*Womanwriting=Manreading?* J Devika 2013-08-15 '[Devika] brings to the reader the delight of reading a book rich in concepts and sources' Contributions to Indian Sociology The Malayalam literary public is one of the most vibrant in India, and thrives on the long history of widespread literacy in the state of Kerala. It is well described as the 'beating heart' of Kerala's public life. Historically, it has been the space in which entrenched power structures encountered their earliest challenges. Not surprisingly, then, critiques of patriarchy in twentieth-century Kerala were first heard and continued to be raised there, even when they had become muffled in wider public discussion. *Womanwriting = Manreading?* is a provocative take on some of the raging debates in Malayalam literature, which surely resonate elsewhere. But it also raises the important question: can we tell the story of women's anti-patriarchal writing in Malayalam in a way that highlights the force and drama of their confrontations with the male-dominated literary establishment?

She is incomplete without a man," averred Kamala Das shortly before her death in May, 2009. One of the most controversial and celebrated Indian authors, she combined in her writings rare honesty and sensitivity, provocation and poignancy. *The Kept Woman and Other Stories* explores the man-woman relationship in all its dimensions. Deprived, depraved, mysterious, mystical and exalted, each character, culled from experience and observation, is an incisive study of love, lust and longing.

### Books India 1972

**Her-Self** J. Devika 2021-07-26 'Texts that Dazzle.' V. Geetha, Foreword  
Translated for the first time into English, these 29 pieces of early writings of Malayali women (1898–1938)—Nambutiris, Nairs, Ezhavas, Syrian Christians and two Muslims—who had access to education, reveal the vigorous debate over modern gender relations that was taking place. Women reflected on what was 'Womanly' and on education, duties, vocation and civil roles—an ongoing discussion, first influenced by reformism and later by nationalist and communist ideas. In her new Preface for this reprint, author talks of how the collection offers many genealogies for Malayali feminism, making it both local and cosmopolitan. Indeed, this genealogy enables us to address many of the challenges that mainstream feminism in India now faces, for example, that of developing intersectional analyses of patriarchal oppression. Taken together, these pieces are efforts to define, in their unique ways, 'women's perspectives' as specifically oppositional standpoints. Many are replies, rejoinders and responses to male public figures who claimed to speak on behalf of a 'general good', especially of women.

**My Story** Kamala Das 2011-03-15 First published in Malayalam in 1973, My Story, Kamala Das' sensational autobiography, shocked readers with its total disregard for mindless conventions and its fearless articulation of a subject still considered taboo. Depicting the author's intensely personal experiences in her passage to womanhood and shedding light on the hypocrisies that informed traditional society, this memoir was far ahead of its time and is now acknowledged as a bona fide masterpiece.

from the creators of GLOW starring Nicole Kidman, Cynthia Erivo, Merritt Wever, and Alison Brie! In this singular and imaginative story collection, Cecelia Ahern explores the endless ways in which women blaze through adversity with wit, resourcefulness, and compassion. Ahern takes the familiar aspects of women's lives—the routines, the embarrassments, the desires—and elevates these moments to the outlandish and hilarious with her astute blend of magical realism and social insight. One woman is tortured by sinister bite marks that appear on her skin; another is swallowed up by the floor during a mortifying presentation; yet another resolves to return and exchange her boring husband at the store where she originally acquired him. The women at the center of this curious universe learn that their reality is shaped not only by how others perceive them, but also how they perceive the power within themselves. By turns sly, whimsical, and affecting, these thirty short stories are a dynamic examination of what it means to be a woman in this very moment. Like women themselves, each story can stand alone; yet together, they have a combined power to shift consciousness, inspire others, and create a multi-voiced Roar that will not be ignored. Includes a Reading Group Guide.
