Plus, Handy self-tests let you gauge your understanding of words and meaning, so you can measure your progress as you go!

The Well-Spoken Thesaurus Tom Heehler 2011-01-01 If you've ever fumbled while trying to use a big word* (*lofty, pretentious word) to impress a crowd, you know what it's like to* (*what it is to) be poorly spoken. The fear of mispronouncing or misusing complex words is real and leaves many of us consigned to the lower levels* (*lower echelons) of the English Language. The Well-Spoken Thesaurus is your guide to eloquence, replacing the ordinary with the extraordinary.

30 Days to a More Powerful Vocabulary Dan Strutzel 2015-12-01 A Bigger Vocabulary = A Brighter Future Words. They're the foundation of nearly everything of value in our world. They have the power to create and the power to destroy. The power to inspire and to terrify. The power to enlighten and also to obscure. And, more specifically for you, they have the power to attract wealth and success and guarantee your brighter future. This is not hyperbole - it is based on rock-solid research. Studies show that those people with large vocabularies are smarter, wealthier, and happier than the average person - and substantially so. And here's the best news of all: a large vocabulary is not tied to your social status, your genes, or even your education level. It is a skill that can be learned - and it takes only 30 days. In

this cutting-edge program, 30 Days to a More Powerful Vocabulary, personal development expert and English enthusiast Dan Strutzel will instruct, enlighten, and inspire you with a concentrated 30-day program that will teach you over 500 words. But, more than teaching you these words, the uniquely designed program will ensure that these words become a habit-knit part of your life - and with minimal effort on your part. Best of all, research shows that learning new words has an exponential effect on the size of your vocabulary - since learning one word naturally produces an association between two to three more words. In short, after reading and applying the system in this 30-day program, you will not only have a bigger vocabulary - you will have a brighter future! Here's just a sampling of what you'll learn: The 10 myths about building a dynamic vocabulary The secret behind the exponential effect of vocabulary building A 30-day program designed to maximize learning and comprehension of over 500 words The words you need to know about money and financial issues The words you need to know about persuading others The words you need to know about marriage, parenting, and other relationships The words you need to know about science The words you need to know to be a great conversationalist Why building a large, dynamic vocabulary is even more valuable in the digital age And much more!

Business Grammar Builder Paul Emmerson 2003

Vocabulary Builder, Course 1, Student Edition McGraw-Hill Education 2004-02-23 The Glencoe Vocabulary Builder program uses a systematic approach to building students vocabulary by presenting words in context or information about word parts to help students unlock word meanings independently, and by requiring students to apply their knowledge of new words in reading and writing exercises. Each book in the seven book series is designed for a specific reading level and features readings from the humanities, social studies, and sciences, vocabulary from Greek and Latin roots, assessment after each writing assignment, and a section on taking standardized tests! Vocabulary Builder is a research-based program and is ideal for SAT/ACT preparation.

Business grammar builder. Grammar reference. Per le Scuole superiori Paul Emmerson 2010-12-01 "This is the second, in a two-level series of business vocabulary and practice books. It is a self study/classroom book & CD pack. The first half of the book is devoted to business vocabulary and practice, the second half to skills work. The audio CD features interviews with real business people and has accompanying exercises in the book. The business vocabulary builders are intended as companions to the two business grammar builders by the same author."--Publisher's description.

Business Vocabulary in Use Advanced with Answers Bill Mascull 2010-04-29 This is a new self-study reference and practice book for advanced learners of English who need vocabulary for business and professional purposes. It has been carefully researched using the Cambridge International Corpus to ensure that the 2,000 new words and expressions represent the English that native speakers actually use. The book consists of 50 units and follows the highly successful format of the English Vocabulary in Use range with presentation material on the left-hand page and practice exercises on the right-hand page. It covers a wide variety of up-to-date business topics and concepts including: people and organisations; quality; strategy; marketing; IT and the Internet; ethics and globalisation.

Speak Business English Like an American Amy Gillett 2006 CD and book designed to teach idioms and expressions used in the American business world.

English Vocabulary Builder Workbook (200 Lessons) Jackie Bolen 2021-03-05

Essential Business Grammar Builder Paul Emmerson 2006

How to Sound Intelligent in Japanese Charles De Wolf 2012-08-03 For every student, a time eventually comes when basic grammar is no longer the problem. You can say a few words about the weather, or the fact that, yes, you are feeling hungry, or explain that you are going out for the day — and actually be understood. Beyond that, however, the going gets tough. You cannot make pertinent comments about philosophy, politics, art, science, law, or business — simply because you lack the necessary vocabulary. In fact, you may not be able to say that you are interested in "philosophy" at all, because you don't know the Japanese word for it. How do you go about acquiring this specialized vocabulary (most of which consists of kanji compounds)? Usually by spending hundreds of hours reading Japanese books or picking through a dictionary. This book is an attempt to shorten that process by collecting a good number of the more commonly used key words from crucial areas of human endeavor. Now, without spending years mastering the written language, you can occasionally come up with the right word at the right moment in a conversation that is striving toward comprehensibility. This can even be done by students who do not have a strong grasp of kanji, for they can learn the words as sounds. The areas covered in the book are ideas and theories; philosophy and religion; politics and government; the fine arts, humanities, and social sciences; science and technology; law and justice; and business and economics. This division allows the student to go the category where vocabulary is needed and learn the key words given there, rather than floundering around in a dictionary and hoping one has found what is needed. A further advantage of this arrangement is that certain kanji tend to be repeated over and over in certain categories: for example, the kanji read "gaku" in the science section of the book. This type of repetition allows the student to get a feeling for certain kanji and usages. Beginning students can pick up individual words and put them in sentences of their own making, no matter how simple, and advanced students can get a better understanding of context by reading the sample sentences in the book. Since no one, even in their native tongue, can hope to be proficient in every field, advance students can quickly pick up key words in areas they are unfamiliar with. Previously published in the Power Japanese series under the same title.

Essential Words for the GRE Philip Geer 2010-07-01 An extensive working vocabulary is a prerequisite for test-taking success on the GRE Graduate Record Exam. This revised and updated test preparation guide presents 800 college-graduate-level words with definitions that frequently appear on the exam, while also familiarizing test takers with how the words are generally used in various contexts. Additional features include a pretest that serves as a diagnostic, a lengthy word list with extensive sentence-completion exercises, and a chapter that discusses and analyzes essential word roots. The book concludes with a detailed posttest. Answers are provided for all exercises and for all questions in the posttest.
