The Apartment Billy Wilder 1998 Billy Wilder won two Oscars - as co-screenwriter and director - for this mordant comedy about getting ahead in the corporate world. Jack Lemmon played the 'schnook' who lends out his apartment for his boss's sexual trysts, only to fall in love with the boss's girl - played by Shirey MacLaine. The Apartment is a beautifully judged piece of writing saved from cynicism by Wilder and Diamond's tenderness towards their central characters. This edition of the screenplay includes a specially commissioned introduction by Mark Cousins.

Art and Anarchy Edgar Wind 1985 Will works of the imagination ever regain the power they once had to challenge and mould society and the individual? This was the question posed by Edgar Wind's influential Reith Lectures delivered in 1960 and later expanded into his book Art and Anarchy. The book examines the various forces that have fashioned the modern view of the art, from mechanization and fear of intellect to connoisseurship and--perhaps the fundamental weakness of our age--the dispassionate acceptance of art. In the course of his discussion, Wind surveyed a wide range of topics in the history of painting, literature, music, and the plastic arts from the Renaissance to modern times.

The Dare Harley Laroux 2021-01-26 Warning: This erotica contains scenes and

elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

Clementine Loves Red Krystyna Boglar 2017-07-11 It's the end of the holidays for Mark, Annie and Pudding (real name: Derek). They've spent the summer in a cottage on the edge of a forest in the countryside, but they haven't had any really exciting adventures to tell their classmates back at school... Until, on their final visit to see the Frog King of a nearby pond, they find a frightened young girl crying in the woods. The curiously named Macadamia tells them she has lost Clementine, and so the three children set out on a quest to find her. But they are not the only ones looking for Clementine, and a storm is approaching, bringing with it a night full of surprises...

Time Maps Eviatar Zerubavel 2012-06-12 The pioneering sociologist and author of *The Seven Day Circle* continues his analysis of time with this fascinating look at history as social construct. Who were the first people to inhabit North America? Does the West Bank belong to the Arabs or the Jews? Why are racists so obsessed with origins? Is a seventh cousin still a cousin? Why do some societies name their children after dead ancestors? As Eviatar Zerubavel demonstrates in *Time Maps*, we cannot answer burning questions such as these without a deeper understanding of how we envision the past. In a pioneering attempt to map the structure of collective memory, Zerubavel considers the cognitive patterns we use to organize the past and the social grammar of conflicting interpretations of history. Drawing on fascinating examples that range from Hiroshima to the Holocaust, and from ancient Egypt to the former Yugoslavia, Zerubavel shows how we construct historical origins; how we tie discontinuous events together into stories; how we link families and entire nations through genealogies; and how we separate distinct historical periods from one another through watersheds, such as the invention of fire or the fall of the Berlin Wall. "Time Maps extends beyond all of the old clichés about linear, circular, and spiral patterns of historical process and provides us

with models of the actual legends used to map history...brilliant and elegant."- Hayden White, University of California, Santa Cruz

Lorca - a Dream of Life Leslie Stainton 2013-06-10 With a rare blend of grace, warmth, and scholarship, Leslie Stainton raises the stakes of our appreciation for the greatest of Spain's modern poets, Federico Garca Lorca. Drawing on fourteen years of research; more than a hundred letters unknown to prior biographers; exclusive interviews with Lorca's friends, family, and acquaintances; and dozens of newly discovered archival material, Stainton has brought her subject to life as few writers can. She describes his carefree childhood in rural Andalusia; his residencies in Madrid and Granada, then in New York, Havana, and Buenos Aires; his potent interaction with other Spanish artists, such as Salvador Dal, Luis Buuel, and the composer Manuel de Falla; and, finally, Stainton shows how Lorca's marginal political activity during the Spanish Civil War still cost him his life. Throughout, Stainton meticulously but unobtrusively relates the oeuvre to the life. Her biography is quickly becoming the standard one-volume work on the poet.

Saragossa Benito Pérez Galdós 2021-10-12 Saragossa: A Story of Spanish Valor (1899) is a novel by Benito Pérez Galdós. Published at the height of Pérez Galdós' career, Saragossa: A Story of Spanish Valor is the sixth in of 46 historical novels in the author's monumental, career spanning series of National Episodes. Set during the bloody naval battle of Trafalgar in 1805, Pérez Galdós' novel is a story of heroism, growth, and adventure that manages to find humanity in history. "It was, I believe, the evening of the eighteenth when we saw Saragossa in the distance. As we entered by the Puerta de Sancho we heard the clock in the Torre Nueva strike ten. We were in an extremely pitiful condition as to food and clothing. The long journey we had made [...], climbing mountains, fording rivers, making short cuts until we arrived at the high road of Gallur and Alagon, had left us quite used up, worn out, and ill with fatigue." Having survived the disastrous defeat of the Spanish Armada at Trafalgar by the British Royal Navy, Gabriel de Araceli makes his way to Saragossa. There, he must fight for his life and the future of his nation as the army of Napoleon Bonaparte lays siege to the city. Painstakingly researched by its author, Saragossa: A Story of Spanish Valor is a detailed fictional retelling of one history's most iconic conflicts. With a beautifully designed cover and professionally typeset manuscript, this edition of Benito Pérez Galdós's Saragossa: A Story of Spanish Valor is a classic of Spanish literature reimagined for modern readers.

Entiendes? Jonathan Goldberg 1995 "¿Entiendes?" is literally translated as "Do you understand? Do you get it?" But those who do "get it" will also hear within this question a subtler meaning: "Are you queer? Are you one of us?" The issues of gay and lesbian identity represented by this question are explored for the first time in the context of Spanish and Hispanic literature in this groundbreaking anthology. Combining intimate knowledge of Spanish-speaking cultures with contemporary queer theory, these essays address texts that share both a common language and a concern with lesbian, gay, and bisexual identities. Using a variety of approaches, the contributors tease the homoerotic messages out of a wide range of works, from chronicles of colonization in the Caribbean to recent Puerto Rican writing, from the work of Cervantes to that of the most outrageous contemporary Latina performance artists. This volume offers a methodology for examining work by authors and artists whose sexuality is not so much open as "an open secret," respecting, for example, the biographical privacy of writers like Gabriela Mistral while responding to the voices that speak in their writing. Contributing to an archeology of queer discourses, *¿Entiendes?* also includes important studies of terminology and encoded homosexuality in Argentine literature and Caribbean journalism of the late nineteenth century. Whether considering homosexual panic in the stories of Borges, performances by Latino AIDS activists in Los Angeles, queer lives in turn-of-the-century Havana and Buenos Aires, or the mapping of homosexual geographies of 1930s New York in Lorca's "Ode to Walt Whitman," *¿Entiendes?* is certain to stir interest at the crossroads of sexual and national identities while proving to be an invaluable resource.

Performance Measurement and Regulation of Network Utilities Tim Coelli
2006-01-01 This book explores the important role that economic performance measurement is playing in the regulation of network utilities in many countries today. The contributors to the book - researchers from academia, regulatory agencies and consulting firms - address the use of efficiency measures in price regulation and in assessing the effects of past regulatory reforms. Industries examined include electricity supply, water supply, telecommunications and airlines, across a range of countries including the USA, UK, Norway, the Netherlands, Australia and New Zealand.

Queering Paradigms Burkhard Scherer 2009 This book brings together original, peer-reviewed research providing new perspectives on the status quo and challenges for the future of Queer Theory / Queer Studies. Drawing inspiration from the conference in Queer Studies that was held at Canterbury Christ Church University in February and March 2009, the chapters offer analyses and insights

into changing academic and public discourses on sexual and gender normativities within a wide multi- and trans-disciplinary scope. Transcending the binary axis of homo- vs. heterosexuality, the book analyzes, queries, and challenges multiple overt and hidden heteronormative and gender binarist assumptions; in six larger areas, paradigmatic discourses in academia and public life are discussed: Queered Identities, Queer Politics, Queering Public Discourses, Queering the Classroom, Pop Queer, and Queer Readings. The contributing authors represent the wide spectrum of scholarship engaged with Queer Theory, including political and social science, philosophy, history, literary criticism, cultural studies, education, psychology, and legal studies. They conversely and discursively contribute to the evaluation, reformulation, and if appropriate reclaiming of academic approaches in Queer Studies.

How Rude! Clare Helen Welsh 2018-09-26 Join Dot and Duck in a simple, yet hilarious, story about kindness, manners, and friendship that gets more and more chaotic with every turn of the page! Dot invites Duck to a tea party, but from the moment Duck enters the house, the tea party descends into chaos; from licking sandwich fillings to spitting tea, Duck gets ruder...and ruder...and ruder. Just how will Dot react to such outrageous behavior? Simple, funny, and ultimately touching, this book will appeal to any child who is learning what it is not to be rude and, more importantly, what it is to be a true friend.

An Orphan World Giuseppe Caputo 2019-10-24 In a poverty-stricken neighbourhood wedged between the city and the sea, a father and son struggle to keep their heads above water. Rather than being discouraged by their difficulties and hardship, their response is to come up with increasingly bizarre and imaginative plans in order to get by. Even when a horrifying, macabre event rocks the neighborhood and the locals start to flee, father and son decide to stay put. What matters is staying together. This is a bold, poignant text that juxtaposes a very tender father-son relationship with the son's sexual liberation and a brutal depiction of homophobic violence. Giuseppe Caputo uses delicate – yet electrifying – lyricism and imagery to weave a tale that balances desire, violence, discrimination, love, eroticism and defiance, while evoking with surreal humor the social marginalization of the protagonists as they struggle to keep afloat in a society where there are no safety nets. Like a brightly-lit theme park with its house of horrors, reminiscent in parts of James Baldwin's *Another Country* or Virginie Despentes' *Vernon Subutex* trilogy, *An Orphan World* defies the reader to look away, and the reward is an exhilarating carnival ride filled with beauty, compassion and loss.

Religion in China Fenggang Yang 2011-10-18 Religion in China survived the most radical suppression in human history--a total ban of any religion during and after the Cultural Revolution. All churches, temples, and mosques were closed down, converted for secular uses, or turned to museums for the purpose of atheist education. Over the last three decades, however, religion has survived and thrived even as China remains under Communist rule. Christianity ranks among the fastest-growing religions in the country, and many Buddhist and Daoist temples have been restored. The state even sponsors large Buddhist gatherings and ceremonies to venerate Confucius and the legendary ancestors of the Chinese people. On the other hand, quasi-religious qigong practices, once ubiquitous, are now rare. All the while, authorities have carried out waves of atheist propaganda, anti-superstition campaigns, severe crackdowns on the underground Christian churches and various 'evil cults.' How do we explain religion in China today? How did religion survive the eradication measures in the 1960s and 1970s? How do various religious groups manage to revive despite strict regulations? Why have some religions grown fast in the reform era? Why have some forms of spirituality gone through dramatic turns? In *Religion in China*, Fenggang Yang provides a comprehensive overview of the religious change in China under Communism.

I Couldn't Even Imagine That They Would Kill Us John Gibler 2017-11-14 Chosen as a Best Book of 2017 by Publishers Weekly! Harrowing personal narratives describing how Mexican authorities disappeared, killed, and injured scores of students and others in a still-unsolved crime. "Journalist Gibler's investigative prowess yields a book that uses a chorus of voices—eyewitness accounts of the students and others at the scene—to add depth and clarity to the Sept. 26, 2014, massacre of students in the city of Iguala, Mexico, that left six people dead, 40 wounded, and 43 students missing who have yet to be seen since. It's an unforgettable reconstruction of a national tragedy."—Publishers Weekly, Best of 2017, Nonfiction "After nine months of intensive research for a book on the case of the forty-three, Gibler decided that 'what needs to be shared, urgently, are both the words and the storytelling of the people who lived through the attacks.' . . . The testimonies in *I Couldn't Even Imagine That They Would Kill Us* offer stunning evidence again and again that members of the army, as well as local and state police, helped carry out the attack."—The New York Review of Books " . . . valuable oral history . . ."—London Review of Books "In Mexico, John Gibler's book has been recognized as a journalistic masterpiece, an instant classic, and the most powerful indictment available of the devastating state crime committed against the 43 disappeared Ayotzinapa students in Iguala. This meticulous, choral recreation of the events of that night is brilliantly vivid and alive, it will terrify and inspire you and shatter your heart."—Francisco Goldman, writer for The New Yorker, author of *The Interior Circuit: A Mexico City Chronicle* On September 26, 2014, police in Iguala, Mexico attacked five busloads of students and a soccer team, killing six people and abducting forty-three students—now known as the Iguala 43—who have not been seen since. In a coordinated cover-up of the government's role in the massacre and forced disappearance, Mexican authorities tampered with evidence, tortured detainees, and thwarted international investigations. Within days of the atrocities, John Gibler traveled to the region and began reporting from the scene. Here he weaves the stories of survivors, eyewitnesses, and the parents of the disappeared into a tour de force of journalism, a heartbreaking account of events that reads with the momentum of a novel. A vital counter-narrative to state violence and impunity, the stories also offer a testament of hope from people who continue to demand accountability and justice. John Gibler lives and writes in Mexico. He is the author of *Torn from the World*, *Mexico Unconquered: Chronicles of Power and Revolt*, *To Die in Mexico: Dispatches From Inside the Drug War*, 20 poemas para ser leídos en una balacera, *Tzompaxtle: La fuga de un guerrillero*. His work on Ayotzinapa has been published in *California Sunday Magazine*, featured on NPR's "All Things Considered," and praised by The New

Yorker.

Klee 1879-1940 Susanna Partsch 2000 The entertaining companion novel to the best-selling *The Sweet Second Life of Darrell Kincaid*. Michelle Lawrence's perfect life has been just as she's designed it. But then her husband, Chad, ruins everything by taking a job in San Francisco, about as far from their comfortable family home as it's possible to get without actually emigrating. Up until now, Chad's primary focus has been keeping her happy, and Michelle can see no good reason why this should change. But change it has, and Michelle now has to deal with Chad's increasing detachment, while building a new life with her two small children in a place filled with cat-eating coyotes. On top of that, Michelle's oldest friend is turning against marriage while her newest is a little too obsessed with clean taps. And down the redwood-lined street, there's Aishe Herne, a woman who could pick a fight with a silent order of nuns. Aishe has designed her own kind of perfect life, in which there's room for her, her teenage son and no one else. But when cousin Patrick lands in town like a Cockney nemesis, both Aishe and Michelle must begin determined campaigns to regain their grip on the steering wheel of their lives. *The Catherine Robertson Trilogy* Book 1: *The Sweet Second Life of Darrell Kincaid* Book 2: *The Not So Perfect Life of Mo Lawrence* Book 3: *The Misplaced Affections of Charlotte Forbes*

Piet Mondrian, 1872-1944 Susanne Deicher 1999 This volume presents Dutch painter Piet Mondrian (1872-1944). His earliest landscapes are rendered in an Impressionistic style but possess the marked vertical and horizontal tendencies that foreshadow his mature paintings. Mondrian's work began to show the influences of Cubism, and in 1912, the artist moved to Paris where he continued to refine his style, continually exploring increasingly sophisticated compositions. In his paintings, Mondrian strove to achieve a universal form of expression by reducing form and color to their simplest components. The artist termed his work "Neo-Plasticism". Mondrian's most well-known works consisted of white ground, upon which was painted a grid of vertical and horizontal black lines and the three primary colors.

Feminist Theory Martha E. Giménez 2018-10-25 In *Marx, Women and Capitalist Social Reproduction*, Martha E. The Hallelujah Effect Dr Babette Babich 2013-07-28 This book studies the working efficacy of Leonard Cohen's song Hallelujah in the context of today's network culture. Especially as recorded on YouTube, k.d. lang's interpretation(s) of Cohen's Hallelujah, embody acoustically and visually/viscerally, what Nietzsche named the 'spirit of music'. Today, the working of music is magnified and transformed by recording dynamics and mediated via Facebook exchanges, blog postings and video sites. Given the sexual/religious core of Cohen's Hallelujah, this study poses a phenomenological reading of the objectification of both men and women, raising the question of desire, including gender issues and both homosexual and heterosexual desire. A review of critical thinking about musical performance as 'currency' and consumed commodity takes up Adorno's reading of Benjamin's analysis of the work of art in the age of mechanical reproduction as applied to music/radio/sound and the persistent role of 'recording consciousness'. Ultimately, the question of what Nietzsche called the becoming-human-of-dissonance is explored in terms of both ancient tragedy and Beethoven's striking deployment of dissonance as Nietzsche analyses both as playing with suffering, discontent, and pain itself, a playing for the sake not of language or sense but musically, as joy.
