from foxes, fawns through to hares, rabbits, mice and more. All are accompanied by the back story and inspiration behind the piece, offering a fascinating and exclusive look into Chloe's creative process.

Redoute's Finest Flowers in Embroidery Trish Burr 2002 “Trish Burr has painstakingly recreated blooms from the paintings of 19th-century botanical artist Pierre Joseph Redouté in exquisite embroidery. Using only the simplest stitches, she provides instructions, illustrations and photographs to take you step-by-step through stitching 17 beautiful blossoms—roses, lilies, birds of paradise, dahlias, magnolias and more. A gorgeous gift for anyone with a passion for flowers or needlework.”—Vogue Patterns.
