The Dutch House Ann Patchett 2019-09-24 Finalist for the Pulitzer Prize New York Times Bestseller | A Read with Jenna Today Show Book Club Pick | A New York Times Book Review Notable Book | TIME Magazine's 100 Must-Read Books of 2019 Named one of the Best Books of the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and Buzzfeed Ann Patchett, the #1 New York Times bestselling author of *Commonwealth*, delivers her most powerful novel to date: a richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. *The Dutch House* is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril's son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, *The Dutch House* is a dark fairy tale about two smart people who cannot overcome their past. Despite every outward sign of success, Danny and Maeve are only truly comfortable when they're together. Throughout their lives they return to the well-worn story of what they've lost with humor and rage. But when at last they're forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested.

Albanian Literature Robert Elsie 2005-07-29 The tender plant of Albanian literature grew in a rocky soil. It was late to evolve and its development, indeed its very existence, was threatened in many periods. "Albanian Literature: A Short History" tells the story of the survival and growth of Albanian creative writing beginning with the earliest thirteenth century texts of Theodor of Shkodra, tracing the development of the modern literature of Buzuku, Budi and Bogdani, the incorporation of the Muslim influences of Frakulla and Kycyku and continuing with the works of Cajupi and Kadare during the reign of

King Zog and the Hoxha administration. A unique book that illuminates an under-researched subject, "Albanian Literature" is an essential reference guide for all those interested in Balkan cultures, in comparative literature and in European cultural history in general.

Vultures' Picnic Greg Palast 2012-03-15 The bestselling author of *The Best Democracy Money Can Buy* offers a globetrotting, Sam Spade-style investigation that blows the lid off the oil industry, the banking industry, and the governmental agencies that aren't regulating either. This is the story of the corporate vultures that feed on the weak and ruin our planet in the process—a story that spans the globe and decades. For *Vultures' Picnic*, investigative journalist Greg Palast has spent his career uncovering the connection between the world of energy (read: oil) and finance. He's built a team that reads like a casting call for a Hollywood thriller—a Swiss multilingual investigator, a punk journalist, and a gonzo cameraman—to reveal how environmental disasters like the Gulf oil spill, the Exxon Valdez, and lesser-known tragedies such as Tatitlek and Torrey Canyon are caused by corporate corruption, failed legislation, and, most interestingly, veiled connections between the financial industry and energy titans. Palast shows how the International Monetary Fund, World Bank, World Trade Organization, and Central Banks act as puppets for Big Oil. With Palast at the center of an investigation that takes us from the Arctic to Africa to the Amazon, *Vultures' Picnic* shows how the big powers in the money and oil game slip the bonds of regulation over and over again, and simply destroy the rules that they themselves can't write—and take advantage of nations and everyday people in the process.

Look for Me Under the Rainbow 2018-05-09 Sometimes all you need is a big heart and burning desire. Danny, a curious harp seal pup, has soft white fur and black innocent eyes. Helen is an environmentalist and member of a young activist crew of the Rainbow Warriors. Their mission is to save animals. As winter turns into spring, a new generation of seal pups comes to life. A few weeks later, the killing begins. Against a spectacular backdrop of ice and snow, Helen prepares to look horrific human cruelty in the face. I do not doubt I have a big heart and burning desire, but is that enough for a person to become a Rainbow Warrior, or is there something better? Something only some of us manage to turn into what we have long missed—humanity. In the race against time and clubs, will Helen save Danny before the hunt begins and the ice turns red? Though written for younger readers, *Look for Me Under the Rainbow* will appeal to anyone who cherishes our beautiful planet and wishes to protect its treasures. Buy

Queen of the Owls Barbara Linn Probst 2020-04-07 A chance meeting with a charismatic photographer will forever change Elizabeth's life. Until she met Richard, Elizabeth's relationship with Georgia O'Keeffe and her little-known Hawaii paintings was purely academic. Now it's personal. Richard tells Elizabeth that the only way she can truly understand O'Keeffe isn't with her mind—it's by getting into O'Keeffe's skin and reenacting her famous nude photos. In the intimacy of Richard's studio, Elizabeth experiences a new, intoxicating abandon and fullness. It never occurs to her that the photographs might be made public, especially without her consent. Desperate to avoid exposure—she's a rising star in the academic world and the mother of young children—Elizabeth demands that Richard dismantle the exhibit. But he refuses. The pictures are his art. His property, not hers. As word of the photos spreads, Elizabeth unwittingly becomes a feminist heroine to her students, who misunderstand her motives in posing. To the university, however, her actions are a public scandal. To her husband, they're a public humiliation. Yet Richard has reawakened an awareness that's haunted Elizabeth since she was a child—the truth that cerebral knowledge will never be enough. Now she must face the question: How much is she willing to risk to be truly seen and known?

The Interim Wolfgang Hilbig 2021-11-02 From a writer whose work is considered "among the most significant prose and poetry written not just in the GDR but in all of postwar Germany" (Joshua Cohen), a digressive masterwork in the tradition of Heinrich Böll, Imre Kertész, and Dasa Drndić that interrogates lust, God, statelessness, addiction, capitalism, and above all else the writer's place in "a century of lies."

Chronicle in Stone Ismail Kadare 2011-07-01 Masterful in its simplicity, *Chronicle in Stone* is a touching coming-of-age story and a testament to the perseverance of the human spirit. Surrounded by the magic of beautiful women and literature, a boy must endure the deprivations of war as he suffers the hardships of growing up. His sleepy country has just thrown off centuries of tyranny, but new waves of domination inundate his city. Through the boy's eyes, we see the terrors of World War II as he witnesses fascist invasions, allied bombings, partisan infighting, and the many faces of human cruelty—as well as the simple pleasures of life. Evacuating to the countryside, he expects to find an ideal world full of extraordinary things, but discovers instead an archaic backwater where a severed arm becomes a talisman and deflowered girls mysteriously vanish. Woven between the chapters of the boy's story are tantalizing fragments of the city's history. As the devastation mounts, the fragments lose coherence, and we perceive firsthand how the violence of war destroys more than just buildings and bridges.

A Manual of Hebrew Poetics Luis Alonso Schökel 1988 "This manual closes a circle which began almost thirty-five years ago (November, 1954) with the beginning of work on a doctoral dissertation defended at the Pontifical Biblical Institute in April, 1957 (published in Spanish in 1962). During three decades of teaching and writing the author has kept an active interest in poetics and stylistics and the resulting accumulated knowledge has been concentrated in the present manual. The primary purpose of the book is not to serve as a source of information about facts and authors but rather to initiate the reader into the stylistic analysis of poetry. To obtain information and to classify it the reader can turn to recent works (Watson), earlier works (Knig, Hempel), or reprinted works (Bullinger). Among the poetic techniques discussed are sound and sonority, rhythm, imagery, figures of speech, dialogue and monologue, development and composition"—Page 4 of cover.

Nobody's Child: A Tragedy, a Trial, and a History of the Insanity Defense Susan Vinocour 2020-03-24 A powerful and humane exploration of the history of the "insanity defense," through the story of one poignant case. When a three-year-old child was found with a head wound and other injuries, it looked like an open-and-shut case of second-degree murder. Psychologist and attorney Susan Vinocour agreed to evaluate the defendant, the child's mentally ill and impoverished grandmother, to determine whether she was competent to stand trial. Even if she had caused the child's death, had she realized at the time that her actions were wrong or was she legally "insane"? What followed was anything but an open-and-shut case. *Nobody's Child* traces the legal definition of "insanity" back to its inception in Victorian Britain nearly two hundred years ago, from when our understanding of the human mind was in its infancy, to today, when questions of race, class, and ability so often determine who is legally "insane" and who is criminally guilty. Vinocour explains how "competency" and "insanity" are creatures of a legal system, not of psychiatric reality, and how, in criminal law, the insanity defense has to often been a luxury of the rich and white. *Nobody's Child* is a profoundly dignified portrait of injustice in America and a complex examination of the troubling intersection of mental health and the law. When prisons are now the largest institutions for the mentally ill, Vinocour demands that we reckon with our conceptions of "insanity" with clarity, empathy, and responsibility.

Scanderbeide Margherita Sarrocchi 2007-11-01 The first historical heroic epic authored by a woman, *Scanderbeide* recounts the exploits of fifteenth-century Albanian warrior-prince George Scanderbeg and his war of resistance against the Ottoman sultanate. Filled with scenes of intense and suspenseful battles contrasted with romantic episodes, *Scanderbeide* combines the action and fantasy characteristic of the genre with analysis of its characters' motivations. In selecting a military campaign as her material and epic poetry as her medium, Margherita Sarrocchi (1560?-1617) not only engages in the masculine subjects of political conflict and warfare but also tackles a genre that was, until that point, the sole purview of men. First published posthumously in 1623, *Scanderbeide* reemerges here in an adroit English prose translation that maintains the suspense of the original text and gives ample context to its rich cultural implications.

anxious strangers who find they have more in common than they ever imagined. Looking at real estate isn't usually a life-or-death situation, but an apartment open house becomes just that when a failed bank robber bursts in and takes a group of strangers hostage. The captives include a recently retired couple who relentlessly hunt down fixer-uppers to avoid the painful truth that they can't fix their own marriage. There's a wealthy bank director who has been too busy to care about anyone else and a young couple who are about to have their first child but can't seem to agree on anything, from where they want to live to how they met in the first place. Add to the mix an eighty-seven-year-old woman who has lived long enough not to be afraid of someone waving a gun in her face, a flustered but still-ready-to-make-a-deal real estate agent, and a mystery man who has locked himself in the apartment's only bathroom, and you've got the worst group of hostages in the world. Each of them carries a lifetime of grievances, hurts, secrets, and passions that are ready to boil over. None of them is entirely who they appear to be. And all of them—the bank robber included—desperately crave some sort of rescue. As the authorities and the media surround the premises these reluctant allies will reveal surprising truths about themselves and set in motion a chain of events so unexpected that even they can hardly explain what happens next. Rich with Fredrik Backman's "pitch-perfect dialogue and an unparalleled understanding of human nature" (Shelf Awareness), *Anxious People* is an ingeniously constructed story about the enduring power of friendship, forgiveness, and hope—the things that save us, even in the most anxious times.

Ars Poetica Nr. 22, Gusht 2009 Ars Poetica

Last Summer in the City Gianfranco Calligarich 2021-08-10 The first novel from award-winning author Gianfranco Calligarich to be published in English, *Last Summer in the City* is a witty and despairing classic of Italian literature. Biting, tragic, and endlessly quotable, this translated edition features an introductory appreciation from longtime fan New York Times bestselling author André Aciman. In a city smothering under the summer sun and an overdose of la dolce vita, Leo Gazarra spends his time in an alcoholic haze, bouncing between run-down hotels and the homes of his rich and well-educated friends, without whom he would probably starve. At thirty, he's still drifting: between jobs that mean nothing to him, between human relationships both ephemeral and frayed. Everyone he knows wants to graduate, get married, get rich—but not him. He has no ambitions whatsoever. Rather than toil and spin, isn't it better to submit to the alienation of the Eternal City, Rome, sometimes a cruel and indifferent mistress, sometimes sweet and sublime? There can be no half measures with her, either she's the love of your life or you have to leave her. First discovered by Natalia Ginzburg, *Last Summer in the City* is a forgotten classic of Italian literature, a great novel of a stature similar to that of *The Great Gatsby* or *The Catcher in the Rye*. Gianfranco Calligarich's enduring masterpiece has drawn comparisons to such writers as Truman Capote, Ernest Hemingway, and Jonathan Franzen and is here made available in English for the first time.

Gjergj Bubani; I Harruari i Perkohshem Kliton Nesturi 2015-01-07 Kjo vepër, e ndërtuar në një stil origjinal, merr përsipër analizën e krijimtarisë letrare dhe publicistike të Gjergj Bubanit, një prej intelektualëve brilantë, që kontribuan në letërsinë, publicistikën dhe emancipimin e shoqërisë shqiptare qysh prej fillimit të viteve '20 e deri në gjysmën e parë të viteve '40. Gjergj Bubani e nisi udhën në publicistikë në vitin 1919, me shkrimet në gazetën "Kuvendi", që dilte në Itali. Ai u bë një nga penat më aktive dhe më pas për një kohë të konsiderueshme, kryeredaktor i gazetës "Shqipëri" e re", e cila botohej në Konstancë. Veprimtaria e tij publicistike u shtri edhe në organe të tjera të kohës. Ai botoi edhe vetë disa organe të shtypit shqiptar, "Dodona", "Zëri shqiptar", "Kuvendi kombëtar", ku më kryesorja ishte gazeta "Kosova", e cila u bë një mbrojtëse e flaktë e çështjes dhe situatave që kalonte Kosova në vitet '20-'30. E gjithë jeta dhe veprimtari e tij gjer në atë kohë, u shtri ndërmjet Shqipërisë dhe Rumanisë ku ai kishte emigruar qysh pas studimeve të larta që pati kryer në Athinë. Më 1936, Gjergj Bubani u vendos

përfundimisht në Shqipëri, falë edhe insistimit të botuesit Zoi Xoxa, i cili i besoi këtij publicisti drejtimin e gazetës "Drita". Për vizionin dhe kulturën e madhe që kishte, Gjergj Bubani u emërua drejtor i Radio-Tiranës qysh në nisjen e saj. Pavarësisht vështirësive të shumta, ai mundi të krijonte profilin e një radioje kombëtare. Pas pushtimit të vendit nga ushtria gjermane, në Luftën e Dytë Botërore, Gjergj Bubani u largua nga drejtimi i Radio-Tiranës dhe punoi pranë Ministrisë së Kulturës. Ende pa mbaruar mirë lufta, Gjergj Bubani u arrestua nga partizanët dhe është ndër gjashtëdhjetë intelektualët e dënuar në nga Gjyqi Special në prill të vitit 1945. Pas lirimit nga burgua ai nuk u mor me veprimtari publicistike, por jetoi i tërhequr, derisa mbylli sytë në shkurt të vitit 1954. Ndryshe nga mjaft intelektualë që krijuan dhe dhanë ndihmesë gjatë viteve '20-'40, emri i Gjergj Bubanit nuk u përmend fare gjatë regjimit komunist. Ai u la në harresë, si të mos kishte ekzistuar kurrë. Shkrimet e tij nisën të ribotoheshin në organe të ndryshme të shtypit pas ardhjes së demokracisë, kurse në vitin 2007, shtëpia botuese "Omsca-1" botoi krijimtarinë e tij të përmbledhur në dy vëllime "Vepra të zgjedhura", dhe në vitin 2009 botoi shqipërimin e tri veprave të shquara dramaturgjike që ky përkthyes i talentuar solli në gjuhën shqipe. Pikërisht mbi studimin e kësaj krijimtari të botuar, mbështetet edhe vepra më e fundit e Kliton Nesturit, ku gjejnë vend gjithashtu edhe mjaft artikuj, poezi, letra dhe fotografi të Gjergj Bubanit, të pabotuara më parë.

The Myth of Lasgush Dr Kapurani 2004 'That which puzzled and fascinated me whenever I met Lasgush was this sensation of the impossible. It was impossible to get on with him as you did with others. The moment you were at him, or rather, the moment you knocked at his door, suddenly all became another thing. There was another logic, another code, other words, wrapped up in another meaning. .when you went to Lasgush's, it was more than going abroad. You believed you dropped somewhere beyond our time, beyond the everyday way of looking at things. One more step and it looked as if you would cross the borders of life and would find yourself in Dante's nothingness. .He was unpredictable, corrosive like acid, creepy, startling. His laugh was like as if beyond our life, mirthless, and his sadness had no grief. As for his anger, it was such as well, luxurious, cold, whereas his contempt was radiating from afar, as if adorned with silver.' (Kadare, In My Studio. pp 207, 208, 209. My translation) -All this Saussurean lava of meaning has its own matchless 'crater' from where it erupts and reaches us time and again, endlessly. Lasgush's Word has its own individual suspension, chiselled by the hand of a true master. It is breathlessly succinct and, in all probability, on a par with the best ever created. Lasgush says that his Word is: 'Mystery that burns in a thread of lightning.' (My Fiery Tongue)

Greek Tragic Theatre Rush Rehm 2003-09-02 Emphasizing the political nature of Greek tragedy, as theatre of, by and for the polis, Rush Rehm characterizes Athens as a performance culture; one in which the theatre stood alongside other public forums as a place to confront matters of import. In treating the various social, religious and practical aspects of tragic production, he shows how these elements promoted a vision of the theatre as integral to the life of the city - a theatre focussed on the audience.

The Accident Ismail Kadare 2011-03-01 The new book from the winner of the inaugural International Man Booker Prize is a modern-day love story of powerful obsession set against the background of dark political intrigue. On the autobahn in Vienna a taxi leaves the carriageway and strikes the crash barrier, flinging its male and female passengers out of its back doors as it spins through the air. The driver cannot explain why he lost control; he only says that the mysterious couple in the back seat seemed to be about to kiss . . . Set against the tumultuous backdrop of war and its aftermath in the Balkans, *The Accident* intimately documents an affair between two people caught in each other's webs. The investigation into their deaths uncovers a mutually destructive obsession that mirrors the conflicts of the region. A destabilizing mixture of vivid hallucination and cold reality, Ismail Kadare's new novel is a bold and fascinating departure.

A Tempest in Silence Jagdish Prakash 2015-09-28 This interaction led to the sharing of my Urdu verse with Shanazar. One morning, I was pleasantly surprised to see a translation of one of my Urdu poems by him on Facebook, along with a short message saying that he wished to translate and publish some of my poems into English. One by one he translated sixty-five of my poems from my books *Narendra ke Liye*, *Aasman-dar-Aasman*, and *Shigaf*. He chose only the nazms (poems) for rendition in English, leaving aside the ghazals, which, in his own words, are untranslatable as it is almost impossible to capture their rhythm, nuance, and flavour in translation. Through this translation of my verse I hope to share my thoughts and emotions with a wider audience.

How to Interpret Literature Robert Dale Parker 2020 "Distinguished in the market by its ability to mesh accessibility and intellectual rigor, *How to Interpret Literature* offers a current, concise, and broad historicist survey of contemporary thinking in critical theory. Ideal for upper-level undergraduate courses in literary and critical theory, this is the only book of its kind that thoroughly merges literary studies with cultural studies, including film. Robert Dale Parker provides a critical look at the major movements in literary studies since the 1930s, including those often omitted from other texts. He includes chapters on New Criticism, Structuralism, Deconstruction, Psychoanalysis, Feminism, Queer Studies, Marxism, Historicism and Cultural Studies, Postcolonial and Race Studies, and Reader Response. Parker weaves connections among chapters, showing how these different ways of thinking respond to and build upon each other. Through these exchanges, he prepares students to join contemporary dialogues in literary and cultural studies. The text is enhanced by charts, text boxes that address frequently asked questions, photos, and a bibliography"--

The Siege Ismail Kadare 2010-02-12 From Ismail Kadare, winner of the inaugural Man Booker International Prize - a novelist in the class of Coetzee, Pamuk, Márquez, and Rushdie - the stunning new translation of one of his major works. In the early fifteenth century, as winter falls away, the people of Albania know that their fate is sealed. They have refused to negotiate with the Ottoman Empire, and war is now inevitable. Soon enough, dust kicked up by Turkish horses is spotted from a citadel. Brightly coloured banners, hastily constructed minarets, and tens of thousands of men fill the plain below. From

this moment on, the world is waiting to hear that the fortress has fallen. The Siege tells the enthralling story of the weeks and months that follow - of the exhilaration and despair of the battlefield, the constantly shifting strategies of war, and those whose lives are held in the balance, from the Pasha himself to the artillerymen, astrologer, blind poet, and harem of women who accompany him. "Believe me," the general said. "I've taken part in many sieges but this," he waved towards the castle walls, "is where the most fearful carnage of our times will take place. And you surely know as well as I do that great massacres always give birth to great books. You really do have an opportunity to write a thundering chronicle redolent with pitch and blood, and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war." Brilliantly vivid, as insightful as it is compelling, *The Siege* is an unforgettable account of the clash of two great civilisations, and a portrait of war that will resonate across the centuries.

Choosing Authenticity Richard N. Southworth 2011-04-07 Religion is not enough. Culture is not enough. Both religion and culture are important, even crucial to living a full life, but they are not enough. Choosing authenticity is the only thing that is enough. Our deepest desire is for our active lives to actually become more and more an authentic expression of who we are and who we are called to be by that Mysterious Other we call God. We long for a No BS Spirituality that changes the way we actually experience and live our lives. We need spiritual practice that facilitates that growth and transformation, and conversion of heart. It is my prayer that these reflections will respond to that longing. Read, reflect, and enjoy!

The Guest List Lucy Foley 2020-06-02 A REESE'S BOOK CLUB PICK THE NEW YORK TIMES BESTSELLER ONE OF THE NEW YORK TIMES BEST THRILLERS OF THE YEAR "I loved this book. It gave me the same waves of happiness I get from curling up with a classic Christie...The alternating points of view keep you guessing, and guessing wrong." — Alex Michaelides, #1 New York Times bestselling author of *The Silent Patient* "Evok[es] the great Agatha Christie classics...Pay close attention to seemingly throwaway details about the characters' pasts. They are all clues." -- New York Times Book Review A wedding celebration turns dark and deadly in this deliciously wicked and atmospheric thriller reminiscent of Agatha Christie from the New York Times bestselling author of *The Hunting Party*. The bride - The plus one - The best man - The wedding planner - The bridesmaid - The body On an island off the coast of Ireland, guests gather to celebrate two people joining their lives together as one. The groom: handsome and charming, a rising television star. The bride: smart and ambitious, a magazine publisher. It's a wedding for a magazine, or for a celebrity: the designer dress, the remote location, the luxe party favors, the boutique whiskey. The cell phone service may be spotty and the waves may be rough, but every detail has been expertly planned and will be expertly executed. But perfection is for plans, and people are all too human. As the champagne is popped and the festivities begin, resentments and petty jealousies begin to mingle with the reminiscences and well wishes. The groomsmen begin the drinking game from their school days. The bridesmaid not-so-accidentally ruins her dress. The bride's oldest (male) friend gives an uncomfortably caring toast. And then someone turns up dead. Who didn't wish the happy couple well? And perhaps more important, why?

Metamorphosis Franz Kafka 2021-02-24 *The Metamorphosis* is a novella by Franz Kafka, first published in 1915. It has been cited as one of the seminal works of fiction of the 20th century and is studied in colleges and universities across the Western world. The story begins with a traveling salesman, Gregor Samsa, waking to find himself transformed (metamorphosed) into a large, monstrous insect-like creature.
