*Native or Non-native speakers. Who are the better English teachers?* Svenja Christen 2010-01-25 Seminar paper from the year 2008 in the subject English - Miscellaneous, grade: 1, , language: English, abstract: In today's globalised world language knowledge becomes more and more important for good and skilled communication. Especially the knowledge of one language – the world language English – is necessary to be competitive and able to communicate worldwide. The status of English as a world language is obviously due to its large amount of native speakers all over the world, but also its simplicity in grammar, structure and vocabulary makes it to one of the most important languages in the world. There are approximately 380 million native speakers of English and more than 700 non-native speakers of English all over the world, which results in large parts of today's communication taking place in English. Thus good English language knowledge is a precondition for many jobs and educations. This places great importance on today's English language education. It has to be of high quality and learners have to acquire the language as good and as fast as possible. But who can perform the job of an English teacher best? There has been lots of discussion in the past years about whether native or non-native speakers are better at language teaching. Due to globalisation also the amount of English teachers available is rising steadily. Today's English teachers come from a broad range of different countries and thus have differing cultural and linguistic backgrounds. Those backgrounds have again influence on the teachers' teaching styles and methods and their general understanding of the teaching context and their students. Moreover, today's English teachers have different levels of knowledge of the target language and culture. In this paper, I will thus have a look at the following question: Native speakers of English or non-native speakers of English – who are the better English teachers? Native speakers, on the one hand know their language perfectly, faultlessly and naturally. Non-natives on the other hand are more familiar with the students' language learning process and have a better understanding of the learners' needs. Thus, who is the ideal language teacher for the challenging task of teaching the world language English?

*The Language Instinct* Steven Pinker 2010-12-14 The classic book on the development of human language by the world's leading expert on language and the mind. In this classic, the world's expert on language and mind lucidly explains everything you always wanted to know about language: how it works, how children learn it, how it changes, how the brain computes it, and how it evolved. With deft use of examples of humor and wordplay, Steven Pinker weaves our vast knowledge of language into a compelling story: language is a human instinct, wired into our brains by evolution. The Language Instinct received the William James Book Prize from the American Psychological Association and the Public Interest Award from the Linguistics Society of America. This edition includes an update on advances in the science of language since *The Language Instinct* was first published.

Learn English Like a Newborn to Speak it Like a Native Les Leveille 2022-10-26 Many non-native English speakers are able to read and understand English quite easily. Their biggest challenge is understanding native speakers and getting

them to understand what they are trying to tell them because of their strong first-language accent. This first book in our BESL trilogy contains some of the most important tips and tools for mastering spoken English quickly and thoroughly. This method will give you the English you need to succeed without wasting too much of your valuable time. This model was conceptualized by Dr. Les Leveille and delivered through IBC- International Business Connections. Its main objectives are to contribute to your mastery of the general American accent, to obtain essential English communication skills, and to understand and be understood by native speakers. Don't just read it, spend some time applying the content of the book, and with a little passion for the language of Shakespeare, you should be able to communicate comfortably in a few months or so. Many have already achieved this using our method, which has been taught for over two decades in West Africa, particularly in Dakar, Senegal and also in Miami, Florida. Now, the NMLA model - The Natural Means of Language Acquisition - is at your fingertips to improve your fluency in the international language of commerce and science. We hope you find it enjoyable and useful to achieve your English proficiency goals. In this second edition we have added an application and updated some of the external links (Dr. Les).

*PROFESSIONAL LEARNER'S DICTIONARY OF SPOKEN ENGLISH* DASH, RAJENDRA KUMAR  
2015-12-01 Flipping through a dictionary pages will now be having a new meaning while reading through Professional Learner's Dictionary of Spoken English. Designed as the Encyclopaedia of Communicative English, the dictionary contains whole gamut of idioms, sayings and phrases which are used in conversations—in both formal and informal situations. The book has been conceptualised and conceived for the ESL (English As a Second Language) learners, for whom English is a foreign language, but who are eager to speak Real English like the native speakers of English. This book attempts to go beyond the traditional approaches of Spoken English, and takes a communicative approach. Besides making a user aware of the meaning of a term, this book educates skillfully how to speak effective English, what to speak and what not to speak, in order to communicate flawlessly. Conversational ability, fluency in speaking, situation-specific (such as welcome speech) and format-based speaking (such as participating in a group discussion) are some other features of the book that will help a learner pick up the language effortlessly with ease. The book will be of immense utility for the students of Engineering, Management, Communication and all those for whom expressing their thoughts in words is a barrier, and who want to learn English and succeed in Professional and Personal life.

*Speak Like Native Korean 1* Blue LINGUAL 2019-03-23 Korean and English are very different languages, structurally and linguistically. For example, when meeting new people, Korean people say "안녕하세요 (literal translation: I will meet you for the first time)". "I will meet you for first time" sounds unnatural in English. Examples like this show just how different English and Korean are. In my opinion, the best way to study Korean is to memorize natural Korean sentences and use them in real life situations. These books are a vessel for learning natural Korean sentences in various situations. For example; going to a cafe, a restaurant, meeting friends or older people. Within this book, you

will also find various vocabulary and grammar structures. This book can be read again and again until the day you speak like native Korean! Speak like native Korean and surprise your Korean friends!

*Hable Inglés Como Los Americanos* Amy Gillett 2003 Teaches tricky idioms and phrases so common in the English language.

English Fluency For Adult - How to Learn and Speak English Fluently as an Adult Whitney Nelson 2019-10-11 This book is specially written for older students (25+) of the English language who wishes to improve his/her English fluency to the next level but seems to have hit a plateau. Regardless of what actions are taken, progression is slow or limited.

**Speak Business English Like an American** Amy Gillett 2006 CD and book designed to teach idioms and expressions used in the American business world.

Fluent Forever Gabriel Wyner 2014-08-05 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers

and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

*Speak English Like an American* Amy Gillett 2004 The audio CD contains all of the dialogues in the book.

**The Black Book of Speaking Fluent English: The Quickest Way to Improve Your Spoken English** Christopher Hill 2020-01-13 In the world we are living in, English has become the common language that people from different countries and cultures can use to communicate with one another. There are many reasons why people would want to learn English, but for a lot of them; It is work-related. Most large companies around the world require their employees to speak English. In some cases, these companies are requiring their workers to only use English at the workplace. English has also been referred to as "the language of business". If you have ambitions to become an international businessman or to work at some bigger companies, it's almost essential that you're able to speak English fluently. From The Intermediate Level to The Advanced Level From my years of teaching, I am confident to say that it is easy for an English learner to go from a beginner English level to an intermediate English level. However, it takes more time to go from an Intermediate level to an advanced English level. A lot of students have studied English for years but still aren't able to speak English on an advanced level. They have tried many methods, attending classes, learning how to pronounce every single word and even getting a private English tutor to improve their spoken English, yet they still have a hard time pronouncing English words correctly or feeling too nervous to speak. The Best Proven Way to Learn and Speak English In this book, Christopher Hill, "THE INTERNATIONAL ESL PROFESSOR " (with 20+ years of experience) will show you powerful unique ways to rapidly improve your spoken English. *The First 20 Hours* Josh Kaufman 2013-06-13 Forget the 10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In *The First 20 Hours*, Josh Kaufman offers a systematic approach to rapid skill acquisition— how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate,

real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, The First 20 Hours will help you pick up the basics of any skill in record time . . . and have more fun along the way.

*Mastering the American Accent with Online Audio* Lisa Mojsin 2016-09-15  
Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. *Mastering the American Accent* is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds.

**Learning English as a Foreign Language For Dummies** Gavin Dudeney 2012-01-24 Do you know a bit of English, and want to improve without a teacher? **Speak English Fluently Like a Native American in Just One Week** Shuchi Mishra 2018-11-04 Book Description In this book, I am talking about "how to speak like a Native American in just one week, short and simple. Therefore, if you wish to speak clear and confident English like an American even without visiting the United States, you'll be able to achieve this by following the simple steps that are explained in detail in this book. The goal of this book is for you to be understood and confident while you speak. You have spent years and years studying and practicing the English language. You are fluent in English but if your pronunciation is unclear then your message will not be heard or understood. For you to be effective in your English pronunciation, you must learn to speak English in a way that others will easily understand you. I firmly believe that anyone can learn to use fluent English pronunciation no matter your age or whether you live in the United States or in another country. If you follow this book step by step, you will be able to speak like a native American. These days English is taught increasingly as an international

language. To use English as an international language, the only real issues are those that affect intelligibility. The important thing is to be able to communicate with others, be they native or non-native speakers. Everybody has an accent, although, if you think that a person doesn't have an accent, this could be because they have the same accent as you. A person's accent is part of their history and their identity. If you are working for any US client, you might be in trouble, if you don't speak like a native American. American accent is the most popular accent in the world. Spread around the world by American cinema, music, television etc, this is the easiest accent for most people to understand, whether native speakers or non-native speakers. This is understood by most people worldwide. Most people expect to hear the accent they're familiar with. Anything else stands out. Speak English Like A Native American Will Help You in your career advancement look more professional boost your career tremendously Who This Book Is For If you are in the management role, English clearly is important so that you don't feel hesitant to speak up or ask questions. Otherwise, you will feel like a bit of a 'second-class citizen' if you don't have a good accent. If you are managing international meetings, and need to be understood by a lot of different nationalities in the meetings. If you are misunderstood by people around you, and it's frustrating to have to repeat yourself again and again. If you want to move to Australia/England/ the U.S. This book will take your English to the next level. You can start real conversations with native English speakers. You have studied English for years and yet you still do not speak well. When you speak English, you make grammar mistakes. Your pronunciation is not clear. Worst of all, you feel nervous and shy when you try to speak English. You read English well, but after all these years you still cannot speak well. The problem is we learn traditional grammar in schools/colleges. With traditional grammar, you can become a good writer but not a good fluent speaker. You can read but still, you feel shy to speak English. English is not just a list of words and grammar rules. Speaking fluent English is usually just about knowing the right thing to say in any given situation. This book will tell you how to feel stronger, calmer, and more powerful when speaking English. You may find it difficult to learn and speak English in the absence of right guidance. This book provides a blueprint to practice everyday conversation. Is it possible to learn a new language? Can it be possible for you to speak like a true native American? Of course the answer is "yes!" And I will show you how, enjoy

**How to Speak and Write Correctly** Joseph Devlin 2016-12-03 Learn the Easy Way to Speak and Write Well. I found this book by accident while browsing through a now-defunct Los Angeles bookstore/cafe. It was the luckiest accident of my life. At that point I had been a professional writer for more than twenty years, but I rarely enjoyed my work, and I felt all of it was disposable in one way or another. At first, reading this book gave me an incredible, if unfamiliar, feeling of joy and self-confidence. Afterwards, I began to surprise the hell out of myself in terms of what I was able to accomplish. This little book is very practical and precise. The best plan is to follow the best authors and these masters of language will guide you safely along the way. There are chapters devoted to all the essential components to make writing interesting.

**Lord of the Flies** William Golding 2003-12-16 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age.

This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

**Effortless English** A. J. Hoge 2014-10-15 Effortless English: Learn To Speak English Like A Native A.J. HOGE, THE WORLD'S #1 ENGLISH TEACHER, teaches you his most powerful methods for learning to speak English fluently and confidently. Famous for training corporate and government leaders, A.J. Hoge gives you a step by step program teaching you the system that will help you master English and achieve ultimate success with English. You have studied English for years and yet you still do not speak well. When you speak English, you make grammar mistakes. Your pronunciation is not clear. Worst of all, you feel nervous and shy when you try to speak English. You read English well, but after all these years you still cannot speak well. The good news is, it's not your fault. You have simply used old ineffective methods. Effortless English will teach you a completely new way to learn English faster. Effortless English will..... \*Teach you how to overcome nervousness, shyness, and fear when speaking English. \*Master spoken English grammar quickly and naturally \*Teach you how to improve your English pronunciation and develop an American, British, or Australian accent. \*Show you how to achieve a high TOEFL, IELTS, or TOEIC score. \*Help you learn vocabulary 4-5 times faster. \*Tell you how to feel stronger, calmer, and more powerful when speaking English. \*Teach you how to understand native speakers and communicate clearly with them during real conversations. \*Help you get better jobs by learning business English. \*Teach you how to learn grammar without memorizing grammar rules. "You have studied English many years, yet you still do not speak well. You read English but you feel nervous and frustrated when speaking. It is time for a change. I will teach you to speak English quickly, easily, and automatically using my Effortless English System (TM). I will teach you to speak with correct grammar and excellent pronunciation. You can achieve success now simply by changing the way you learn English." --A.J. Hoge

*Fluent in 3 Months* Benny Lewis 2014-03-11 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

**The Non-native Teacher** Peter Medgyes 2021-10-08 Péter Medgyes' voice was the first and one of the most prominent speaking out for many teachers whose first language is one other than English, whose own voices had been silenced after almost a century of systematically being considered failed native speakers, deficient communicators and second-best teachers.

**101 Conversations in Simple English** Olly Richards 2020-11-26 Improve your spoken English from home with 101 real-world conversations in simple, everyday English. Real English people don't speak like your textbook... so it's no wonder you feel unprepared when it's your turn to speak! This book fixes that. For the first time, you'll learn to speak English in the REAL world, with 101 authentic conversations in simple, spoken English, so you can become confident in the words, phrases and expressions you need to communicate like a local. You'll be transported into a real-world story that unfolds between six characters, told by the people themselves in 101 authentic conversations. Over 15,000 words of real English, you'll immerse yourself in a gripping drama and get an education in natural English in the process. Here's what you'll get: 101 conversations in simple English, so you can learn real English as spoken in the street, understand spoken language with ease, and have English roll off your tongue more fluently. With over 15,000 words of dialogue, you'll have an exciting resource that will immerse you in English, at a level you can understand, so you can learn real spoken English without getting lost or overwhelmed. Real, daily spoken English throughout - it's as if we held up a microphone and recorded the exact words coming out of people's mouths - so you can learn the expressions that real people use on the street (not in textbooks). You'll sound more authentic when you speak and make English-speaking friends more easily. Situational dialogues from typical daily circumstances, so you'll prepare yourself to survive realistic English encounters, in shops and cafés, and make meeting people and making arrangements second nature. Conversations that are carefully written to be accessible for beginners (A2-B1 on the CEFR), so you can start to learn from real, spoken conversations, even as a beginner, without having to go through the rollercoaster of difficult conversations with strangers. Each conversation is limited to around 15 lines of dialogue (150 words), so you can get that crucial sense of achievement and motivation when you finish each conversation, and say "I actually understood all of that!" Summaries of each conversation which contextualise each dialogue, so you can easily follow the plot and enjoy the story without getting lost. The story is set in London, England and includes some expressions that are typical in British English. However, the conversations use mostly "neutral" English that will help you if you're learning American English, or any other variety of English too! Created by Olly Richards, internationally-renowned language teacher and author, 101
