History of Modern India L. P. Sharma 1990-04-01

Narendra Modi Andy Marino 2014-04-06 Narendra Modi, the BJP's prime ministerial candidate, is powerful, popular and controversial. With the general elections due to conclude in May 2014, Modi's campaign rallies have drawn unprecedented crowds. Yet, the man remains an enigma. His supporters regard him as the visionary, decisive leader India needs today. His detractors see him as a polarizing figure. Is Modi authoritative or authoritarian? Decisive or divisive? A team player or a loner? Andy Marino recorded interviews with Narendra Modi during more than half-a-dozen exclusive meetings - unprecedented access to a very private man. What emerged is this riveting, objective biography of a man who could be India's prime minister. Not shying away from the controversies that have dogged Narendra Modi, including the Gujarat riots and questions about the Gujarat model of governance and development, this political biography provides an unbiased account of possibly the most important figure in Indian politics today. Marino records hour-by-hour details of the 2002 Gujarat riots, presenting a balanced analysis of that raw wound on India's polity. It also reveals hitherto unpublished, authenticated documents, which makes this one of the most important books of 2014. The author analyses Narendra Modi's values, the people who shaped his thinking and the sort of national leader he will make. Personal details of Modi's early life, his wanderings in the Himalayas between the ages of seventeen and nineteen, his rise through the political ranks, his vision for India and his personal philosophy on religion and politics are revealed in a book that is lucid, fast-paced and readable. *Narendra Modi: A Political Biography* is an insightful, exhaustive and impeccably researched account of the ascent of a political leader.

Biodiversity of the Himalaya: Jammu and Kashmir State Ghulam Hassan Dar 2020-02-26 The Himalaya, a global biodiversity hotspot, sustains about one-fifth of the humankind. Nestled within the north-western mountain ranges of the Himalaya, the Jammu and Kashmir (J&K) State harbours more than half of the biodiversity found in the Indian Himalaya. The wide expanse of State, spread across the subtropical Jammu, through the temperate Kashmir valley, to the cold arid Ladakh, is typical representative of the extensive elevational and topographical diversity encountered in the entire Himalaya. This book, the most comprehensive and updated synthesis ever made available on biodiversity of the J&K State, is a valuable addition to the biodiversity literature with global and regional relevance. The book, arranged into 7 parts, comprises of 42 chapters contributed by 87 researchers, each of whom is an expert in his/her own field of research. The precious baseline data contained in the book would form the foundation for assessing current status of knowledge about the bioresources, identify the knowledge gaps, and help prioritization of conservation strategies to steer the sustainable use of biodiversity in this

Himalayan region. Given the breadth of topics covered under the banner of biodiversity in this book, it can surely serve as a model for documentation of biodiversity in other regions of the world. The book will be of immense value to all those who, directly or indirectly, have to deal with biodiversity, including students, teachers, researchers, naturalists, environmentalists, resource managers, planners, government agencies, NGOs and the general public at large.

Business and Politics in India Stanley A. Kochanek 2021-01-08 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1974.

The Oxford Handbook of the Indian Constitution Sujit Choudhry 2016-05-03 The Indian Constitution is one of the world's longest and most important political texts. Its birth, over six decades ago, signalled the arrival of the first major post-colonial constitution and the world's largest and arguably most daring democratic experiment. Apart from greater domestic focus on the Constitution and the institutional role of the Supreme Court within India's democratic framework, recent years have also witnessed enormous comparative interest in India's constitutional experiment. The Oxford Handbook of the Indian Constitution is a wide-ranging, analytical reflection on the major themes and debates that surround India's Constitution. The Handbook provides a comprehensive account of the developments and doctrinal features of India's Constitution, as well as articulating frameworks and methodological approaches through which studies of Indian constitutionalism, and constitutionalism more generally, might proceed. Its contributions range from rigorous, legal studies of provisions within the text to reflections upon historical trends and social practices. As such the Handbook is an essential reference point not merely for Indian and comparative constitutional scholars, but for students of Indian democracy more generally.

The Indian Parliament B.L. Shankar 2014-12-15 The Parliament is the visible face of democracy in India. It is the epicentre of political life, public institutions of great verve, and a regime of Rights. In a first-of-its-kind study, this book delves into the lived experience of the Indian Parliament by focusing on three distinct phases—the 1950s, the 1970s, and the 1990s and beyond. The authors argue against the widely held notion of its ongoing decline, and demonstrate how it has repeatedly, and successfully, responded to India's changing needs in six decades of existence. This comprehensive and authoritative study examines the changing social composition and differing modes of representation that make up the Lok Sabha and critically explores its relation with the Rajya Sabha. Developments in the institutional complex of the Parliament, including the functioning of the Opposition and the Speaker are traced over time, along with the processes of legislation and accountability. Major debates in the House are scrutinized, and much of the analysis is based on empirical data gathered from surveys circulated among prominent politicians and public intellectuals. It also addresses the intricate issue of relations between the Judiciary and the Parliament. In its in-depth focus on the Lok Sabha, the volume highlights the way the Parliament has come to encompass India's proverbial diversity. It especially demonstrates the route this institution has taken to engage with fractious issues of diverging linguistic and regional demands.

Modern Indian History VD Mahajan Written in an easy-to-understand language, this informative and well-written textbook provides an interpretive and comprehensive account of the history of modern India from 1707 to the present day. Organised into 44 chapters in two parts, the textbook commences with a discussion on the decline and disintegration of the Mughal Empire and walks us through the advent of Europeans and the phases of British imperialism. It also provides a detailed discussion on the important aspects of Indian National Movement introducing contributions of prominent leaders of the Movement. It is fortified with questions at the end of each chapter to help students prepare for the examinations. Besides the students of History and Law, this textbook would also be of immense value to the aspirants of various competitive examinations, especially IAS, PCS and NET

India's First Dictatorship Christophe Jaffrelot 2021-04-01 In June 1975 Prime Minister Indira Gandhi

imposed a 'State of Emergency', resulting in a 21-month suspension of democracy. Jaffrelot and Anil explore this black page in India's history, a constitutional dictatorship of unequal impact, with South India largely spared thanks to the resilience of Indian federalism. India's First Dictatorship focuses on Mrs Gandhi and her son, Sanjay, who was largely responsible for the mass sterilisation programmes and deportation of urban slum-dwellers. However, it equally exposes the facilitation of authoritarian rule by Congressmen, Communists, trade unions, businessmen and the urban middle class, as well as the complacency of the judiciary and media. While opposition leaders eventually closed ranks in jail, many of them collaborated with the new regime--including the RSS. Those who resisted the Emergency, in the media or on the streets, were few in number. This episode was an acid test for India's political culture. While a tiny minority of citizens fought for democracy during the Emergency, in large numbers the people bowed to a strong woman, even worshipped her. Equally importantly, Hindu nationalists were endowed with a new legitimacy. The Emergency was not a parenthesis, but a turning point; its legacy is very much alive today.
