Station Eleven Emily St. John Mandel 2014-09-09 NATIONAL BESTSELLER • An audacious, darkly glittering novel set in the eerie days of civilization’s collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band’s existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel’s new novel, Sea of Tranquility, coming soon!

For Emily Katherine Slee 2019-09-05 "A little dedication goes a long way. That's why Catriona Robinson, the country's favourite children's author, always dedicated her books to those who touched her life the most - not least Emily, her reclusive granddaughter. Emily never thought too much about these dedications. But when Catriona dies unexpectedly, each one becomes a cryptic clue in a breadcrumb trail that apparently leads to her lost, unpublished manuscript. It's a mystery only Emily can solve. But to do so she will have to walk in her grandmother's footsteps, into the wider world she's spent her whole life hiding away from."--Provided by publisher.

The Sign for Home Blair Fell 2022-04-05 Longlisted for The Center for Fiction First Novel Prize When Arlo Dilly learns the girl he thought was lost forever might still be out there, he takes it as a sign and embarks on a life-changing journey to find his great love—and his freedom. Arlo Dilly is young, handsome and eager to meet the right girl. He also happens to be DeafBlind, a Jehovah's Witness, and under the strict guardianship of his controlling uncle. His chances of finding someone to love seem slim to none. And yet, it happened once before: many years ago, at a boarding school for the Deaf, Arlo met the love of his life—a mysterious girl with onyx eyes and beautifully expressive hands which told him the most amazing stories. But tragedy struck, and their love was lost forever. Or so Arlo thought. After years trying to heal his broken heart, Arlo is assigned a college writing assignment which unlocks buried memories of his past. Soon he wonders if the hearing people he was supposed to trust have been lying to him all along, and if his lost love might be found again. No longer willing to accept what others tell him, Arlo convinces a small band of misfit friends to set off on a journey to learn the truth. After all, who better to bring on this quest than his gay interpreter and wildly inappropriate Belgian best friend? Despite the many forces working against him, Arlo will stop at nothing to find the girl who got away and experience all of life's joyful possibilities.

Emily's Quest by L. M. Montgomery(illustrated Edition) Lucy M. Montgomery 2021-06-10 Emily Starr and Teddy Kent have been friends since childhood, and as Teddy is about to leave to further his education as an artist, Emily believes that their friendship is blossoming into something more. On his last night at home, they vow to think of each other when they see the star Vega of the Lyre. As Emily grows as a writer and learns to deal with the loneliness of having her closest friends gone, life at New Moon changes. Mr. Carpenter, Emily's most truthful critic and favorite teacher dies (warning Emily, even as he dies to "Beware --- of --- italics."). She becomes closer to Dean Priest, even as she fears he wants love when she only has friendship to give. Worst of all, Emily and Teddy become distant as he focuses on building his career and she hides her feelings behind pride.

Goodbye Emily Michael Murphy 2013-01-01 Three baby boomers relive their 1969 trip to Woodstock. One final roadtrip. One last chance to say Goodbye Emily. They met at Woodstock, and the love lasted a lifetime. Then she was gone, and so was his college teaching job. Heartbroken but determined, he calls on his two best friends to help him return to the place it all began. The professor and his Woodstock buddy need the third tripper from back in the day, now in a nursing home with early stage Alzheimer's. When the home refuses to allow their friend to come along, the professor and the vet bust him out, attracting the attention of the cops and the media, fascinating the public. The roadtrip turns into a flight from "the man" and not even the professor's defense attorney daughter can help. In a psychedelic van, the trio dodges cops and prosecutors. Against all odds, they close in on their destination, where thousands of supporters and cops await them. Goodbye Emily is the irreverently funny story about a journey of self-discovery for a man who thought he'd left all important journeys in life behind.

Emily's Quest Lucy Maud Montgomery 2015-04-24 'Emily's Quest' is the final tale in The Emily Starr Series, and tells the story of Emily being separated from her childhood sweetheart and agreeing to marry another man. This early work by L. M. Montgomery was originally published in 1927 and we are now republishing it with a brand new introductory biography. Lucy Maud Montgomery was born on 30th

November 1874, New London, in the Canadian province of Prince Edward Island. Her mother, Clara Woolner (Macneil), died before Lucy reached the age of two and so she was raised by her maternal grandparents in a family of wealthy Scottish immigrants. In 1908 Montgomery produced her first full-length novel, titled 'Anne of Green Gables'. It was an instant success, and following it up with several sequels, Montgomery became a regular on the best-seller list and an international household name. Montgomery died in Toronto on 24th April 1942.

Light Years Emily Ziff Griffin 2017-09-05 "A searingly beautiful page-turner." —Jennifer Niven, New York Times bestselling author "A thrilling, thoughtful meditation on life and death." —Hello Giggles "Gorgeously written." —School Library Journal (starred review) As a mysterious virus infects the world's population, a girl embarks on a quest to find a cure in this thrilling debut from Emily Ziff Griffin. Luisa is ready for her life to start. Five minutes ago. And she could be on her way, as her extraordinary coding skills have landed her a finalist spot for a fellowship sponsored by Thomas Bell, the world's most brilliant and mercurial tech entrepreneur. Being chosen means funding, mentorship, and most importantly, freedom from her overbearing mother. Maybe Lu will even figure out how to control the rare condition that plagues her: whenever her emotions run high, her physical senses kick into overload, with waves of color, sound, taste, and touch flooding her body. But Luisa's life is thrust into chaos as a deadly virus sweeps across the globe, killing thousands and sending her father into quarantine. When Lu receives a cryptic message from someone who might hold the key to stopping the epidemic, she knows she must do something to save her family—and the world. Suspenseful, lyrical, and thought-provoking, Light Years features a remarkable heroine on an intensely physical and emotional quest for hope and existential meaning.

Wicked Saints Emily A. Duncan 2019-04-02 "Prepare for a snow-frosted, blood-drenched fairy tale where the monsters steal your heart and love ends up being the nightmare." - Roshani Chokshi, New York Times bestselling author of The Star-Touched Queen A girl who can speak to gods must save her people without destroying herself. A prince in danger must decide who to trust. A boy with a monstrous secret waits in the wings. Together, they must assassinate the king and stop the war. In a centuries-long war where beauty and brutality meet, their three paths entwine in a shadowy world of spilled blood and mysterious saints, where a forbidden romance threatens to tip the scales between dark and light. Wicked Saints is the thrilling start to Emily A. Duncan's devastatingly Gothic Something Dark and Holy trilogy. "This book destroyed me and I adored it." - Stephanie Garber, New York Times bestselling author of Caraval This edition uses deckle edges; the uneven paper edge is intentional.

Emily Climbs Illustrated L. M. Montgomery 2021-01-07 Emily Climbs is the second in a series of novels by Lucy Maud Montgomery. It was first published in 1925. While the legal battle with Montgomery's publishing company (L.C. Page) continued, Montgomery's husband Ewan MacDonald continued to suffer clinical depression. Montgomery, tired of writing the Anne series, created a new heroine[1] named Emily. At the same time as writing, Montgomery was also copying her journal from her early years. The

biographical elements heavily influenced the Emily trilogy.

Emily's Reasons Why Not Carrie Gerlach 2004-07-06 Feeling that her biological clock is ticking when she enters her thirties, publicity woman Emily Sanders finds herself struggling with the image-conscious foibles of the entertainment industry and a host of less-than-ideal husband candidates. A first novel.

The Wild Birds Emily Strelow 2020-03-03 Finalist for the Lambda Literary Award for Bisexual Fiction Finalist for the Foreword INDIES 2018 Award for Best Fiction Cast adrift in 1870s San Francisco after the death of her mother, a girl named Olive disguises herself as a boy and works as a lighthouse keeper's assistant on the Farallon Islands to escape the dangers of a world unkind to young women. In 1941, nomad Victor scours the Sierras searching for refuge from a home to which he never belonged. And in the present day, precocious fifteen year-old Lily struggles, despite her willfulness, to find a place for herself amongst the small town attitudes of Burning Hills, Oregon. Living alone with her hardscrabble mother Alice compounds the problem--though their unique relationship to the natural world ties them together, Alice keeps an awful secret from her daughter, one that threatens to ignite the tension growing between them. Emily Strelow's mesmerizing debut stitches together a sprawling saga of the feral Northwest across farmlands and deserts and generations: an American mosaic alive with birdsong and gunsmoke, held together by a silver box of eggshells--a long-ago gift from a mother to her daughter. Written with grace, grit, and an acute knowledge of how the past insists upon itself, *The Wild Birds* is a radiant and human story about the shelters we find and make along our crooked paths home.

Before the Broken Star Emily R. King 2019-06 A fierce young female adventurer battles time itself to claim her destiny in a sweeping new fantasy saga from the author of the *Hundredth Queen* series. Everley Donovan is living on borrowed time. The lone survivor of her family's unexplained assassination, she was saved by an ingeniously crafted clockwork heart. But the time she was given won't last forever. Now, every tick-tock reminds her how fragile her existence is and hastens her quest to expose Killian Markham, the navy admiral who shattered her world and left her for dead. But Everley's hunt for justice will be a long and hard-won voyage. Her journey takes her to a penal colony on a cursed isle, where she will be married off and charged to build the new world. It is here, and beyond, that hidden realms hide, treasures are unearthed, her family secrets are buried, and young love will test the strength of her makeshift heart. When Everley discovers Markham may not be who he seems, her pursuit for truth is bound to his redemption, her tragic history, and her astonishing destiny.

Idaho Emily Ruskovich 2017-01-03 LOS ANGELES TIMES BESTSELLER • A stunning debut novel about love and forgiveness, about the violence of memory and the equal violence of its loss—from O. Henry Prize-winning author Emily Ruskovich WINNER OF THE PACIFIC NORTHWEST BOOK AWARD • WINNER OF THE DUBLIN LITERARY AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED Ann and Wade have carved out a life for themselves from a rugged landscape in northern Idaho, where they are bound together by more than love. With her husband's memory fading, Ann attempts to piece together the truth of what happened to Wade's first wife, Jenny, and to their daughters. In a story written in exquisite prose and told from multiple perspectives—including Ann, Wade, and Jenny, now in prison—we gradually learn of the mysterious and shocking act that fractured Wade and Jenny's lives, of the love and compassion that brought Ann and Wade together, and of the memories that reverberate through the lives of every character in Idaho. In a wild emotional and physical landscape, Wade's past becomes the center of Ann's imagination, as Ann becomes determined to understand the family she never knew—and to take responsibility for them, reassembling their lives, and her own. One Child Reading Margaret Mackey 2016-06-01 "The miracle of the preserved word, in whatever medium—print, audio text, video recording, digital exchange—means that it may transfer into new times and new places." —From the Introduction Margaret Mackey draws together memory, textual criticism, social analysis, and reading theory in an extraordinary act of self-study. In *One Child Reading*, she makes a singular contribution to our understanding of reading and literacy development. Seeking a deeper sense of what happens when we read, Mackey revisited the texts she read, viewed, listened to, and wrote as she became literate in the 1950s and 1960s in St. John's, Newfoundland. This tremendous sweep of reading included school texts, knitting patterns, musical scores, and games, as well as hundreds of books. The result is not a memoir, but rather a deftly theorized exploration of how a reader is constructed. *One Child Reading* is an essential book for librarians, classroom teachers, those involved in literacy development in both scholarly and practical ways, and all serious readers.

The Emily Starr Series; All Three Novels Lucy Maud Montgomery 2017-09-21 This series tells the story of an orphaned girl using her wit and courage to face the harsh world she finds herself in. Emily grows from childhood to adulthood over the course of the three books. Written by Lucy Maud Montgomery, the Canadian author who is perhaps best known for her novel 'Anne of Green Gables.' A fascinating novel of the period that is still an interesting and entertaining read today. Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince Edward Island. Her mother, Clara Woolner (Macneil), died before Lucy reached the age of two and so she was raised by her maternal grandparents in a family of wealthy Scottish immigrants. In 1908 Montgomery produced her first full-length novel, titled 'Anne of Green Gables'. It was an instant success, and following it up with several sequels, Montgomery became a regular on the best-seller list and an international household name.

Emily Bronte and Beethoven Robert K. Wallace 2008-08-01 When Emily Brontë was studying music in Brussels in 1842, she was drawn into the city's appreciation of Beethoven. After her exposure to the works of the great composer, Brontë's creativity flourished and she went on to compose what was to be her only novel--*Wuthering Heights*. In *Emily Brontë and Beethoven*, Robert K. Wallace continues to work from the perspective he developed in his *Jane Austen and Mozart*--integrating two fields that have traditionally been kept apart. Wallace compares Brontë and Beethoven through a close examination of the Romantic traits that their works share. Innovative and stimulating, Wallace's study extends literary criticism into a new context where equilibrium, balance, proportion and symmetry serve as a fulcrum to launch the reader into a new understanding of the formal parallels, the moods and emotions that connect music and literature.

The Medium C. J. Archer 2012-07-01 Seventeen year-old spirit medium Emily Chambers has a problem. Actually, she has several. As if seeing dead people isn't a big enough social disadvantage, she also has to contend with an escaped demon and a handsome ghost with a secret past. And then there's the question of her parentage. Being born an entire year after her father's death (yes, a year) and without the pale skin of other respectable English ladies, Emily is as much a mystery as the dead boy assigned to her. Jacob Beaufort's spirit has been unable to crossover since his death several months ago. It might have something to do with the fact he was murdered. Or it might not. All he knows is, he has been assigned by the Otherworld's administrators to a girl named Emily. A girl who can see and touch him. A girl who released a shape-shifting demon into the mortal realm. Together they must send the demon back before it wreaks havoc on London. It should be a simple assignment, but they soon learn there's nothing simple when a live girl and a dead boy fall in love.

Book Scavenger Jennifer Chambliss Bertman 2015-06-02 A New York Times-Bestseller! For twelve-year-old Emily, the best thing about moving to San Francisco is that it's the home city of her literary idol: Garrison Griswold, book publisher and creator of the online sensation Book Scavenger (a game where books are hidden in cities all over the country and clues to find them are revealed through puzzles). Upon her arrival, however, Emily learns that Griswold has been attacked and is now in a coma, and no one knows anything about the epic new game he had been poised to launch. Then Emily and her new friend James discover an odd book, which they come to believe is from Griswold himself, and might contain the only copy of his mysterious new game. Racing against time, Emily and James rush from clue to clue, desperate to figure out the secret at the heart of Griswold's new game—before those who attacked Griswold come after them too. This title has Common Core connections.

The Lucky List Rachael Lippincott 2021-06-01 Rachael Lippincott, coauthor of #1 New York Times bestseller *Five Feet Apart*, weaves a “breezy...truly charming” (Kirkus Reviews) love story about learning who you are, and who you love, when the person you’ve always shared yourself with is gone. Emily and her mom were always lucky. But Emily’s mom’s luck ran out three years ago when she succumbed to cancer, and nothing has felt right for Emily since. Now, the summer before her senior year, things are getting worse. Not only has Emily wrecked things with her boyfriend Matt, who her mom adored, but her dad is selling the house she grew up in and giving her mom’s belongings away. Soon, she’ll have no connections left to Mom but her lucky quarter. And with her best friend away for the summer and her other friends taking her ex’s side, the only person she has to talk to about it is Blake, the swoony new girl she barely knows. But that’s when Emily finds the list—her mom’s senior year summer bucket list—buried in a box in the back of her closet. When Blake suggests that Emily take it on as a challenge, the pair set off on a journey to tick each box and help Emily face her fears before everything changes. As they go further down the list, Emily finally begins to feel close to her mom again, but her bond with Blake starts to deepen, too, into something she wasn’t expecting. Suddenly Emily must face another fear: accepting the secret part of herself she never got a chance to share with the person who knew her best.

Still Emily Emily Owen 2016-04-27 Emily Owen was a highly intelligent teenager who was also athletic and a skilled musician. Tragically, in her late teens she was diagnosed as suffering from Neurofibromatosis Type 2 (NF2). Since then, Owen has survived many complicated surgical procedures, been close to death, and seen the gradual erosion of all the abilities that defined her personality, including the total loss of her hearing. Despite this she has a remarkable sense of humor and has coped with everything she has been through thanks to her strong Christian faith, her supportive family, and indomitable personality. Now Owen has published her story in this moving book that describes the years of intracranial surgery that she underwent with the gradual loss of the facilities that defined her life - her hearing and her balance - and a gradual re-evaluation of her life plans.

My Body Emily Ratajkowski 2021-11-09 THE NEW YORK TIMES BESTSELLER A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time. _____ 'This is the book for every woman trying to place their body on the map of consumption vs control, and every woman who wants to better understand her impulses. It left me much changed' - Lena Dunham 'I read these pages, breathless with recognition, and the thrill of reading a new voice telling it like it is' - Dani Shapiro 'Emily Ratajkowski's first essay collection needs to be read by everyone [...] both page-turning and moving as hell' - Amy Schumer 'A slow, complicated indictment of a profession and the people who propel it [...] it will deliver a more nuanced and introspective rendering of her interior than those who come to it with those surface interests might expect' - Vogue 'Dazzling' - Observer 'Ratajkowski brings nuanced insight to questions about empowerment versus commodification of women's bodies and sexuality. Blending cultural criticism and personal stories, *My Body* is smart and powerful' - Time Magazine 'Raw, nuanced and beautifully written. A moving and enlightening experience to join a woman openly exploring such deep parts of her physical self via the written word. A truly impressive debut' - Emma Gannon 'Excellent [...] Ratajkowski writes with curiosity, intellect and acute awareness' - Harper's Bazaar 'Superb [...] it feels revolutionary' - Telegraph 'I admire and envy her artistry' - Guardian _____ Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. *My Body* is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the grey area between consent and abuse. Nuanced, unflinching, and incisive, *My Body*

marks the debut of a fierce writer brimming with courage and intelligence.

Deltora Quest Emily Rodda 2008 Presents the adventures of Lief, Barda, and Jasmine as they seek the seven magic jewels of the Belt of Deltora, which are hidden throughout the land, in order to save their country and its people from the evil Shadow Lord.

With scholarly prefaces and notes for each piece, the book offers readers a rare glimpse into how Montgomery's writing developed over the course of her career.

The Love That Split the World Emily Henry 2016-01-26 "A truly profound debut."—Buzzfeed "A time-bending suspense that's contemplative and fresh, evocative and gripping."—USA Today "Henry's story captivates, both as a romance and as an imaginative rethinking of time and space."—Publishers Weekly "This time-traveling, magical, and beautifully written love story definitely deserves a spot on your bookshelf."—Bustle Emily Henry's stunning debut novel is *Friday Night Lights* meets *The Time Traveler's Wife* and perfectly captures those bittersweet months after high school, when we dream not only of the future, but of all the roads and paths we've left untaken. Natalie's last summer in her small Kentucky hometown is off to a magical start . . . until she starts seeing the "wrong things." They're just momentary glimpses at first—her front door is red instead of its usual green, there's a preschool where the garden store should be. But then her whole town disappears for hours, fading away into rolling hills and grazing buffalo, and Nat knows something isn't right. Then there are the visits from the kind but mysterious apparition she calls "Grandmother," who tells her, "You have three months to save him." The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it's as if time just stops and nothing exists. Nothing, except Natalie and Beau.

Deltora Quest 3 Emily Rodda 2007 Here, for the first time, the four books of the international best-selling fantasy series *Deltora Quest* 3 are brought together in one superb volume. The evil Shadow Lord has been banished, but still famine stalks Deltora, and only monsters thrive. As the starving people weaken, Lief, Jasmine and Barda discover a terrible secret. The Enemy left the seeds of death behind him. Four vile creations of sorcery called the Four Sisters are hidden in the land. They are slowly killing it while the Shadow Lord gloats, awaiting his triumphant return.

The Complete Emily Starr Trilogy: Emily of New Moon + Emily Climbs + Emily's Quest

(Unabridged) Lucy Maud Montgomery This carefully crafted ebook: "The Complete Emily Starr Trilogy: Emily of New Moon + Emily Climbs + Emily's Quest (Unabridged)" is formatted for your eReader with a functional and detailed table of contents. The author, Lucy Maud Montgomery, created another and better-known representative of Canadian girlhood in "Anne of Green Gables" and all the subsequent Anne books, but Emily was closer to her own heart. Like Anne, Emily is a strong-minded, gifted, imaginative child, left alone and unprotected in a harsh world, who is taken in by adults who are at least initially cold and unloving. Both girls grow up amid the beauties of Prince Edward Island, both keenly sensitive to natural splendors and highly fanciful, not to say occasionally precious, about assigning names to lakes and trees and identifying spirits and fairies in their surroundings. Anne is an original and spunky girl, with a certain amount of talent for writing verses and romantic tales, but Emily is a writer. In the celebrated Emily trilogy, of which Emily of New Moon is the first volume, Montgomery draws a more realistic portrait of a young girl's life on Prince Edward Island. The twin threads of bright and dark, love and cruelty, hope and despair intertwine in a pattern as significant as it is enduring. In the second volume, Emily Climbs, Lucy Maud Montgomery traces the often stormy course of Emily Starr's life as she moves from the world of childhood into that of school and adolescence. Emily's Quest is the last of the Emily trilogy. After finishing Emily Climbs, Montgomery suspended writing Emily's Quest and published The Blue Castle; she resumed writing and published in 1927. Lucy Maud Montgomery (1874 - 1942), was a Canadian author best known for a series of novels beginning with Anne of Green Gables. Montgomery went on to publish 20 novels as well as 530 short stories, 500 poems, and 30 essays.

This Mortal Coil Emily Suvada 2017-11-07 "Redefines 'unputdownable.'" —Amie Kaufman, New York Times bestselling author of Illuminae "I was thrilled. I was shocked." —NPR "Stunning twists and turns." —BCCB (starred review) In this gripping debut novel, seventeen-year-old Cat must use her gene-hacking skills to decode her late father's message concealing a vaccine to a horrifying plague. Catarina Agatta is a hacker. She can cripple mainframes and crash through firewalls, but that's not what makes her special. In Cat's world, people are implanted with technology to recode their DNA, allowing them to change their bodies in any way they want. And Cat happens to be a gene-hacking genius. That's no surprise, since Cat's father is Dr. Lachlan Agatta, a legendary geneticist who may be the last hope for defeating a plague that has brought humanity to the brink of extinction. But during the outbreak, Lachlan was kidnapped by a shadowy organization called Cartaxus, leaving Cat to survive the last two years on her own. When a Cartaxus soldier, Cole, arrives with news that her father has been killed, Cat's instincts tell her it's just another Cartaxus lie. But Cole also brings a message: before Lachlan died, he managed to create a vaccine, and Cole needs Cat's help to release it and save the human race. Now Cat must decide who she can trust: The soldier with secrets of his own? The father who made her promise to hide from Cartaxus at all costs? In a world where nature itself can be rewritten, how much can she even trust herself?
