To st art , we suggest you look at digit al market ing ef f ort s in t hese t hree areas: 1. The on-going st ory of your universit y, alumni, volunt eers, and event s. 2. The long-t erm engagement and awareness of your alumni base. 3.

Bitcoin: A Peer-to-Peer Electronic Cash System

of-work system similar to Adam Back's Hashcash [6], rather than newspaper or Usenet posts. The proof-of-work involves scanning for a value that when hashed, such as with SHA-256, the hash begins with a number of zero bits. The average work required is exponential in the number of zero bits required and can be verified by executing a single hash.
